 Star Wars has Jedi vs Sith SPACEReligions vs my hotter team names: MaStars vs MonStars. You can't Jedi or Sith your life, but YOU can MaStar or MonStar your life – so kids don't become lil MonStars, (but rather MaStarLife!) You MaStar my STARForces & YOUiverseForce (not The Force)!
SCIENCESChanger: Jay destroys lame OLDSscience terms "UNIVERSE, world, stardust" with his NEWScience terms "YOUiverse, World, StarPowers"!
 JayMundi's FUN NEW STARScience tells kids we are all made of STARPowers vs lame OLDSscience says we are made of StarDUST.
 My x11 inner color lights called *ShockkRas* connect YOU to my YOUiverse! YOU graduate StarSchool to go to YOUiversity! (Not Jedi-academy)
 I pay TRIBUTE to x100's of *GlowBall* ToyStories that inspired my imaginative terms & TOYUiverse called my *ALLStars* YOUiverse (A.Y.)!
 My Colorcode text promotes Multiculturalism, Anti-racism, Anti-colorism (& love for ALLpersuns of ALLColors = Anti-HATE code)!
 Pages are black like Universe, with x11 *STARLight text colors, to help connect YOU to my TOY YOUiverse! Black also reps #BLM Black Lives Matter
 Protect-Her Power Code: GirlPower new terms "Wowmen" (WOW=MOM), Sistas, & MomStars who birth *ALLStars*! Don't hit women or kids!
AWARD-WINNING potentials for: #1 BU\$INE\$\$, #2 Protect-her code & #3 YOUiversePEACE TOYStory (ex. Nobel Peace prizes?)! So Adults enjoy too!

My 1st 2pages are info for parent purchasers, so kid readers can skip to page3. My books are for adults too as lessons in building my FUTURE BILLION \$ TOY\$STORY empire & my origins story as the "universe destroyer"! Hi, I invented #1 BU\$INE\$S & TOYUniverse (of all time) called *ALL Stars* YOUiverse! MonStar'sSun (son) *JayMundi* the Universe *Destroyer* says let's destroy sucky lame OLDscience term UNIVERSE with my **REVOLUTIONARY #1 TOY YOUiverse** where YOU (the readers) save the YOUiverse, thus it's name YOUiverse! My YOUiversity & *STARSchool *Education*: teaches kids YOU are a STAR with the StarPowers & WE ARE *ALLStars* with StarPowers inside us ALL. I am the REAL-LIFE *StarWars* as I promote my core Woke Message: WE are *ALL Stars*, & we shouldn't call STARDUM CELEBRITIES the "STARS" with their "star-power," or top-sports athletes the "all-stars" (#WOKE) YOU the readers become #1 SuperHeroes of ALL time by inserting names into book (ex. [] insert name) & YOU save the YOUiverse! Star Wars Force fans (a \$50BILLION toy franchise) may love my lil-like TWIN STORY of MaStaring my StarForces, BUT my Force name - StarForces is HOTTER, & so are my team names: *ALL Stars* MaStars vs MonStars, which are ACTION VERBS to MASTAR or MONSTAR your lives so kids don't become lil'MonStars & end up in PriSun (prison) BUT instead MASTAR LIFE! You can't Jedi or Sith your lives, I use creative wordplay (MISPELLINGS) using my STAR based terms: *ALLStars* MaSTARS (masters) vs MonSTARS (monsters) which connects ALL to my STARForces & YOU to my YOUiverse! Just like Jedi vs Sith SPACEReligion I have similar FUN *STARReligion* vs MONSTARReligion! I reveal in chart below - I also have x11 REAL-LIFE FORCES & SCIENCES to my educational StarForces vs just fun-fictional-TOYForces! My StarForces are a MASSIVE UPGRADE to other TOYForces, for ex. unlike Star-Wars-Force, my StarForces unlock MORE fun powers ex. elements - FirePower, SuperStrength & flying like DBZ Sun Goku/Ang/Superman! Thus, my #1 TOY Universe name is #1 most meaningful ever - *ALLStars* YOUiverse vs DC/DBZ Star-Wars/Marvel-Universes. Extra value is writer *JayMundi*'s biography of DESPITE growing up with VERY violent, uneducated, drunk F@#\$ father dark trauma - I wrote #1 *ToyStory* of ALL time & YOU play out my DARK-story as a DARK-ENERGY POWERED Hero lil like ANGRY HULK & GOKU who transform into GOODMonStars! My books have MANY complex layers & are also designed to promote Anti-HATE, Anti-Violence vs Women, Anti-Racism & Anti-Colorism! You learn SuperHero\$ NEWAGE of top #1 BlockBu\$tar movies & BIG BILLION \$ Bu\$ine\$e\$e! ALL this in my COMPACT 30page books- easy reads in a *PowerHour! My *STARSchool books are for ages +8 but YOUiversity books are for teens & adults! It gets better:

YOUiversePEACE Multiculturalism (Anti-Racism) THEME & LOVE4ALL *ALLStars* MAP!

My books start with a YOUiversePEACE MAP as a metaphor for: *WorldPeace! ColorCoded text also reps Multiculturalism (Anti-Colorism & Anti-Racism) - LOVE of *ALL Stars* ALL persons (persons) regardless of skin color, nationality, #BLM (Black Lives Matter) as writer *JayMundi* is brown! The ColorCoded text also reps my REAL-LIFE x11 StarForces as noted in the chart box below with my LOGO. The 11th color BLACK is represented as the page color backgrounds which rep our beautiful, black YOUiverse! ColorCoded text also reps the x11 PRIMARY COLORS found in *ALL Stars* StarLights STAR Spectrum & found throughout our massive YOUiverse! You use my map to TRAVEL THE YOUiverse (like Star Wars, Voltron, etc) to assemble your x11*StarMaStars (Star Wars Jedi masters-like). Each level unlocks new transformations into different SKINcolors GOODMonStars like #1 BlockBu\$tar movies Marvel's RAGE-power GREEN HULK & SHE-HULK, DBZ Goku & Naruto!

