11 STARForces ★ STARSchool©

TOYChanger: #1 ToyStory INVENTER, THEORIST, ARTIST, BU\$INE\$\$ of ALL Time?! As *JayMundi* destroys lame Universe with his YOUiverse!
 GAMEChanger: YOU the reader become the #1 SuperHeroes of ALL time! (not aliens Superman, Goku, Skywalker) as YOU save the YOUiverse!
 You can't Jedi or Sith your life, but you can MaStar (or MonStar) your life based on STARenergy of YOUiverse! Celebrities are not the only "stars" with "star-powers" but WE are* ALLStars* with the StarPowers! My book celebrates NewEra of GOOD MONSTARS ex. Hulk, Goku, Naruto, MonstRa, & JM!
 BU\$INE\$\$changer: FUTURE #1 BU\$INE\$\$ OF ALL TIME?! \$369million to \$369BILLION BLOCKBU\$TAR BU\$INE\$\$ PLAN?!

Star Wars The Force is \$50BILLION Toy\$tory vs my STARForces with x11 educational *REAL-LIFE* FORCES & SCIENCES!
 Star Wars has Jedi vs Sith SPACEReligions vs my hotter team names: MaStars vs MonStars. You can't Jedi or Sith your life, but YOU can MaStar or MonStar your life – so kids don't become lil MonStars, (but rather MaStarLife!) You MaStar my STARForces & YOUiverseForce (not The Force)!
 SCIENCEChanger: Jay destroys lame OLDScience terms "UNIVERSE, world, stardust" with his NEWSscience terms "YOUiverse, World, StarPowers"!
 JayMundi's FUN NEW STARScience tells kids we are all made of STARPowers vs lame-OLDScience says we are made of StarDUST.
 My x11 inner color lights called *ShockkRas* connect YOU to my YOUiverse! YOU graduate StarSchool to go to YOUiversity! (Not Jedi academy)
 I pay TRIBUTE to x100's of *GlowBall* ToyStories that inspired my imaginative terms & TOYUniverse called my *ALLStars* YOUiverse (A.Y.)!

My Colorcode text promotes Multiculturalism, Anti-racism, Anti-colorism (& love for ALLpersuns of ALLColors = Anti-HATE code)!

Pages are black like Universe, with x11 *STARlight text colors, to help connect YOU to my TOY YOUiverse! Black also reps #BLM Black Lives Matter

Protect-Her Power Code: GirlPower new terms "Wowmen" (WOW=MOM), Sistas, & MomStars who birth *ALLStars*! Don't hit wowmen or kids!

AWARD-WINNING potentials for: #1 BU\$INE\$\$, #2 Protect-her code & #3 YOUiversePEACE TOYStory (ex. Nobel Peace prizes?)! So Adults enjoy too!

#BLM as writer *JayMundi* is Brown & is a MonStars'Sun (of very violent drunk dad) but is FUTURE #1 BU\$INE\$\$MAN/ARTIST/WRITER/THEORIST?!

BONUS: I share my BIOGRAPHY TIPS origins as FUTURE #1 Toy\$tory BU\$INE\$\$, despite my DARK origins growing up with VERY violent, drunk father!

My 1st 2pages are info for parent purchasers, so kid readers can skip to page3. My books are for adults too as lessons in building my FUTURE BILLION \$ TOY\$STORY empire & my origins story as the "universe destroyer"! Hi, I invented #1 BU\$INESS\$ & TOYUniverse (of all time) called *ALLStars* YOUUniverse! MonStar'sSun (son) *JayMundi* the Universe *Destroyer* says let's destroy sucky lame OLDscience term UNIVERSE with my REVOLUTIONARY term "YOUUniverse" where YOU (the readers) save the YOUUniverse, thus it's name YOUUniverse! My YOUUniversity & *STARSchool "Education": teaches kids YOU are a STAR with the StarPowers & WE ARE *ALLStars* with StarPowers inside us ALL. I am the REAL-LIFE *StarWars* as I promote my core Woke Message: WE are *ALL Stars*, & we shouldn't call STARJUM CELEBRITIES the "STARS" with their "star-power," or top sports athletes the "all-stars" (#WOKE)! YOU the readers become #1 SuperHeroes of ALL time by inserting names into book (ex. [] insert name) & YOU save the YOUUniverse! Star Wars Force fans (a \$50BILLION toy franchise) may love my lil-like TWIN STORY of MaStaring my StarForces, BUT my Force name - StarForces is HOTTER, & so are my team names: *ALLStars* MaStars vs MonStars, which are ACTION VERBS to MASTAR or MONSTAR your lives so kids don't become lil'MonStars & end up in PriSun (prison) BUT instead MASTAR LIFE! You can't Jedi or Sith your lives. I use creative wordplay (MISPELLINGS) using my STAR based terms: *ALLStars* MaSTARs (masters) vs MonSTARs (monsters) which connects ALL to my STARForces & YOU to my TOY YOUUniverse! Just like Jedi vs Sith SPACEReligion I have similar FUN *STARReligion* vs MONSTARReligion! I reveal in chart below - I also have x11 REAL-LIFE FORCES & SCIENCES to my educational StarForces vs just fun-fictional TOYForces! My StarForces are a MASSIVE UPGRADE to other TOYForces, for ex. unlike Star Wars Force, my StarForces unlock MORE fun powers ex. elements - FirePower, SuperStrength & flying like DBZ Sun Goku/Ang/Superman! Thus, my #1 TOY Universe name is #1 most meaningful ever - *ALLStars* YOUUniverse vs DC/DBZ Star Wars/Marvel Universes. Extra value is writer *JayMundi*'s biography of DESPITE growing up with VERY violent, uneducated, drunk F@#\$ father dark trauma - I wrote #1 "ToyStory" of ALL time & YOU play out my DARK-story as a DARK-ENERGY POWERED Hero lil like ANGRY HULK & GOKU who transform into GOODMonStars! My books have MANY complex layers & are also designed to promote Anti-HATE, Anti-Violence vs Wowmen, Anti-Racism & AntiColorism! You learn SuperHero\$ NEWAGE of top #1 BlockBu\$tar movie\$ & BIG BILLION \$ Bu\$ine\$se\$! ALL this in my COMPACT 30page books- easy rereads in a *PowerHour! My *STARSchool books are for ages +8 but YOUUniversity books are for teens & adults! It gets better:

YOUUniversePEACE Multiculturalism (Anti-Racism) THEME & LOVE4ALL *ALLStars* MAP!

My books start with a YOUUniversePEACE Map (as a metaphor for Multiculturalism) ColorCoded text also reps Multiculturalism (AntiColorism & Anti-Racism) - LOVE of *ALLStars* ALLpersons (persons) regardless of skin color, nationality, #BLM (Black Lives Matter) as writer *JayMundi* is brown! ColorCoded text also reps my REAL-LIFE x11StarForces as noted in the numbered chart box below with my LOGO. The 11th color black is represented as the page color background which reps our beautiful, black YOUUniverse! ColorCoded text also reps the x11 PrimaryColors found in *ALL Stars* StarLights STARspectrum & found throughout our massive YOUUniverse! You use my map to TRAVEL THE YOUUniverse (like Star Wars, Voltron, etc) to assemble your x11*StarMaStars (Star Wars jedi masters-like). Each level unlocks new transformations into different SKINcolors GOODMonStars like #1 BlockBu\$tar movies Marvel's RAGE-power GREEN HULK & SHE-HULK, DBZ Goku & Naruto!

- ✓ **GAMECHANGER #2:** YOU are the #1 SuperHero Of ALL TIME as YOU save the YOUUniverse using my Fill in Blanks YOUUniverse ALL Avatar system (ex. - ✓ **GAMECHANGER #4:** *WOMEN PROTECTOR CODE* promotes girlpower & anti-violence vs women by calling them "WOWmen", sisters (sisters) & momstars who birth *ALL Stars*! I grew up in home WAR vs my drunk F@#\$ father who beat us so bad my mom has jaw reconstruction, thus my "Don't hit wowmen - Protect-HER CODE" & ETERNAL father hate!

See Chart:

NEWAGE GOODMonStars HEROES ex. HULK, &

DC Green Lanterns/Rainbow High/Rainbow Rangers toys STARLIGHT Colorcode

✓ The story is MOSTLY like NEWAGE GOODMonStars like Marvels Hulk in BlockBuStar #1 Movie\$ of ALL time who turns into a big GREEN MONSTER except you transform into many *colorfull GOODMonStars & MUCH BIGGER MONSTARS like Naruto & DBZ Goku TITANIC SIZED-MONSTARS that shoot immense light ray breaths like Godzilla! The story is also a little like other starlight power toys like Rainbow Rangers/High, & DC Green Lanterns STARLIGHTS POWERS *ColorsCode toys who are also an universe space-cops army force like Star Wars Jedi's, except DC Green Lanterns are powered by alien RINGS & LANTERNS & rep EMOTIONS & GREEN Light is STRONGEST FORCE in Universe (in 2011 BlockBuStar movie intro).

EACH CHAPTER GETS MORE EXCITING AS YOU MASTER EVEN MORE FORCES OF MY StarForces!

Each of the x11*StarMaStars helps you MaStar key life aspects ex. WorkForce (to get kids job ready), SpeedForce (get cardio for heart health), WorldForce (going green), etc. *StarMaStars are METAPHORS FOR TEACHERS & are best in their fields, for ex. SpeedStar is the fastest in the YOUiverse, & SuperStar is the strongest! These are also the x11tech-suits you collect (like Ironman & Batman have many tech suits) in each chapter, for ex. you unlock TechMaStar suit in chapter one, & MonStarBuStar PoliceForce suit in chapter 3, so the action gets more exciting CHAPTER BY CHAPTER as each of the x11 *StarMaStars unlock your x11 StarPowers inside us ALL, one STARColor for each chapter!!! Note with Star Wars the Force doesn't unlock power of elements, superstrength or flight like DBZ Sun Goku/Aang/Superman, but in my book you do!

TRIBUTE CELEBRATION OF VOLTRON-FORCE SuperFORCE x STAR WARS THE FORCE x ANG ELEMENT FORCES x 100's GLOBAL TOP TOY\$torie\$ UNIVERSES:

I am not dissing Star Wars, BUT INSTEAD I pay TRIBUTE & CELEBRATE George Lucas's Star Wars The Force, Go-Lions aka VOLTRON-FORCE SUPERFORCE, (1980's BlackStar Cartoon, DC's StarFire, Transformers PowerMasters, x4Earth Elements Forces BattleBeasts/Ang, etc) along with x100's of fun 1980's TOYForces, TOYPowers & TOYuniverses (toys, ComicBooks, cartoons, & VideoGames) in my books, as they ALL INSPIRED me over x4 DECADES to create x100's of books in my *ALLStars* YOUiverse! I celebrate them in May & June after Star Wars Day May4 (x30days countdown ironically) to my birthday on -new StarForcesDay June3! Teacher Day is celebrated on May5 for teacher week (in Canada & USA) & the writer is a BUSINE\$\$ TEACHER so I celebrate fellow teachers & STARStudents in *STARSchool this month too. Its also #FCBD Free ComicBook day on May6, & my books were designed initially to be ComicBooks in elementary. May6 is Star Wars May the Sith(Sixth) be with you!

DISCLAIMERS:

1. Not for RACISTS, THIS IS AN Anti-Racism & ANTI-HATE book as writer is East Indian Indo-Canadian – SO NO REFUNDS!
2. NO REFUNDS; THUS, sorry -not sorry, BUT NO REFUNDS for x66million global HATERS & HATE GROUPS! This PEACE book is not for you!
3. BANNED/FORBIDDEN FOR 66YR OLDS – MY ORDER 66 vs Star Wars order66 (Jedi Genocide): THUS, this book is BANNED for all readers under 6years old but especially OVER 66YEARS OLD (like my parents) boomer generation of some SUPERHEROES HATERS who try to BAN our SuperHeroes & VideoGames.
4. SPOILER ALERTS: I will be discussing TOYUniverses so its best to read my books after you have seen all major SuperHeroes BlockBuStar movies.
5. GLOBAL GODS: I have *GlowBall* Gods & SPACEGODS like MAJOR TOY BRANDS ex. Marvel's CELESTIALS (in Marvel's BlockBuStar Eternal movie) who are older than universe & create 1st Sun & light in universe, Marvel's Thor family of gods, DC Darkseed New Gods team, DBZ anime's Sun Goku MonkeyKing God, anime's Naruto Fire Fox God, DCvsmk crossover, Transformers Robot gods Quintessa/Unicron, & in YOUiversity teen books you become new GOW like PS Kratos.
6. This is a TOYForce with TOYLightForces like most other major TOY Forces (as listed below ex. DC Green Lanterns) & is not any religion's angels/deities/god's/light's.

