MON\$TARchanger: NewAge of COPYRIGHT © Mon-Stars – millions of Alien\$(WARS) threats among the STARS (in all YOUiverse), BUT some Alien\$ look like MonStars but are good, ex. Yoda/Chewy. Thus, I am FUN-FUTURE ALIEN\$Science (not-religious-demons) & note science-has-found NO-0-Alien\$!

Star Wars Force is \$50-Billion \$ Toy-Empire & fun-fictional-force vs my STARForces with x11 SCIENCES: tech, cops, science, war, education, love, etc!

Star Wars has Jedi vs Sith Alien-Religions vs my hotter team names: MaStars vs MonStars! Star Wars has Light vs Dark-sides but I got real-life BRIGHTSide vs DORKSide (dorks are idiots, racists, colorists, & sexists)! My BrightSide is getting brighter by learning more! I Share my LiLGenius \$ Succe\$\$ UltraHabit\$!

My x11StarMaStars unlock many more powers than Star Wars-Force ex. fire/earth/wind/water, superstrength & flight like Superman & Goku!

SCIENCESchanger: I destroy lame-OLDSscience-terms "universe, world, stardust, etc" with my NEWSscience3.0 terms "YOUiverse, World, StarPowers"!

My Revolutionary Breakthrough STARScience says WE are all made of "StarPowers" vs "Celebrity-star-power" & OLDSscience says we are made-of StarDust!

My x11 inner color-lights called *ShocckRas connect YOU to my YOUiverse! My TOYuniver\$e is called *ALLStars* YOUiverse (A.Y.)!

I pay tribute to TOYuniver\$e heroes ex DC Starfire, Powergirl & Wonder Woman Goddess that led to my WOMMENSscience term wowmen & Powergirls!

JayMundi is real-life STARDestroyer of "Celebrity stars & their Star-power-StarDum"! This is not a BOOK – it's Future #1 BlockBu\$tar Billion\$ Bu\$ine\$\$ EMPIRE!

My 1st 2pages are info for parent purchasers, so kid readers can skip to page3. My books are for adults too as lessons in my FUTURE BILLION \$ #1BUSINESS\$ Empire as this is not a book it's a #1 merchandise Empire! Hi, I invented #1 BUSSINESS\$ & TOYUniverse (of all time) called *ALL Stars* YOUiverse! MonStar'sSun (son) *JayMundi* the Universe "Destroyer" says let's destroy sucky lame OLDscience term UNIVERSE with my REVOLUTIONARY term "YOUiverse" where YOU (the readers) explore & save the YOUiverse, thus it's name YOU-iverse! My YOUiversity & *STARSchool "Education": teaches kids WE ARE ALL *ALL Stars* with StarPowers inside us ALL. I am the REAL-LIFE "StarWars" & StarDestroyer with my NEW Breakthrough StarDestroyer STARScience 3.0 says: we shouldn't call Stardum-Celebrities the "STARS" with their "star-power" as WE are *ALL Stars*! YOU the readers become #1 SuperHeroes of ALL time by inserting names into book (ex. [insert name] & YOU save the YOUiverse! Star Wars Force fans (a \$50BILLION toy franchise) may love my lil-like TWIN STORY of MaStaring my StarForces, BUT my Force name - StarForces is HOTTER, & my team names are hotter: *ALL Stars* MaStars vs MonStars, as MaStars is an ACTION VERB to MASTAR your life! To help kids beat fear of ALLMonStars in ALL schools! You-can't-Jedi-your-lives, but you can MASTAR-LIFE! I use creative wordplay (MISPELLINGS) using my STAR based terms: *ALL Stars* MaSTARS (masters) vs MonSTARS (monsters) which connects ALL to my STAR-Forces & YOU to my TOY YOUiverse! Just like Jedi vs Sith ALIENreligions I have similar FUN *STARReligion* vs MONSTARReligion. My FUTURE ALIENSciences3.0 is Billions of

ALIENSpecies ALIENAmies among the stars, thus name "Mon-Stars" & is-not-demons-code as YOU play out my story as a NEWAGE GOODMonStar DARK-Hero lil like RAGING Marvel's HULK & DBZ GOKU! I travel in chart below - I also have x11 REAL-LIFE SCIENCES & FORCES to my educational StarForces vs just fun-fictional TOYForces! My StarForces are a MASSIVE UPGRADE to other TOYForces, for ex. unlike StarWars Force, my StarForces unlock MORE fun powers ex. elements - FirePower, SuperStrength & flying like DBZ Sun Goku/Ang/Superman! Thus, my #1 TOY Universe name is best ever - *ALL Stars* YOUiverse vs DC/DBZ/Marvel-Universes. Bonus is writer *JayMundi*'s biography of DESPITE growing up with violent F#@# (Fool) Father dark trauma - I wrote #1 *ToyStory* of ALL time. My books are complex like school books for bright kids & are also designed to DESTROY Violence vs Womem, & DESTROY: Racism, Colorism & HATE code! ALL this in my COMPACT 30page books! My *STARSchool books are for ages +8 but YOUiversity books are for teens & adults! It gets better:

YOUiverse MAP is a Multiculturalism (Racism-Destroyer) CODE MAP & LOVE4ALL *ALL Stars* (FUTURE ALIENS) MAP! My books YOUiverse Map is a metaphor for Multiculturalism! My ColorCoded text also reps Multiculturalism (DESTROY: Racism&Colorism) - LOVE of *ALL Stars* ALLpersuns (persons) regardless of skin color, nationality, #BLM (Black Lives Matter) as writer *JayMundi* is brown! RATED PG: Okay for elementary kids over 8 who love BlockBuStarSuperHeroe\$ movies ex. Marvel Avengers Infinity WARS, Star WARS & DC universes, *cartoons*, books, ComicBooks, AsianAnimes (ex. DBZ Goku & Naruto), play SuperHeroe\$ VideoGames, & love *ComicCons* & *AnimeCons*, NOT for DORKS =idiots/racists/colorists/sexists, BUT is for BRIGHT persons as my books are complex (multi-layers) & LOADED like school science textbooks chapters -who LOVE SCIENCE/EDUCATION/RACISM DESTRUCTION!!!! NOT suitable FOR LA LA LAND WUSSY KIDS, & similar grandparents over 66, as I also have extreme violence like Star Wars Order 66-like Jedi-Genocide & Thanos snap which kills 50% of universe-wide population mass-scale genocide TOY\$torie\$ violence! There are a handful of curse words in reference to my very violent lil Fat F*#\$ Father who used to beat up my lil bro, me - & my mom so bad she has jaw reconstruction so KARMA IS A B*@\$% FATHERRRR & for ALL ETERNITY I LOCK-IN your PsychoPath mental ILLNESS as my EV-ILL-book theme & it allows readers to get uncomfortable & feel my REAL-LIFE DARKNESS & HATE vs DORKS like my potty-mouth father who beat up lil kids & women - which led to my book! As such, you will remember for ALL eternity as *JayMundi* the MonStar\$Sun (son) -son of a violent drunk lil Fat F*@\$ Father but I still made #1Toy\$tory & #1BUSINE\$\$ of ALL time!

✓ **GAMECHANGERS #11 COLOR-TEXTCHANGER:** the ColorCoded words text promote a LOVE for *Diversity & Multiculturalism*, & *JayMundi*'s new STARScience - which celebrates his *complete* *ColorsCode STAR\$pectrum of x11 *StarColors, not-just LIMITED rainbow (ROYGBIV) x7-celors, but includes ALL x11 *StarColors like x11 Priman Colors (including silver, pink, white, black, & brown) found in *ALL Stars* & in our YOUiverse!!! It is not racist code as both my SuperHeroes & SuperVillains have the same x11 StarPowers that can be used as forces for good or evil!!! *ColorCode reps Copyright ToyBranding colors (ex. Marvel vs DC) & has very colorful pages like ComicBooks.

GAMECHANGER #12 MonStar\$Sun (son) *JayMundi*'s BIOGRAPHY: a high school Business & Tech teacher, MaStarred his life despite growing up with a VERY VIOLENT, uneducated, drunk, Fat F*@\$ father. #1*LiLGeniu\$ 5STAR Reviews: when giving 5Star reviews note 96% of ideas & writing are RECREATIONS from my 1980-90's elementary yrs (ages 9-11) to TEEN (ages 13-17) high school ComicBooks & VideoGames! The book is also lil like a SuperHeroe\$ DOCUMENTARY examining the NEW AGE of modern BIG BILLIONS DOLLARS SuperHeroes Industry, including top #1 Billion\$ dollar\$ BlockBuStar movie\$ & the newest age of BIGGEST \$200 Billion\$ SuperHeroe\$ VideoGame\$ industry. Follow writer *JayMundi* on social media as he tries to penetrate International SuperHeroe\$ markets & tries to make his childhood comics into the next BIG BILLION DOLLAR SUPERHEROES BUSINESS!!! THIS ENTIRE ALL-in-one BOOK IS MY MASTASPECT #1 ART of ALL time vs Dub Vinco's MOANA Lisa LOL! PS

you spell my name as ONE WORD: *JayMundi* as part of my fusion-science theme & FULL name as the MonStar\$Sun (son) *JayMundi* Universe *Destroyer*! Fictional SuperHeroes (Alien\$) Superman, Goku & Hulk-DON'T compare at ALL to me *real-life* hero *JayMundi* made YOU into #1 SuperHeroe\$ of ALL time called UltraHeroes, as YOU saved my YOUiverse!

GAMECHANGER #13 YOUiversityCHANGER & SCHOOLCHANGER: Elementary & HighSchool students upgrade into *STARSchools of STARStudents who learn they are the STARS with the x11 STARPOWERS (not-just-celebrities-stars) in my STARScience new terms vs OLDScience-lame-education-terms!!! My term YOUiversity destroys OLDSscience-lame-term University - as instead at JayMundi's YOUiversities YOU learn real *Education* that YOU are #1SuperHero in YOU-iverse, thus my STARterm YOUiversity!!! APOLOGIES: for "INNOCENT lil MonStars" who may DESTROY *Celebrity-Stars* signs or use *ALLStars* *GRAFFITI* & CROSS-OUT universities & school textbooks into my YOUiverse text! Book sales help us launch & spread our fun *ALLStars* YOUiverse (MultiCulturALL metaphor) message, recruit staff, get security for my family versus *GlowBall* Anti-MultiCulturALL forces, make cartoons/movies, & not sell-out to major corporations. Compare the immense POWER ... StarPowers of this *EducationALL book to other \$10-20 kids products ex. toy\$, Star Wars Jedi Academy books (approx. \$17Cdn), Harry Potter kids witchcraft school books (#1 kids novel series of all time) approx. \$10.

SUMMARY: Lastly, a reminder again this is NOT-A-BOOK - It was always designed by me in my youth as a #1LiLGeniu\$ to be a #1BUSIN\$\$ BILLIONS \$ BLOCKBU\$TAR (3B) EMPIRE!!! I loved Superheroes merchandi\$e in stores & wanted to have my own *ALLStars* SuperHeroe\$ art on lunchboxes, backpacks, shirts, postars in bedrooms. In mid elementary years I wanted my own sports-gym-fashion clothing & sneakers products with my *JayMundi* JM logo to compete vs MJ Micheal Jordan's iconic Jumpman logo (see art below →). 100's of my characters were designed to be have own Billion\$ \$ BlockBuStar movie\$ & videogames! Look for my FUTURE products online & at local stores. ALL these ideas are 96% from me in mid-elementary years as #1LiLGeniu\$ MonStar\$Sun (son) *JayMundi* the Universe *Destroyer! Even Einstein & Hawkings & ALL scientists can't ever compete with my FUTURE #1 BILLIONS \$ EMPIRE or my REVOLUTIONARY BREAKTHROUGH NEWSsciences3.0: #1.) MY Chainbreaker StarDestroyer STARScience says celebrity are not the stars with their star-power vs MY WE are *ALLStars* with the StarPowers - STARScience! #2.) My ColorCoded text is a MultiCulturALL metaphor & I DESTROY Racism & Colorism sexism, HATE-codes with my *ALLStars* code! #3.) I give POWER to all WOWMEN vs-wife-beaters-like MY-FATHER! #4.) I got future billions of ALIENSspecies in my ALIENSsciences (vs-your science books have 0 ZERO-FUN-ALIENS), NO ONE competes with my POWERLEVEL as I am a REAL-LIFE StarDestroyer & Universe *Destroyer LMAO! YOUNIVERSALL *SOLDIERS* Avatar Custom Character:

This book is in a VideoGames format to appeal to modern VideoGamer kids. A VideoGames avatar is the character you, the VideoGamer control. Pick one of the following VideoGames Avatars (similar to FAN FAV Favorite MODERN VideoGames, ex. Minecraft, Roblox, Fortnite, & JumpForce): insert your name: "StarPowers StarWarrior *JayMundi* MUNStars'Sun (son) BronzeStar YOUNiverse!" [Your character name is very long & has Writer's 1st & last name Mundi -as it means world, & the last name YOUNiverse is like FAN FAV cartoon Steven Universe. As a kid I watched a 1981 cartoon called BlackStar & so I simply called my SuperHero "BrownStar" aka BronzeStar, & now my story becomes your story as you insert your name to fuse (combine) with me! FAN FAV =means FAVORite among FANS. In these StarWarrior (SW) VideoGames - YOU the player become the #1 SuperHeroes in this ToyStories YOUNiverse as YOU save the YOUNiverse! Choose your Avatar:

#3. CREATE your Custom Avatar here ((it can be YOU, or a MonStar, alien, supervillain, OldGods (OG's) Thor, Herc, Goku, Raiden, or robots (lil-like Transformers or GoBots). Research MODERN VideoGames such as Fortnite, JumpForce & millions of similar *GlowBall* games where you can DL (download) over x100's different skins (costumes). [Writers Note: as an elementary kid I mostly drew myself as the SuperHero of my ComicBooks, but as a teen I updated my comicbooks stored on floppies disks with x100's of ebooks to instead have readers create themselves as the main #1SuperHero (by inserting their names in blanks ex.____) with their own customized character!