I invented #1 GREATEST TOYSTORY because of the following lists: My *ALLStars* YOUiverse - is #1 Toy Universe name because:

- ✓ **THEORYCHANGER #1:** *JayMundi*'s *STARTheory says he is the REAL-LIFE *StarWars* as he illuminates WE are ALL *ALLStars*, with the StarPowers to MaStar or MonStar our lives, & don't just call STARDUM celebrities as the "STARS" with their "star-power" or athletes as "all-stars" (#WOKE & join his *STARRebel! STARRebellion!
- ✓ **GAMECHANGER #2:** YOU are the #1 *SuperHero Of ALL TIME who saves the YOUiverse using my Fill in Blanks YOUiversALL Avatar system (ex. [] insert name), which makes readers the #1* UltraHero of any age, any background, no-religion (Atheists), or any religion, or color, or country, or LG.B.QT+ (Ellen & Ricky Martin), etc!
- ✓ **YOUIVERSECHANGER #3:** fun, creative wordplay ex. YOUiverse destroys lame Universe! YOU have the POWER to SAVE my TOY YOUiverse, thus its name YOUiverse!
- ✓ **WORLDCHANGER:** WORLD (world) is spelled with W.A.R. to rep sad war history of 7,000yrs ex World WARS 1&2 just 100yrs ago to avoid World WAR 3! I don't just destroy lame sucky OLDScience terms universe but also your lame world! My WAR includes NEWAGE of GOODMonStars ex Hulk/Naruto vs BADMonStars!
- ✓ **GAMECHANGER #4:** JAY'S PROTECT HER CODE promotes girlpower & anti-violence vs women by calling them "WOWmen", sisters (sisters) & momstars who birth *ALL Stars*! I grew up in home WAR vs my drunk F@#\$ father who beat us so bad my mom has jaw reconstruction, thus my "Don't hit women - Protect-Her CODE" & ETERNALL father hate!
- ✓ Ebooks (PDF) BEST read on computers/laptops or tablets in LANDSCAPE (sideways) mode to enlarge my tiny comicbook font 7-8 size text ->

See Chart:

NEWAGE GOODMonStars HEROES ex. HULK, &

DC Green Lanterns/Rainbow High/Rainbow Rangers toys STARLIGHT Colorcode

✓ The story is MOSTLY like NEWAGE GOODMonStars like Marvels Hulk in BlockBuStar #1 Movie\$ of ALL time who turns into a big GREEN MONSTER except you transform into many *colorfull GOODMonStars & MUCH BIGGER MONSTARS like Naruto & DBZ Goku TITANIC SIZED-MONSTARS that shoot immense light ray breaths like Godzilla! The story is also a little like other starlight power toys like Rainbow Rangers/High, & DC Green Lanterns STARLIGHTS POWERS *ColorsCode toys who are also an universe space-cops army force like Star Wars Jedi's, except DC Green Lanterns are powered by alien RINGS & LANTERNS & rep EMOTIONS & GREEN Light is STRONG FORCE in Universe (in 2011 BlockBuStar movie intro).

EACH CHAPTER IS MORE EXCITING AS YOU MASTER EVEN MORE FORCES OF MY STARFORCES!

Each of the x11*StarMaStar teachers helps you MaStar key life aspects ex. WorkForce (to get kids job ready), SpeedForce (cardio heart health), WorldForce (going green to save our Planet), etc. StarMaStars are METAPHORS FOR TEACHERS & are the best in their fields, for ex. SpeedStar is the fastest in the YOUiverse, & SuperStar is the strongest! These are also x11 techsuits you collect (like Ironman & Batman have many tech-suits) in each chapter, for ex. you unlock TechMaStar suit in chapter one, & MonStarBuStar PoliceForce in chapter 3. ACTION gets more exciting CHAPTER BY CHAPTER as each of the x11 *StarMaStars unlock your x11 StarPowers inside us ALL, one STARColor for each chapter. Note Star Wars the Force doesn't unlock power of elements, flight or superstrength like DBZ Sun-Goku, Superman, & Ang, but in my book you do!

TRIBUTE CELEBRATION OF VOLTRON-FORCE SUPERFORCE x STAR WARS FORCE x ANG ELEMENT FORCES x 100's GLOBAL TOP TOYFORCES TOY-UNIVERSES:

I am not dissing Star Wars, BUT INSTEAD I pay TRIBUTE & CELEBRATE George Lucas's Star Wars The Force, Go-Lions aka VOLTRON -FORCE SUPERFORCE, (1980's BlackStar Cartoon, DC's StarFire, Transformers PowerMasters, x4Earth Elements Forces BattleBeasts/Ang, etc) along with x100's of fun 1980's TOYFORCES, TOYPOWERS & TOYUNIVERSES (toys, ComicBooks, cartoons, & VideoGames) in my books, as they ALL INSPIRED me in my 1st DECADE to create x100's of books in my *ALLStars* YOUiverse! I celebrate them in May & June after Star Wars Day May4 (x30days countdown ironically) to my birthday on -new StarForcesDay June3! Teacher Day is celebrated on May5 for teacher week (in Canada & USA) & the writer is a BUSINES\$ TEACHER so I celebrate fellow teachers & STARStudents in *STARSchools this month too. Its also #FCBD Free ComicBook day on May6, & my books were designed initially to be ComicBooks in my elementary years then VideoGames. May6 is Star Wars May the Sith(Sixth) be with you!

DISCLAIMERS:

1. Not for RACISTS, THIS IS AN Anti-Racism & ANTI-HATE book as writer is East Indian Indo-Canadian – SO NO REFUNDS!
2. NO REFUNDS; THUS, sorry -not sorry, BUT NO REFUNDS for x66million global HATERS & HATE GROUPS! This PEACE book is not for you!
3. BANNED/FORBIDDEN FOR 66YR OLDS – MY ORDER 66 vs Star Wars order66 (Jedi Genocide): THUS, this book is BANNED for all readers under 6years old but especially OVER 66YEARS OLD boomer gen of some SUPERHEROES HATERS (like my parents!) who try to BAN SuperHeroes\$/Comics/VideoGames/BlockBuStar #1 movie\$!
4. SPOILER ALERTS: I will be discussing TOYUniverse (lil-like a documentary) so its best to read my books after you have seen all major SuperHeroes BlockBuStar movies.
5. GLOBAL GODS: I have *GlowBall* Gods & SPACEGODS like MAJOR TOY BRANDS ex. Marvel's CELESTIALS (in Marvel's BlockBuStar Eternal movie) who are older than universe & create 1st Sun & light in universe, Marvel's Thor family of gods, DC Darkseid New Gods team, DBZ anime's Sun Goku MonkeyKing God, anime's Naruto Fire Fox God, DCvsmk Mortal Combat crossover, Transformers Robot gods Quintessa, & in YOUiversity teen books you become new GUN God of War like PS Kratos.
6. This is a fun, TOYForce with TOYLightForces like other major TOY Forces (as listed below ex. DC GLs) & is not any religions angels/deities/gods/lights/force/s.

VOLTRON -FORCE SUPERFORCE POWER RANGERS, & NINJAGO, LIKE COLOR-ROBOTS!!!

You are also a SpaceNinjas SpaceForce like many international hit brands for DECADES (for elementary kids & teens) like (Go-Lions AA) VOLTRON -FORCE SuperFORCE, Power Rangers, Ninjago, & Sentai, etc, ColorCoded toys with colorfull (animal) robots! Each robot reps each StarForces color & is piloted by each of the x11*StarMaStars, & in the story ending they form your GIANT *TeamWork* COMBINING ROBOTS to take on massive MonStars like in similar kids shows! This is a metaphor for teaching kids *TeamWork*!