VOLTRON-FORCE SuperFORCE, POWER RANGERS, & NINJAGO LIKE COLOR-ROBOTS!!!

You are also a SpaceNinjas SpaceForce like many international hit brands for DECADES (for elementary kids & teens) like Go -Lions aka VOLTRON-FORCE SuperFORCE, Power Rangers, Ninjago, & Sentai, etc, ColorCoded toys with colorfull (animal) robots! Each bot reps each StarForces color & is piloted by each of the x11*StarMaStars, & in the story ending they form your GIANT *TeamWork* COMBINING BOTS to take on massive MonStars like in kids shows! This is a METAPHOR FOR teaching kids *TeamWork*!

Marvel's INFINITY WARS GEMS Colorcode – like,

Like in #1 movies of all time Marvel's Infinity WARS saga x6 COSMIC STONES that give Thanos overall all-powerful control over the Marvel Universe (ex. Soul Stone, Power, Time, Mind, Space, Reality stones, etc) which were CREATED BEFORE CREATION of universe in 2014 (GOTG) Guardians of the Galaxy top movie, & have an overall all-powerful Purple COSMICBeing - NEMESIS (entity/Goddess) inside all x6stones who controls the multiverse [writer has own cosmic love deity called KARMA] - which Thanos uses her COSMICPower with the Infinity stones to KILL 50% of UNIVERSE POPULATION in MASS-GENOCIDE- (& Nemesis possesses Avengers Black Widow in 2015 kids cartoons), I have similar fun, TOYSciences x11*PowerKeys ALL-POWERFUL weapons!

RATED PG: Okay for elementary kids over 8 who watch BlockBuStar SuperHero\$ movies ex. Marvel Avengers Infnty WARS, Star WARS & DC universes, *cartoons*, books, ComicBooks, read Asian mangas & AsianAnimes ex. DBZ Goku & Naruto, play SuperHero\$ VideoGames, &/or attend & *ComicCons & *AnimeCons with their families. NOT suitable FOR LA LA LAND WUSSY KIDS, including similar grandparents over 66, because I also have extreme violence like Star Wars Order 66-like Jedi-Genocide & Thanos snap which kills 50% of universe-wide population mass-scale genocide TOY\$torie\$ violence! There are a handful of curse words in reference to my very violent physically abusive lil Fat F*#\$ Father who used to beat up my lil bro, me – & my mom so bad she has jaw reconstruction so KARMA IS A B*@\$% FATHERRRR & for ALL ETERNITY I LOCK-IN your PsychoPath mental ILLNESS as my EV-ILL-book theme & it allows readers to get uncomfortable & feel my REAL-LIFE DARKNESS & HATE vs DORKS like my potty-mouth father who beat up lil kids & wwomen – which led to my book! As such, you will remember for ALL eternity as *JayMundi* the MonStar'sSun (son) – the son of a very violent drunk lil Fat F*@\$% Father but I still made the #1Toy\$tory & #1BUSINE\$\$ of ALL time!

✓ GAMECHANGERS #9 COLOR-TEXTCHANGER: the ColorCoded words text promote a LOVE for *Diversity & Multiculturalism, & *JayMundi's new STARScience – which celebrates his *complete* *ColorsCode STARpectrum of x11 *StarColors, not just LIMITED-rainbow (RoyGBiv) x7-colors, but includes ALL x11 *StarColors like x11 Prman Colors (including silver, pink, white, black, & brown) found in *AL Stars & in our YOUiverses!!! It is not racist code as both my SuperHeroes & SuperVillains have the same x11 StarPowers that can be used as forces for good or evil!! *ColorCode reps Copyright ToyBranding colors (ex. Marvel vs DC) & has very colorful pages like ComicBooks.

GAMECHANGER #10 MonStar'sSun (son) *JayMundi's BIOGRAPHY: a high school teacher, MaStared his life despite growing up with a VERY VIOLENT, uneducated, drunk F*@\$% father. Jay obtained 2 degrees & 3rd a Masters with almost perfect GPA, & created his #1 *ALLStars* YOUiverse. I share my power & success tips called *UltraHabits* in my books & FREE YouTube presentations!!!

KID CREATOR 5STAR Reviews: when giving 5Star reviews note 96% of ideas & writing are RECREATIONS from my 1980-90's elementary yrs (ages 9-11) to TEEN (ages 13-17) high school ComicBooks & VideoGames! The book is also lil like a SuperHero\$ DOCUMENTARY examining the NEW AGE of modern BIG BILLION\$ DOLLAR\$ SuperHeroes Industry, including top #1 Billion\$ dollar\$ BlockBuStar movie\$ & the newest age of BIGGEST \$200 Billion\$ SuperHero\$ VideoGame\$ industry! Follow writer *JayMundi* on social media as he tries to penetrate International SuperHero\$ markets & tries to make his childhood comics into the next BIG BILLION DOLLAR SUPERHEROES BUSINESS!!! THIS ENTIRE ALL-in-one BOOK IS MY MASTRPIECE #1 ART of ALL time vs Dub Vin's MOANs Lisa LOU! PS you spell my name as ONE WORD *JayMundi* as part of my fusion-science theme & FULL name as the MonStar'sSun (son) *JayMundi* Universe *Destroyer*! Fictional SuperHeroes Superman, Hulk, & Goku DON'T compare at ALL to me *real-life* hero *JayMundi* made YOU into #1 SuperHeroes of ALL time called UltraHeroes, as YOU saved my YOUiverse!

GAMECHANGER #11 YOUiversityCHANGER & SCHOOLCHANGER: Elementary & HighSchool students upgrade into *STARschools of STARStudents who learn they are the STARS with the x11 STARPOWERS (not just celebrities stars) in my STARScience new terms vs OLDScience-lame-education-terms!!! My term YOUiversity destroys OLDScience-super-lame-term-University – as instead at JayMundi's YOUiversities YOU learn reall *Education* that YOU are part of *colorfull YOUiverse, thus my STARterm YOUiversity!!! APOLOGIES: I don't condone students *GRAFFITI* & CROSS-OUT school book texts & universities signs into my YOUiverse colors text! Book sales help us launch & spread our fun *ALLStars* YOUiversePeace (MultiCulturALL metaphor) message, recruit staff, get security for my family versus *GlowBall* Anti-MultiCulturALL forces, make cartoons/movies, & not sell-out to major corporations. Compare the immense POWER ... StarPowers of this *EducationALL book to other \$10-20 kids products ex. toy\$, Star Wars Jedi Academy books (approx. \$17Cdn), Harry Potter kids witchcraft school books (#1 kids novel series of all time) approx. \$10.

YOUNIVERSALL *SOLDIERS* Avatar Custom Character:

This book is in a VideoGames format to appeal to modern VideoGamer kids. A VideoGames avatar is the character you, the VideoGamer control. Pick one of the following VideoGames Avatars (similar to FAN FAV Favorite MODERN VideoGames, ex. Minecraft, Roblox, Fortnite, & JumpForce): insert your name: "_____ StarPowers StarWarrior *JayMundi* MUNStarsSun (son) BronzeStar YOUNiverse!" [Your character name is very long & has Writer's 1st & last name Mundi -as it means world, & the last name YOUNiverse is like FAN FAV cartoon Steven Universe. As a kid I watched a 1981 cartoon called BlackStar & so I simply called my SuperHero "BrownStar" aka BronzeStar, & now my story becomes your story as you insert your name to fuse (combine) with me! FAN FAV =means FAVORite among FANS. In these StarWarrior (SW) VideoGames - YOU the player become the #1 SuperHeroes in this ToyStories YOUNiverse as YOU save the YOUNiverse! Choose your Avatar:

#3. CREATE your Custom Avatar here (it can be YOU, or a MonStar, alien, or even a robot-like Transformers or Zords, etc). Research MODERN VideoGames such as Fortnite & JumpForce, & millions of similar *GlowBall* games where you can DL (download) over x1000 different custom skins (costumes). [Writers Note: as an elementary kid I mostly drew myself as the SuperHero of my ComicBooks, but as a teen I updated my comicbooks stored on floppies disks with x100's of ebooks to instead have readers create themselves as the main SuperHero with their own custom costume character!

#4. The main character however, is set as default (non-customized) setting in writer *JayMundi*'s sun-tan beach bronze muscular image as the 1st brown (East Indian) SuperHero similar to sun-tan bronze-brownish skin of many toy characters like new version of DBZ Broly 2021, DC Starfire (orange skin female alien superhero with UV sun power inspired my full sun spectrum *StarFire* toy theme), BlackStar1981/ BraveStarr1987/ 1980's DC SuperFriends WonderTwins (shapeshifter aliens) & Conan 1983 muscular bodybuilder brown-bronze skin toys! DBZ Sun Goku, Superman, Hulk, Saitama, Thanos with Infinity Stones are most powerful SuperHeroes & villains, but in my YOUNiverse YOU the reader become the most powerful #1 SuperHero of ALL time! Writer *JayMundi* grew muscular to stop his alcoholic, uneducated father from beating up his little brother, mother & himself. Its also in Jay's image because he is the legendary writer of this new #1 SuperHeroes YOUNiverse! The characters are shown with *colorfull STARainbow*StarFire* solar flare hair, StarPowers cape & AuRa - as they rep real STARScience fact that THE YOUNiverse & *ALL Stars* are *colorfull & contain writer *JayMundi*'s complete x11 *StarColors STARSpectrum! Marvel's Blade BlockBustar movies with 1st Black SuperHero started the Marvel franchise & basically saved them from bankruptcy! Research & checkoff here x11 different download VideoGame skins (ex. Fortnite & roblox): x1 x2 x3 x4 x5 x6 x7 x8 x9 x10 x11

Also like FAN FAV (favorite) AsianAnimes like Avatar Airbender Ang & Korra (USA CARTOON) elements mastery & x11 InnerLights *ShockkRas, (Anti-Saga movies) & DBZ Sun Goku Super Saijayin SSSJ#1-10 ASCENSION levels/forms you will ascend through x11 LifeLevels to become a *StarMaStar (SM#1-11) yourself, but unlike DBZ SSJN hair color changes you also change x11 SKIN colors like NewAge TOP GOOD MonStars ex Marvel's Hulk (in Marvel BlockBuStar\$ #1 movie\$ of ALL time), ex. Goku, Naruto/Steven Universe/Ichigo forms, etc. #4. As a teen I was influenced by modern VideoGames maps, especially STREETFIGHTER (made into BlockBuStar movies & cartoons), but rather than just fight rivals *GlowBally, my map is about making friends to promote YOUiversePEACE (as a *GlowBall) MultiCulturALL metaphor) to avoid World WAR 3 (WW3), thus I call my map a YOUiversePEACE MAP! #5. This FUTURISTIC NewAge SPACE-AGE map reveals writer *JayMundi's x11 *real-life* forces ex. WorkForce, healthy nutrition, exercise, education, etc ColorCoded as my x11 StarForces! #6. These planets are part of the writer *JayMundi's *coloriull SolarSystem, which includes all x11 Primary Colors that make up *ALL Stars', planets & moons throughout the YOUiverse! They are named a bit similar to our SolarSystem where we learn in annual science classes - our planets (planets) are all named after ancient, obsolete, Greek Gods pantheons, as we learned that ALL our greatest grandparents Ancestors', ALL over the World (world) prayed to all sorts of pantheons of Gods, ex UranUs Elder God (Grandparent) of Zues, was killed by his son ChronUs Time God who was ironically killed by his son Zues for cannibalizing (eating) Zues's siblings - celebrated in Clash of Titans movies & kids toys for x4 decades. Lil' elementary kids love to laugh at Uranus - as in our modern NewAge (your-anus) refers to their bums - oh grow up lil' MonStars LOL ;oP - but its always good to LAUGH IN LIFE (LIVE, LOVE, LAUGH)! For Ex. Planit LovUs is named after Love Goddess VenUs but mine is cosmic Love Goddess called Karma LoveUs (who is like Marvel's Nemsis who is inside Marvel Infinity Gems ALL-Powerfull Gauntlet - used by NewAge YOUiverse-Conquer UltraVilain Thanos in cartoons, comicbooks, & #1 BlockBuStar movie of ALL time, to mass-genocide kill 50% of universe population)! I have my own MonStarKing who wants to take your x11 PowerKeys to rule the YOUiverse too - but only YOU can save the YOUiverse! My 1st Planit is also named after PrimUs the God of the Transformers (TF) in Transformers Prime (TFP) cartoon, similarly, my 1st Planit TechYou is a massive transforming robot Planit too (like Primus & Unicron), that has alive robots! Writer *JayMundi's elementary science fair SolarSystem also duals as a StarSystem - it also reps my x11 types of STARS/SUNs (ex. a Red Sun is DC Superman's weakness & our Sun will evolve to GROW into a RED GIANT SUN - which reps my STAR-evolution). My map is a FUTURE *EVOLUTION MAP from primitive ships to spaceships to FUTURE *StarShips into YOUiverseShips to explore the YOUiverse in x11,000/x11 million/or x11 billion years from now!