#4. The main character however, is set as default (non-customized) setting in writer *JayMundi*'s sun-tan beach bronze muscular image as the 1st brown (East Indian) SuperHero (& inventor of #1 FUTURE ToyStory EMPIRE *ALL Stars*YOUNiverse of all time) similar to sun-tan bronze-brownish skin of many toy characters like new version of DBZ Broly 2021, DC Starfire (orange skin female alien with UV sun power inspired my full sun spectrum *StarFire* toy theme), BlackStar1981/ BraveStar1987/ Avatar Airbender's Korra, & Conan's 1983 muscular bodybuilder brown-bronze skin toys -DBZ Sun-Goku, Superman, Hulk, Saitama, Thanos with Infinity Stones are most powerful SuperHeroes & villains, but in my YOUNiverse YOU the reader become the most powerful #1SuperHero of ALL time! Writer *JayMundi* grew muscular to stop his alcoholic, uneducated father from beating up his mother, little brother & himself. Its also in Jay's image because he wrote this new #1 SuperHeroes YOUNiverse & all my toons, shows & movies for ALL ETERNITY have my C.G.I. as main hero! The characters are shown with *colorfullSTARrainbow*StarFire*solar flare hair, StarPowerscape & AuRa (glow) - as they rep real STARScience fact that THE YOUNiverse & *ALL Stars*are *colorfull* & contain writer *JayMundi*'s complete x11 *StarColors* STARSpectrum! The Solar flare hair with side bangs reps BIG BANG Theory as well & is modelled on my hair LOL - as a kid I was inspired by Superman S curl signature copyright hair style & Einsteins universe-scientest wacky, odd big afro-ball hair. The W's in my costume were inspired by Wonder Woman's (WW) Warrior Goddess 1980's updated costume with the x2 W's on her top. Marvel's Blade BlockBuster movies with 1st Black SuperHero started the Marvel franchise & basically saved them from bankruptcy! Research &

#1. The real universe (science) SUCKS as your science books have found 0-ZERO-FUN BILLION \$ BLOCKBU\$TAR ALIEN\$ ex Goku, Yoda, Superman, Ashoka & DC Starfire, BUT my TOYuniverse does! I rep **DEEP-FUTURE *EVOLUTION MAP** (from our primitive ships to spaceships) to **FUTURE *StarShips to YOUuniverseShips** to explore, Study, & **MAP ALL YOUuniverse in x11 Billion years!** #2A My VideoGames start off with you the VideoGamer Player using "JayMundi"s **YOUuniverseMap** Map to the STARS; FUTURE-MAP to ALL **YOUuniverse** to find the x11 *StarMaStars (Jedi masters-like) teachers of the x11 **StarForces** - who each help you unlock & MaStar different **StarPowers!** #2.B. The x11 *StarMaStars are also a metaphor for **Multiculturalism to (DESTROY: Racism, Colorism, & HATE)** to teach LOVE for ALLpersuns regardless of **SKIN-colors**, nationalities, etc as writer "JayMundi" is **BROWN #BLM (Brown/Black Lives Matter)**! #2.C. The x11 *StarMaStars will help you unlock MANY powers like **fire wind/water/earth/superstrength/flight** like Goku & New Superman & gain future-tech like powersuits/laserguns & transforming Super-Robot friends like **BlockBu\$tar Billion\$ \$ ALIEN ROBOTS TF Transformers, VOLTRON-Force SuperForce.**

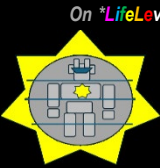

#3. Why explore ALL the **YOUuniverse**? We have to leave Earth before next **FUTURE EXTINCTION LEVEL EVENTS** like **IceAges** (for 100k yrs - ex. Ice Age toons & toys) & **Assteroid/Meteor strikes** that killed 99.9% of previous earth life ex. Dinos), & in a few billion years our **lil sun (as part of it's STAR-evolution)** will grow into a **SuperSun** & then a **Red Gas Giant Sun** & burn/eat our **Planit Earth!** Thus, we need to **EVOLVE** even faster to help save our **FUTURE** - thus my **NEWScience** term **STAR-evolution** - which reps my 1st LifeLevel #1 **TECH** to get us living in space, other Warids (worlds) &/or deep in earth bunkers, BUT also creating advanced future-techs like laserguns & **SUPERROBOTS** to fight **FUTURE EXTINCTION LEVEL AAA ALIENAmies ALIENWARS** like in BlockBu\$tar movie\$ of all time ex. Avengers/Infinity War/Star Wars/Star Trek/DBZ Freeza Force, etc who all have far more advanced ALIEN-TECH. Thus, my **WARNING is FUTURE xMillions of AA ALIENAmies THREATS coming from the STARS - called my MON-STARs - ALL over the YOUuniverse just like DC, DBZ, TF, & Marvel UNIVERSES!** In kids toons & comicbooks there are x1000's of **ALIENAmies** AA **UltraVillains** who can easily destroy the universe (with a SNAP of their fingers) with **UltraWeapons** like Marvel's x6 Infinity Gems ex. Thanos & Dark Surfer destroys 2/3 of universe in SuperHeroSquad toon (ages 4&up). In my TOY-Universe **YOU can save the YOUuniverse (not aliens Goku, Superman, Skywalker, Optimus, etc)** BUT 1st YOU must MaStar my x11 **StarForces** & collect all **x11 PowerBalls** & your **TEAM!**

#4. **Star Wars is only a galaxy far away,** BUT I REP ALL **YOUNIVERSE** exploration, as my x11 Planits (planets) are each located in farthest corners of the **YOUuniverse!** The x11 Planits also represent inventor "JayMundi"s x11 *real-life* forces **ColorCoded** as: **TechForce, Nutrition, Exercise, WAR (history), Education, POWERofLOVE, DEEP-FUTURE, #BLM,** etc

#5. **Scientest *JayMundi"s map is not an elementary science fair project SolarSystem but is my YOUuniverseMap,** & my Planits are named a bit similar to our **SolarSystem** planits which are all named after ancient, obsolete (no longer prayed to), Greek Gods pantheons, as our greatest grandparents **Ancestors**, ALL over our World (world) prayed to all sorts of pantheons of Gods (about 5Billion still do), BUT obsolete religions had all sorts of **MIS-EDUCATION STORIES** ex. **UranUs Elder God (Grandparent of Zues, was killed by his son God ChronUs Time God who was ironically killed by his son Zues Lightning/Storm/Thunder/Cloud God for CANNIBALIZING (EATING) Zues's siblings - celebrated in Clash of Titans movies & toys for x4 decades)!** Writer "JayMundi" is connected to these OG Old Gods & GOW God of Wars as JM also wanted to kill his father all his life for violently beating him & his fam! **In annual science class you learn our Ancient Ancestors* (AA) worshiped 1st Original-Gods (OG's), for ex. our SolarSystem Planet-Balls are named after OG's (ex. Uranus, Saturn, Venus, Mars, Pluto vs Copycat Zues, Aires)!** Greeks, Romans, Egyptians, Aztecs, Vikings, & almost all ancient "GlowBall" religions had similar 1st **COPYCAT GODS PANTHEONS mixed with their 1st sciences1.0 codes.** Most "GlowBall"s OG pantheons rep our 1st sciences1.0 code & most aliens have similar **SolarSystem x11 codes:** **TechGods/ChildGods&Goddesses/WaterTridentGods/EarthGods&Goddesses/SpeedGods/StrengthGods/WarGods/DeathGods/LoveGoddesses/LeaderGods/UniverseGoddesses.** My **PLANITS** rep a **SIMILAR FUN SECRET CODE & MY OWN ALIENGODS - ALIEN\$ name their planets after their 1st OG OldGods too:** ex. Planit LovUs is named after Love Goddess VenUs but mine is a new cosmic Love Goddess called Karma LoveUs (who is like **Marvel's Nemsis** who is inside Marvel x6 Infinity Gems ALL-Powerfull Gauntlet - used by NewAge YOUuniverse-Conquer UltraVillains ex Thanos in cartoons, comicbooks, & #1 BlockBu\$tar movie of ALL time, to mass-genocide kill 50% of universe population or Dark Surfer uses to destroy 2/3-of-universe)!. Similarly, I have my own MonStarKing who wants to take your x11 **PowerBalls** to rule the **YOUuniverse** too! My 1st Planit is also inspired by PrimUs the robot God of the BlockBu\$tar Transformers (TF) in Transformers Prime (TFP) cartoon, & similarly my 1st Planit TechYou is a massive transforming robot Planit too (like Primus & Unicron), that also has alive robots!

★LifeLevel 1: TechMaStars TechForce

On *LifeLevel #1 you use your **YOUiverseMap** to travel to shiny silver ball shaped Robot **ALIENWARS** (AW) Planits (planets), one is called TechUs (lil like BlockBuStar movies Transformers (TF's) home planit Cybertron – it too can also transform into a supermassive robot God – TF's have Quintessa, Primus & Unicron (1986 movie) as their x3 robot Gods in TF comicbooks, movies & cartoons (ex. TFP Transformers Prime). [Even Star Wars Ewoks made c3po their new robot god!] TechUs, however is not planit sized but is massive STAR-sized, & thus is one of the **STARobotGods** (like Marvel's Thor & DBZ Goku Old Gods)! It makes Unicron toys look puny in comparison). [Writer's note: as a 80's kid, robot toys like TF's & GoBots had **Everything** transform from vehicles, weapons, animals, headquarters, to planits & I wanted to make mine BIGGER & BETTER so I made transforming SUNS/STARS into robots!!! TechUs is also full of billions of futuristic, alive robots like Transformers & GoBots. Here you meet the 1st

*StarMaStar (lil like a Jedi-master) called Robo TechMaStar who says, "StarWarrior [insert name], you are a STAR! WeAreALOne! CHAINBREAKER STARdestroyer STARSscience3.0 says **Celebrities are not the stars** BUT WE ARE ALL ***ALLStars**!!! You are part of the WorkForce aka (also known as) TECHForce which is 9% of the StarForces! You are a *TechMaStar! You have the StarPowers to Rize&Shine in Time & MaStar the TechForce!

Be grateful for so many awesome WorkForce **INVENTIONS & INNOVATIONS** for you & all to enjoy in life, from **books**, bikes, cars, planes, buildings, to TechForce technology ex. computers, internet, *SmartPhones, laptops, HDTV's, to FAN FAV (favorite) *colorfull SuperHeroe\$ characters TOY\$toie\$, VideoGames, BlockBuStar movies, to near FUTURE domestic advanced ROBOT SERVANTS!!!

[Writer *JayMundi* as kid wanted to be #1 #1 ... #1 BUSINES\$BOY & #1 BOY-BILLIONAIRE, #1 EMPIRE, #1 BUSINES\$ BRAND, #1 BUSINES\$ LOGO, #1LilGeniu\$, #1*Scienest, #1 artist, #1 book, #1 writer, #1 cartoonist, #1 toy, #1 videogame, #1 fun-fashion, #1 sports star (basketball like MJ Micheal Jordan), #1 DanceStar, #1 RapStar, gym trainer/owner, #1 tech maker & robot maker.] What are some jobs you might want to be when you grow up?