Similar to Marvel's INFINITY WARS GEMS Colorcode:

Like in #1 BlockBuStar movies of all time the Marvel's INFINITY WARS saga x6 COSMIC STONES give Thanos overall all-powerful control over the Marvel Universe (ex. Soul Stone, Power, Time, Mind, Space, Reality stones, etc) which were CREATED BEFORE CREATION of universe in 2014 (GOTG) Guardians of the Galaxy top movie, & have an overall all-powerful Purple COSMICBeing - NEMESIS (entity/Goddess) inside all x6stones who controls the multiverse [writer has own cosmic love deity called KARMA] - which Thanos uses her COSMICPower with the Infinity stones to KILL 50% of UNIVERSE POPULATION in MASS-GENOCIDE- (& Nemesis possesses Avengers Black Widow in 2015 kids cartoons), I have similar fun, TOYSciences x11 *PowerKeys ALL-POWERFUL weapons! [SORRY SO NO OFFENSE INTENDED to non-SuperHeroes parents].

RATED PG: Okay for elementary kids over 8 who watch BlockBuStar SuperHeroes\$ movies ex. Marvel Avengers Infinity WARS, Star WARS & DC universes; *cartoons*, books, ComicBooks, read Asian mangas & AsianAnimes ex. DBZ Goku & Naruto, play SuperHeroes\$ VideoGames, &/or attend *ComicCons & *AnimeCons with their families. NOT suitable FOR LA LA LAND WUSSY KIDS, including similar grandparents over 66, because I also have extreme violence like Star Wars Order 66-like Jedi-Genocide & Thanos snap which kills 50% of universe-wide population mass-scale genocide TOY\$ violence! There are a handful of curse words in reference to my very violent physically abusive lil Fat F*#\$ Father who used to beat up my lil bro, me – & my mom so bad she has jaw reconstruction so KARMA IS A B*@\$% FATHERRRR & for ALL ETERNITY I LOCK-IN your PsychoPath mental ILLNESS as my EV-ILL-book theme & it allows readers to get uncomfortable & feel my REAL-LIFE DARKNESS & HATE vs DORKS like my potty-mouth father who beat up lil kids & wommen – which led to my book! As such, you will remember me for ALL eternity as *JayMundi* the MonStar'sSun (son) – the son of a very violent drunk lil Fat F*@\$ Father but I still made the #1Toy\$ orv & #1BUSINES\$ of ALL time!

✓ POWERShare these books with your SuperHeroes families as XTRA \$avings value for some of the 5BILLION SuperHeroes families, who LOVE SuperHeroes!!!

GAMECHANGER #9 COLOR-TEXTCHANGER: the ColorCoded words promote a LOVE for *Diversity & Multiculturalism, & writer *JayMundi*'s new STARScience celebrates his *complete* *ColorsCode STARSpectrum of x11*StarColors*, not just LIMITED rainbow (ROYGBIV) x7 colors, but includes x11 *StarColors* aka x11 PrimaryColors (including silver, pink, white, black, & brown) found in *ALL Stars* & in our YOUiverse!!! It is NOT RACIST CODE as both my SuperHeroes & SuperVillains have the same color x11 StarPowers that can be used as forces for good or evil!! My *ColorsCode also reps Copyright ToyBranding colors (ex. Marvel vs DC) & has very colorful pages like ComicBooks.

GAMECHANGER #10 MonStar'sSun (son) *JayMundi*'s BIOGRAPHY - a high school BUSINES\$ teacher, MaStared his life despite growing up in VERY DARK TRAUMA with a VERY violent, uneducated, drunk father & family said I wouldn't amount to much either & would be a drunk wife-beater like my father BUT Jay obtained 2 degrees & 3rd a Masters with almost perfect GPA, & created the #1Toy\$Story of all time - the *ALLStars* YOUiverse, where YOU save the YOUiverse! I share my power & success tips called *UltraHabits* in my books & FREE YouTube presentations! Fictional SuperHeroes Superman, Hulk, & Goku-DON'T compare at ALL to me *real-life* hero *JayMundi* made YOU into #1 SuperHeroes of ALL time called UltraHeroes, as YOU saved my YOUiverse!

KID CREATOR 5STAR Reviews: when giving 5Star reviews note 96% of ideas & writing are RECREATIONS from my 1980-90's elementary yrs (ages 9-11) to TEEN (ages 13-17) high school ComicBooks & VideoGames! The book is also lil like a SuperHeroes\$ DOCUMENTARY examining the NEW AGE of modern BIG BILLIONS DOLLAR\$ SuperHeroes Industry, including top #1 Billion\$ dollar BlockBuStar movie\$ & the newest age of BIGGEST \$200 Billion\$ SuperHeroes\$ VideoGames\$ industry! Follow writer *JayMundi* on social media as he tries to penetrate international SuperHeroes\$ markets & tries to make his childhood comics into the next BIG BILLIONS \$ SUPERHEROES BUSINESS! THIS ENTIRE ALL-mean BOOK is MY MASTARPIECE OF ART of ALL time vs Dan Dime's MOANs Like I DL! PS you spell my name as ONE WORD *JayMundi* as part of my fusion-science theme & FULL name as MonStar'sSun (son) *JayMundi* Universe *Destroyer*!

GAMECHANGER #11 UniversityCHANGER & SCHOOLCHANGER: Elementary & HighSchool students upgrade from-OLDScience-lame-education terms to my *STARSchools of STARStudents!!! My term YOUiversity destroys OLDScience-super-lame-term-University – as instead at *JayMundi*'s YOUiversities YOU learn real *Education* that YOU can save the YOUiverse, thus my STARterm YOUiversity!!! APOLOGIES: I don't condone students *GRAFFITI* & CROSS-OUT TEXT in books & universities signs, into my YOUiverse terms! Book sales help us launch & spread our fun *ALLStars* YOUiversePEACE (MultiCulturALL metaphor) message, recruit staff, get security for my family versus *GlowBall* Anti-MultiCulturALL forces, make *cartoons/movies, & not sell-out to major corporations. Compare the immense POWER/StarPowers of this *EducationALL book* to other \$10-20 kids products ex. toy\$, Star Wars Jedi Academy books (approx. \$17Cdn), Harry Potter kids witchcraft school books (#1 kids novel series of all time) approx. \$10. PS my Toy Universe like Saban's Power Rangers is called *JayMundi*'s *ALLStars* YOUiverse (JM's AY)!

Research MODERN VideoGames such as Fortnite, JumpForce, & millions of similar *GlowBall* games where you can DL (download) over x1000 different custom skins (costumes). [Writers Note: as an elementary kid I mostly drew myself as the SuperHero of my ComicBooks, but as a teen I updated my comicbooks stored on floppies disks with x100's of ebooks to instead have readers create themselves as the main #1SuperHero (by inserting their names in blanks) with their own customized character!]