YOUiverse

#11 *JayMundi's NEW YOUiverse!

★ LifeLevel 1: TechMaStars TechForce

On *LifeLevel #1 you use your YOUiverseMap to travel to shiny silver ball shaped Planets (planets), one is called TechUs (lil like BlockBu\$tar movie\$ Transformers (TF's) home planet Cybertron - it too can also transform into a supermassive robot God - TF's have Quintessa, Primus & Unicron (1986 movie) as their x3 robot Gods in TF comicbooks, movies & cartoons ex. TFP Transformers Prime. TechUs, however is not planet sized but is massive STAR-sized, & thus is one of the STARRobotGods (like Marvel's Thor & DBZ Goku Old Gods)! It makes Unicron toys look puny in comparison. [Writer's note: as a 80's kid, robot toys like TF's & GoBots had Everything transform from vehicles, weapons, animals, headquarters, to planets & I wanted to make mine BIGGER & BETTER so I made transforming SUNS/STARS into robots]!!! TechUs is also full of billions of futuristic, alive robots like Transformers & GoBots. Here you meet the 1st *StarMaStar (lil like a Jedi-master) called Robo TechMaStar who informs you, "StarWarrior [insert name], you are a STAR! WeAreALLOne! WE ARE ALL Stars... *ALLStars*!!! You are part of the WorkForce aka (also known as) TECHForce which is 9% of the StarForces! You are a *TechMaStar! You have the StarPowers to Rize&Shine in Time & MaStar the TechForce!

Be grateful for so many awesome WorkForce INVENTIONS & INNOVATIONS for you & all to enjoy in life, from books, bikes, cars, planes, buildings, to TechForce technology ex. computers, internet, *SmartPhones, laptops, HDTV's, to FAN FAV (favorite) *colorfull SuperHeroe\$ character\$ TOY\$torie\$, VideoGames, BlockBu\$tar movies, to near FUTURE domestic advanced ROBOT SERVANTS!!!

Create good WORKFORCE PREP UltraHabits to Rize&Shine in time! For ex. start by 1st setting your daily morning alarm time, to get ready to Rize&Shine on [] time, for 13years of schoolwork in prep for adult WorkingWorld (world) WorkForce! You can grow up to be anything you want to be in the WorkForce; a business office tech pro (professional), computer tech (technology) specialist, trades construction builder, engineer, entertainer, writer, criminal justice system (cop, security, lawyer, judge), food industries, restaurants, environment industries, scientists, fitness, yoga, sports, body industries, war industry jobs (armies), medical professionals, education professionals (teachers, tutors), councillors, musicians, fashion, STARSciencists (study *ALL Stars* YOUiverse, & Everything!!!). [Writer *JayMundi* wanted to be a BUSINE\$\$ TECH teacher, comics artist, cartoonist, toy maker, videogame maker, fashion model, sports star (basketball), dancer, rapper, gym trainer/owner, tech maker & robot maker.] What are some jobs you might want to be when you grow up? 

*HeadMaStar #1 Robo TechMaStar, trains you to MaStar the WorkForce TechForce, by studying very hard to use the power of the *TechMaStars TechForce to create all sorts of cool tech (technology) gadgets, to even TRANSFORMING ADVANCED, ALIVE ROBOTS (ex BlockBu\$tar Transformers movies, Gobots, & Tobots)! You also invent your own SuperHeroes toyline & VideoGames called *ALLStars* YOUiverse to compete against DC, DBZ, Marvel Universes! You realize BILLIONS of kids & adults all over the world have been trying to invent their own SuperHeroe\$ Univer\$e for the last x100 years of *GlowBall* SuperHeroes & toys history. It's a very fun activity most elementary kids try to do similar to many cartoon episodes, for example in the elementary kids favorite Simpsons cartoons where Bart becomes Bartman & ComicBook Guy's Everyman man as Homer Simpson as comicbook SuperHeroes. [Writer's note: for decades Simpsons was a favorite show for me & my friends. Marge reminded me of my mom, & alcoholic Homer Simpson violently physically abusing/strangling Bart reminded me of my physically abusive, drunk father, So be nice to other kids in your school classes as they may look normal on the outside but they may be suffering silently]. You travel the World (world) & YOUiverse (lil like Star Wars) to meet x100's of *TechMaStars who make cool technologies. In time you MaStar the *TechMaStar TechForce WorkForce. *TechMaStars Robo & his wife Robotica congratulate & reward you with the 1st *TechMaStar TechForce WorkForce *PowerKey*, & *TechMaStar 1.0 Hi-Tech *PowerSuit!

You \$AVE UP your money from different WorkForce jobs you worked at & start your BUSINESS creating robot product lines for sale both to factories & to household families. [Author's note: I saved up money for decades for this dream TOY\$STORY BU\$INE\$\$ of mine - learning to \$AVE money is a key \$KILL for your *BRIGHTER* FUTURE! As an elementary kid I wanted to \$tart-up several FUTURE ADULT BU\$INE\$\$e\$ like making my *ALLStars* YOUiverse comicbooks, cartoons, toys, SuperHeroe\$ merchandise, videogames, etc]. Some house robot units are dressed in black & white like servants ex. maids & butlers. Some are kid robots which remind you of FAN FAV (favorite) cartoon kid robots: Astroboy & teenage robot Jenny Xj-9. Some are animal robots & some are part of your retail domestic line of RoboPets, like RoboDog, RoboCat, Robobird, etc. As more persuns (people) buy your products (items available for sale), you keep expanding your products lines. As your tech company grows, you start to build & sell computers & *SmartPhones too. The successful technology product lines make you into one of the WorkingWorld's new, few, elite BILLION DOLLAR TOP TECH COMPANIES!!! Unfortunately, that also means you make all sorts of tech rivals (opponents), some of them are evil (evil) technologists SuperVillains who use their techs & billions for evil purposes ex. FAN FAV DC Lex Luthor, Marvel's M.o.d.o.r., etc. *TechMaStar educates, our *GlowBall* economy has RAPIDLY EVOLVED over just the past few decades, as it was a big deal to be a MILLIONAIRE in the 1980's, then a BILLIONAIRE in the 2000's!

*TechMaStar Robotica educates, "So many things have a LEGENDARY DESIGN, from basic furniture in your rooms, to your entire house, to skyscraper buildings, to even entire cities with their transportation & trade road routes, to electric power grids that provide precious power to your home & your city." You remember seeing NEW REVOLUTIONARY POWER TECHNOLOGY in BlockBu\$tar movies ex. Marvel's IronMan, DC's Cyborg, Transformers matrix, & similar *GlowBall* SuperHeroes ComicBooks, & *cartoons*. You notice two glass display towers around your entertainment HDTV surround sound system contain FAN FAV (favorite) *colorfull (colorful) *GlowBall* SuperHeroes which include robots & tech-suits!

Writer's note: Level1 reps my IMMENSE LOVE OF ROBOTS, TECH & tech companies. Throughout my life I loved having walkman's, to PDA's (Palm Pilots), to hi-tech entertainment & touch-screen PDA's/laptops, to portable gaming devices (gameboy, PSP), to Sony PS vs Xbox, to modern gaming affordable apps, to HDTV's, to micro cellphones into *SmartPhones evo, to modern super-*SmartPhones like my Samsung Fold3&5 (Notes1-3) allowed me to practice drawing & write conveniently anywhere in those large screen, powerful, portable pocket devices. I am still grateful for all these tech creators who created very enjoyable electronic devices. ALL should be grateful & respectful for the countless hours these persuns (persons) put into designing, improving, testing, program coding those tech devices we all love.

NEWAGE OF ONLINE TROLL BULLIES DORKS & HACKERS - NEWEST MONSTARS: One day while online, several online troll MonStars attack you with mean social media comments & after a while the negative comments get to you & make you very sad. Robotica, lifts your spirits with positive comments & notifies you the modern NewAge of technology - also has lots of NewMonStars like Internet Trolls, Hackers, FraudStars, so you must be careful when online. [Author's note: even I had hacker issues at work & almost lost my job - the hacker posted XXX-stars pics while I was at work teaching & caused me a lot of STRESS, so make sure you change your passwords regularly  & make strong passwords  store things offline  work offline  etx.] 

Robo & Robotica *TechMaStars reveal they are androids - robots that look like humans (ex. FAN FAV DBZ androids #1-21). They also reveal they were created by YOU! They continue to surprise you & notify they have fallen in love and wish to have kid robots & wish for you to design them. They are the first robot LOVE STORY. Robotica states sci-fi robots traditionally are portrayed negatively as destroying humanity, like Terminators T-1000's but they can help humanity like good, modern kids cartoon robots, and LOVE & FALL IN LOVE TOO, just like YOU, young MaStar [insert name]! Some of the public find out and protest, and say robots do not have rights, as they are just talking toasters. The scene reminds you of X-men mutant rights protests in kids ComicBooks, *cartoons*, & BlockBu\$tar movies. They are similar to the Colored Persuns (persons) Civil Rights & Wowmen (women) Rights movements in the 1960's & LGBTQ+ Rights modern movements. You create a YOUiversALL Rights declaration speech that states: Sentient Robots, like FAN FAV alien robots Transformers Optimus Prime, Shogun Warriors, Astroboy, Jenny Xj-9, DC JLU Amazo, etx, ALL have YOUiversALL Rights to LIFE, LIBERTY (freedom), & LOVE (LLL)! [Insert your speech ideas here. TIP: you could research watching some Xmen mutant rights speeches in kids cartoons or ComicBooks just like I used to inspire this section:] 

1960's ROBOTS TO NEWAGE 1980's SuperRobots to 2000's FUTURE UltraRobots EVOLUTION CHART!!!
Basic 1st Sci-fi Black & white 1960's shows robots to 1980's SuperRobots combiners to 2000's FUTURE UltraRobots & STARSHIPS!

★LifeLevel 2: PowerMaStars PowerForce

On LifeLevel #2 you travel to Planit PowerInUs on your YOUiverseMap to meet your 2nd *StarMaStar (aka *HeadMaStar) called PowerMaStar, who says, "StarWarrior [insert name], you are a STAR! You got the Power, as StarPowerKids we all have the StarPowers to Rise&Shine in Time in order to MaStar the PowerForce of the StarForces. Most *powerfull (powerful) of ALL you are, a rizing star, YOU are the #1*SuperHero by far. WeAreALLOne! WE are ALL Stars... *ALLStars*!!! "You are part of the PowerForce, 9% of the StarForces! You are a Star, you are a PowerMaStar!