*HeadMaStar #1 Robo TechMaStar, trains you to MaStar the WorkForce TechForce, by studying very hard to use the power of the *TechMaStars TechForce to create all sorts of cool tech (technology) gadgets, to even TRANSFORMING ADVANCED, ALIVE ROBOTS (ex BlockBuStar Transformers movies, Gobots, & Tobots)! You also invent your own SuperHeroes toyline & VideoGames called ***ALLStars** YOUiverse to compete against DC, DBZ, Marvel Universes! You realize BILLIONS of kids & adults all over the world have been trying to invent their own SuperHeroe\$ Univer\$e\$ for the last x100 years of *GlowBall! SuperHeroes & toys history. It's a very fun activity most elementary kids try to do similar to many cartoon episodes, for example in the elementary kids favorite Simpsons cartoons where Bart becomes Bartman & ComicBook Guy's Everyman man as Homer Simpson as comicbook SuperHeroes. [Writer's note: for decades Simpsons was a favorite show for me & my friends. Marge reminded me of my mom, & alcoholic Homer Simpson violently physically abusing/strangling Bart reminded me of my physically abusive, drunk father, SO be nice to other kids in your school classes as they may look normal on the outside but they may be suffering silently]. You travel the YOUiverse (lil like Star Wars & Voltron Go Lions) to meet x100's of *TechMaStars who make cool technologies. In time you MaStar the *TechMaStar TechForce WorkForce. *TechMaStars Robo & his wife Robotica congratulate & reward you with the 1st *TechMaStar TechForce WorkForce *PowerKey*, & *TechMaStar 1.0 Hi-Tech *PowerSuit!

You **SAVE UP** your money from different WorkForce jobs you worked at & start your **BUSINESS** creating robot product lines for sale both to factories & to household families. [Author's note: I saved up money for decades for this dream TOY\$STORY BUSINES\$ of mine – learning to **SAVE** money is a vital SKILL for your *BRIGHTER* FUTURE! As an elementary kid I wanted to Start-up several FUTURE ADULT BUSINES\$e\$ like making my *ALLStars* YOUiverse comicbooks, cartoons, toys, SuperHeroe\$ merchandise, videogames, etc]. Some house robot units are dressed in black & white like servants ex. maids & butlers. Some are kid robots which remind you of FAN FAV (favorite) cartoon kid robots: Astroboy & teenage robot Jenny Xj-9. Some are animal robots & some are part of your retail domestic line of RoboPets, like RoboDog, RoboCat, Robobird, etc. As more persuns (people) buy your **products** (items available for sale), you keep expanding your products lines. As your tech company grows, you start to build & sell computers & *SmartPhones too. The successful technology product lines make you into one of the WorkingWorld's new, few, elite **BILLION DOLLAR TOP TECH COMPANIES!!!** Unfortunately, that also means you make all sorts of tech rivals (opponents), some of them are evil (evil) technologists SuperVillains who use their techs & billions for evil purposes ex. FAN FAV DC Lex Luthor, Marvel's M.o.d.o.r., etc. *TechMaStar educates, our *GlowBall! economy has RAPIDLY EVOLVED over just the past few decades, as it was a big deal to be a MILLIONAIRE in the 1980's, then a BILLIONAIRE in the 2000's!

*TechMaStar Robotica educates, "So many things have a **LEGENDARY DESIGN**, from basic furniture in your rooms, to your entire house, to skyscraper buildings, to even entire cities with their transportation & trade road routes, to electric power grids that provide precious power to your home & your city." You remember seeing NEW REVOLUTIONARY POWER TECHNOLOGY in BlockBuStar movies ex. Marvel's IronMan, DC's Cyborg, Transformers matrix, & similar *GlowBall! SuperHeroes ComicBooks, & *cartoons*. You notice two glass display towers around your entertainment HDTV surround sound system contain FAN FAV (favorite) *colorfull (colorful) *GlowBall! SuperHeroes which include robots & tech-suits!

Writer's note: Level1 reps my **IMMENSE LOVE OF ROBOTS, TECH & tech companies**. Throughout my life I loved having walkman's, to PDA's (Palm Pilots), to hi-tech entertainment & touch-screen PDA's/laptops, to portable gaming devices (gameboy, PSP), to Sony PS vs Xbox, to modern gaming affordable apps, to HDTV's, to micro cellphones into *SmartPhones evo, to modern super-*SmartPhones like my Samsung Fold3&5 (Notes1-3) allowed me to practice drawing & write conveniently anywhere in those large screen, powerful, portable pocket devices. I am still grateful for all these tech creators who created very enjoyable electronic devices. ALL should be grateful & respectful for the countless hours these persuns (persons) put into designing, improving, testing, program coding those tech devices we all love.

NEWAGE OF ONLINE TECH-TROLL BULLIES DORKS, eSCAMSTARS & HACKERS - NEWEST MONSTARS: One day while online, several online troll MonStars attack you with mean social media comments & after a while the negative comments get to you & make you very sad. Robotica, lifts your spirits with positive comments & notifies you the modern NewAge of technology – also has lots of NewMonStars like Internet Trolls, Hackers, eSCAMStars, so you must be careful when online. [Author's note: some student classmates may mess up your school computers so lock your login screens, even I had hacker issues at work & almost lost my job – the hacker posted XXX-stars pics while I was at work teaching & caused me a lot of STRESS, so make sure you change your passwords regularly & make strong passwords store things offline work offline etc.]

Robo & Robotica *TechMaStars reveal they are androids – robots that look like humans (ex. FAN FAV DBZ androids #1-21). They also reveal they were created by YOU! They continue to surprise you & notify they have fallen in love and wish to have kid robots & wish for you to design them. They are the first robot LOVE STORY. Robotica states sci-fi robots traditionally are portrayed negatively as destroying humanity, like Terminators T-1000's but they can help humanity like good, modern kids cartoon robots, and LOVE & FALL IN LOVE TOO, just like YOU, young MaStar [insert name]! Some of the public find out and protest, and say robots do not have rights, as they are just talking toasters. The scene reminds you of X-men mutant rights protests in kids ComicBooks, *cartoons*, & BlockBuStar movies. They are similar to the Colored Persuns (persons) Civil Rights & Wowmen (women) Rights movements in the 1960's & LGBTQ+ Rights modern movements. You create a YOUiversALL Rights declaration speech that states: Sentient Robots, like FAN FAV alien robots Transformers Optimus Prime, Shogun Warriors, Astroboy, Jenny Xj-9, DC JLU Amazo, etc, ALL have YOUiversALL Rights to LIFE, LIBERTY (freedom), & LOVE (LLL)! [Insert your speech ideas here. TIP: you could research watching some Xmen mutant rights speeches in kids cartoons or ComicBooks just like I used to inspire this section:]

1960's ROBOTS TO NEWAGE 1980's SuperRobots to 2000's FUTURE UltraRobots EVOLUTION CHART!!!
Basic 1st Sci-fi Black & white 1960's shows robots to 1980's SuperRobots combiners to 2000's FUTURE UltraRobots & STARSHIPS!

The legal courts decide Robo & Robotica are alive & have the same rights as ALLpersuns. You celebrate by creating two kid robots for their new robo family, a little girl called **SHEROBot** (s-Herobot), & a teenage boy robot called HeroBot. They are similar to futuristic robots ex. DC J.L.U.'s Amazo, DBZ androids 1-21 & Marvel's Ultron (UltraSigma). HeroBot & SheRobot, like many *GlowBall! sci-fi & kids cartoons robots question their existence & life purpose. You notify them you built them to help make life better for others & build a better World (world) for ALL fellow *ALLStars! Just as you give the kid robots a parent-child like pep talk, TechMonStar & MechMonStar, a duo of hi-tech robot SuperVillains, attack with an army of advanced alien robots (from another robot Planit) they are programed to be Bad Robots called BadBots & NegaTrons. They also

My **SuperRobots** are designed to be next **BIG BILLION \$ BLOCKBU\$TAR** robots merchandisE **EMPIRE** like TF – except they are made by **YOU!**

have a special team of robots that transform into **MonStars** called **MonStaRobots** & are led by their leader of the same name called – **MonStarBot**. They plan to steal all your new, advanced techs, including your most advanced **SuperComputer** in the World (world) called **STARcomputer**. One of the major benefits of being a Tech-Billionaire is all the cool techs, cars, & future techs & toys you get access too, including the best computers, tablets, **SmartWatches**, & ***SmartPhones!** **STARcomputer** helps you keep data (information) on all sorts of **GlowBall** criminals & **SuperVillains** just like **Batman**, **Bulma** & **IronMan** do.

Research (Google/YouTube) modern robots around the World & then use the **POWER** of your ***LIMITLESSIMAGINATION** to take a guess when we will build our 1st Sentient (alive) robot like **FAN FAV SuperHeroes** robots ex. **Optimus Prime**, **Astroboy**, **3CPO**, **Jenny Xj-9**, **DC JLU Amazo**, etc. [place a checkmark for the date].

x100 years? x1,000 years? x11,000 years? x11million years? x11 Billion years?

Luckily your team spent months **PLANNING** for many **SuperVillain** attack drills, & was prepared as your **TechMaStars** team activates your **Headquarter's** defense security protocols. The 1st line defense protocols are destroyed by the **SuperVillainBots** so your team activates the **2.0 MechMaStars** defense robotics team led by **MechMaStar**. The **MechMaStars** are able to defend your Headquarters till backup arrives in the form of your **TOP SECRET 3.0 StarsTechs SuperHeroBots**, who are transforming robots similar to 1980's robot toys like **Gobots** & **Transformers** but are called ***ALLStaRobots** - some **SuperHeroBots** resemble your **SuperHeroes** team. The ***ALLStaRobots** vs **MonStarBots** logos are like **ALIENWARS** (Billion \$ **BlockBu\$tar** Alien Robots wars) **TF Transformers** red **Autobot** vs **Decepticons** blue-purple logos. The **SuperHeroBots** transform into all sorts of things including cars, jets, animals, etc. They remind you of **FAN FAV** (favorite) transforming robots like **Transformers** **BlockBu\$tar** movies & obsolete (no longer made) 1980's **Gobots** & **Shogun Warriors**. The **SuperHeroBots** leader- **SuperHeroBot** says, "MonStarBots, its time for you to stop hurting innocent persons (persons), as we are here to stop you in your tracks!" The **MonStarBots** destroy one of your close robot friends & this event triggers your **RAGE 1st** transformation into your **ROBOT** form (this is like **DBZ** **Sun Goku** & **Gohan's RAGE "PowerUps"** after their robot friends die like **android 8 & 16!** You unlock your robot form & can play **Level 1** as a robot now. For extra \$9.99 you can download multiple good & bad robots team members & weapons packs [Author's note: to noobs (new videogamers) modern **VideoGames** have downloading options where players can pay extra to unlock new player heroes or villain characters/costumes/weapons/etc]. **TechMonStar** & **MechMonStar** are no match for both your defense hi-tech **PowerSuits** & weapons of the **2.0 MechMaStars** team, & your new top secret, transforming **3.0 SuperHeroBots** team. They help save the day & the **SuperVillains** surrender (give up). **GREAT WORK** [Insert name], **StarWarrior (*Warriors*)!!!**

In next **LifeLevel#2** you attend ***STARSchools** across the **YOUiverse**, where you will see **STARStudents** studying to make advanced technologies, from primitive 1st computers, to advanced transforming robots, to future combining robots that use x5 to x6 robots (**FusionBots**) to combine together into one **LARGE ROBOT** called **Super-Robot *TECHFORCE: Super-Robots OF THE FUTURE YOUUNIVERSE!**, like 1980's **Legendary Defender of the Universe** (**Go-Lions** aka **VOLTRON-FORCE** & **Super-FORCE** space explorers, **Power Ranger Zords**, & **Transformers** combiners robots ex. **Devastator**, **Predaking**, etc! Similar to **Star Trek** shows, kids learn to build futuristic **STARFighters** **STARSciences** & wear ***colorfull StarForces** uniforms. They all play with **STARFighters** toys. The futuristic ***STARSchools** remind you a lil of advanced **Jedi academy** schools where **Padawans** (apprentices to the **Jedi-masters teachers**) make advanced droids robots, & their own light sabers killing weapons, instead **STARStudents** at ***STARSchools** make massive ***PowerSwords**, **ninja-LightSwords** & **STARswords** to also destroy enemies! [Through all x11 chapters of this book you will assemble your team of x11 teammates who will help you create your x11 **FusionBots** by the end of this book!] You wonder what **FUTURE EDUCATION** will be on Earth in a x11,000yrs, or x11 million, or x11 billion yrs? When will **STARStudents** make transforming robots & **STARFighters** in their ***STARSchools**? You also learn the following:

***TECHFORCE *EVOLUTION (EVO) chart to FUTURE Super-Robots & STARFighters:**

#1 ***LiLGenius** OF ALL TIME ORIGINS - ELEMENTARY INVESTOR & #1 **BUSINESS** BIG DREAMER! As an elementary kid investor I already was thinking of saving up money in a piggy bank to buy lots of comicbooks as investments as they would say on some covers that they may grow in value in time. This started my **LOVE OF BUSINESS!** BUT I wanted to make myself into a #1 **SUPERHERO** like **BlackStar** cartoon 1981 & make a #1 **SuperHero Universe**. From comicbooks my dream rapidly grew in a few short years of elementary school to include making cartoons, videogames, & very early in life I realized **SuperHeroe\$ Universe\$** are **BIG BUSINESS\$** & even included **SuperHeroes** Merchandise like clothing (shirts, pants, sweaters) lunchboxes, backpacks, stationary (pens, etc). Google top DC/Marvel/DBZ/Anime merchandise! It's now gone from multi-million \$ business to **BIG BILLION \$ BUSINESSES** (BBB). My parents had old-school 1.0 thinking in \$100,000 max, but I was thinking in \$100's MILLIONS 2.0 & now as **3.0 BIG BILLIONS!** My parents were stressful as my #1 **HATERS** & said to **GROW UP & stop working on my dream business** – but luckily I didn't listen to my parents – LOL! I studied both: **TOP TOYS** BUT more importantly I studied **TOY\$ FAIL\$** - & realized most **TOY\$ (80%) SUCK** & don't last more than a few years max! Google **TOY\$** in local stores & see which toy\$ are worth buying vs 80% of \$ucky toy\$. Google **SuperHeroe\$ movie\$/\$hows flops** (over past 80yrs **Glowbally**) too as lessons of what not to do & negative fan feedback. I wanted to make a **HIGH-QUALITY SUPERHEROES UNIVERSE** loaded with education value!