#4. The main character however, is set as default (non-customized) setting in writer *JayMundi*'s sun-tan beach bronze muscular image as the 1st brown (East Indian) SuperHero (& writer of #1 toystory YOUniverse of all time) similar to sun-tan bronze-brownish skin of many toy characters like new version of DBZ Broly 2021, DC Starfire (orange skin female alien with UV sun power inspired my full sun spectrum *StarFire* toy theme), BlackStar1981/ BraveStarr1987/ Avatar Airbender's Korra, & Conan'1983 muscular bodybuilder brown-bronze skin toys -DBZ Sun Goku, Superman, Hulk, Saitama, Thanos with Infinity Stones are most powerful SuperHeroes & villains, but in my YOUniverse YOU the reader become the most powerful #1SuperHero of ALL time! Writer *JayMundi* grew muscular to stop his alcoholic, uneducated father from beating up his mother, little brother & himself. Its also in Jay's image because he is the legendary writer of this new #1 SuperHeroes YOUniverse! The characters are shown with *colorfull STARrainbow *StarFire*solar flare hair, StarPowerscape & AuRa (glow) - as they rep real STARScience fact that THE YOUniverse & *ALL Stars*are *colorfull & contain writer *JayMundi*'s complete x11 *StarColors* STARSpectrum! Marvel's Blade BlockBustar movies with 1st Black SuperHero started the Marvel franchise & basically saved them from bankruptcy! ***ALLStars* YOUiversePEACE MAP!**
x11 StarPowers of my x11 StarForces

#1. My **VideoGames** start off with you the **VideoGamer** Player using ***JayMundi***'s **YOUiverseMap**. Map to the **STARS**, **FUTURE** Map to the **YOUiverse** to find the **x11 *StarMaStars** (Jedi masters-like) teachers of the **x11 StarForces** who each help you unlock & MaStar different **StarPowers** of the **StarForces**! The **YOUiverseMap** is your guide to **YOUiversePEACE** (not **WorldPeace** - as I am much greater in scope & just a fun #1 TOYStory Bu\$ine\$\$) #2. The **STARCompass** reps my **NEW x11 *StarColors** - the **x11 PrimaryColors** found in ***ALL Stars* StarLights** & the **YOUiverse!!!** The **x11 *StarMaStars** are also a **Multiculturalism (Anti-Racism)**, metaphor to teach **LOVE** for **ALLpersuns** regardless of **SKINcolors**, nationalities, etc as writer ***JayMundi*** is **BROWN#BLM (Black Lives Matter)**; #3. **ASCENSION**: Similar to **RPG (Role Playing Games) VideoGames** you will be **LevelingUp** your character (gaining powers, hi-tech powersuits, weapons, keys, robot animal friends like 1984 **VOLTRON-Force SuperForce/Sentai/Power Ranger zords**, etc) through **x11** levels. Also like **FAN FAV (favorite) AsianAnimes like (American made) Avatar Airbender Ang & Korra (USA CARTOON) elements mastery & x11 InnerLights *ShockkRas, Naruto Sage modes, & DBZ Sun Goku Super Saijain SSJN#1-10 ASCENSION levels/forms** you will ascend through **x11 LifeLevels** to become a ***StarMaStar (SM#1-11)** yourself, but unlike **DBZ SSJN hair color changes** you also change **x11 SKINcolors** like **Marvel's Hulk (a NewAge #1 GOOD MONSTAR in Marvel BlockBuStar\$ movie\$ of ALL time, like Steven Universe fusion forms, Ichigo forms, & Naruto TITAN forms** etc; #4. As a teen I was influenced by modern **VideoGames** maps, especially **STREETFIGHTER (made into BlockBuStar movies & cartoons)**, but rather than just fight rivals ***GlowBally**, my map is about making friends to promote **YOUiversePEACE (as a *GlowBall*) MultiCulturALL metaphor** to avoid **World WAR 3 (WW3)**, thus I call my map a **YOUiversePEACE MAP!** #5. This **FUTURISTIC NewAge SPACE-AGE** map reveals writer ***JayMundi***'s **x11 *real-life* forces** ex. **WorkForce, healthy nutrition, exercise, education, etc ColorCoded** as my **x11 StarForces**; #6. These planits are part of the writer ***JayMundi***'s ***colorful* SolarSystem**, which includes all **x11 PrimaryColors** that make up ***ALL Stars*** planits & moons throughout the **YOUiverse**. They are named a bit similar to our **SolarSystem** where we learn in annual science classes - our planits (planets) are all named after ancient, obsolete, Greek Gods pantheons, as we learned that **ALL** our greatest grandparents **Ancestors**, **ALL** over the **World (world)** prayed to all sorts of pantheons of Gods, ex **UranUs Elder God (Grandparent) of Zues, was killed by his son ChronUs Time God** who was ironically killed by his son **Zues** for cannibalizing (eating) **Zues's** siblings - celebrated in **Clash of Titans** movies & kids toys for **x4** decades). **Li'l** elementary kids love to laugh at **Uranus** - as in our modern **NewAge (your-anus)** refers to their bums - oh grow up **li'l MonStars LOL ;oP** - but its always good to **LAUGH IN LIFE (LIVE, LOVE, LAUGH)!** For Ex. **Planit LovUs** is named after **Love Goddess VenUs** but mine is cosmic **Love Goddess** called **Karma Loveus** (who is like **Marvel's Nemsis** who is inside **Marvel Infinity Gems ALL-Powerfull Gauntlet** - used by **NewAge YOUiverse-Conquer UltraVillain Thanos** in cartoons, comicbooks, & #1 **BlockBuStar** movie of **ALL** time, to mass-genocide kill 50% of universe population)! I have my own **MonStarKing** who wants to take your **x11 PowerKeys** to rule the **YOUiverse** too - but only **YOU** can save the **YOUiverse**! My 1st Planit is also named after **PrimUs** the God of the **Transformers (TF)** in **Transformers Prime (TFP)** cartoon, similarly, my 1st **Planit TechUs** is a massive transforming robot **Planit** too (like **Primus & Unicron**), that has alive robots! **Writer *JayMundi***'s elementary science fair **SolarSystem** also duals as a **StarSystem** - it also reps my **x11 types of STARS/SUNS** (ex. a **Red Sun** is **DC Superman's** weakness & our **Sun** will evolve to **GROW** into a **RED GIANT SUN** - which reps my **STAR-evolution**). My map is a **FUTURE *EVOLUTION** MAP from (ships to spaceships to robots) to **FUTURE *StarShips** into **YOUiverseShips** to explore the **YOUiverse** in **x11,000/x11 million/or x11 billion years from now!**

★LifeLevel 1: TechMaStars TechForce Inventions & Innovations

You travel to shiny silver Planits (planets), one is called TechUs, it is like Transformers (TF's) home planet Cybertron & Unicron, full of advanced, alive robots similar to 1980's FAN FAV (FAV=favorite) Gobots & Transformers toys! Planit TechUs can transform into a robot God called TechUs (one of the STARobotGods), just like TF's robot God's PrimUs, Quintessa, & Unicron in 1986/2022 movies/TFP Transformers Prime cartoons & comicbooks. They resemble planet sized battle stations like Star Wars Death Star! Star Wars' Death Star was the most powerful weapon in Star Wars universe (1st Trilogy movies). Is STAR-sized (& makes Unicron look puny in comparison) thus it's name TechUs STARobotGod!