Writer *JayMundi makes guest appearances in ALL his products & VideoGames YOUiverse as a Bu\$ine\$\$ Tech Teacher/Writer/Artist similar to how Stan Lee does at various *GlowBall schools as a Guest Speaker & cameos (small roles) in many Marvel BlockBuStar movies of all time. Writer *JayMundi's KEY*StarMaStar character is a guide in the VideoGames & goes over basic VideoGame functions for noobs (new players). Jay says, "I have invented the greatest #1*SuperHero of ALL time - it's YOU as you save the YOUiverse! YOU are #1*SuperHero of ALL time - not fun alien heroes from other TOYuniverses, like DBZ Sun Goku, DC Superman, & Star Wars Skywalker! As a kid I 1st made myself into the #1*SuperHero of ALL time called - BronzeStar, BUT now with my book [redacted] blanks design I also make YOU into #1*SuperHero of ALL time - the strongest, smartest, fastest, most *powerfull #1*SuperHero of all time!

Writer *JayMundi illuminates, "WE are ALL made of POWER ... x11 *COLORFULL STARPOWERS as part of my *STARtheory NewAge NEWSscience called STARSscience, not lame sucky STARDUST as taught in OldScience! YOU can be a Force for EVILL (evil), or YOU can use the BrightSide of the StarForces to be a FORCE for GOOD!!! YOU are not a zero, you [redacted] (insert name) are the greatest of ALL time #1HERO ... in my ToyStories YOUiverse! Like FAN FAVS (favorites) DBZ Sun Goku, Marvel's Hulk, DC's Superman, Wonder Woman, BUT in this TOYstorie\$ YOUiverse YOU the reader are the #1*SuperHero of ALL time as YOU are destined to SAVE the YOUiverse, THUS it's name YOU-iverse!!! YOU are a symbol of hope, truth, love, YOUiversePeace (MultiCulturALL metaphor), & a *REAL-LIFE NewAge *Ultrahero. WE are ALL new *ALLStars* YOUiversePeace UltraHeroes (beyond-fictional-SuperHeroes)!!!

STARStudents in *STARSchools learn to unlock power of *Education, & unlock POWER of your *LIMITLESS IMAGINATION just like writer *JayMundi used his IMAGINATION to make this book full of fun. Quickly get homework done, as life shouldn't be ALL WORK, WORK, WORK, LIFE should also be FUN, FUN, FUN!!! SO POWERPLAY in the sun!

Jay educates, "My StarForces are not a copy of Star Wars The Force, there are many major key differences. For example, rather than Anakin Skywalker as the chosen one destined to save the galaxy, I have YOU the readers as my ChoSunOnes destined to save the YOUiverse - how awesome is that! Fellow internet Star Wars SuperFans guru videos & websites show there are x4forces to Star Wars Force - Living/Physical/Cosmic&Undying forces, etc, BUT through my x11 chapters I help readers unlock x11 *REAL-LIFE* Forces of my StarForces, for ex. TechForce, healthy nutrition, healthy body fitness, education, POWERofLOVE for all fellow Billions of *ALLStars* & taking ACTION to LevelUp in Life like Writer *JayMundi despite growing up with very violent alcoholic father! While the Star Wars is just a fun, fictional force. I do, HOWEVER, CELEBRATE Legendary Creator George Lucas & his STAR WARS The Force (\$50 Billion Toy Franchise) movies & toys as they inspired a lil bit my StarForces BUT I was also inspired by x100's of ToyStories TOYFORCES & TOYPOWERS as you research in my 1st book's surprise ending chapters 10&11. Chapter 11 is my TRIBUTE to x4decades of the FUN ComicBooks, cartoons, VideoGames & *colorful TOYuniverses, that inspired me to finally publish my SuperHeroes YOUiverse! If they stopped or got banned (ex 1966 ComicBooks to 1977 cartoons to 2000's videogames BANS in the BANNERS WARS vs 66yrs old boomer HATERS generation like writers now 66yr old parents - especially my MomStar who STILL HATES my TOYstorie\$, VideoGames, SuperHeroes obsession for decades, etc) then I wouldn't have completed my books! I honor ALL MY FAV TOYS & characters through my chapters in my first 2 books!

Jay informs, "I spent 7 elementary years working very hard using my WorkForce power on making x100's of VERY POOR quality ComicBooks with staples, & stickman drawings before I got to good versions by age 9-11 & then as a TEEN (13-18) they were truly awesome as they resembled more of this final form you are currently reading! I had WORKED VERY, EXTREMELY HARD STUDYING OVER x100's of,

- #1. *GlowBall* SuperHeroe\$ Univer\$e\$ in ComicBook\$, & ...
- #2 *Cartoon\$ (including animated movies),
- #3.Toy\$torie\$ (&TOY\$) TOYFORCES & TOYPOWERS (in SuperHero encylopedias-like books),
- #4. BlockBuStar Movie\$,
- #5. VideoGames,
- #6 *GlowBall* Legends, &
- #7. A\$ianAnime\$ AA's, All of them helped unlock my *LIMITLESS IMAGINATION POWER. For ex, my STAR obsession origin story comes from 1980's TopToys ex. Star Wars, BraveStar, BlackStar, & Starriors! I also had to study SuperHeroe\$ Toy\$torie\$ BIGBUSINE\$\$!
- #8. LEGAL WAR\$ & MODERN NEWAGE LAW\$ (copyright ©, etc), ex. Superman (\$130) & vs Shazam, Batman creators lifetime looong legal WAR\$, & led partly to my CRIMINOLOGY (LAW\$) Degree University Studie\$ -ironically they offered NO-CLASSES in SuperHeroe\$ Toy\$torie\$ LEGAL-WAR\$ so I still had to do my own HOMEWORK AFTERHOURS & SO I WENT EVEN DARKER AS AN YOUNG ADULT in my 20's!! It's because of these DARKNE\$\$ STRE\$\$E\$ that I spell these words with \$ dollar \$ign\$!!

Ironically, my MomStar was my greatest #1 HATER of my SuperHeroes & VideoGames obsession during that 1st decade as she pushed for academic studies like many strict immigrant families. Family & friends ridiculed me as a geek/nerd/dork, so it was very stressful working on it. I gave up on my story many times, luckily, I came back to make this dream project & published it! The books are written 100% ALL me (96% in my childhood), with zero help from my parents or anyone. YOU have the same POWER...StarPowers in YOU, to MaStar or MonStar your lives as *ALLStars*, -CELEBRITIES are not the only "stars" with "star-power", nor top athletes are only "all-stars", thus I am the real-life

StarWars (spelled as one word) & these are your STARevolution STARRevelations!!! My StarPowers LOGO, which resembles the ICONIC Micheal Jordan (MJ) Jumpman logo, but Writer *JayMundi's (JM) *ALLStars* YOUiverse StarPowers LOGO reps the YOUiversALL x11 StarPowers inside us all & the x11StarForces we ALL MaStar in life. Key*StarMaStar continues, "In my story you are inside my VideoGames YOUiverse, where you travel to all sorts of fantasy Worlds (worlds) like in some FAN FAV *GlowBall* VideoGames, ex. Star Wars, DBZ, DC Green Lanterns, & other space theme games. *ALLStars* YOUiverse writer *JayMundi says even he was BULLIED throughout elementary & highschool for working on his SuperHeroes YOUiverse as a NERD, & big ears like Dumbo & DBZ Sun Goku, but now ironically Goku is among the TOP11 *GlowBall* SuperHeroes! The VideoGames Industry in only a few decades has become a \$200 BILLION industry, which is much larger then other entertainment industries such as HOLLYWOOD & MUSIC combined, & is larger than many Pro Sports. One in three PerSuns (persons) plays some sort of VideoGames.

#1BUSINE\$\$ & #1Toy\$tory OF ALL TIME?! PowerBomb chart: See if you agree: "I have invented best TOY universe name brand = *ALLStars YOUiverse - which states we are *ALLStars* with the STARPOWERS not-celebrities "stars" who have the "star-power". My NEWSsciences STARPOWERS YOUiverse is better than lame OLDScience "Universe & StarDust" terms. I connect YOU to POWER of my TOY YOUiverse as YOU SAVE the YOUiverse! My #1ART (& logo) of ALL time connects YOU to my TOY YOUiverse POWER too. My x11 UltraHeroes rep x11 "real-life" forces (tech, power, PoliceForce, speed, strength etc) & sciences vs-competitions just fun-fictional SuperHeroes Forces. My x11 UltraHeroes have fun STARPOWERS names like TechMaStar, PowerMaStar, MonStarBuStar, SpeedStar, SuperStar etc. Read my intro 2pages of my POWER PITCH x11 GAMECHANGERS!!! No other team names compare, as YOU cant Jedi or Sith your life, but YOU can MaStar your life or turn into (lll) MonStars in life & end up in PriSun (prison) This MaStar vs MonStar STARenergy makes up my FUN *STARtheory connecting ALL to my TOY YOUiverse! My TOY YOUiverse is a VideoGames Universe so anything FUN is possible! Many AWARDS potentials for my extremely creative story, Anti-Hate, Multiculturalism, AntiColorism & Anti-Racism Code book. I include my origins story & bonus biography of despite growing up with VERY VIOLENT psychopath drunk ill Fat F#@ Father - I am the *REAL-LIFE* HERO who still wrote #1Toy\$tory of ALL time!!! *ALLInONE* compact 30pp fully-LOADED book = THUS I AM #1BUSINE\$\$ & #1Toy\$tory of ALL TIME?!

Lv2 Purple color *LIMITLESS IMAGINATION-theme & POWER-theme were 1st inspired by DC Super Friends cartoon's 1979 Wonder Twins alien siblings characters (with brown skin like me) transformed into *LIMITLESS animals or any water-ice shape item using their *LIMITLESS IMAGINATION POWER & their fist bump POWERINGUP POWER-POSE AURA with POWER-PHRASE: "Wonder Twin POWERS ACTIVATE!" I also had a life-long NEED for POWER to stop my drunk father from beating up my mom, lil bro, & me. At age 5 my father bit my leg after I PUNCHED him in the face for hitting my mom - no one should hit women or kids. Lv2 POWER also reps my goal in elementary years to be #1BUSINESS & ToyStory of ALL time!!!

There are approx. 5 BILLION SuperHeroists FAN FAMS (Families) of our newest rapidly growing *GlowBall* SuperHeroes culture. SuperHeroes, TOYstories, & Animations are among top 1000 grossing BlockBuStar movies of ALL time. You can Google images of *colorful (colorful) home entertainment displays around HDTV's of SuperHeroes toys & statues. WE LOVE to celebrate these *colorful displays & add *colorful L.E.D. lights displays to them that produce millions of colors of lights! You are amazed to learn that HDTV's & even L.E.D. lights displays can produce MILLIONS OF COLORS! Many SuperHeroists find these displays enhance their lives, including VideoGamers, with their gaming setups with just a few LED strips for about \$5-20. Many PerSuns LOVE COLOR! You attend one of the *GlowBall* *ComicCons sold-out events attended by over x100,000 FAN FAM's (families), including major Hollywood star power celebrity stars of BlockBuStar movies. *AnimeCons & *ComicCons are among the most *colorful weekend events *GlowBally. LifeLevel2 also reps a celebration of colors. You see many cosplayers (FANS dressed in costumes of) *GlowBall* SuperHeroes from your FAN FAV TOYstories, VideoGames, animations, & BlockBuStar movies. Some of the costumed villains turn out to be real SuperVillains called the PowerMonStars, they kidnap you and take you into all sorts of stunning & strange digital VideoGames Worlds. The PowerMonStars team is composed of teenage & kid SuperVillains, such as DarkStarBoy&girl, DarkPowerBoy&girl, MonStarBoy&girl, PowerHungry, PrankStars, FunMonStar, ToyMonStar, GameMonStar, JokeMonStar, Siblings Punchline & SuckerPunch, & a leader called PowerMonStar. To your rescue arrive kid & teen SuperHeroes called PowerMaStars: StarPowerBoy, StarPowerGirl, *PowerBoy*, *PowerGirl, GirlPower, BoyPower, PowerStar, FunMaStar, & PowerForce. [Writer's note: my *PowerGirl is a reference to ALL girls with the Power...StarPower inside them all to promote Wowmen rights & GirlPower, & is-not-like-DC-Power-girl.