BANNED SUPERHEROES COMICBOOKS – 1st **EDUCATIONAL SCIENCES SUPERHEROES BOOK** Teachers banned comicbooks in most schools because they were not educational material, especially mid-elementary, so I wanted to make the **world's 1st EDUCATIONAL SCIENCES #1SUPERHERO UNIVERSE!** It was my goal to be #1 ***LiLGenius** #1 **BUSINESS** BOY Billionaire on Magazine covers (see art ->).

As an elementary kid I used my own better versions of ***VISION BOARDS**. I used them to have good, positive energy in my life & help have positive dreams,

especially since I grew up in **MOSTLY DARKNESS** with having to take care of my drunk violent father. My ***VISION BOARDS** had **MILLIONAIRE** (to now **BILLIONAIRE**) **DREAM** lifestyle with exotic sports cars, private jets, private island beach mansions around the world. As an elementary top sports All-star elite player in many sports – AS A **BRIGHT BUSNIE\$ KID** I wanted to have my own sneaker line & sports merchandisE empire like **MJ Micheal Jordan** & his **Jumpman** logo, BUT while he reps **B-Ball** excellence MY **LOGO** reps **THE #1 SCIENTIFIC BREAKTHROUGH NEWAGE STAR-SCIENCE3.0** that says **Celebrities are not the STARS with their STARPOWER**, BUT WE ARE ALL **"ALLStars"** & WE ALL HAVE THE **STARPOWERS**. ★LifeLevel 2: PowerMaStars PowerForce

On LifeLevel #2 you travel to Planit PowerInUs on your YOUiverseMap to meet your 2nd *StarMaStar (aka *HeadMaStar) called PowerMaStar, who says, "StarWarrior [insert name], you are a STAR! You got the Power, as StarPowerKids we all have the StarPowers to Rise&Shine in Time in order to MaStar the PowerForce of the StarForces. Most *powerfull (powerful) of ALL you are, a rising star, YOU are #1*SuperHero by far. WeAreALLOne! CHAINBREAKER STARDestroyer STARScience3.0 says Celebrities are not the stars but WE are ALL *ALLStars*!!! "You are part of the PowerForce, 9% of the StarForces! You are a PowerMaStar!

Writer "JayMundi" makes guest appearances in ALL his products & VideoGames YOUiverse as a Bu\$ine\$\$ Tech Teacher/Writer/Artist similar to how Stan Lee does at various "GlowBall" schools as a Guest Speaker & cameos (small roles) in many Marvel BlockBuStar movies of all time. Jay says, "I have invented greatest #1*SuperHero of ALL time - it's YOU as you save the YOUiverse! YOU are #1*SuperHero of ALL time - not fun alien heroes from other TOYuniverses, like DBZ Sun-Goku, DC Superman, & StarWars-Skywalker! As a kid I 1st made myself into the #1*SuperHero of ALL time called - BronzeStar, BUT now with my book [blank] I also make YOU into #1*SuperHero of ALL time - the strongest, smartest, fastest, most *powerfull #1*SuperHero of all time!

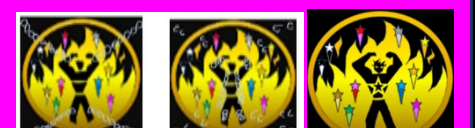

"JayMundi" wins many awards in ALL Galaxies throughout ALL the YOUiverse for his CHAINBREAKER STARDestroyer STARScience3.0 states Celebrities are not the stars but WE are ALL *ALLStars*!!! As the #1Scientist in ALL YOUiverse of ALL time "JayMundi" illuminates in his many award winning speech to the Alien Federation, "In my REVOLUTIONARY BREAKTHROUGH NEWSscience POWER-SCIENCE I illuminate WE are ALL made of POWER ... STARPOWERS as part of my NewAge NEWSscience called STARScience, & we are not-made-of-lame-sucky-STARdust-as taught-in-OLDScience!! YOU can use the BrightSide of the StarForces to be a FORCE for GOOD!!! YOU are not a zero, you (insert name) are the greatest of ALL time #1*SuperHero in my ToyStories YOUiverse! Like FAN FAVS (favorites)Alien\$ DBZ Sun Goku & DC's Superman, Star Wars Yoda/Asoka, BUT in this TOYstories YOUiverse YOU the reader are the #1*SuperHero of ALL time as YOU are destined to SAVE the YOUiverse! THUS it's name YOU-iverse!!! WE are ALL new *ALLStars* YOUiverse UltraHeroes (beyond-fictional-SuperHeroes)!!! STARStudents in *STARschools & "JayMundi"s YOUiversities learn to unlock power of "Education" & unlock POWER of your! *LIMITLESS IMAGINATION just like writer "JayMundi" used to make #1Bu\$ine\$\$ in ALL YOUiverse!

Jay educates, "My StarForces are not a copy of StarWars-The Force - there are many major key differences. For example, rather than ALIENS Goku, Superman, Starfire, Optimus Prime, Ahsoke, Skywalker save the day/galaxy/universe, I have YOU the readers become #1*SuperHero of all time as YOU save the YOUiverse - thus the name YOU - iverse! Fellow internet Star Wars SuperFans gurus videos & websites show there are x4forces to Star Wars Force - Living PhysicalCosmic & Undying forces, etc, BUT through my x11 chapters I help readers unlock x11 *REAL-LIFE Forces of my StarForces, for ex. TechForce, healthy nutrition, healthy body fitness, education, POWERof LOVE for all fellow Billions of *ALLStars* & taking ACTION to MaStarLife like Writer "JayMundi" despite growing up with very violent alcoholic father! While StarWars-is-just-a-fun, fictional force, I CELEBRATE x100's of ToyStories TOYFORCES & TOYPOWERS that inspired me in chapters 10&11. If they got banned then I wouldn't have published my books (ex 1966 ComicBooks to 1977 cartoons to 2000's videogames BANS in BANNERS WARS vs 66yrs old HATERS gen -ex my mom STILL HATES my SuperHero\$ obsession

Jay informs, "I spent my elementary years working very hard using my WorkForce power on making x100's of VERY POOR quality ComicBooks with staples, & stickman drawings before I got to good versions by age 9-11 & then as a TEEN (13-18) they were truly awesome as they resembled more of this final form you are currently reading! I had WORKED VERY, EXTREMELY HARD STUDYING OVER x100's of: #1. "GlowBall" SuperHero\$ Univer\$es [in ComicBooks, & ... #2] "Cartoon\$ (including animated movies), #3.) ToyStories (&TOYS) TOYFORCES & TOYPOWERS (in SuperHero encyclopedias-like books), #4.) BlockBuStar Movie\$, #5.) VideoGames, #6.) "GlowBall" Legends, & #7.) ASianAnime\$ AA's. All of them helped unlock my *LIMITLESS IMAGINATION POWER. For ex, my STAR obsession origin story comes from 1980's TopToys ex. Star Wars, BraveStar, BlackStar, & Starriors! I also had to study SuperHero\$ ToyStories [BIGBUSINESS\$ #8.] LEGAL WARS & MODERN NEWAGE LAW\$ (copyright ©, etc), ex. Superman (\$130) & vs Shazam, Batman creators lifetime looong legal WAR\$, & led partly to my CRIMINOLOGY (LAW\$) Degree University Studie\$ - ironically they offered NO CLASSES in SuperHero\$ ToyStories LEGAL WAR\$ so I still had to do my own HOMEWORK AFTERHOURS & SO I WENT EVEN DARKER yearly COMPOUNDING knowing I was losing MILLIONS \$\$\$ daily!! It's because of these DARKNESS \$TRESE\$ that I spell my words with \$ dollar sign\$!!

Lv2 POWER reps MY REVOLUTIONARY BREAKTHROUGH BILLIONS \$ STARScience3.0 StarDestroyer ChainBreaker *STARtheory: says CELEBRITIES are not the "stars" with "star-power", ...but WE are ALL *ALLStars*, with the StarPowers, to MaStar our lives! Thus, I am the real-life "StarWars" (spelled as one word) & this is my WOKE SCIENCE message! Ironically, my MomStar was my greatest #1 HATER of my SuperHeroes & VideoGames obsession during that 1st decade as she pushed for academic studies like many strict immigrant families. Family & friends ridiculed me as a geek/nerd/dork, so it was very stressful working on it. I gave up on my story many times, luckily, I came back to make this dream project & published it! The books are written 100% ALL me (96% in my childhood), with zero help from my parents or anyone. My StarPowers LOGO, which resembles the ICONIC Micheal Jordan (MJ) Jumpman logo, but Writer "JayMundi"s (JM) *ALLStars* YOUiverse StarPowers LOGO reps the YOUiverseALL x11 StarPowers inside us all & the x11StarForces we ALL MaStar in life, Jay continues, "In my story you are inside my VideoGames YOUiverse, where you travel to all sorts of fantasy Worlds (worlds) like in some FAN FAV "GlowBall" VideoGames, ex. Star Wars, DBZ, DC Green Lanterns, & other space theme games. *ALLStars* YOUiverse writer "JayMundi" says even he was BULLIED throughout elementary & highschool for working on his SuperHeroes YOUiverse as a NERD, & big ears like Dumbo & DBZ Sun Goku, but now Goku is TOP1! "GlowBall" SuperHeroes! VideoGames Industry has become a \$200 BILLION industry - much larger then other entertainment industries such as HOLLYWOOD & MUSIC combined, & is larger than many Pro Sports. One in three PerSuns (persons) plays some sort of VideoGames.

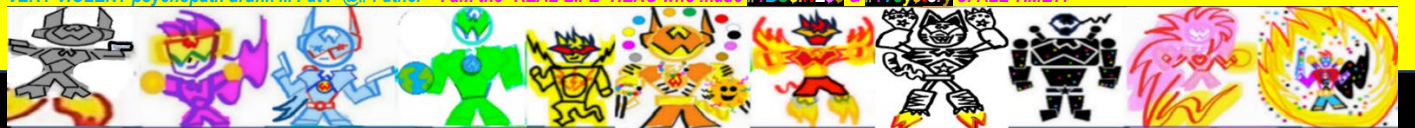

Lv2 POWERLEVELS Mundi-Scale ALIENSciences3.0: my NEWSsciences also measure POWER/LEVELS aka STARPOWERS of ALIENS. #1BUSINESS\$ #1SCIENCE, #1EMPIRE & #1ToyStory OF ALL TIME?! PowerBomb chart:

See if you agree: "I have invented #1BUSINESS\$ & #1 name brand in all YOUiverse = "ALLStars" YOUiverse - which states we are "ALLStars" with the STARPOWERS, not celebrities "stars" & their "star-power". My NEWSsciences STARPOWERS YOUiverse is better than lame-OLDScience "Universe & StarDust" terms. I connect YOU to POWER of my TOY YOUiverse as YOU SAVE the YOUiverse! My #1ART (& logo) of ALL time connects YOU to my TOY YOUiverse POWER too. My x11 UltraHeroes rep x11 "real-life" forces (tech, power, PoliceForce, speed, strength, etc) & sciences vs competitions just fun, fictional SuperHeroes Forces. My x11 UltraHeroes have fun STARPOWERS names like TechMaStar, PowerMaStar, MonStarBuStar, SpeedStar, SuperStar, etc (see footer art below & intro pages). Read my intro 2pages of my POWER PITCH x11 GAMECHANGERS!!! No other team names compare, as YOU cant Jedi-or-Sith your-life, but YOU can MaStar your life or turn into (li) MonStars in life & end up in PriSun (prison)! At MY YOUiverse core theme is my CHAINBREAKER STARDestroyer STARScience3.0! My TOY YOUiverse is a VideoGames Universe so anything FUN is possible! Many AWARDS potentials for my extremely creative story, Multiculturalism, DESTROY: Racism, Colorism & HATE Code book. I include my origins story & bonus biography of despite growing up with VERY VIOLENT psychopath drunk lil Fat F*CK Father - I am the "REAL-LIFE" HERO who made #1BUSINESS\$ & #1ToyStory of ALL TIME?!