You **are** a billionaire SuperHero like FAN FAV Batman, Bulma, & Ironman, but unlike them you are SELF-MADE (- didn't inherit father's businesses) & make TRANSFORMING ROBOTS (like Transformers, Gobots, & titanic Zords), BUT you make your own SuperHeroes toy-line called ***ALLStars* YOUiverse** to compete with DBZ, DC, & Marvel universes, & futuristic videogames. Like Ironman in #1 Avengers movie your Lv1 SUPERPOWER (isn't superhuman powers but) is also being a TECH GENIUS BILLIONAIRE, playboy, philanthropist & top bachelor like Batman toons/movies. You ponder (think) why kids LOVE *GlowBall* SuperHeroes\$ stories so much that BILLIONS of them all over the world for x100years have been creating their own SuperHeroes\$ Univer\$es in elementary years, similar to cartoon themed episodes of kids making their own ComicBooks like in episodes of teen favorite Southpark *cartoons* with Coon & friends creating their own SuperHeroes Franchise, complete with merchandise, & BlockBu\$tar movies releases ACTION plan! Your business company is a leading tech business called StarPowersTech & makes HDTVs, & superior computers, including laptops, tablets, smartphones, gaming tech & VideoGames! StarPowersTech is one of the few, new working-world (world) BILLION-dollar companies! Your tech makes many persons (peoples) LIVES BETTER!!! WE LOVE YESING! DO... and you reflect & realize you are GRATEFUL for those who help you study, TECH very hard & multi-TALENTED. FANS like smartphones, laptops, internet & smart HD TV cars, power in your home etc. You have several robot & alien servants, maids, cook, & secretarial (office) staff, who all call you MaStar (master)! You prep to do a public speech about your new tech product releases such as new, improved *SmartPhones, toys & VideoGames. You conquer your fear of public speaking, like in school presentations & deliver a great, practiced speech & the crowd cheers.

[Writer's note: Lv1 reps me *JayMundi* as #1 ***Inventor*** of #1 ToyStory INVENTION (& FUNNEST THEORIST & THEORY) of ALL time!? After reading this book see if you agree. Lv1 reps real-life hard WORKForce POWER of writer *JayMundi* used mostly in his elementary/teen childhood yrs after school countless hours to self-study both real-life sciences & x100's BlockBu\$tar *GlowBall* SuperHeroes\$ Univer\$es (like DC, DBZ, Transformers, Marvel Universes) & characters to make my own TOYuniverse called the *ALLStars* YOUiverse!!! Lv1 also reps invention of MONEY as we ALL need it to feed/cloth/house our families, (true for all 8Billion of us!)]

TECHFORCE 101 & WORKFORCE 101:

The next day you meet Robo & Robotica TechForce along with x100's of fellow TechMaStars SuperHeroes. They lead your INVENTIONS & INNOVATIONS technology division & manage your WorkForce which employs x1000's (thousands) of International jobs that help many employee (worker) families. You travel with them all over the world to your many *GlowBall* (International) factories, Tech Labs, & retail stores. Robo gives you new Technology 101 manual to learn. Robotica, informs you the new, upgraded transforming robots you invented are ready to go online! You meet x100's (hundreds) of your good robots called the SuperHeroBots PosiTrons. You meet their heroic leader called SuperHeroBot aka Positron, & some team members: SupeRobot, SHeRobot, HeRobot, UltraBot, TechForce, HyperDrive, OverDrive, MaxXimUs, HD, DvD, C.D., D1, B1, OB1, JM1 etc. You reflect, how modern 21st Century (2000's) *Education* (Ed.) now includes Tech Education!

Suddenly your *SmartPhone alerts you that your headquarters is being invaded (broken into). Some neighbors also record the intruders on their HD (high Definition) *SmartPhones. You are grateful, for fellow TechMaStars who study very hard technology studies & create valuable tech that helps make the World a safer place! The videos reveal you are attacked by evil (evil) space alien robots called the MonStaRoBots aka NegaTrons! My transforming robots are called *ALLStaRobots, & have 2 divisions: the good StarsTechs *ALLStaRobots vs the evil MonSTARobots, they remind you of 1980's robot toys like Gobots, Shogun Warriors (toybots), StarWarriors, & Transformers! The MonStarobots are led by their leader from whom their team is named - the infamous MonStarBot, he hates fleshing humans & alien creatures. MonStarBot says, "Only technically advanced robots should exist and all flesh creatures should be wiped out of the YOUiverse. He reminds you of Ironhide in the Transformers 1st motion BlockBu\$tar movie who calls humans a primitive & violent race, to which Optimus Prime, one of the most famous TOYRobots of all time responds that humans are a young species & have much to learn. In similar fashion, the MonStarBots are billions of years old just like Transformers robot race. The good PosiTrons team, led by SuperHeroBot & his robot wife UltraBot, quickly respond & defeat them with the new, advanced tech weapons upgrades you invented called TechBooStar Packs! You now resemble heavy tech-suit SuperHeroes ex. Marvel War Machine, Ironman Hulk Buster, & Power Master Optimus Prime. For LevelingUp your skin turns silver-chrome (mirror) like a futuristic, advanced hi-tech robot with computer chip lines on your face in a W shape (like in FAN FAV *GlowBall* futuristic tech arts of Cyberpunk cyborgs & robots), including a tech bindi (StarDot on forehead like Marvel Vision's infinity gem) or a micro CD/DVD, or a HD camera, or a cog bindi. Through each of the x11LifeLevels on your LifeJourney you will unlock corresponding x11 *StarColors* skin/hair/eye colors in this VideoGames YOUiverse, similar to how Marvel's Hulk/She-Hulk turn green, or Steven Universe monster forms, Ichigo goes white monster or black forms, or DBZ Goku changes Super Saiyan SSJN hair colors, & Naruto sage jinchuiki titan modes. When you get angry on this level & tap into your INNER RAGING GOODMonStarSide (sort of a lil like Marvel's Hulk) you can transform into shiny silver chrome GOODMonStar Robots! Remember you are in a hi-tech *limitless VideoGames YOUiverse (universe) where anything is possible also in this YOUiverse you have the option to change your avatar VideoGames character's skins (aka costumes) into many x1000's downloadable choices (like in FAN FAV VideoGames Minecraft, Roblox, or Fortnite. This fun feature is also a METAPHOR for Multiculturalism (Anti-Racism), -the LOVE FOR ALLpersons, regardless of *SkinColors*, nationalities & beliefs) to help destroy RACISM & HATE EVILLenergies!