MonStarBoy says, "These are no ordinary kids, I sense these *StarKids* ALL have great StarPowers within them. These *StarKids* have unlocked POWER of the StarForces! Give up on the MaStarSide *LightSide of the StarForces & join the MonStarSide DarkSide of the StarForces! Pledge your allegiance to the EvilEmpire & we will spare your lives." *StarKids* all start PoweringUp! MonStarGirl in shock reports, "Their StarPowers keep rizing (rising), as my PowerReader tech glasses scans report they each have a PowerLevel of 1 million ... no wait its rapidly rizing... the *StarKids* PowerLevel is now 11Billion!!!

StarKids beat the SuperVillains with the POWER of their *LIMITLESS IMAGINATION combined with their updated nanotech 2.0 PowerBoost PowerSuits to make all sorts of cool weapons similar to modern, updated modern versions of DC Teen Titans Cyborg, & Blue Beetle, Marvel's IronMan hi-tech PowerSuits, Jenny Teenage Robot XJ-9, etc (check off list as you research them on the internet). They are not-armors but FutureTech (nanotech) PowerSuits. You are grateful we evolve modern tech continuously, from PDA's & phones to smartphones, etc! The PowerMaStar kids light up the sky with fun *colorful attacks Some *StarKids* transform into *powerfull purple skin GOODMonStarKids (lil like Hulk's/Goku/Naruto's sons), PowerMonStars take heavy damage & decide to retreat. PowerMaStars kids saved the day. WOW, kid SuperHeroes in the YOUiverse can be most *powerfull of ALL?!

*PowerKids say, "ALL *PowerKids are most *POWERFULL NewAge #1 UltraHeroes in the YOUiverse! Not SuperHeroes ALIENS like DC Superman or DBZ Sun Goku!" [Inventor *JayMundi's *ALLStars YOUiverse books ALL have POWERLEVELS OF 11 BILLION each too - LOLI CAN YOU FEEL THE ASTRONOMICAL POWER?!!]

*LifeLevel #2 *StarMaStars PowerMaStars train you to MaStar the SECRET to their power called the PowerForce. You travel the World (world) & YOUiverse to meet x100's of YoungStar *GlowBall* SuperHeroes who also train you to use your Power of *LIMITLESS IMAGINATION to transform into *limitless VideoGames avatar TRANSFORMATION forms (sort of like FAN FAV DC Wonder twins in DC Super Friends 1979 cartoon, Ben10 vs Kevin11, & DC Green Lanterns star light ring powers, & VideoGames Universe Avatar characters choices in games like Minecraft, Roblox, & Fortnite that allow x1000's of downloadable avatar skins [costumes]). Similar to Star Wars Jedi Academy (& popular kids novels & ComicBooks for x4decades) hi-tech futuristic schools, where padawans younglings learn to master the Star War The Force & learn about ancient Jedi Jediism SPACEReligion texts, you also do similar training as YoungStar STARStudents at futuristic hi-tech *STARSchools shaped like pyramids (& STARrainbow StarLights arch art across it & YOUiverse logo under it) to learn the *STARReligion* vs the MONSTARReligion. Similar to Jedi Temples, we also have STARtemples. STARStudents are from alien Planits (planets) across the YOUiverse & have all sorts of *colorful SKINcolors similar to the STARtemple's STARrainbow roof. Some are fun objects come to life or Candy-persuns like in Adventure Time cartoon. On this level you collect candies to PowerUp your character. YoungStars STARStudents who graduate *STARSchool academies attend YOUiversity as TEENS & Adults & use writer *JayMundi's YOUiversity ComicBooks! More history between the MaStars vs MonStars is revealed on level 3. Like FAN FAV Marvel War Machine & Optimus Prime Power Master mode, you too now have a heavy artillery mode. In time you MaStar the PowerMaStar PowerForce, & the PowerStars reward you with the PowerMaStar PowerForce *PowerKey*, PowerMaStar weapons & hi-tech *PowerSuit!

PowerMaStar, leader of the PowerMaStars team, tests to see if you are worthy to wield the Legendary *StarSword of legends. It reminds you of ancient, x1000's (thousands) of years old *GlowBall* legends of celestial weapons only wielded by a ChoSun (chosen) One ex. Thor's Mjolnir hammer, Krishna's Bramastra bow, DBZ Son Goku's golden staff, etc. You take *StarSword out of an advanced technology W logo shaped lightup display. *StarSword talks, "Welcome MaStar (insert name) ChoSun One!" PowerStar, a teammate notifies, "The red W symbol is for (Star)Warriors!" She trains you to practice your *PowerSword training, similar to Star Wars Jedi Academy toddlers & kids training with lightsabers (at Disneyland) to hack up enemies. All the *PowerSwords are different then other toy Swords in 4 ways: #1. all PowerSwords are MASSIVE in this TOYstory YOUiverse with minimum 1 to 2 foot wide blades (that are as long as a person) with 2 hand grip long handles & W-shape guards, similar to new 2000's huge *PowerSwords in cartoons, toys, animes, & VideoGames RPG's (Role Playing Games), ex. Silver Surfer's all-powerful Infinity Sword (in Superhero Squad) & Final Fantasy's Zach & Cloud huge buster & fusion swords, etc. #2. They can transform into a futuristic light laser guns, #2. have Star-terms on them like StarWarrior, & #3. your *PowerSwords will also be LevelingUp into *StarSword with one or many more stars that light up like LED lights into millions of colors, that fire off huge W-shape energy blasts as you shout "PowerBlast", similar to FAN FAV AsianAnimes ex. Inuyasha-like VideoGames large sword blasts that can level entire mountains. #4. Unlike other TOYstories, your *PowerSwords can talk! Your *PowerSword states "YOU ARE POWER ... StarPowers! WOW MaStar (insert name), StarWarrior!"

[Writer *JayMundi's POWER came from 99.9% DARKPOWER so I made my books on black pages to rep that fact & rep black color of universe. I used my real-life DARKenergy POWER = MY DEEP HATE vs my lil VERY VIOLENT DRUNK FAT F#@# FATHER (my 1st MunStar) to make my books. I was very suicidal as an elementary kid as I got BITE marks scars from my father & my mom was beaten so bad in mid-elementary she has jaw reconstruction & its disturbing for me to reopen those LOCKED UP memories! I share this info so kids will be kind to other kids & realize kids may look normal but may be even SUICIDAL inside! My fathers BITES led to my obsession with 1.) MONSTARPOWER, 2.) GOODMonStars SuperHeroes vs 3.) BADMonStars SuperVillains, & 4.) Mon-Stars - ex. ones that BITE (like dogs) BUT turn YOU into SPACEMON-Stars like 1.) Alien-Zombies (ex AvP comicbooks), 2.) Alien-vampires (ex sci-fi vampire movies so crosses don't kill them but wood does & Camatoz Mayan Bat God army 6,000yr old legends of 1st Bat-man Lol), & 3.) Alien-Werewolves (ex skinwalkers 6,000yr old tribal religions legends). I LOVE werewolves because I love pet dogs & people thought my dad bite on leg was a dog bite. Thus, in my TOY YOUiverse SPACEMONStars bites turn YOU into SPACEMONStars too BUT YOU choose to be GOOD or BAD MonStars! My TOY MonStars don't include demons/devils. This IMMENSE DARKNESS of feeling SAD & BLUE reps next Level3! You use MY real-life lv2 DARK TRAUMA POWER as your real-life POWERSOURCE to transform into very *powerfull GOODMonStars a lil like top fun BUT fictional heroes 1.) Marvel's Hulk & She-Hulk, 2.) TITANIC GOODMonStars DBZ Goku/Gohan Azaru, 3.) Naruto Jinchuriki's (all 3 listed can easily defeat OG OldGods ex. Loki), Steven Universe & Connie Maheswaran gem fusion forms.

POWER!

UNLOCKED PowerForce & POWERKEY

★ LifeLevel 3: MonStarBuStars Force

On *LifeLevel #3 you travel to Planit MonStarUs on your YOUiverseMap to meet your 3rd *StarMaStar called MonStarBuStar MonStRa who educates, "StarWarrior [insert name], you are a STAR! WeAreALLOne! WE are ALL Stars... *ALLStars!!! You are part of the MonStarBuStarForce, 9% Of the StarForces! You are a MonStarBuStar! FEAR NOTHING as you SLAY ALL MonStars!!!

You will Rise&Shine in time, to conquer your elementary fear of darkness & ALL MonStars! The Z in Rise&Shine is for conquering your nightmare fears to help you sleep at night & get your Zzz, so you can perform better in school or work! As such, you will SLAY ALL MonStars like: Zzzombies, mummies (il like Mumra), SPACE ALIENS, Animal-MonStars, Dragons, vampires, werewolves, ShadowZzz, to new UltraHeroes vs UNIVERSE CONQUERORS UltraVillains & elite HeadMonStars (like FAN FAV Thanos, Darkseid, Freeza, Palpatine, etc)!!!

REAL-LIFE PoliceForce vs GangStars;

Level3 reps (represents) LAWS & respecting GOOD COPS PoliceForce, as they are *REAL-LIFE* HEROES who catch & lockup bad guy TROUBLEMAKER GangStars, to make our streets, schools, jobs, & homes safe!

LIL' MONSTARS: KID PRISUNS!!!

Don't go down the MonStarSide Dark path & become Lil' MonStars, as those childhood BAD HABITS may not take you that FAR, as you become the wrong type of STAR, - be a MaStar (Ma-Star), rather than become a lil' MonStar (Mon-Star), or in the future you go to PriSun (prison) jail as teens or adults, like in "GlowBall" TOY\$toRie\$ #1.) Criminals, #2.) SuperVillains, #3.) UltraVillains, & #4.) BADMonStars!

Inner MonStarBuStar vs MonStarSide DarkSide EVILLenergies:

Also, be an inner MonStarBuStar, battle your inner MonStarSide DarkSide EVILLenergies: ex HATE, RACISM, COLORISM, SEXISM, & BULLYING, especially towards your siblings, parents, friends, teachers, & classmates ... as ALL are fellow *ALLStars* brostars & sistars (sisters)!!! Instead, LIGHTENUP & LAUGH, as LAUGHTER is the best medicine, & may help beat the BLUES! Keep in mind, its normal to feel ups & downs in life, BUT don't stay lost too long in the DarkSide, as you could lose yourself, instead find ways to MaStar your life to the MaStarSide aka GOODMonStarSIDE!!!

NEWAGE of GOODMonStars: GOODMonStarSIDE

GOODMonStars vs BADMonStars

Warriors CODE: Be *Warriors*, not WORRIERS - TRUE StarWarriors FEAR NOTHING!!!

GOODMonStarSIDE: Part of your FUN TRAINING is to 1st slay Videogames MonStars. As you bust & slay millions of MonStars you also CONQUER ALL YOUR FEARS including YOUiversALL elementary childhood fear of ALL MonStars! Conquer your fear of MonStars by teaming up with NewAge GOODMonStars, similar to Marvel Hulk & She-Hulk, Steven Universe fusions, Ben10 Kevin11, Bleach's Ichigo, DBZ Goku Azaroo, Naruto (forms), who all transform into GOODMonStars & beat up bad monsters, & similarly on Lv3 you transform into a good BLUE SKIN MONSTAR to become a MonStarBuStar! Let BADMonStars know, you come to save the day, as you come to bust & slay, all imaginary MonStars away! WAY OF THE *Warriors*: Be *Warriors*, not (wussy) WORRIERS - as TRUE StarWarriors FEAR NOTHING!!!