★LifeLevel 3: MonStarBuStars Force

On *LifeLevel #3 you travel to Planet MonStarUs on your YOUiverseMap to meet your 3rd *StarMaStar called MonStarBuStar MonStarRa who says, "StarWarrior [redacted] you are a STAR! WeAreALLOne! Chainbreaker STARdestroyer STARScience3.0 says Celebrities are ~~not the stars~~ but WE are ALL *ALLStars*!!! You are part of the MonStarBuStarForce, 9% Of the StarForces! You are a MonStarBuStar! FEAR NOTHING as you SLAY ALLMonStars!!! You will Rise&Shine in time, to conquer your elementary fear of darkness & ALLMonStars!

ALIENForce ALIENCops vs ALIENGangStars: reps. *REAL-LIFE* PoliceForce vs GangStars metaphor:

Level3 reps FUTURE ALIENLAWS (YOUiverseLAWS) & ALIENForce ALIENCops as metaphor for respecting Earth's GOOD COPS PoliceForces, as they are *REAL-LIFE* HEROES who catch & lockup bad guy TROUBLEMAKER persons & GangStars, to make our streets, schools, jobs, & homes safe!

LIL'GANGSTARS: KID PRISUNS!!! Don't go down the MonStarSide Dark path & become Lil' GangStars, as those childhood BAD HABITS may not take you that FAR as you become the wrong type of STAR, - be a MaStar (Ma-Star), rather than become Lil' GangStars (Gang-Star), or in the future you go to PriSun (prison) jail as teens or adults, like in *GlowBall* TOYtoies #1. Criminals, #2. SuperVillains, #3. UltraVillains, & #4. BADMonStars!

NEWAGE of GOODMonStars: GOODMonStarSIDE

GOODMonStars vs BADMonStars

Warriors CODE: Be *Warriors*, not WORRIERS - TRUE StarWarriors FEAR NOTHING!!!

GOODMonStarSIDE: Part of your FUN TRAINING is to 1st slay VIDEOGAMES MonStars. As you bust & slay MonStars you also beat ALL FEARS ex YOUiverseALL elementary childhood fear of ALLMonStars! Conquer your fear of MonStars by teaming up with NewAge GOODMonStars, similar to DBZ Goku Azaroo SSJ, Naruto (forms), Steven Universe & Connie fusions, Marvel Hulk & She-Hulk, Ben10 Kevin11, Bleach's Ichigo, who all transform into GOODMonStars & beat up bad monsters, & similarly on Lv3 you transform into a BLUE SKIN GOODMonStar, to become a MonStarBuStar! WAY OF THE *Warriors*: Be *Warriors*, not (wussy) WORRIERS - as TRUE StarWarriors FEAR NOTHING!!!

BRIGHTSide vs (DarkSide) DORKSide:

WE are not like fellow ALIENWARS Star Wars Force's fun, BUT-fictional Light side vs-Dark-side-of The Force, as the 2 main sides of *JayMundi's ALIENWARS* TOYUniverse StarForces, are the REAL-LIFE BrightSide - getting BRIGHTER through my *Education (to DESTROY REAL-LIFE DORKSide: racism, colorism, hate-codes). BrightSide is path of UltraHeroes (SuperHeroes) vs DorkkSide (DarkSide) is mis-education ex. racism, colorism, sexism, lies, & hate codes) & is path of SuperVillains. You can be UltraHeroes or UltraVillains - a *StarMaStar or STARMonStar, STAR-EVOLUTION vs EVILLution are two aspects to my x2 StarForces. *JayMundi's CHAINBREAKER STARdestroyer STARScience3.0 says Celebrities are not the "stars with their star-power", BUT WE are * ALL Stars *... *ALLStars* with the StarPowers to MaStar-Life: (master) our lives!

ALIENism:

ALIENism: Part of JayMundi's NEWSscience3.0 is his term *ALIENism* - some aliens think they are the #1 ALIENSpecies in YOUiverse & destined to rule all others (ex. Thanos, Freeza/Cooler, TF Megatron, & rest are primitives as they haven't evolved high-tech GalaxyShips & weapons like planet killer Deathstars & TF Unicrons!

369 YOUiverse-LAWS aka 369 ALIEN-LAWS: GOOD & BAD LAWS

YOUiverse-LAWS aka ALIEN-LAWS: The Aliens Federation (AF) has created it's own YOUiverse-LAWS. In DC Green Lantern (ALIENCops) BlockBuStar-FLOP movie -COLORISM-was introduced as Green-Light-color-power as #1 Force-in-universe, YOUiverse-LAWS have RULE/LAW#1: 1st LAW says ALL colors are equal & all Aliens are equal, including male, female, binary, L.G.B.Q.T, etc! Both SuperHeroes & SuperVillains have the same ColorCoded StarPowers so this is not a racist/colorist code, for ex. both have earth/wind/water/fire powers & can turn into monstars but villains use StarPowers for EVILL! There are no demons/devils worship in this TOYUniverse & this is not demon-possession-code, as you become just fun TOY GOODMonStars like Goku, Naruto, Steven Universe-Connie Maheswaran fusions, Hulk, Ben10 Kevin11, StarPowers are based on real STARScience x2 aspects of STARS & LIGHT - fact we all go blind if stare at Sun or LIGHT (or all *StarBurn* if sit in Sun, or fly close to Sun, & Stars eat stars or planets for ex our sun will grow into a Red Giant Sun & melt/burn our Earth, & some stars become blackholes -# powerful & destructive Force in universe that easily eat puny stars BUT also create NEWuniverses, BUT Sun's light also gives day light, warmth, & helps plant foods grow.

RULE/LAW #2: says NO UNIVERSE-RULERS/conquerors/Supreme rulers of ALL YOUiverse are NOT allowed ex. Thanos with x6 Infinity Gems snap kills 50% Universe Population & DarkSurfer destroys 2/3 of universe in SuperHeroSquad teen ages 4up! *These are-not-human-Earth-laws! *RULE#3: NO CORRUPT *GALAXIES*(GOV'T)-LAWS: the #1 famous ToyStory GALAXY-Law was far far away Star Wars Order 66 GROSS-genocide of ALL minority ALIENreligion Jediism Jedi ALIENCops, till Last Jedi movie/toys! ALL ALIENreligions are equal! RULE#4: don't become the FUTURE Alien-METAPHOR-MonStars ex. evil humans aliens vs Na'vi in #1 Avatar movie of all time (art <-)

MaStars vs MonStars

GOODMonStars vs BADMonStars: [As a elementary kid my good vs evil LOGO colorcode came from ALIENWARS TF Transformers Autobots vs Decepticons logos (red vs purple-blue-ish) & from temperature science hot vs cold, FIRE vs ICE, & HOT *StarFire* vs cold, freezing universe temperature & EVOLVED into my STARScience & YOUiverseScience. My logos also rep POWER of LOVE vs HATE, as red color reps Internal color of hearts. My logos rep we can ALL be LOVE or HATE as forces for GOOD or EVILL. This book is an DESTROY: Racism-Colorism-&HATE code book. MaStars & MonStars are both spelled with letter M's BUT I flip the red M logo into a red W sometimes to rep (*Star*) *Warriors = StarWarrior! The M-W logo flip reps the fact we can all, at anytime, do BAD actions & become metaphoric MonStars, ex. saying mean things to others, racism, colorism, sexism, or fight with others (ex. sibling or FAM). Similar to FAN FAV Star Wars Jedi vs Sith ALIENreligion's Light vs Dark side where bad Alien\$ get Sith evil YELLOW EYES as they do evil acts ex killing Jedi's ex. Order 66 - extinction mass killing of all Jedi's, BUT here with the MonStarSide your skin goes BLUE SKIN. Similar to how DC yellow lanterns is evil yellow light of fear vs DC GL's Green-Lanterns say GREEN-LIGHT is #1 FORCE-IN-THE-UNIVERSE (in BlockBuStar-FLOP movie-COLORISM), but in this TOYUniverse some evil Alien\$ say blue light is #1 Force in universe.

NEWAGE PLAYING AS SuperVillains & BADMonStars!! IT FEELS GOOD TO BE BAD!!

In this VideoGame YOUiverseScience YOU play as x1000's 1.) SuperHeroes, 2.) GOODMonStars, 3.) SuperVillains, & 4.) BADMonStars as EVERYTHING changed in 1990's Streetfighter & Mortal Kombat top BlockBuStar PVP (Player vs Player) games. ALL x11 LifeLevels have PVP battles & 3on3's like Marvel vs Capcom 1-3!

STARReligion vs MonStarReligion:

Similar to FAN FAV Star Wars Jedi vs Sith ALIEN religions, we have a *STARReligion* vs MonStarReligion. The MonStarReligion is also similar to GhostBusters kids BlockBuStar movies which sometimes has ancient, obsolete religions. In GhostBusters kids movies they had BABY (LIFE) SACRIFICES similar to Thane sacrifices his daughter Gamora for the Soul Stone in Marvel's Avengers BlockBuStar #1 movies of all time. In Star Wars the Chosen One Anakin Skywalker slays all the Jedi Younglings to gain evil dark side force powers yellow eyes to become Darth Vader. Superman/girl have own religion AlienGod (AG) called Rao (in ComicBooks/show), & similarly some SuperHeroes here have different *STARReligion's* throughout our YOUiverse like ALL religions on earth have done for over 13,000 yrs *GlowBally. That's why we have a YOUiverseALL logo of a STAR shining with x11 *StarColors to rep Multiculturalism! We have a 5-sided star logo (starfish like) with x11 color divisions [parts]. Like Star Wars ALIENreligions (Jediism) Jedi vs Sith temples, we also have M-shaped MaStarTemples (aka STARtemples) vs MonStarTemples (lil like) DC Red Lantern's Light Atrocitus's dark alien-churches (toon Green Lantern 2011), & Di-Gata Defenders. There they do life sacrifices, ex. BlockBuStar Ghostbusters kids movies with baby sacrifices to ancient God Gozer. Rather than bust x400's of limited-earth-monsters, you bust BILLIONS of ALIEN\$-MonStar\$ in YOUiverse!

MY FUTUREScience of Billions of ALIENSpecies ALIEN\$-Evolution & EVILLUTION in my YOUiverse-SCIENCE:

WORST ALIENS look like us & say "WE COME IN PEACE" BUT ENSLAVE & EAT US!

EVILLution is not demonology, you can be a FORCE for GOOD as GOODMonStars with GOODMonStarSIDE (ex. Hulk, Goku, Naruto) or a FORCE for EVILL (evil) as BADMonStars. EVILLution is like WhoMun *Evolution but is idea millions of ALIENSpecies think they evolved from MonStars or evolved too look like MonStars but are GOODALIENS ex. Yoda gremlins, Chewy Saskwatches. EVILLution reps my vital ALIENScience3.0 that WORST ALIENS look like us & say "WE COME IN PEACE" BUT are bad & enslave/destroy/eat us ex. "V"(show 1984) & Palpatine old white guy ALIEN-EMPIRE: planet killer Deathstar (& TF Unicorn) & Order66. EVILLution & ALIEN-Evolution is measured on Mundi-ALIEN-Evolution scale from 0 to 99 (not-like-Karshev's Alien-energy scale-0-3 BUT is part of my NEWSscience3.0 ALIENScience3.0 ex. level 0 zero: is zero lifeforms, lv1: microorganisms to lv2 1st animals (BONESores =ALIENDinos) to 1st prehistoric aliens, to 1st primitive sciences 1.0, to revolutions (scientific) 2.0 ships to spaceships, to NEWSscience3.0 to Future *StarShips to GalaxyShips to YOUiverseShips, to Level#99 Universe-Rulers/Destroyers ex. Freeza/Cooler/Thanos/Dark Surfer destroy universe in toons! In cartoons, SuperVillains EVILLution LEVELS evolved to now go up to: Planet Destroyers (ex. Deathstar, Unicorn), Galaxy Destroyers/Rulers ex. Palpatine Sith evil Galaxy Government top official, to Universe-rulers (ex. Freeza/Cooler/Thanos/DarkSurfer)! See my ALIEN\$-Evo chart:

MonStar'sSun (Son)

Writer's note: "JayMundi" is called the MonStar'sSun (son) – the son of a VERY violent drunk lil Fat F@\$ Father but I still made the #1ToyStory & #1BUSINESS\$ of ALL time! I call myself that MonStar'sSun (son) to inspire other kids living with real-life MonStars like my drunk father, & let them know to keep hope & keep working on yourself to LevelUp in life, like I did to become a MASTER #1BUSINESS\$ & TECH Teacher – who wrote #1ToyStory & #1BUSINESS\$ – with YOU saving the YOUiverse to be #1SuperHero! While I do f**** curse a handful of times in my books lol – it is to get you readers uncomfortable so you feel some of my IMMENSE DARKNESS that I grew up in for x4 decades with my Psychopath Father who used to beat up me, my lil bro, & my mom so bad she has jaw reconstruction in my mid elementary year! I also got bit on my leg with a bite scar by my drunk father at age 5 for punching my drunk father in the face for beating my mom – you don't know any kids like me! This sad info is to also teach elementary kids NOT TO BE LA LA LAND kids & have COMPASSION for other kids as you don't know what DARKNESS & MONSTARS they deal with!

