

## The New You

Word given through Pastor David  
2024

You don't have to live in fear and doubt. If you will listen to the voice of the Spirit. He is guiding you. He is leading you. You are going to come out next year and say "What happened? It is so much better."

There is going to be some turmoil, there is going to be some trouble but you're going to slide on through to the new you. You're just going to slide on through to the new you. You're just going to slip it on like a new garment. The new

er, more better, more glorified you. You just listen to what the Spirit is telling you to do. And the Spirit of God is going to change you. You won't recognize you. Your friends won't recognize you. But you'll be more like you than you've ever been before. You'll be the you that you are destined to be.

It's the year of change. It's the year of the moving, of My Spirit in individual, reviving, rekindling, restoring, re-enlightening. Listen and obey. You're going to see things change in your life. You're going to see things move in your life. You're going to see things rearranged. It's going to be the peaceful, most glorious, most wonderful time in your life and it will only get better.