MaStarSide *LightSide vs MonStarSide (DarkSide) aka DorkSide;

Only a lil' like Star Wars The Force, we also have a Light vs Dark side of The Force, we also have 2 main sides of writer *JayMundi*'s TOYUniverse StarForces, the MaStarSide *LightSide aka (also known as) BrightSide - is the path of UltraHeroes (SuperHeroes) vs MonStarSide (DarkSide) aka DorkSide (ignorance - lack of knowledge/mis-education) is the path of UltraVillains (SuperVillains). You can be UltraHeroes or UltraVillains - a *StarMaStar or STARMonStar, STAR-EVOLUTION vs EVILLUTION are two aspects to The StarForces CONTINUUM, as we are * ALL Stars*... *ALLStars* with the StarPowers to MaStar or MonStar our lives (in this *STARTheory). BEWARE OF THE MONSTAR SIDE OF THE StarForces!!! The choice is yours, you can be a FORCE for GOOD as GOODMonStars with GOODMonStarSIDE (ex. Hulk, Goku, Naruto) or a FORCE for EVILL (evil) as BADMonStars, Evill is spelled with a double L for mental illness to do Evill (Ev-ill) actions ex. Psychopaths who kill others (like serial killers, school shooters, & my drunk Father who would have killed my FAM!) Both UltraHeroes (SuperHeroes) & SuperVillains have the same ColorCoded StarPowers so this is not a racist/colorist code, for ex. both heroes & villains have earth/wind/water/fire powers & can turn into monstars in this TOYuniverse but the villains use their StarPowers for EVILL! This is not demon possession-code, as you become just fun TOY GOODMonStars like Hulk, She-Hulk, Steven Universe-Connie Maheswaran fusions, Ben10 Kevin 11, Goku, Naruto, etc. StarPowers are based on real STARScience x2 aspects of STARS & LIGHT = fact we all go blind if stare at Sun or LIGHT (or all *StarBurn* if sit in Sun, or fly close to Sun, & Stars eat stars or planets for ex our sun will grow into a Red Giant Sun & melt/burn our Earth, & some stars become blackholes - the #1 most hottest, powerful & destructive Force in the universe that easily eats puny stars), BUT Sun's light also gives us natural day light, warmth, & helps plant foods grow.

MaStars vs MonStars
M vs M
W vs M

GOODMonStars vs BADMonStars: [Writer's note: as a lil elementary kid, my good vs evil, code originated from TF Transformers Autobots vs Decepticons logos (red vs purple-blue-ish). Years later it became my code to rep many things, such as hot vs cold temperatures, including FIRE vs ICE & hot StarLights & *StarFire vs the cold, freezing universe temperature & EVOLVED into my STARScience aka YOUiverseScience. My logos also rep POWER of LOVE vs HATE, as red color is used as International color of hearts & NEWAGE emoji/emoticons. The logos rep the fact we can all add LOVE or HATE in our lives to be forces for GOOD or EVILL. This book is an Anti-Racism, AntiColorism code book. MaStars & MonStars are both spelled with letter M's but I colorcode red M to rep my MaStars vs my MonStars two main toy teams. I also flip the red M logo into a red W sometimes to rep (*Star*) *Warriors = StarWarrior too! The M-W logo flip reps the fact we can all, at anytime, do BAD actions & become metaphoric MonStars, ex. saying mean things to others, racism, colorism, sexism, or fight with others (ex. sibling rivalries). Similar to FAN FAV Star Wars Jedi vs Sith SPACEReligion's Light vs Dark side where the people get Sith evill YELLOW EYES as they do evil acts like killing Jedi's ex. Order 66 - extinction mass killing of all Jedi's, BUT here with the MonStarSide your skin starts to get overtaken by a BLUE SKIN & glow as you too turn into a BADMonStar. Similar to how DC yellow lanterns is evill yellow light of fear vs DC GL's Green Lanterns celebrate the GREEN LIGHT as the STRONGEST FORCE IN THE UNIVERSE (in BlockBuStar movie), but in this TOYuniverse the MonStars celebrate BLUE LIGHT AS THE STRONGEST FORCE IN THE UNIVERSE. Toylines have YOUiversALL code of Good vs Evill. For ex, even Marvel has Silver Surfer become the ultimate DARK SURFER form with all-powerful Infinity Gems which he uses to destroy & rule over all universe (in SuperHero Squad kids cartoons for ages 4-8).

NEWAGE PLAYING AS SuperVillains & BADMonStars!! IT FELS GOOD TO BE BAD!!

In this VideoGame YOUiverseScience YOU play as x1000's 1.) SuperHeroes, 2.) GOODMonStars, 3.) SuperVillains, & 4.) BADMonStars as EVERYTHING changed in 1990's Streetfighter & Mortal Kombat top BlockBuStar PvP (Player vs Player) games. ALL x11 LifeLevels have PvP battles & 3on3's like Marvel vs Capcom 1-3!

STARReligion vs MonStaReligion;

Similar to FAN FAV Star Wars Jedi vs Sith SPACE religions, we have a *STARReligion* vs MonStaReligion. The MonStaReligion is also similar to GhostBusters kids BlockBuStar movies which also sometimes represent ancient, obsolete religions. In GhostBusters kids movies they had BABY (LIFE) SACRIFICES similar to Thanos sacrifices his daughter Gamora for the Soul Stone in Marvel's Avengers BlockBuStar movies of all time. In Star Wars the Chosen One Anakin Skywalker slays all the Jedi Younglings to gain evil powers of the dark side of the force to become Darth Vader. Superman & Supergirl have own religion SpaceGod called Rao (in ComicBooks & TV PG series), & similarly some of the SuperHeroes here have different *STARReligion*s throughout our YOUiverse which also worship STARS, LIGHTS, FIRE, RAYS, CONSTELLATIONS, HALO'S, like ALL religions on earth have done for over 3000 years *GlowBally. That's why we have a YOUiversALL logo of a STAR shining with x11 *StarColors to rep YOUiversePeace & Multiculturalism including peace with other alien warlds within our YOUiverse. We have a 5-sided star logo (starfish like) with x11 color divisions [parts]. Like Star Wars Jedi temples of their SPACEReligion (Jediism) vs Sith temples, we also have M-shaped MaStarTemples (aka STARtemples) vs evill MonStarTemples. The dark MonStarTemples remind you of other TOYTemples like DC Red Lantern's Light Atrocitus's dark alien churches (in cartoon Green Lantern 2011 series), & Di-Gata Defenders also alien temples. Like in kids ton episodes there are life sacrifices, ex. BlockBuStar Ghostbusters kids movies with baby sacrifices to ancient God Gozer. [Writer's note: Ghostbusters & similar Monster Hunter toys led to my MonStarBuStars level3, but rather than bust ghosts, you bust all types of ALL MonStars including many space-monsters ex. Sentai & Power Rangers]. A Temple wall has x11 GOODMonStars (il like Hulk, Goku/Naruto titan forms) in WAR vs x11 BADMonStars & says:

NEWAGE of GOODMonStars: TRUE StarWarriors FEAR NOTHING!!!

MonStar'sSun (Son)

Writer's note: *JayMundi* is called the **MonStar'sSun (son)** – the son of a VERY violent drunk lil Fat F*@\$ Father but I still made the #1Toy\$ ory & #1BUSINESS\$ of ALL time! I call myself that **MonStar'sSun (son)** to inspire other kids living with real-life MonStars like my drunk father, & let them know to keep hope and keep working on yourself to LevelUp in life, like I did to become a MASTER #1BUSINESS\$ & TECHNOLOGY Teacher with x2 university degrees & 3rd a masters with almost perfect GPA. While I do curse a handful of times in my books – it is to get you readers uncomfortable on purpose - so you feel some of my IMMENSE DARKNESS that I grew up in for x4 decades with my PsychoPath Father who used to beat up me, my lil bro, & my mom so bad she has jaw reconstruction in my mid elementary year! I also got bit on my leg with a bite scar by my drunk father at age 5 for punching my drunk father in the face for beating my mom – you don't know any kids like me! This sad info is to also teach elementary kids NOT TO BE LA LA LAND kids & have COMPASSION for other kids as you don't know what DARKNESS & MONSTARS they deal with!

MonstRa the MonStarBuStar, trains you to MaStar the WaterForce & MonStarBuStarForce. You work with the top secret MonStarBuStar division of the PoliceForce & x100's of GOODMonStars team to bust ALLMonStars! In time you MaStar the MonStarBuStarForce & catch all sorts of MonStars that you used to fear as an elementary kid. MonStarBuStar rewards you with the MonStarBuStarForce *PowerKey*, handcuffs, police cars/copter/swat trucks/ weapons, MonStarBuStarForce hi-tech *PowerSuit & most importantly fellow MonStarBuStar FRIENDS & FAMILY called the FAM!

NEW MonStarsMonth – x31 days of October:

The next day you attend a Halloween house party, during the **NEW MonStarsMonth** – of OCTOBER, a new month of x31 days of celebrations dedicated to helping *GlowBall* kids get over YOUuniversALL wussy fears of ALLMonStars & DARKNESS!!! **MonStarsMonth** is led by Mr. PumpKin head, Mrs. PumpKins (both are very muscular thus names start with "PUMP" & in PriSun stripes uniforms as Level3 theme is to also have kids not become criminals & end up in PriSun) & their kids with pet Pup-Kin. Persuns across the YOUUniverse celebrate this new **MonStarsMonth** & do the x31day challenge with their parents to watch scarier cartoons with ALLMonStars to help them conquer their fear of monsters under their beds/closet, etc so they can get better sleep to do better in school & not become traumatized WUSSY adults who still fear imaginary MonStars, (ex. lil kids cartoons like Super Monsters, to animation BlockBuStar movies like Monsters Inc/High, Hotel Transylvania, to SuperHeroes vs monsters in teen movies. You see many decorate their homes using all sorts of cool **MonStarsMonth (OLDBalloween)** decorations celebrating all sorts of MonStars. **Halloween** has become a BILLION-dollar industry & we LOVE movies with **MonStars** which are now among the Top1000 *GlowBall* BlockBuStar movies of ALL time (ex. SuperHeroes vs alien MonStars in Marvel, DC, DBZ, etc).

All your friends are dressed up as SuperHeroes & even SuperVillains, including MonStars (monsters), & as iconic BlockBuStar movie celebrity characters even. A few decades ago kids mainly dressed as classic monsters, but with the increasing popularity of SuperHeroes it has become a time for kids to become their FAN FAV *GlowBall* SuperHeroes from top TOY\$torie\$ franchise characters as seen at *GlowBall* *ComicCons & *AnimeCons. Some of the Halloween trick or treaters & Halloween party goers turn out to be real SuperVillains who start attacking kids & stealing their candies. You think to yourself what kind of bullies steal candies from lil' kids. They include classic MonStars (monsters) of legends, but also new *GlowBall* VideoGames & AsianAnimes SuperVillains too. One is called VampirUs the VampireMonStar leader of an evil group of blood sucking vampires, another is called WeriWolfMonStar and leads an army of skinwalkers (aka werewolves), & a third is called the ZombieMonStar & leads a Zzombie army, a fourth is called ShadowZzzMonStar & leads a ShadowZzz army (like HP hallows & Shadow Thief in JLU [Sea#5epi11] who take hard form). Each of the leaders double in size as they transform into their bigger MonStar forms, & all 4 leaders attack you at the same time. You warn them, "You MonStars wanna see a real MonStar? How about I show you my **MonStarBuStar mode?**" You transform into an equally muscular MonStar form, similar to kids ComicBooks GOODMonStar SuperHeroes ex. Hulk, Steven Universe forms, Ben10 Kevin11, Ichigo, Goku Azaroo, Naruto Jinchuriki forms, etc. You beat up the bad army with your new unlocked red & blue GOODMonStar form - just like those GOODMonStar SuperHeroes do!

MonstRa introduces you to new Lv3 (level3) MonStarBuStar SuperHeroes called JokeStar, JokeMaStar, GameMaStar, GameStar, ToyMaStar, ToyStar, etc. Some remind you of teen SuperHeroes GOOD versions of Mr. J Joker & Harley Quinn. Many of them say catchphrases like, "Golly gee wiz MiStar LightenUp & LAUGH a Lil, ... or LOL! 3 L's: Live, Love, & LAUGH, as LAUGHTER is the BEST MEDICINE, so time to take your meds (medications) LOL! Here's a PUNCHLINE for you," as they punch your arm & laugh out loud, "HA, HA, HAI!" They help you fight vs SuperVillain MonStarKids like JokeMonStar, TrixXStar, TrixXy, Punchline, SuckerPunch, PrankStar, PuppetMonStar, ToyMonStar, & GameMonStar. Some have stars & Stardots circles all over their clown face paints, & costumes.