MonStar the MonStarBuStar, trains you to MaStar the WaterForce & MonStarBuStarForce. You work with the top secret MonStarBuStar division of the PoliceForce & x100's of GOODMonStars team to bust ALLMonStars! In time you MaStar the MonStarBuStarForce & catch all sorts of MonStars that you used to fear as an elementary kid. MonStarBuStar rewards you with the anti-wussy MonStarBuStarForce "PowerKey", handcuffs, police cars/copter/swat trucks/ weapons, MonStarBuStarForce hi-tech "PowerSuit" & most importantly follow MonStarBuStar FRIENDS & FAMILY called the FAM! You celebrate by going to tropical beach water worlds (worlds) & learn to unlock water-force powers from an alien Water-God called Poseidon with his legendary trident & his cute mermaid singing siren daughters →

NEW MonStarsMonth

NEW MonStarsMonth – x31 days of October:

The next day you attend a OLDFalloween NEW MonStarsMonth party, during the NEW MonStarsMonth – of OCTOBER x31 days of celebrations dedicated to helping "GlowBall" kids get over YOUiversALL wussy fears of ALLMonStars & DARKNESS!!! MonStarsMonth is led by Mr. MonStarKing & Mrs MonStarQueen & their kids the MonStarPrince & MonStarPrincess – who judge a MonStar'sBall school dance competition of the #1 costumes & #1 dancers. Aliens across YOUiverse celebrate this new MonStarsMonth & do the x31day challenge with their parents to #1. tell scary stories at slumber parties, read scary stories, & watch scarier cartoons with ALLMonStars to help them conquer their fear of monsters under their beds/closet, etc to get sleep to do good in school & not become traumatized WUSSY teens/adults who still fear imaginary MonStars, to #2. "GlowBall" SuperHeroes vs MonStars BlockBuStar movies WE LOVE movies with ALIEN MONSTARS ex.

"GlowBall" BlockBuStar #1 movies of ALL time (ex. SuperHeroes vs ALIEN MONSTARS in Marvel, DC, DBZ, TF, AVATAR #1&2 etc). #3. Kill MonStars in videogames. #4. Decorate homes with all sorts of MonStars (but most-parents & schools don't allow devils/worship/costumes/decor!). #4. Celebrate Multiculturalism week – Love for ALLpersons of ALLColors. #6. Research costumes & masks evolution in "GlowBall" history 13,000 yrs. #7. MonStarsMonth isn't just white SuperHeroes but also AsainAnimes (revolution & costumes ex DBZ Naruto & Sun Goku Gods). #8. See costume ideas (including OG Old Gods ex. Thor (1-4) & New Goddess Wonder Woman vs ancient afterlife Egyptian Mummies & ancient religion Medusa Nagins vs Demi-Gods Hercules). #9. Candy cavities. #10. Study Copyright/I.P. Monsters © NewAge laws like I did as kid (grades 4-7) to make this book ex. Godzilla (King of Monsters games), Jinchuriki, DBZ Azaru vs my MonStarKing – I DESTROY BADLY competition in court vs any dorks who want future LEGAL WAR\$ – vs me the MonStar'sSun!

All your friends are dressed up as SuperHeroes & even SuperVillains, including MonStars (monsters), & as iconic BlockBuStar movie celebrity characters even. A few decades ago kids mainly dressed as classic monsters, but with the increasing popularity of SuperHeroes it has become a time for kids to become their FAN FAV "GlowBall" SuperHeroes from top TOYStory\$ franchise characters as seen at "GlowBall" *ComicCons & *AnimeCons. Some of the Halloween trick or treaters & Halloween party goers turn out to be real SuperVillains who start attacking kids & stealing their candies. You think to yourself what kind of bullies steal candies from lil' kids. They include classic MonStars (monsters) of legends, but also new "GlowBall" VideoGames & AsianAnimes SuperVillains too. One is called VampirUs the VampireMonStar leader of an evil group of blood sucking vampires, another is called WereWolfMonStar and leads an army of skinwalkers (aka werewolves), & a third is called the ZombieMonStar & leads a Zzombie army, a fourth is called ShadowZzzMonStar & leads a ShadowZzz army (like HP hallows & Shadow Thief in JLU [Sea5epi11] who take hard form). Each of the leaders double in size as they transform into their bigger MonStar forms, & all 4 leaders attack you at the same time. You warn them, "You MonStars wanna see a real MonStar? How about I show you my MonStarBuStar mode?!" You transform into an equally muscular MonStar form, similar to kids ComicBooks GOODMonStar SuperHeroes ex. Hulk, Steven Universe forms, Ben10 Kevin11, Ichigo, Goku Azaroo, Naruto Jinchuriki forms, etc. You beat up the bad army with your new unlocked red & blue GOODMonStar form – just like those GOODMonStar SuperHeroes do!

MonStar introduces you to new Lv3 (level3) MonStarBuStar SuperHeroes called JokeStar, JokeMaStar, GameMaStar, GameStar, ToyMaStar, ToyStar, etc. Some remind you of teen SuperHeroes GOOD versions of Mr. J Joker & Harley Quinn. Many of them say catchphrases like, "Golly gee wiz MiStar LightenUp & LAUGH a Lil' ... or LOL! 3 L's: Live, Love, & LAUGH, as LAUGHTER is the BEST MEDICINE, so time to take your meds (medications) LOL! Here's a PUNCHLINE for you," as they punch your arm & laugh out loud, "HA, HA, HAI!" They help you fight vs SuperVillain MonStarKids like JokeMonStar, TriXXStar, TriXXy, Punchline, SuckerPunch, PrankStar, PuppetMonStar, ToyMonStar, & GamellMonStar. Some have stars & Stardots circles all over their clown face paints, & costumes.

One day, there is a prison break at the SuperVillains SuperMaxX PriSun. To help you catch them you meet x100's of TopCops, SuperCops, UltraCops, & elite S.W.A.T. Team, including cyborgs (half persun-half bot) & robot cops called CopBots who help out & retrieve x100's of SuperVillains. You also meet the x11 ELITE MonStarBuStars team, your top members who each transform into all sorts of "colorfull GOODMonStars in each of the Primary x11*StarColors. Unlike SuperHeroes who transform into only ONE GOODMONSTAR FORM, ex. Hulk, these ELITE MonStarBuStars can transform (shapeshift) into MANY, GOODMONSTARS FORMS (like Naruto/Ichigo/Ben10 Kevin11/Steven Universe forms)!!! They help bust x100's of SuperVillains each. A third good bounty hunter SuperHeroes team also helps like FAN FAV bounty hunters ex. Marvel's Rocket Raccoon & Groot in (GOTG Guardians of the Galaxy movie#1), & Star Wars Mandalorian, who fight evil Bounty HuntStar(s) & StarHunter(s), similar to FAN FAV Bubba Fett, DC Lobo, etc. Some of them remind you of the FAN FAV AvP Alien vs Predator ComicBooks & BlockBuStar movies but are instead Good SuperHeroes who are tribal religions persuns & good aliens, with "colorfull tribal style braided hair with "colorfull Star sphere beads, halo hoops, space tech tribal masks, & advanced space weapons.

Writer's note: LifeLevel3 is about overcoming your elementary fears of ALLMonStars & to fearing nothing. It is also dedicated to all the GOOD COPS who risk their lives everyday to keep our lives/schools/homes/workplaces/parks, ALL safe from GangStar criminals!! That's why Lv3 has a red & blue light combo look!

After catching x100 SuperVillains you unlock your higher MonStarBuStar levels as you can now easily transform into many, multiple MonStarBuStar modes/forms, including elite forms to beat even ancient obsolete gods, ex. similar to how the Hulk & other SuperHeroes (Goku, Naruto) beat up ancient obsolete Gods, such as Loki, Demi-Gods like Hercules, Rayden (MKvsDC), Thor, Hela, (ex. Marvel's ComicBooks, "cartoons", & BlockBuStar movies series franchise of all time, & in VideoGames ex. DCvsMK!) Your new enemy are called the TriXXStar Gods, & you easily track, smash & bust them in micro-seconds! [On each *LifeLevel you unlock different color GOODMonStars! *See pics below] [Writer's note: I use blue color text on Lv #3 to rep sometimes evil MonStarSide DarkSide & bad guys who get blue skin, similar to Green Lanterns vs Sinestro & Parallax's evil Yellow Light power of Fear, & Star Wars SITH get YELLOW EVIL EYES & red lightsabers as part of their fun, TOYStory\$ TOYSciences. My blue reps cop RED&BLUE LIGHTS, & feeling SAD & BLUE]. On this LifeLevel you also meet GOOD ghosts called GhostStars, similar to Ghostbusters Slimer, but don't glow blue, instead these transparent (see-through) StarForces ghosts glow x11*StarColors micro stars. Congrat's you earned your MonStarBuStar PowerBall* & unlocked your MonStarBuStarForce, 9% of the StarForces POWER!!! EXCELLENT StarWarrior!

NUTRITION: GROWceries

NUTRITION is vital to body HEALTH, for Health is WEALTH! YOU need food to live. So, eat a variety of healthy *colorfull meals, to *colorfull vegetables & *colorfull fruits (ex. yummi, large watermelons, coconuts, mangoes, golden sun-like oranges [METAPHOR], etc) for fuels. We now call them JayMundi's GROWceries NewScience3.0 term vs lame-sucky-OLDScience-term-groceries, to remind all to GROW a healthy body. For example, to grow healthy eyes, muscles, bones we need various PowerPlants (power-plants) foods. Some foods are more nutritious PowerPlants like kale salad SuperFoods, to PowerPlants packed with PROTEIN POWER & fibre like beans & littles lentils (& includes DBZ Goku's Sensu Beans), aka UltraFoods! UltraFoods © is a term also for JayMundi's FUTURE *ALLStars* StarPowers © Super-Supplements health products. In this VideoGame\$ YOUUniverse you eat all sorts of FOODScience foods & learn their real-life nutritional value as a fun educational learning tool, including UltraFoods & UltraFuels © to fully recover your health instantly & get even more powerful (lil like DBZ Sun Goku Sensu Beans)! Have fun in life with occasional lil' desserts, yummi treats as SoulFoods, but limit too much JunkFoods. Ex. fast-food burgers & pizza. Have fun & play with your food recipes Xperiments (experiments) too. Try *GlowBall* FUN FusionFood ex. sushi, samosas, bean tacos, too." [I grew up eating East Indian foods curry, daal, circular 2-D star-shaped roti & Canadian/American diets circular 2-D cookies & cakes with *colorfull sprinkles, especially during covid19 lockdowns over past 2years stress I developed a severe sweet tooth!] Watchout for addicting *BadFoods* & bad role models like beer-guzzling Old-Gods (OG's) Thor & Here in cartoons/comicbooks/BlockBuStar SuperHeroe\$ movies, as like my obese fat father you might become a teen alcoholic & this might cause you decades of family/life/health problems later in life.

LEVEL 4: GREEN & GROWceries ORIGINS

Writer *JayMundi's note: Level4 Nutrition-theme came from my need to eat healthy foods as I was a very sick kid & my mom took me at age 3 back to her ancestral homeland India to see if doctors could help me. I was born & raised in Surrey B.C., Canada. Do you know where India & Canada are on a map? At age 5, I overcame ALL FEAR and punched my VERY VIOLENT drunk father in the face for beating up my lil bro, me & my mom, but he got angry & bit me leg. I still have that scar decades later. My drunk father seemed like a TITAN sized MonStar (x4 times my size) to lil 5yr old minime but I harnessed all my rage & fought him back with the lil power I had - YOU DON'T KNOW ANYONE ESPECIALLY ELEMENTARY KIDS LIKE ME!!! For decades these events led me to take interest in EATING NUTRITIOUS BIG BODY-BUILDING (Level6) FOODS TO GET FUTURE LEVEL6 SUPERSTAR SUPERHERO-like BIG MUSCULAR BODY TO TAKE ON MY DRUNK FATHER! SO from my earliest memories I was inspired by SUPERHEROES like very muscular John BlackStar 1981 toys & cartoon as it looked like a BROWN SUPERHERO just like my brown skin, Marvel's Hulk & she-Hulk who turned BIG and green as they too GOT VERY ANGRY to fight BIGGER supervillains, & DC's StarFire who could shoot green energy blasts from her fists, & later 1984 TF Transformers Devastator GREEN GIANT robot toy & comics! Unlike Hulk & Brolly, you can GROW MUCH BIGGER on level4&6 to GIANT & TITANIC sizes (ex GOODMonStars Naruto Jinchuriki & Goku Azaroo TITAN Sizes & similarly you can shoot IMMENSE DESTRUCTIVE MOUTH RAYS LIGHT-POWER BLASTS -similar to Sun Goku & Hanuman Monkey King Gods legends say both can GROW to TITAN sizes & even eat the sun, but you fight TITANIC MonStars like in Asian Kaiju Movie\$ & toys ex. Godzilla, Gamera, UltraMan etc). This GROWing feature also led to my creative GROWceries term! I, however, didn't legally copy the Hulk's modern BlockBuStar green monster form (who was originally 1st Grey/Gray Hulk) as I 1st saw stories in East Indian books at age 3 of Hindu Indian Gods that would also change into many different colors including GREEN GOODMonster forms to fight BIG MONSTERS TOO, BUT you are not a East Indian/Asian/Buddhist eastern religions 4,000 yr old stories of color-changing & form changing Gods but just a NewAge color-changing GOODMonStar SuperHero! A few years later I used level4 green-theme as a reference to GO GREEN -for our environment part of 1980-90's environment movement ex. anti-aerosol 80's big hair hairspray cans, etc).