Writer's note: I LOVE TECH IMENSLEY so Level1 (Lv1) honors TECH, TECH MAKERS/COMPANIES of my FAV ADVANCED TECHS, ex. my HP/Lenova Yoga laptops & softwares ex MS Office/Adobe PS suite [used to make my books], *SmartPhones ex. Samsung Notes/Fold, HDTV's ex. LG Dolby THX (with 5.1 Surround Sound & Sub), PS/Xbox, & toy bots (Transformers, Gobots, Starriors, Astroboy) inspired my SuperHeroBots & love of ADVANCED FUTURE TECH!!! Lv1 also reps human power of imagination over robots A.I., as I believe I have created the greatest #1 ToyStory of all time with YOU the readers as the #1 SuperHeroes of all time, & even the most advanced robot A.I.'s can't come close to creating such a powerful story even with their immense computing power! Lv1 reps FUTURE real-life alive robots!

The 2nd is a combining robot inspired by Voltron(Force SuperForce) Defender of the Universe 1984 cartoon. →

CYBER WARS: NEWEST WARS – Lv1 reps future ROBOT WARS but also modern TECH CYBER WARS – with NEWEST type of metaphoric monstas – called "Internet(Tech) TROLLS." These dorks attack even kids on social media so be careful online & will attack me/book/busi online too with FakeNews/viruses/hackers, its TechAge problems.

LevelingUp [REWARDS]: Congrat's, you LevelUp to a TechMaStar with TechForce & unlock your 1st *StarsTech 1.0 *PowerSuit like Ironman & Batman (see art →)! On your WorkForce desk are blueprint plans called "5.0 Legendary Design: SuperRobot *TECHFORCE: SuperRobots OF THE FUTURE YOUNIVERSE!" It has specs for x11 *colorfull robots to combine into one LARGE robot. [Auhor's Note: this is my TRIBUTE to 1980's Transformers giant combiners robots, 80's Shogun Warriors GUARDIANS OF THE UNIVERSE robot ComicBooks, & similar VOLTRON-FORCE SuperFORCE DEFENDER OF THE UNIVERSE 80's toys & modern reboots *cartoons* for decades!] One design is for an ultimate, hyper-evolved robot called RomTron, it is similar to **JLU (Justic League Unlimited) cartoon's Amazo** who rapidly evolves into an all-powerful robot as it travels the universe in search of life meaning & learns all sorts of advanced alien sciences while gaining superior powers. RomTron suddenly shows up in a burst of light, unlike Amazo's golden body, RomTron has a shiny, metallic chrome mirror body (slightly silver tech color) & tells you exciting stories of the billions of alien STARSpecies & worlds he has seen & tells you to get out of your house to explore your YOUNIVERSE too as there are so many wonderful things to see & learn! He projects slideshow images of them all. On your WorkForce desk drawer are also specs entitled 6.0 SilverStar *StarShips with all sorts of awesome bright shiny chrome *StarShips designs to explore our entire YOUNIVERSE (including unique [toys] Lv11.0 BlackStar black stealth StarShips with micro StarLights)! You reflect how our Ancient Ancestors* (AA) walked barefoot for x1,000's years, before socks/shoes, horseriders, ships, cars, trains, planes, jets, space shuttles (past century), to satellites to explore our SolarSystem. [Writer's note: in my TOYuniverse I have (a mashup of Star Wars x Star Trek x VOLTRON-FORCE SuperForce x Sentailetex) advanced toy *StarShips & aliens!!! Similar to Star Wars Padawans in Jedi Academy (novels) who make own light sabers & space speeders like Anakin Skywalker, in this book's TOY YOUNIVERSE *STARSchools you STARStudents create your own *PowerSwords & *StarShips. Also similar to Star Wars/Trek shows & *cartoons*, kids learn very advanced technologies, engineering, & futuristic sciences like making STARStations (aka LIFEStations which are space stations like Star Wars Death Stars but are the bases of the good guys instead) & terraform (make planets into earth-like oxygen air) planets so we can live on other worlds as we explore the YOUNIVERSE!

SuperRobot *TECHFORCE: SuperRobots OF THE FUTURE YOUNIVERSE!

TECH 101: NEWAGE OF 1% BILLIONAIRE\$ - MY GOALL TO BE #1

AUHTOR'S NOTES: #1. LifeLevel1 is dedicated to TECHNOLOGY (TECH) & BUSINESS #2. Lv1 reps to keep in mind the fact 8Billion people are ALL just trying to make \$ to feed families & Survive. Lv1 also reps WorkForce jobs we use to make \$ #3. Writer *JayMundi was a BUSINE\$\$ TECHNOLOGY Teacher for 15yrs. #3. The same 21st TECH OFFICE skills used to make these books were self-taught through practice & YouTube videos in my own time evenings at coffee shops/libraries for years, & then taught to my STARStudents, to help them build an arsenal of WorkForce Business-Tech life skills & for job resumes! Writer *JayMundi lost 1/3rd (33%) approx. of his left ear hearing disability (& developed Gernphobia & O.C.D.) due to job stress in his 1st years teaching while convincing his TECH-NO STARStudents (& ANTI-TECH dinosaur parents & staff) they need to learn modern Business-Tech skills, & so I got my STARStudents a computer lab, as I pointed out NEW JOBS in the NEW business tech economy are TECH BASED especially FUTURE JOBS, & NOW NEW ERA *GlowBall HUNDREDS BILLION\$ DOLLARS TECH BUSINESSES IN 2020's! I got x18 old computers (ex. had CD-roms), for overcrowded classes (30+ students), so kids shared computers at 2-to-1 ratio! Kids stressed for years these old techs were too slow & many BURNED OUT. A few, LIL'MonStars sabotage tech (books, desks, equipment, graffiti washrooms with profanity, etc) & cost schools \$1,000's annually. After x10yrs of job stress I burned out & lost all my left ear hearing & now live forever in fear of going totally deaf, so please be kind to teachers & don't be all WORK, WORK, WORK but also relax & recharge, PLAY, PLAY, PLAY! In few decades, kids will have computers, robotics & tech (videogame) coding classes in most schools. Writer *JayMundi*'s StarPowers vs Celebrity "star-power" 101:

There is a guest speaker today, MiStar Mundi aka *JayMundi* Writer of this book & *EducationAll SuperHeroes YOUiverse who makes guest appearances in ALL his TOYstories similar to how Stan Lee one of the Legendary Creators of Marvel Universe makes cameos in most events BlockBuStar movies & ComicBooks intros. [Auhor's note: I would be far too busy in real-life to do small class visits & most events/interviews, etc as I would be too busy micro-managing making my Disney-like umbrella toy-media empire, as my toyline is designed to be many awesome toylines *ALLinONE* product, for example Disney bought Star Wars & Marvel Universes a decade ago when they correctly identified a major change in modern *GlowBall* audiences shifted to a NEW AGE OF BILLION-DOLLAR SUPERHEROES!!! My toyline however is like a combo mash-up of many toys too ex. BlockBuStar toys Transformers-like transforming robots called *ALLStarRobots, Star Wars Force vs my StarForces x Star Trek vs my YOUiverseForce that explores the universe x, VOLTRON-Force SuperForce/Power Rangers like annual kids shows x, like Harry Potter \$38 Billion witchcraft school franchise but I have cosmic *STARWizards & NEW UniverseWizards x, elementary versions (like Super Hero Squad), Toddler versions like Sesame street/Muppets, Marvel Studios like annual BlockBuStar movies, & VideoGames dept, & similar International mass-merchandise lines. Note most of the Star Wars Force \$50 BILLION TOYempire is from merchandise & toys, not books or movies. As an International product - across ALL continents to 5 BILLION FANS ex. Asia, India, Africa, etc I will be too busy dealing with *GlowBall* companies: partners, movies, shows, merchandise, toy factories, stores, & staffs. I am at least x11times greater than Star Wars, as I have x11 REAL-LIFE FORCES & SCIENCES!!! Star Wars is a \$50 BILLION ToyStory over x5 decades, & Harry Potter is a \$38 Billion ToyEmpire but over x2decades, so each year costs me at least over \$1 BILLION, monthly \$100 million, daily \$3 million, SO I HAVE LITTLE TIME TO WASTE especially due to health limits (working out for hours weekly to avoid going totally deaf) & recharge time vacations hanging out with friends & my future kids! SO I also lost BILLIONS in past decade waiting for my health & book sales to start which made me go more dark & depressed! SO think of investing not just in these collector ComicBooks but also in my future TOY universe!!! ALSO note I do expect HATE from various *GlowBall* racists & other HATE GROUPS, who are the opposite of my book's LOVE THEME, & some haters will BAN my books like Harry Potter (HP) Books at some schools, but HP is still a \$38 BILLION ToyStory, & SO instead I BAN ALL HATE GROUPS! My TOY product is LOVE for ALLpersuns (people), regardless of SKINcolors, backgrounds, or beliefs.

Tattoo REALL ART of my StarPowers YOUiverse

Jay is teaching a PowerForce 101 YOUiversity MaStarClass lesson (lesson) in his *STARTheory, to help StarPowerKids unlock x11 inner StarPowers TechForce, healthy nutrition, healthy body fitness, education, POWERofLOVE, etc. Jay says, "In my NEWSscience called STARScience WE are ALL made of *COLORFULL STARPOWERS, not lame-sucky OLDscience-StarDust! MiStar Mundi, a.k.a *Commander StarForces educates all kids to use their Highest Order Thinking Skills (H.O.T.S.) to realize top STARDUM CELEBRITIES are not the only "STARS" with their "STAR-POWER", & that elite sports players are not the only "all-stars", but see WE ARE *ALL Stars*... *ALL Stars* with the StarPowers to MaStar or MonStar our lives!!! AWAKEN to see that YOU have the STARPOWERS to SAVE the YOUiverse, thus this TOY universe is called YOU-iverse! ALL kids are called STARStudents, as they all have YOUUnique (unique) individual gifts of *Diversity & interests to share with the world & YOUiverse. *STARSchools state all STARStudents have YOUiversALL rights (to a *complete *Education* & YOUiversity).

PowerBoy says, "Isn't your StarForces just a fancier copy of Star Wars The Force?!" Writer *JayMundi* replies, "NO WAY, my StarForces are only a very little bit similar to the Star Wars The Force, as my x11 STARFORCES are much hotter, for example:

#1. My FORCE NAME StarForces is hotter than Star Wars The Force! #2. My TEAM NAMES are hotter than Jedi vs Sith, as MaStars vs MonStars are action VERBS to MaStar-Life or MonStar-Life & become lil'MonStars & end in PriSun (prison) as teens or adults! My words are a very fun play on words. #3. My x11StarMaStars vs x11STARMonStars are also hotter than Jedi-masters vs Sith-Masters. #4. My CHARACTER NAMES are hotter, meaningful, & are all fun STAR based ex: TechMaStar, PowerMaStar, MonStarBuStar (like Ghost Busters), SpeedStars, etc. Rather than Rey Palpatine, Kylo Ren, Luke Skywalker & Yoda. #5. My StarForces are composed of x11 REAL-LIFE Forces, ex. healthy nutrition, healthy exercise for body health, education, POWERofLOVE, & taking ACTION for *ALL Stars* YOUiverse PEACE (Multiculturalism metaphor), etc. WHILE Star Wars is a very exciting fun, BUT fictional force & some internet fans divide it into x4forces (physical, living, cosmic, undying). #6. I am REAL-LIFE *StarWars* (WAR OF STARS) vs celebrity "stars" & their "star-power" definitions vs my *ALL Stars* definition referring to us ALL as stars! #7. THIS LIST IS NOT A DIS AS I CELEBRATE George Lucas & x100's of *colorfull *GlowBall* TOYstories Universes on LifeLevel 11 that inspired me or I wouldn't have created my SuperHeroes *ALL Stars* YOUiverse books! I was inspired 1st by 80's: 1981 BlackStar toon x Care Bears x 1980's DC StarFire x VOLTRON-Force SuperForce x Green Lantern vs Yellow Sinestro x later 1991's All-powerfull Thanos Infinity Gauntlet x6 Saga, Gobots & Transformers 1984-6 & 1986 movie inspired my *ALLStarRobots, & 1987 Headmasters & Power Masters toys inspired my HeadMaStars & lv2. On level 11 I celebrate & have you research many FUN TOYFORCES & TOYPOWERS that inspired me, not just Jedi-masters! They also helped UNLOCK MY *LIMITLESS POWER OF IMAGINATION - my level2 theme & help make this #1ToyStory of ALL time?!

