

C2C CACTUS FLOWER BABY BLANKET

MATERIALS:

HOOK

5.0mm • US size H-8

YARN

Weight  • 998 yds (480 gms) **w/o border**

Knit Picks Mighty Stitch (80% Acrylic, 20% Superwash Wool), 208 yds (100 gms)

Colors:

MC (Oyster): 605 yds (291 gms)

CAC (Macaw): 385 yds (185 gms)

FP (White): 6 yds (3 gms)

FC (Sunflower): 2 yds (1 gms)

Border: (See Notes)

NOTIONS

Tapestry Needle

Scissors

Stitch Marker

6 Bobbins (Optional-See Notes)

GAUGE (4 x 4")

6 Blocks x 6 Blocks in double crochet

FINAL SIZE

44 Blocks W x 50 Blocks L = 30 x 34 inches before border

ABBREVIATIONS

ch(s)	chain(s)
slst	slip stitch
sc	single crochet
dc	double crochet
ch-3 sp	chain 3 space
MC	main color
CAC	cactus
FP	flower petal
FC	flower center
RS	right side
WS	wrong side

NOTES

- Project Level:  Easy / Facile / Fácil
- **Knowledge of C2C/Diagonal Box Stitch is required**
- If you are unfamiliar with C2C or need a brush up, I've included links to some of my favorite tutorials at the bottom of page
- Direction: From bottom/right to top/left
- Work: Alternating, start from right to left
- Tip: Mark front (right side) of blanket with a stitch marker
- Keep yarn tails to back (wrong side) of blanket
- Written in standard US terms
- **Yarn amounts are approximate.** Completed blanket may vary when different yarn or gauge is used.
- **Border:** This completed blanket w/o border was approx. 998 yds (480 gms). An addition of 5 rounds of sc border (approx. 1 inch) added 136 yds (65 gms) for an approximate total yarn usage of 1134 yds (545 gms) and a finished size of 32 x 36 inches.
- Bobbins/Yarn Management: If you google this you will find that the best way to manage yarn in a graphghan is extremely subjective! If you are unfamiliar with how to use bobbins or do not already have a preferred yarn management system, I've listed a couple of resources below. I personally do not use bobbins. I keep my skeins in the top of an Ikea [rolling cart](#) and flip my cart around each time I change directions :)

Tutorials for C2C help

3amgracedesigns	(My favorite way to change colors!)
Make & Do Crew	(Great beginner tutorial)
One Dog Woof	(Beginner pictorial + bobbin management)
Meghan Makes Do	(Beginner video tutorial)
Interweave Crochet	(Bobbins + yarn management)
Meghan Makes Do	(Color changes + bobbins)

BASIC C2C TECHNIQUE

Increase Rows

Row 1: Ch 6, dc in the 4th ch from hook and in the next 2 chs. Turn. **(1 block made)**

Row 2: Ch 6, dc in the 4th ch from hook and in the next 2 chs. Slst in the ch-3 sp of the first block. Ch 3, 3 dc in the ch-3 sp. Turn. **(2 blocks made)**

Row 3: Ch 6, dc in the 4th ch from hook and in the next 2 chs. *Slst in the ch-3 sp of the next block. Ch 3, 3 dc in ch-3 sp.* Repeat *to* 1 more time. Turn. **(3 blocks made)**

Repeat Row 3, increasing by 1 block every row and changing colors according to the chart/instructions until arriving at decrease rows.

Decrease Rows

You will be removing 1 block each row until you have only 1 block left. Decreasing first along the bottom edge (width), while continuing to increase along the top (length), then decreasing along both edges to finish.

*Once you have completed the longest row of the pattern, **Row 44** of this pattern:*

Row 45: Ch 6, dc in the 4th ch from hook and in the next 2 chs. **(1 block increased at beginning of row)** *Slst in the ch-3 sp of the next block. Ch 3, 3 dc in the ch-3 sp.* Repeat *to* until the last ch-3 sp. **Slst in the last ch-3 sp to complete row.** Turn.

Row 46: Ch 1, slst in the next 3 dc. **(1 block removed)** *Slst in the next ch-3 sp. Ch 3, 3 dc in ch-3 sp.* Repeat *to* until end of row.

*Repeat Row 45-46, continuing to decrease at the beginning of even # rows and increase on odd # rows until you reach **Row 51** of this pattern.*

Row 51: Ch 1, slst in the next 3 dc. **(1 block removed)** *Slst in the next ch-3 sp. Ch 3, 3 dc in the ch-3 sp.* Repeat *to* until the last ch-3 sp. **Slst in the last ch-3 sp to complete row.** Turn.