WAR WORLD! - LEST WE FORGET!

In your *GlowBall* journey, you join the WorldForce (WW) army (like in FAN FAV BlockBuStar movies of American Army G.I. Joe toys vs Cobra Terrorist armies & Captain America toys vs Red Skull Nazi army & other TOY\$torie\$ Armies vs Terrorist groups), but this is a glowball army composed of elite team members from ALL cultures around our Planit similar to our World War 1&2 (WW1&2) Allied armies. The WorldForce army goal is to stop future Hitlers from starting up World Wars, especially World War3 (WW3) Nuclear Armageddon & FUTURE AA Advanaced AlienWar\$ (ex. BlockBuStar Star Wars & Infinity Wars). This is the reason we spell World Wars, with the word WAR so we all study ALL WARS & prevent future Hitlers from starting up & spreading hate & fear. You travel the YOUUniverse with the WW army & stop all sorts of Terrorist armies. You now have access to top elite army members & technologies. It's not all fun & games, as many friends end up in hospitals as you see the darkside of war, just like on Nov.11 Remembrance Day/week events in all *GlowBall* Schools & shows - LEST WE FORGET (& become dumb*** dorks of the real-life DORKSide)!

WorldForce: EarthElement Forces

*LifeLevel #4 *StarMaStars Gamma WorldStar & WorldMaStar, both train you to MaStar the WorldStar Force. You travel the World (world) & YOUUniverse & meet x100's of SuperHeroes with x4 EarthElement Forces powers: like WaterForce Lv3, EarthForce Lv4, FireForce Lv7, WindForce Lv8. Three more BONUS forces could be RockForce Lv1, & ElectricForce Lv4, WoodForce Lv10). You learn Earth elements attacks, similar to other toystories like Ninjago, 1990's Captain Planet's team, 1980's BattleBeasts (x3Forces), & Power Rangers Elemental Force versions, BUT you MaStar ALL elements like American-made Avatar Airbender Ang AAAA & Korra (rather than just the Firebenders army vs Earth/Air/Water benders). ALL x4 Forces make up the ONE WorldForce (& are part of *JayMundi's ColorCoded page borders! Members have names like ElementAll, ElementalMaStar, EarthForce, EarthStar, FireForce, FireStar, WaterForce, WaterStar, AirForce, AirStar, etc. You study SolarSystem planets & learn to use all x4 EarthElements to make similar *colorfull marbles-like micro Planits in your hands as attacks. You grow the marble micro-planits larger with surrounding environment materials. You learn our Planit Earth is approx. 4.6Billion years old (easy# to recall Lv4 is our 4.6Earth HOME age!) & formed along with our sun & other Planits in our SolarSystem. In time you MaStar the WorldForce. WorldMaStar rewards you with WorldStar *PowerKey*, WorldMaStar *colorfull micro-Planits marbles necklace, *colorfull wrist beads made of marbles-like micro-Planits, hi-tech *PowerSuit & weapons!

GOODMonStar TITANS VS BADMonStar TITANS

WorldStar & WorldMaStar along with x100's of *GlowBall* Guardians (GG's), take you to travel to other Worlds around the YOUUniverse to help save other Planits too, using similar techniques we are using to help save our Planit Earth, such as recycling, reusing, & using renewable energies. One of the Planits, is like Avatar (2011) BlockBuStar (PG) movie (of all time of the previous decade), but with green skin aliens rather than the blue skin Na' Vi large cat-like humanoids aliens, they are also connected closely to their Planit energy like many of our x1000's Tribal religions. While they are studying our ways to save their Planit from pollution, suddenly Titanic Pollution-MonStars &

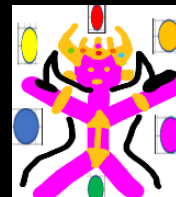

GOODMonStar TITANS VS BADMonStars TITANS

TitanMonStars attack. They are titan sized - larger than skyscrapers. You and a few team members use your new WorldStar Top Secret TITAN-SIZE training to transform into a **GOOD MonStar** TITANS like FAN FAV Steven Universe Pink Kaiju form, Ben10's vs Kevin 11 Way Big & Humungosaur forms, Ultraman vs Kaiju titan class MonStars, DC giants like Apache Indian/Long Shadow/Ty/Giganta, **Marvel's Antman**, etc. To fight TitanMonStars requires Xtra (extra) stamina (endurance) to last the through the night fighting these big baddies. Luckily, your team ate healthy nutrition, that helps your bodies recover faster & fuels your body, sort of like **DBZ** Goku's legendary Sensu beans. The **SuperVillains** ate junkfoods, candies, & smoke a lot, so while they are very huge, they are also unhealthy & get tired very easy & can't keep up with your team. One of them eats a **hotdog**, and one of your alien friends says, "GROSS, don't they have pets, called dogs? So they are eating hot dogs pets? How cruel & unusual you Earthlings are!" Your Earthling team members break into laughter & inform that hotdogs are just called that as a funny name. The war doesn't even last more then one **PowerHours**, as your healthier team easily beats them.

WorldStar rewards you a **WorldForce** necklace which has elemental powers to connect you to your **WorldForce** powers & are each unlocked as you complete each of the x11 **LifeLevels**. WorldStar rewards you with all-powerfull x11 **PowerBalls** *DiaMunds* (Diamonds named after writer ***JayMundi*** & his *ColorsCode). **PowerBalls** are similar to other toy **PowerStones** like all-powerfull wish granting x7 **DBZ Super Dragon Balls** (with **SuperShenron** alien-dragon deity), & **Marvel's Mandarin's** x10 power rings (have all sorts of rebooted ultimate powers from 1964-2022) & **Marvel's BlockBu\$tar** movies x6 **INFINITY STONES/gems** saga are all-powerfull too & give the user ultimate power over all universe (with **Alien Ultimate Goddess Nemesis** inside), for example in cartoons, **Thanos/BlackWidow/Dark Surfer** use the x6 infinity gems to destroy 2/3 of the universe & become supreme rulers of ALL universe! BUT each **PowerBall** has a cosmic deity inside (see art below ->). She notes, *DiaMunds* are the main currency (form of money) among the alien races as they are the shiniest of all **StarStones** & they illuminate the **LIMITED x7 rainbow RoyGbv** colors of the totall x11 *StarLight STAR Spectrum colors. **NewAge *DiaMundi*** are also used in alien intergalactic love ceremony weddings rings (like **HooMuns**) & to power weapons like your *PowerSwords. In future (books), you annually continue to re-collect all x11 **PowerBalls**.

x5 COMBINING SuperRobots & *TITANbots UNLOCKED:

SuperRobot *TECHFORCE: SuperRobots OF THE FUTURE YOUNIVERSE!!!

After completing next level 5, you can travel the **YOUiverse** in **TITAN-LEVEL *colorfull** x5 combining **SUPER ROBOTS** that combine into ONE **TITANIC ROBOT** similar to many toylines ex. **VOLTRON-FORCE SuperFORCE** **Legendary Defender of the Universe** (1984&reboots, 2014-2022 of originally called **Go-Lions AsianAnime AA**), **Power Ranger Zords**, **MiniForce X**, **TF Transformers** combiner robots (like **Predaking**, **Devastator**, etc), **Sentai**, & other similar **ToyStories** and you help stop all sorts of **MassiveMonStars**. These other **TOY\$torie\$** typically have only x5 (to 6) main robots that combine into one **TITANIC** robot (2 arms, 2 legs, & one main torso body, & sometimes a 6th robot makes the back **eagle** or **red fire dragon wings** or mid body like **Transformers GREEN GIANT Devastator** giant combiner robot), but by your **LifeJourney** end you will assemble **ALL x11** team members called the **x11 SpaceNinjas SpaceForce**. You also unlock transforming headquarters & entire city bases like **TITAN CLASS ROBOTS** in **GoBots** toys & **TF Transformers Titans** ex. **Metroplex**, **Scorponok** vs **Fortress Maximus** (transforming city bases) and similarly your ***TITANbots** help fight the evil **Kaiju TitanMonStars** & **RoboTitans**.

#1 EVILL ALIENS - TENTACLEANS (My String-Theory Alien\$ LOL)

#1 evil AlienArmies are "Tentacleans" with x2-6 tentacles grown on backs (ex **TF Quintessons**, **Simpsons**, **Spiderman's Venom**, **The Thing**, & ***GlowBall*** **Sci-Fi**).

LIVING PLANITS vs 99.9% BILLIONS OF LAME LIFELESS & TOXIC PLANETS!

As you travel our **YOUiverse** you see lame Universe is mostly full of 99.9% empty space, & mostly lame 99.9% billions of billions of **TOXIC PLANETS** (with no fun alien life like in **BlockBu\$tar** sci-fi & **SuperHeroe\$** movies of all time) but occasionally you see all sorts of cool phenomena & cool planits like very rare **exo-planets** (planets that people can breathe air & live on similar to Earth) & talking, living planets called **PlanitBalls**, similar to **TF Unicorn/Primus** **SuperBot Gods**, **DC's Mogo**, **BlockBu\$tar Avatar Na'Vi** world tree planet, & **Marvel's Ego** in **GOTG#2 Guardians of the Galaxy #2** who is a god & **Starlord's father**. Some planits are **BIG ALIVE MonStarPlanits** & eat other Planits with mouths **BIGGER** than earth! One of the talking Planits, called **Planitia**, tells you to take care of your own Planit and keep it healthy or you will suffer natural disasters (disasters) from the **Forces of Nature**, such as **Tsunami's floods**, **Earthquakes**, to **Hurricanes** & **Tornados**. **Planitia** has a **W** shaped continent. As a elementary kid as part of my **YOUNIVERSE -Science I** imagined **microscopic-planets** with **Micro-Alien\$** to Earth size to **ULTRASSIVE PLANITS** with **ULTRAMASSIVE-ALIEN\$** (chart)!

Micro-Planits vs Mini-Planits vs Earth vs Super-Planits vs Ultra-Planits Chart:

GROWceries ©: GROW ORIGINS: YOU NEED GROWceries to GROW HEALTHY & STRONG!!!

99.9% DARKNESS POWERED TRAUMA SUPERHERO!!!

[*JayMundi*'s obsession with food on Level 4 came from my NEED to get VERY BIG & MUSCULAR like **Marvel's Hulk**, to stop my VERY VIOLENT drunk father from beating up me & my **FAM!** Like **Hulk** & **Broly** I raged against my father too from early age as I stopped-being-a-LIL-WUSSY WORRIER & INSTEAD BECAME A *WARRIOR* and **PUNCHED** my drunk father in the face even though he was x4 TIMES BIGGER THAN ME LIKE A TITAN MONSTAR! YOU don't know any kids like me! At mid-elementary years I studied **1980's muscle mags** & learned I had to eat lots of healthy super foods & train with heavy weights very **hard** (like on level6) to gain real power.

REAL POWER, REAL GAINS: FUEL THE PROTECTHER INSIDE

After a very **STRESSFUL** decade of very, extremely **PATIENTLY** waiting to **GROW MUCH BIGGER & WAY STRONGER** into my *real-life* ***POWERBOY*** form I was easily able to stop my **VERY VIOLENT** drunk father in my high school teen ***PowerKid*** years & literally feel **NO PAIN** from my fathers very violent attacks as I was just way to **STRONG & MUSCULAR!** This led to my book's **Protect-Her Code**: never hit wowmen (or anyone, especially kids!) **ALL** my ***LifeLevels** have **VERY DARK ORIGINS** like modern rebooted **DARK, TRAUMA SuperHeroes** like **HULK** (vs his abusive father **Absorbing Man** in 2003 **BlockBu\$tar** movie), **Dark knight Batman** (whose parents are shot & killed) **Ichigo, Naruto, Goku, etc.** SO I AM **SIMILAR TO DARK TRAUMA SUPERHEROES ORIGINS STORIES** but they are fictional characters & I am a real-life story - I REPEAT THIS KEY POINT THOUGH MY BOOKS SO YOU FEEL MY 99.9% **DARKNESS TRAUMA DARKPOWER** that fueled MY **DREAMS, MY RAGE, MY FURY, MY ANGER!**

SCIENCE FAIR PROJECTS BALLS: MY *COLORFULL NEWSCEINCE3.0 YOUiverse ©!