One day, there is a prison break at the SuperVillains SuperMaxX PriSun. To help you catch them you meet x100's of TopCops, SuperCops, UltraCops, & elite S.W.A.T. Team, including cyborgs (half persun-half bot) & robot cops called CopBots who help out & retrieve x100's of SuperVillains. You also meet the x11 ELITE MonStarBuStars team, your top members who each transform into all sorts of *colorfull GOODMonStars in each of the Primary x11*StarColors. Unlike SuperHeroes who transform into only ONE GOODMONSTAR FORM, ex. Hulk, these ELITE MonStarBuStars can transform (shapeshift) into MANY, GOODMONSTARS FORMS (like Naruto/Ichigo/Ben10 Kevin11/Steven Universe forms)!!! They help bust x100's of SuperVillains each. A third good bounty hunter SuperHeroes team also helps like FAN FAV bounty hunters ex. Marvel's Rocket Raccoon & Groot in (GOTG Guardians of the Galaxy movie#1), & Star Wars Mandalorian, who fight evill Bounty HuntStar(s) & StarHunter(s), similar to FAN FAV Bubba Fett, DC Lobo, etc. Some of them remind you of the FAN FAV AvP Alien vs Predator ComicBooks & BlockBuStar movies but are instead Good SuperHeroes who are tribal religions persuns & good aliens, with *colorull tribal style braided hair with *colorull Star sphere beads, halo hoops, space tech tribal masks, & advanced space weapons.

Writer's note: LifeLevel3 is about overcoming your elementary fears of ALLMonStars & to fearing nothing. It is also dedicated to all the GOOD COPS who risk their lives everyday to keep our lives/schools/homes/workplaces/parks, ALL safe from GangStar criminals!! That's why Lv3 has a red & blue light combo look!

After catching x100 SuperVillains you unlock your higher MonStarBuStar levels as you can now easily transform into many, multiple MonStarBuStar modes/forms, including elite forms to beat even ancient obsolete gods, ex. similar to how the Hulk & other SuperHeroes (Goku, Naruto) beat up ancient obsolete Gods, such as Loki, Demi-Gods like Hercules, Rayden (MKvsDC), Thor, Hela, (ex. Marvel's ComicBooks, *cartoons*, & BlockBuStar movies series franchise of all time, & in VideoGames ex. DCvsMK)! Your new enemy are called the TrixXStar Gods, & you easily track, smash & bust them in micro-seconds! £0n each *LifeLevel you unlock different color GOODMonStars! *See pics below] [Writer's note: I use blue color text on Lv #3 to rep sometimes evill MonStarSide DarkSide & bad guys who get blue skin, similar to Green Lanterns vs Sinestro & Parallax's evil Yellow Light power of Fear, & Star Wars SITH get YELLOW EVIL EYES & red lightsabers as part of their fun, TOY\$torie\$ TOYSciences. My blue reps cop RED&BLUE LIGHTS, & feeling SAD & BLUE]. On this LifeLevel you also meet GOOD ghosts called GhostStars, similar to Ghostbusters Slimer, but don't glow blue, instead these transparent (see-through) StarForces ghosts glow x11*StarColors micro stars. Congrat's you earned your MonStarBuStar key & unlocked your MonStarBuStarForce, 9% of the StarForces POWER!!! EXCELLENT WORK [insert name], StarWarrior (*Warriors*)!!!

UNLOCKED MONSTARBUSTAR FORCE & KEY!         

★ LifeLevel 4: WorldStar *Elemental Forces

On *LifeLevel #4 you travel to TitanUS on your YOUiverseMap to meet your 4th *HeadMaStar called Gamma WorldStar aka WorldMaStar, the 4th *StarMaStar says, "World *Warriors* [insert name], you are a STAR! WeAreALLOne! WE are ALL Stars... *ALLStars*!!! "You are World *Warriors*. You are part of the WorldForce (WorldForce), 9% of the StarForces!

You are a symbol of hope, LOVE, & PEACE! Remember you are a symbol of YOUiversePeace, Lest WE forget (WorldWar) WW1&2, the *GlowBall* sacrifices of millions of Ancestors* *Soldiers*, & now avoid future nuclear (WorldWar) WW3+!!!

Be a Force, be a WorldForce, using the 5R's: Reduce, Recycle ♻️, Reuse, Replant, & Recharge [batteries] 🔋, to GO GREEN! Protect the Earth our HOME, by PLANNING to be a Plan-it (planet) Protector WorldStar! Therefore, we spell planet as PLAN-IT, here to remind all to PLAN to do things to help GO GREEN & HELP SAVE OUR PLANIT!

Get SuperStar super strong to also be a ProtectHer, to protect Wowmen (women) & PowerGirls SiStars, for they birth all Lil' YoungStars (youngsters)!

NUTRITION: GROWceries

NUTRITION is key 🗝️ to body HEALTH! For Health is WEALTH! So, eat a variety of healthy *colorfull meals, to *colorfull vegetables & *colorfull fruits (ex. yummi, large watermelons, coconuts, golden sun-like oranges [METAPHOR], etc) for fuels. We call them GROWceries (groceries) to remind all to grow a healthy body. For example, to grow healthy eyes, muscles, bones we need various PowerPlants (power-plants) foods. Some foods are more nutritious PowerPlants like kale salad SuperFoods, to PowerPlants packed with PROTEIN POWER & fibre like beans & littlest lentils, aka UltraFoods! Have fun in life with occasional lil' desserts, yummi treats as SoulFoods, but limit too much JunkFoods. Have fun & play with your food recipes Xperiments (experiments) too. Try *GlowBall* FUN FusionFood ex. sushi, samosas, bean tacos, too." [WRITER'S NOTE: I grew up eating East Indian foods curry, daal, circular 2-D star-shaped roti & Canadian/American diets circular 2-D cookies and cakes with *colorfull sprinkles, especially during covid19variants lockdowns of over past 2years stress I developed a severe sweet tooth like many persuns!] Watchout for addicting *BadFoods* & bad role models like beer guzzling Old Gods (OG's) Thor & Herc in cartoons/comicbooks//BlockBu\$tar SuperHeroes\$ movies, as like my drunk father you might be become a teen alcoholic & this might cause you decades of family/life/health problems later in life.

LEVEL 4: GREEN & GROWceries ORIGINS

Writer *JayMundi*'s note: Level4 Nutrition-theme came from my need to eat healthy foods as I was a very sick kid & my mom took me at age 3 back to her ancestral homeland India to see if doctors could help me. I was born & raised in Surrey B.C., Canada. Do you know where India & Canada are on a map? At age 5, I overcame ALL FEAR and punched my VERY VIOLENT drunk father in the face for beating up my lil bro, me & my mom, but he got angry & hit me leg. I still have that scar decades later. My drunk father seemed like a TITAN sized MonStar (x4 times my size) to lil 5yr old mini-me but I harnessed all my rage & fought him back with the lil power I had - YOU DON'T KNOW ANYONE ESPECIALLY ELEMENTARY KIDS LIKE ME!!! For decades these events led me to take interest in EATING NUTRITIOUS BIG BODY-BUILDING (Level6) FOODS TO GET FUTURE LEVEL6 SUPERSTAR SUPERHERO-like BIG MUSCULAR BODY TO TAKE ON MY DRUNK FATHER! SO from my earliest memories I was inspired by SUPERHEROES like very muscular John BlackStar 1981 toys & cartoon as it looked like a BROWN SUPERHERO just like my brown skin, Marvel's Hulk & she-Hulk who turned BIG and green as they too GOT VERY ANGRY to fight BIGGER supervillains, & DC's StarFire who could shoot green energy blasts from her fists, & later 1984 TF Transformers Devastator GREEN GIANT robot toy & comics! Unlike the Hulk, you can GROW MUCH BIGGER on level4&6 to GIANT & TITANIC sizes (ex GOODMonStars Naruto Jinchuriki & Goku Azaroo TITAN Sizes & similarly you can shoot IMMENSE DESTRUCTIVE MOUTH RAYS LIGHT-POWER BLASTS -similar to Sun Goku & Hanuman Monkey King Gods legends say both can GROW to TITAN sizes & even eat the sun, but you fight TITANIC MonStars like in Asian Kaiju Movie\$ & toys ex. Godzilla, Gamera, UltraMan etc). This GROWing feature also led to my creative GROWceries term! I, however, didn't legally copy the Hulk's modern BlockBu\$tar green monster form (who was originally 1st Grey/Gray Hulk) as I 1st saw stories in East Indian books at age 3 of Hindu Indian Gods that would also change into many different colors including GREEN GOODMonster forms to fight BIG MONSTERS TOO, BUT you are not a East Indian/Asian/Buddhist eastern religions 4,000 yr old stories of color-changing & form changing Gods but just a NewAge color-changing GOODMonStar SuperHero! A few years later I used level4 green-theme as a reference to GO GREEN -for our environment part of 1980-90's environment movement ex. anti-aerosol 80's big hair hairspray cans, etc).

WAR WORLD! - LEST WE FORGET!

In your *GlowBall* journey, you join the WorldForce (WW) army (like in FAN FAV BlockBu\$tar movies of American Army G.I.Joe toys vs Cobra Terrorist armies & Captain America toys vs Red Skull Nazi army & other TOY\$torie\$ Armies vs Terrorist groups), but this is a glowball army composed of elite team members from ALLcultures around our Planet similar to our World War 1&2 (WW1&2) Allied armies. The WorldForce army goal is to stop future Hitlers from starting up World Wars, especially World War3 (WW3) Nuclear Armageddon. This is the reason we spell World Wars, with the word WAR so we all study WARS & prevent future Hitlers from starting up & spreading hate & fear. You travel the World (world) & YOUiverse with the WW army & stop all sorts of Terrorist armies. You now have access to top elite army members & technologies. It's not all fun & games, as many friends end up in hospitals as you see the darkside of war, just like on Nov.11 Remembrance Day/week events in all *GlowBall* Schools & shows - LEST WE FORGET!

WorldForce: EarthElement Forces

*LifeLevel #4 *StarMaStars Gamma WorldStar & WorldMaStar, both train you to MaStar the WorldStar Force. You travel the World (world) & YOUiverse & meet x100's of SuperHeroes with x4 EarthElement Forces powers: like WaterForce lv3, EarthForce Lv4, FireForce lv7, WindForce lv8. Three more BONUS forces could be RockForce Lv1, & ElectricForce lv4, WoodForce lv10). You learn Earth elements attacks, similar to other toystories like Ninjago, 1990's Captain Planet's team, 1980's BattleBeasts (x3Forces), & Power Rangers Elemental Force versions, BUT you MaStar ALL elements like American-made Avatar Airbender Ang AAAA & Korra (rather than just the Firebenders army vs Earth/Air/Water benders). ALL x4 Forces make up the ONE WorldForce [& are part of *JayMundi*'s ColorCoded page borders! Members have names like ElementAll, ElementalMaStar, EarthForce, EarthStar, FireForce, FireStar, WaterForce, WaterStar, AirForce, AirStar, etc. You study SolarSystem planets & learn to use all x4 EarthElements to make similar *colorfull marbles-like micro Planits in your hands as attacks. You grow the marble micro-planits larger with surrounding environment materials. You learn our Planet Earth is approx. 4.6Billion years old (easy# to recall Lv4 is our 4.6Earth HOME age!) & formed along with our sun & other Planits in our SolarSystem. In time you MaStar the WorldForce. WorldMaStar rewards you with WorldStar *PowerKey*, WorldMaStar *colorfull micro-Planits marbles necklace, *colorfull wrist beads made of marbles-like micro-Planits, hi-tech *PowerSuit & weapons!

