PowerLevels!
StarPowers
11 BILLION

You use your POWER-training to start PoweringUp like in anime DBZ Goku & Naruto etx! The evil SuperVillains state, "Their PowerLevel keeps rizing (rising). I am reading a StarPowers PowerLevel of over 1,000 ... no wait its 11 MILLION... NO its wrong... its still RISING ... my DarkLord its now 11 BILLION! All these StarPowerKids have unbelievable StarPowers PowerLevels! They are no-ordinary kids - they are POWERMASTER STARWARRIORS and must have MASTARED their SICK (awesome) STARPOWERS -training at *JAYMUNDI*'s YOUuniversities & *STARSchools! The kids RAGE out & transform into all sorts of GOODMonStars & beat up the bad guys fast as they LIGHT UP the night sky like *colorfull* FireWorks & a laser light show dance floor. You use light-up *Power-Swords lil like StarWars, but each sword is specialized to take on different types of enemies ex. yellow one is electricity lightning charged & works best on TechTrolls TT's as it fries their circuits! The only x2 swords in this YOUiverse are #1. *Colorfull Ninja *Power-Swords © (vs Gundam Star Wars light sabers are powered by fictional crystals) but mine are powered by real-life POWER-Science ex toy AA AAA batteries & smartphone batteries, & #2.) MY *Power-Swords are MASSIVE with M/W-shape handles (ex. all-powerful Marvel's Silver Surfer's Infinity Sword in Superhero Squad can ALSO destroy the universe & FF7's Cloud/Zac. Primitive aliens use old-puny-metal-swords & no guns. Swords are on your WeaponsWall(WW) & resemble crayons box & *colorfull B-day candles. They got A.I.'s programed to say positive praises like "WOW! You are awesome, that was x999 bad guys destroyed, way to go young MaStarBlaStar!"