Lv5 also reps SCIENCE FAIR PROJECTS. Many elementary kids LOVE to do science fair projects on our SolarSystem with *coloriull models using *coloriull Planits (planets) using painted foam BALLS. They show Planits (planets) orbiting around our Sun. Displays include information printout on *EducationALL PoStars, such as the Planits are named after obsolete (no longer worshiped), ancient gods pantheons (teams) ex. (Saturn) GodKing, (Mars) God of War, (Venus) Love-Goddess, (Mercury) Speed-God, (Neptune) Sea-God, Pluto (God of Death), etc. Aliens races are also shocked to learn that they are similar to our *GlowB-ll Ancient Ancestors* who also worshiped all sorts of ancient pantheons of Gods in most major *GlowB-ll cities. All over our ancient World these Gods represented over x100's of life aspects, ex. Love, War, Speed, harvest, *Education*, Death, Leadership, etc. Aliens also name their SolarSystems after their Original Gods OG's!

With 1600's invention of TELESCOPES we realized some of the Stars in the night sky were Planits, which we couldn't see before with our LIMITED-human-eyes. With modern super-telescopes we saw more of the REAL YOUiverse (universe) is unimaginably humongous! Stars are like holding puny LIGHTERS vs the immense COLD NIGHT SKY which is tiny part of universe's COLD energy! We also learned the daily Sunrise (rise & shine) is an illusion, as instead the Earth (& other Planits) are rotating around the Sun & it's immense GRAVITATIONAL force. We review these facts annually in science classes (for +11years of schooling) & all kids are TESTED on learning & MaStaring these basic facts about our YOUiverse (universe). As you travel through the Universe you notice we have billions of stars in our galaxy alone, & there are billions X billions of *Galaxies* in our universe. Billions of those stars have their own *coloriull Planits in their *coloriull SolarSystems! The universe sucks mostly as it is full of 99.9% toxic planets with no aliens, BUT like sci-fi toons ex. VOLTRON-FORCE SuperFORCE, Star Wars & Star Trek, we too have *coloriull alien worlds (worlds) YOU explore in my YOUiverse-MAP (not-a SolarSystem) [See my page1 intro map].

FUN TOYSciences!!!

In this Toy YOUiverse, like other major SuperHeroes TOY\$torie\$ Universes, you meet aliens from our SolarSystem (similar to DC Martian Manhunter & Miss Martian Meghan Teen Titan who are shapeshifters from Mars [Meghan marries SuperBoy]) or are from *Galaxies* far, far, away like FAN FAV Star Wars characters, etc. In SuperHeroes Universes & TOYSciences there is definitely LIFE ON OTHER PLANITS!!! Some of the TOP 11 *GlowB-ll SuperHeroes for the past few decades are aliens, like DBZ Sun Goku, DC Superman & Hawkman/girl, Marvel Silver Surfer, all Star Wars characters, etc. They have their own fun, fictional SuperHeroes TOY\$torie\$ & TOYSciences. For example, most SuperHeroists FANS learn in early elementary school years that DC Superman's weakness includes Red Suns (& green kryptonite), & Green Lanterns GREEN LIGHT is #1 STRONGEST FORCE in the universe (Colorism) & is at war vs Yellow Lanterns led by Sinestro representing YELLOW EVIL LIGHT OF FEAR (in 2011 BlockBu\$tar movie flop introduction, ComicBooks & cartoon reboots for decades), BUT in this YOUiverse the RED & PINK COLORS are technically the STRONGEST FORCE in this YOUiverse as revealed in detail on LifeLevel 9 titled POWERofLOVE. In Transformers Age of Extinction BlockBu\$tar movie Lockdown says - All species think incorrectly your worlds are the center of the universe. Star Wars the Force TOYScience binds the universe together & is based on midichlorines count in bodies. Many SuperHeroes get their powers from SCIENCE accidents such as the Flash, FF4, Hulk gamma radiation, etc, or vampire(Blade)/werewolf/spider BITES (spider-man), mutants (X-men), majiq (magic), Galacticus All-powerful beings (& Silver Surfer) or weapons (Infinity Gauntlet), or get powers form ancient, obsolete gods like Wonder Woman, Thor, DC Shazam (has many gods powers), etc. In this ToyStories YOUiverse you are inside VideoGames where you unlock all sorts of legendary powers. The Marvel's Infinity Stones Saga BlockBu\$tar movies illuminate the All-powerful Infinity Gems were created before the universe (GOTG#1 2014 movie) & give Overall power over the universe ex. Thanos uses it to kill 50% of the universe's population (#1 BlockBu\$tar movies of all time & ComicBooks). SuperHeroes origin stories & sciences are continuously evolving & rebooted over the decades to include updated, modern sciences, for ex., originally Superman couldn't fly but could leap tall buildings, & sometimes wears spacesuits! This TOY\$torie\$ YOUiverse combines both *EducationALL sciences & fun, fictional ToyStories TOYSciences. [So unaware NON-SuperHeroes parents should not be offended by writer's similar TOYSciences like in major toybrands. Writer's note: Level 4 reps my GREAT LOVE OF TOYSciences!]

IT'S ALL 3D BALLS, BALLS, BALLS BALLSTheory BALL Science 3.0: NO STRING-THEORY!

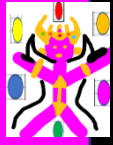

YOUiverse's 3D BALL SHAPE SUPER-MASSIVE BLACKHOLES to *Coloriull *STAR-Balls & *Glow-Ball PLANITS TO TINIST PowerBalls POWERparticles BALLS;

As a kid, like other TOY\$ciences ex. Star Wars midichlorines science, I made my own NEW\$ciences3.0. My YOUiverse's smallest of particles are called BALLIES (STARparticles) & are divided into sub-particles called POWERparticles ex. Powies vs Wowies, Upies vs Downies, & Newies vs Oldies, & the tiniest of possible micro-particles called PowerBalls ex. Whammies vs Bammies, Zoomies vs Fadies, Fasties vs Slowies, Firees vs Icees particles. All particles are color-changing micro-balls & change into the x11 PrimaryColors found in our YOUiverse [just like *coloriull 3D-BALL SHAPED: 1. Blackholes, 2. Stars, 3. Planits, 4. moons are MASSIVE to LARGE to Medium to LIL BALLS in YOUiverse!]

REAL SCIENCES vs (versus) TOY\$torie\$ TOY\$ciences vs Writer *JayMundi's NEWSCEINCE3.0 aka STAR SCIENCES 3.0:

WRITER'S NOTE: ALL KIDS IN EARLY ELEMENTARY YEARS SHOULD LEARN THE DIFFERENCE BETWEEN REAL SCIENCES VS (versus) FUN, ToyStories TOYSciences & STARSciences for example Superman is an alien who is weakened by RED SUNS/RED STARS as part of their STARSciences. In DC Universe the GREEN-LIGHT of the color-spectrum is #1 STRONGEST FORCE in the universe in BlockBu\$tar Green Lantern movie intro's negative-Colorism, & in that universe their colorcode reps the emotional spectrum as part of their STARSciences TOYSciences, BUT in this universe all x11*StarColors are equal (9%) but technically RED & PINK LOVE'SLIGHT COLORS ARE #1 STRONGEST FORCE in my YOUiverse as they rep International heart love colors & this book is about creating LOVE for ALLpersuns (persons) - ALL Billions follow *ALLStars! You also unlock, harness, & MaStar ALL PRIMARY x11*StarColors of writer *JayMundi's new STARSpectrum as part of his TOY STARSciences. You unlock, harness, & master InnerLghts FORCES powers (called *ShockRas) similar to FAN FAV Lego Ninjago, animes DragonBall's Goku (SS/SSJN Super Saijain modes 1-7), Naruto Sage Chakra modes, & Avatar Ang/Korra Chakra & multiple forces. HOWEVER, you are also LevelingUp more like in some VideoGames which have characters levelup through different levels where they gain different powers, weapons (swords, guns), hi-tech *PowerSuit, accessories, potions, etc.

There are even ALL-POWERFUL COSMIC WEAPONS to rule over the entire universe in TOY\$torie\$ TOYSciences, for example in SuperHero Squad cartoons & Avengers cartoons, Thanos uses the all-powerful, ColorCoded, Infinity stones to become "SUPREME RULER OF THE UNIVERSE", & when Russian Spy SuperHero Black Widow uses it, she is possessed by NEMESIS the all-powerful CosmicBeing (AlienGoddess) inside the Infinity Stones! Even SuperHero Squad's Silver Surfer is possessed by the all-powerful Infinity sword&gems which he uses to destroy 2/3 of the universe & Galacticus, to be "MASTER of ALL!" In the BlockBu\$tar Avengers Infinity War movie Thanos uses the Infinity Gauntlet snap to easily kill 50% of the universes entire population in universe-wide mass-genocide (mass-killings), similar to order 66 mass-scale genocide of all Jedi's in Star Wars! TOY-WARS are fun & help snap kids out of early elementary LA LA Land thinking!

TOYuniverses also have ALL-POWERFUL COSMIC-BEINGS for example DC's Guardians of the Universe who are billions of years of old, protect the entire DC Universe, similar to DBZ DragonBall's Kai's of the universe & all-powerful wish granting Dragonballs, & Marvel's Celestials in Eternals movie create entire *Galaxies* & use the Infinity Stones in the Guardians of the Universe (GOTG) 2014 BlockBu\$tar movie to kill entire planet alien species in planet-wide mass genocide & Galactus is older than the universe itself & is powered by the POWER COSMIC. In Transformers Prime TFP cartoon TOY\$ciences\$ Evil robot God UNICRON is inside our earth's core for billions of years!

Some FAN FAV *GlowB-ll SuperHeroes are ALIENS from other Worlds like Star Wars Master Yoda, Ashoka Tano, Anakin Skywalker (aka DarthVader) who was destined to save the universe, BUT in this YOUiverse YOU the readers are #1 SuperHeroes! ALL SuperHeroes have same #1 YOUiversALL WEAKNESS: PROTECTING INNOCENTS, regardless of age, gender, nationality, religion, beliefs, colors, or non-religion. Some SuperHeroes get powers from mutated DNA genes ex. X-men evolutions

MY REVOLUTIONARY BREAKTHROUGH x9 **NEW\$ciences**: **STAR\$ciences**, **ALL\$ciences**3.0, **FUTURE\$ciences**3.0 & **ALIEN\$ciences**3.0, **ROBOT\$ciences**3.0, **#1BUSINE\$science**, **TOY\$FAIL\$cience**, **BlockBu\$tar TOY\$cienc\$** & **Videogame\$-Science** VS 80% **WRONG** Old\$ciences1.0 vs modern **Science**2.0

NEED4SPEED

Lv5 also reps NEED4SPEED as at age3 I knew I wanted to be a comicbook writer/artist/toymaker/cartoon animator, & grow up to make BlockB\$tar SuperHero\$ movies! So I learned in early elementary years I needed to get FAST & EVEN FASTER to write my monthly ComicBooks & since I wanted to make an entire universe like Marvel & DC Universes with many individual SuperHeroes ComicBooks I learned I had to write/think/draw MUCH FASTER than normal writers/artists. I made over x1000 ComicBooks through my elementary to highschool years, but my first few x100 sucked bad as stickman drawings with very poor writing like all little early elementary kids. IN TIME, however, through very hardwork WORKFORCE hours over many years I became very fast and wrote ComicBooks like this one in less than a week. Since I was writing on all sorts of topics & themes I also got MUCH BRIGHTER! YOU have this same PowerPotential to harness in YOU too!

SpeedStar. is noted as the fastest persun in the YOUiverse. & is going to help you to become even FASTAR!!!!

One day, a SuperVillain named SpeedMonStar, challenges you to see who is the fastest of all in the YOUiverse! He uses his TimeForce power for evil & uses it to TimeTravel back in time to change all sorts of history time periods, which warps modern day events & threatens to change history itself (similar to TimeTraveler Marvel Kang, DC GodSpeed vs Flash, & DBZ Trunks). You use new TimeForce skills to track his energy signature & follow his steps. You catch up to him before he can stop the United Nations signing of Universal Rights (after WorldWars WW [World Wars]), - a key time giving equal power to ALL regardless of age, background, religions, beliefs, etc. [Writer's note: TimeTravel is used in many fun episodes but in this SuperHeroes YOUiverse it is purposely used on LifeLevel 4's to visit various Ancient Ancestors* "GlowBall" time periods as an *EducationALL ToyStories product (like Mr. Peabody & Sherman & other edu-cartoons)]. SpeedMonStar has his own SuperVillains team called FadeStars. SpeedMonStar transforms into an electric-Monstar. You stop him by transforming into your yellow electric Good-SpeedMonStar form (like Hulk x Goku Super Saiyan 2 form with electric energy) to catch up & use a science static ball invention that traps his electrical essence in the contraption similar to FAN FAV Pokemon balls & GhostBusters trap others in their balls/traps. Your SpeedStars team celebrates the speedy victory! Great job [redacted] Insert name!, StarWarrior!!!