1. EarthForce 
 2. WindForce 
 3. FireForce 
 4. WaterForce 
- =ONE WorldForce!

GOODMonStar TITANS VS BADMonStar TITANS

WorldStar & WorldMaStar along with x100's of *GlowBall* Guardians (GG's), take you to travel to other Worlds around the YOUiverse to help save other Planits too, using similar techniques we are using to help save our Planet Earth, such as recycling, reusing, & using renewable energies. One of the Planits, is like Avatar (2011) BlockBu\$tar (PG) movie (of all time of the previous decade), but with green skin aliens rather than the blue skin Na' Vi large cat-like humanoids aliens, they are also connected closely to their Planet energy like many of our x1000's Tribal religions. While they are studying our ways to save their Planet from pollution, suddenly Titanic Pollution-MonStars & TitanMonStars attack. They are titan sized - larger than skyscrapers. You and a few team members use your new WorldStar Top

99.9%

PINK SUN (SOM) PROTECT-HER (DARK) POWER

Secret TITAN-SIZE training to transform into a **GOODMonStar** TITANS like FAN FAV Steven Universe Pink Kaiju form, Ben10's vs Kevin 11 Way Big & Humungosaur forms, Ultraman vs Kaiju titan class MonStars, DC giants like Apache Indian/Long Shadow/Ty/Giganta, **Marvel's Antman**, etc. To fight TitanMonStars requires Xtra (extra) stamina (endurance) to last the through the night fighting these big baddies. Luckily, your team ate healthy nutrition, that helps your bodies recover faster & fuels your body, sort of like **DBZ Goku's legendary Sensu beans**. The **SuperVillains** ate junkfoods, candies, & smoke a lot, so while they are very huge, they are also unhealthy & get tired very easy & can't keep up with your team. One of them eats a **hotdog**, and one of your alien friends says, "GROSS, don't they have pets, called dogs? So they are eating hot dogs pets? How cruel & unusual you Earthlings are!" Your Earthling team members break into laughter & inform that hotdogs are just called that as a funny name. The war doesn't even last more then a few **PowerHours**, as your healthier team easily beats them.

NEW AGE: *DiaMunds* (*DiaMundis*)

WorldStar rewards you a **WorldForce** necklace which has elemental powers to connect you to your **WorldForce** powers & are each unlocked as you complete all the x11 **LifeLevels**. WorldStar rewards you with the x11 **WorldStar PowerStones** *DiaMunds* aka *DiaMundis* (Diamonds named after writer *JayMundi* & his *ColorsCode). The **PowerStones** *DiaMunds* are similar to other toy **PowerStones** like all-powerfull wish granting **DBZ Dragon Balls**, & **Marvel's Mandarin's x10 power rings** (have all sorts of rebooted ultimate powers from 1964-2022) & **Marvel's BlockBu\$tar movies INFINITY STONES/gems saga** that are all-powerfull too & give the user ultimate power over the universe. She notes, *DiaMunds* are the main currency (form of money) among the alien races as they are the shiniest of all **StarStones** & they illuminate the **LIMITED x7 rainbow RoyGbv** colors of the total x11 *StarLight STARspectrum colors. NewAge *DiaMundis* are also used in alien intergalactic love ceremony weddings rings (like **Hoomuns**) & to power all weapons like your *PowerSwords.

x5 COMBINING SuperRobots & *TITANbots UNLOCKED:

SuperRobot *TECHFORCE: SuperRobots OF THE FUTURE YOUUNIVERSE!!!

After completing next level 5, you can travel the **YOUuniverse** in **TITAN-LEVEL** *colorfull x5 combining SUPER ROBOTS that combine into ONE **TITANIC ROBOT** similar to many toylines ex. **VOLTRON-FORCE SuperFORCE** **Legendary Defender of the Universe** (1984&reboots, 2014-2022 of originally called **Go-Lions AsianAnime AA**), **Power Ranger Zords**, **MiniForce X**, **TF Transformers combiner robots** (like **Predaking**, **Devastator**, etc), **Sentai**, & other similar **ToyStories** and you help stop all sorts of **MassiveMonStars**. These other **TOYstories** typically have only x5 (to 6) main robots that combine into one **TITANIC robot** (2 arms, 2 legs, & one main torso body, & sometimes a 6th robot makes the back eagle or red fire dragon wings or mid body like **Transformers GREEN GIANT Devastator** giant combiner robot), but by your **LifeJourney** end you will assemble **ALL x11 team members** called the x11 **SpaceNinjas SpaceForce**. You also unlock transforming headquarters & entire city bases like **TITAN CLASS ROBOTS** in **GoBots** toys & **TF Transformers Titans** ex. **Metroplex**, **Scorponok** vs **Fortress Maximus** (transforming city bases) and similarly your ***TITANbots** help fight the evil **Kaiju TitanMonStars & RoboTitans**.

LIVING PLANITS!

As you travel our **YOUuniverse** you see all sorts of cool phenomena & cool planits like talking, living planets, similar to **DC's Mogo**, **BlockBu\$tar Avatar Na'Vi blue cat persuns world tree planet**, & **Marvel's Ego in GOTG#2 Guardians of the Galaxy #2** who is a god & **Starlord's father**. Some planits are massive **MonStars** with mouths the size of entire continents & eat moons & other **Planits!** One of the talking **Planits**, called **Planitia**, tells you to take care of your own **Planit** and keep it healthy or you will suffer the natural disasters (disasters) from the **Forces of Nature**, such as **Tsunami's floods**, **Earthquakes**, to **Hurricanes** & **Tornados**. **Planitia** looks like **WorldStar's helmet** with a giant **W** shaped continent. **INCREDIBLE work** [Insert name], **StarWarrior!**

GROW!!!

GROWseries: GROW ORIGINS
YOU NEED GROWseries TO GROW BIG!

99.9% DARKNESS POWERED TRAUMA SUPERHERO!!!

[*JayMundi*'s obsession with food on Level 4 came from my **NEED** to get **VERY BIG & MUSCULAR** like **Marvel's Hulk**, to stop my **VERY VIOLENT** drunk father from beating up me & my **FAM!** Like the **Hulk** I raged against my father from early age as I **stopped-being a LIL WUSSY WORRIER & INSTEAD BECAME A "WARRIOR"** and **PUNCHED** my drunk father in the face even though he was **x4 TIMES BIGGER THAN ME LIKE A TITAN MONSTAR!** YOU don't know any kids like me! At mid-elementary years I studied **1980's muscle mags** and learned I had to **EAT LOTS OF HEALTHY SUPER FOODS & TRAIN WITH WEIGHTS VERY HARD** (like on Level6) **TO GAIN REAL POWER.**

REAL POWER
REAL GAINS

FUEL THE PROTECTHER INSIDE

After a very **STRESSFUL** decade of very, extremely **PATIENTLY** waiting to **GROW MUCH BIGGER & WAY STRONGER** into my "real-life" ***POWERBOY*** form I was easily able to stop my **VERY VIOLENT** drunk father in my high school teen ***PowerKid*** years & literally feel **NO PAIN** from my fathers very violent attacks as I was just way to **STRONG & MUSCULAR!** This led to my book's **Protect-Her Code: never hit women** (or anyone, especially kids)! **ALL** my ***LifeLevels** have **VERY DARK ORIGINS** like modern rebooted **DARK, TRAUMA SuperHeroes** like **HULK** (vs his abusive father **Absorbing Man** in 2003 **BlockBu\$tar** movie), **Dark knight Batman** (whose parents are shot & killed), **Ichigo, Naruto, Goku, etc.** **SO I AM SIMILAR TO DARK TRAUMA SUPERHEROES ORIGINS STORIES** but they are **fictional** characters & I am a **real-life story** - I REPEAT THIS KEY POINT THOUGH MY BOOKS SO YOU FEEL MY **99.9% DARKNESS TRAUMA DARKPOWER** that fueled MY **DREAMS, MY RAGE, MY FURY, MY ANGER,** & don't think my parents helped me with my story as it was **ALL** made by me!]

LifeLevel 11 *PERSUNALL *EVOLUTION chart PoStar:

Dear YoungStar, **writer *JayMundi*'s BrightSide of his StarForces is REAL – as the more you read on each of the x11 *REAL-LIFE* Forces, the more BRIGHTER you become!!! Research my x11 *REAL-LIFE* FORCES & SCIENCES!** Use the following **StarPowers Chart** to add a Star for every book you read as you become ***Brighter* & *BRIGHTER!** For elementary ***ALLStars*** YoungStars, you might be reading books about all sorts of topics ex. **TOY\$torie\$** universes, sciences, animals, dinosaurs, games, family, feelings, etc. **The more you know, the more you grow, & unlock more of your STARevolution StarPowers!** **STARevolution** refers to readers **PERSUNALL *Evolution** of becoming an even ***Brighter* STAR, & MaStarLife!** These are just your 1st x11 small steps for ***ALLStars*** kind, & one supermassive leap for your **personal STARevolution!!!** **As every school year the textbooks get much BIGGER, especially from elementary to high school, & to highest learning in University. ALL readers should aim to read lots throughout their lives as LIFE-Long-Learners!**

As an Gr3-5 elementary kid I wanted to be the ***BRIGHTEST!** fastest, tallest, strongest, etc as my EGO was as **ULTRAMASSIVE** as the **MY TOY YOUNIVERSE!** Some teachers had reading star posters & gave a star sticker for every book you read. I read through tons of books in rapid speed so I could get more stars to achieve my dream goal to be the **#1 smartest & *Brightest!** elementary kid in the world of ALL time! I grew ***Brighter!** rapidly in these few years, as I read books on ALL sorts of topics which I use as part of my unique ***Education** system I now share with you to help you ALL unlock your true STARPOWERS! As an adult I still use this LifeHabit UltraSkill to read through vast amounts of websites **BUSINE\$ TECH** info over past decades! Check off each of the different color stars for each book you read to unlock more ***PERSUNALL *EVOLUTION!** Use all x11 primary **StarPowers & YOUNIVERSE** colors (ex. gray/grey stars, purple stars, blue stars, green stars, yellow stars, orange stars, red stars, white stars & black stars, pink stars, brown stars). **Collect up to x99 stars (x1 for each book you read) & watch your StarPowers increase x99% fold!** Try to read a variety of different topics, but more importantly just keep in the habit of reading. You could also collect a star for every ***EducationALL** website, ***EducationALL** game you play, or ***EducationALL** viral video you watch! Don't just reach for the stars, collect them ALL. Use this **StarPowers Chart** to **Rise&Shine** in time using the **Power** of the **BrightSide** of the **StarForces** to **MaStar your YOUNIVERSE!** **Here YOU TRULY MASTAR THE YOUNIVERSE!** As an elementary kid, it was **ComicBooks** that made me want to learn to read & I read x100's of **ComicBooks & science books** afterschool to work very hard using my **WorkForce** powers to **make my own TOYuniverse** (like **Marvel Universe**) called my ***ALLStars* YOUNIVERSE**, despite growing up with a **India immigrant, very violent, uneducated, alcoholic father** (& many said I was a **MonStars Sun** & I would grow up to be an **uneducated, alcoholic MonStar** like my father **BUT instead I wrote the greatest kids #1 Toy\$tory of ALL time & became the greatest THEORIST/INVENTOR/INVENTION of ALL time?!**)!!! Even in mid-elementary years I questioned everything, & thought the **lame-sucky-OLDScience-DORKY** terms were dumb ex- **universe, world, stardust** vs my far more powerfull **STARTerms = YOUNIVERSE, World, StarPowers, etc!!!** SO don't be a **DORK** & instead **QUESTION THE 66yr' OLDSciences & lame-universe** & join my **STARebellion** & start using my better ***JayMundi*'s NEWSciences** with better **STARTerms**. **AWAKEN to realize YOU can save the YOUNIVERSE!** **My first few x100's of ComicBooks were stick-drawings & not very good in early elementary years like all lil' kids, but they got awesome by my last years of elementary to early teen years!** Please keep in mind when giving **5STAR** reviews that **96% of these ComicBooks are RECREATIONS of elementary/teen years ComicBooks I created in 1980's-90's!** YOU have the same **StarPowers** to unlock within YOU!!! Remember to give my books **5Star** reviews.