Repeat Row 51, continuing to decrease at the start of each row until you have 1 block remaining. Slst in the last ch-3 sp, cut your yarn, leaving a 5-inch tail, and pull it through to fasten off.

Border

For a basic border: Attach yarn along side or bottom edge, ch 1, sc in the same stitch, work 1 round of sc border in coordinating color, placing 1 sc in each dc end, 2 sc in each dc side and 3 sc in each corner. At end of the round, slst in the first sc to join the round. Cut your yarn, leaving a 5-inch tail and pull it through the loop to fasten off. You're done! You can now weave in your ends and enjoy your beautiful blanket!

However, this round of sc also makes a great starting point for a border of your choice or additional rounds of sc. *Do not cut your yarn at the end of the first round if you'll be adding additional rounds of sc.*

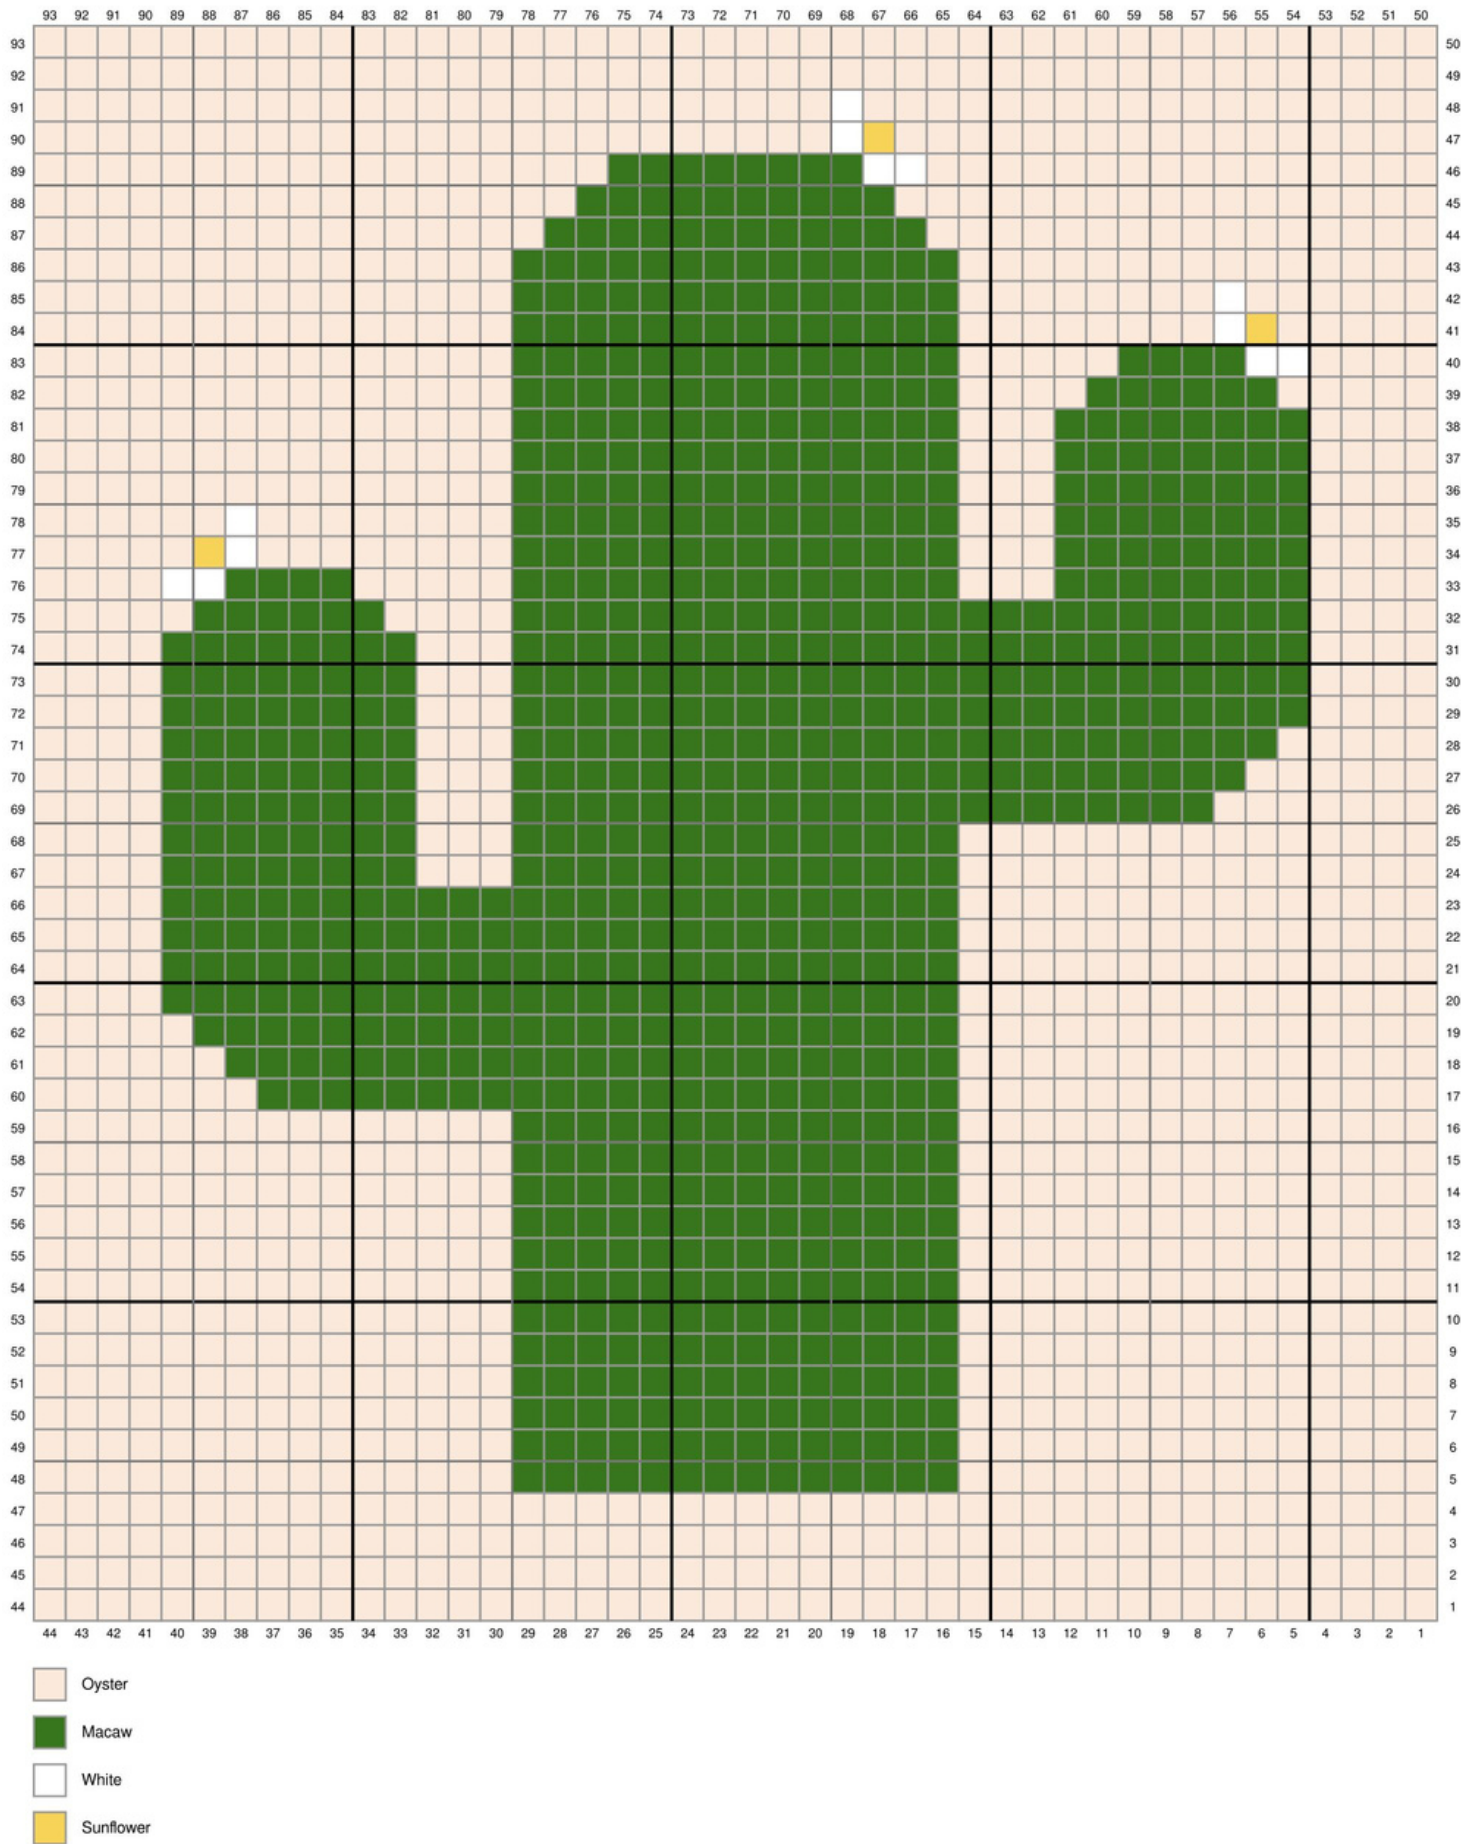

To add additional rounds:

Ch 1, sc in the first stitch, then continue around, placing 1 sc in each stitch and 3 sc in the middle stitch of each 3 sc corner. At the end of the round, slst in the first sc to join. Repeat *to* for as many rounds as you wish. Cut your yarn, leaving a 5-inch tail, and pull it through the loop to fasten off. Weave in your ends and you're done!

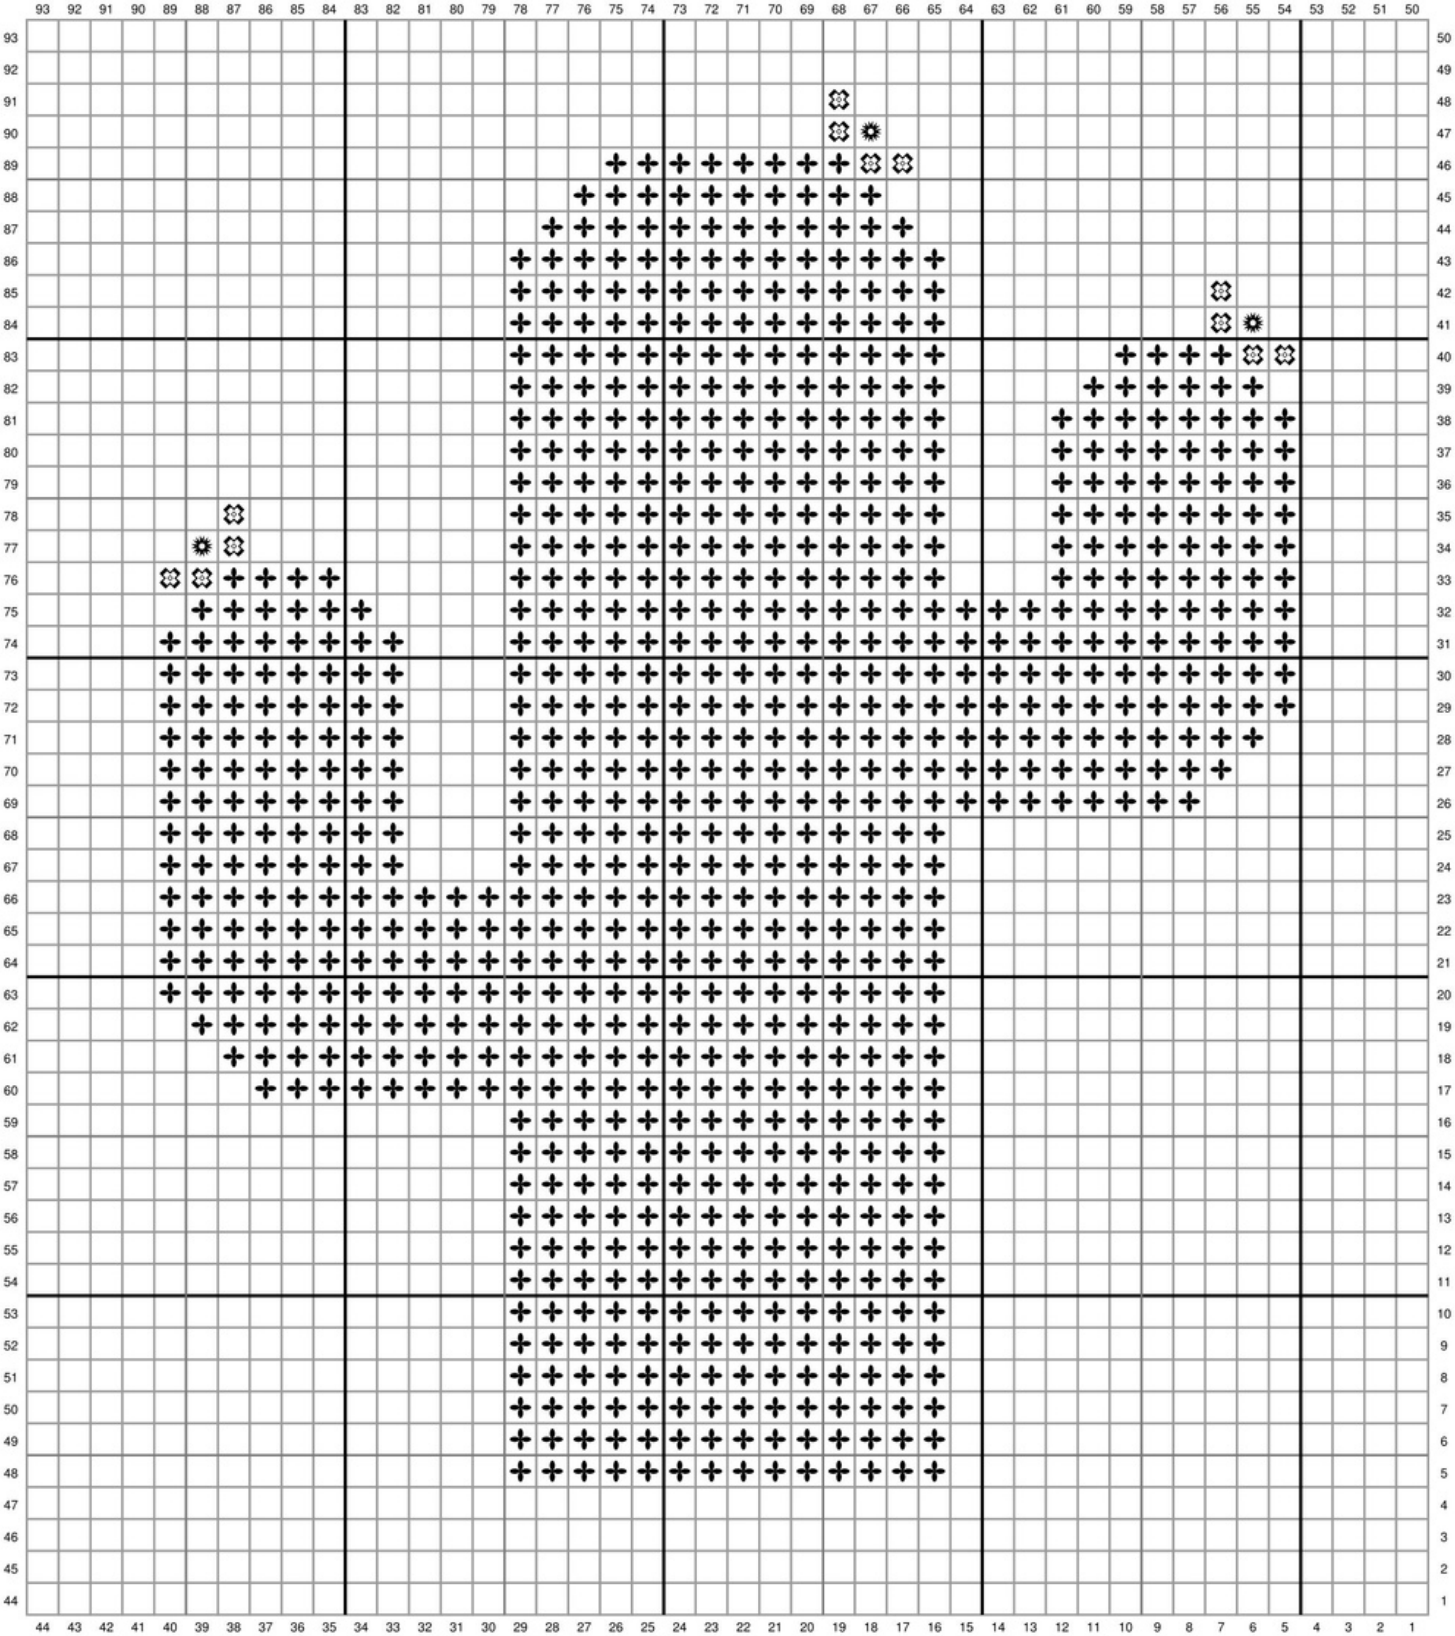

In this example, I used 5 rounds of sc. 4 rounds of the main color (oyster) and 1 round of the cactus color (macaw).

Have fun and make it as simple or fancy as your heart desires!

Thank YOU for purchasing this pattern!

Wendy L. Hamilton

Hi! I'm Wendy from Cactus Flower Crochet! I offer simple, accessible patterns for desert-loving crocheters to create unique baby blankets for gifting or selling. Guided by a commitment to simplicity and people, my profits support a mission dedicated to spreading love and comfort, one crocheted hug at a time.

Wendy ~.~