#1BUSINESS\$ & #1ToyStory OF ALL TIME? POWER-Bomb* CHART (VAST POWER-difference vs ALL competition):

#1.) YOU save the YOUiverse to be #1 SuperHeroes in my YOUiverse, not aliens ex-Superman/Goku/skywalker, #2.) My YOUiverse PEACE story is MultiCulturalism metaphor! #3.) My YOUiverse NEWSscience says WE are ALL *ALL Stars* & are made of StarPowers not lame OLDSciences-Universes & StarDust. #4.) I got x11 "real-life" forces that rep my NEWAGE UltraHeroes vs just fun-fictional SuperHeroes TOYForces ex-Star Wars Force #5.) Many AWARD potentials for my *ColorsCode system as Anti-Racism, Anti-Colonialism, & anti-hate code! #6.) My "real-life" biography living with VERY VIOLENT, fat, drunk father to be FUTURE #1ToyStory & #1BUSINESS\$. #7.) *SEE INTRO 2pages of FULL POWER PITCH & x11 GAMECHANGERS! = *JayMundi* as funnest #1 *THEORIST, #1 *INVENTOR, #1ToyStory, & #1BUSINESS\$ of ALL time?! [Lv2 POWER reps my POWER-Bomb* GOALL to be #1ToyStory, & #1BUSINESS\$ OF ALL TIME!!!]

JayMundi JM StarPowers AuRa LOGO

PowerBoy lists his Top11 *GlowBall* SuperHeroes: 1. YOU StarWarrior (SW) (insert name) 2. DBZ Son Goku, 3. PS God of War Kratos (#1 hit game for decades), 4. DCvsMK Mortal Kombat Rayden toys vs Superman, 5. Wonder Woman, 6. Harry Potter, 7. SF Ryu (vs Akuma vs Asura Wrath), 8. Marvel's Hulk, 9. Naruto, 10. Ichigo & 11. FF Final Fantasy's Cloud, Zac, & Tifa. You notice *GlowBall* teens modern Top11 lists include NewAge 90's VideoGames & AsianAnime SuperHeroes, as now our modern tech streaming videos World (ex. YouTube, Netflix, Crunchyroll, etc) has introduced *GlowBall* SuperHeroes. Jay informs he has a hearing disability & lost his left ear hearing & lives in fear of going deaf & resulted in germaphobia - fear of germs & frequent face washing. My book's origins are from VERY DARK TRAUMA of growing up with a very abusive, uneducated, drunk father. My father was my 1st METAPHORICAL MONSTAR! The StarPowers PoweringUp AuRa (LightShine glow) LOGO is like FAN FAV AsianAnimes POWERUPS like FAN FAV Naruto Sage modes fire AuRa & DBZ Son Goku Super Saiyan Ascensions AuRa PowerUp poses BUT was also modeled after Michael Jordan's (MJ) JUMPMAN ICONIC LOGO is in his image, & so this logo is in the image of *JayMundi* (JM) at a muscular, SuperHeroes-like 230lbs adult when I easily stopped my drunk FatherMonStar from beating up myself, my MomStar & lil BroStar! 1981 John BlackStar muscles toys led to me creating my BrownStar hero & 1st LOGO designs! Despite growing up with a violent drunken father MonStar, writer/artist *JayMundi* was able to MaStar his life to obtain 2degrees & 3rd a Masters with almost perfect GPA while working fulltime as a highschool teacher! Logo also reps my x11 REAL-LIFE FORCES & StarPowers - same StarPowers in writer *JayMundi* (used to Rise&Shine in time) to make this book, is in ALL of YOU as fellow *ALL Stars*!!! Logo reps hard WorkForce hours I used to study x100's SuperHeroes\$ Univer\$e\$ in elementary completing my GOAL of being #1 TOY YOUiverse of ALL time & #1 BIG BUSINESS\$ of ALL time as I am a lame, sucky universe *Destroyer* with my NEW STARSciences YOUiverse - as I make YOU the #1 SuperHeroes of all time (as the strongest, smartest, fastest, SuperHeroes etc) in my YOUiverse by saving the YOUiverse! (LOGO reps my 1st page full pitch & surprise book ending LOGO!). The JM logo, like the MJ logo, also reps YOU & black shadows we ALL have & #BLM (Black Lives Matter) as writer JM is brown. After studying SuperHero\$ Univer\$e\$ & VideoGames, the children work on coding VideoGames as part of modern, 21st Century *STARSchool Tech studies!

In this lesson (lesson), you also study SuperHeroes & VideoGames. You think what an exciting lesson. You learn the SuperHeroes business is big business as the VideoGames market is over \$200BILLION (larger than Hollywood & music industries combined) with FAN FAV gaming consoles, VR (Virtual Reality) headsets, *SmartPhone & tablet apps games. PowerMaStar notes modern SuperHeroes now include novels (ex. Harry Potter) & VideoGames SuperHeroes, ex. StreetFighters' Ryu (in Marvel game). Jay has the class research different FAN FAV *GlowBall* SuperHeroes & VideoGames. He points out graphics have evolved from basic 1bit, to modern 4k, to near future VR (Virtual Reality) better-than-life gaming graphics in a few decades. Jay notes average VideoGamers spend hours weekly gaming, & as graphics increase in future decades more STARStudents will become screen addicts & will require learning BALANCE with school studies.

For the FUN class project you research (Google/YouTube, etc) modern TEEN VideoGames HOME COLLECTIONS in our DIGITAL WORLD most homes have decades of generational VideoGames collections we pass on to our kids. List at least x11 TEEN VideoGames from different consoles ex. PlayStation, Xbox, Online ex. Fortnite, App games, etc:

You travel to EARTH, & attend *ComicCons along with over x100,000 SuperHeroists (*GlowBall* SuperHeroes fans) at sold-out events. Even Hollywood BlockBuStar CELEBRITY STARS attend panels at *ComicCons to market upcoming BlockBuStar SuperHeroes movies! The StarPowerKids shout, "We are not stardust, we are POWER ...STARPOWERS!!! WE are the most *powerful* of *ALL Stars*! They remind you of power superheroes & toys ex TF PowerMasters, DC Power Girl vs Marvel's Power Man, & the 1st powerful & very muscular superhero toys 1981 John BlackStar's Power-Sword! You realize ALL have the Power of *LIMITLESS IMAGINATION, but kids tend to be far more imaginative than adults. *PowerGirl says, "ALL are made not of StarDust but POWER ... STARPOWERS, & all grow up into teen *PowerKids - *PowerBoys & PowerGirls! Your *SmartPhone alerts the city is under attack by x1000's of SuperVillains, who overtake local adult SuperHeroes. All the TEEN SuperHeroes called StarPowerKids & *PowerKids (ex. *PowerBoy*, *PowerGirl, StarPowerGirl, StarPowerBoy), including x100's (hundreds) from various *GlowBall* *STARSchools, go to help using their StarPowers gifts, similar to *GlowBall* teen sidekicks & elementary SuperHeroes (ex. DBZ kid Gohan & Goku). Some use advanced technology weapons, PowerSuits, ice, transform into GOODMonStars (like Hulk, Naruto, Ichigo), speed, superstrength, animal powers, grow titanic or tiny, use earth elements attacks, transform into dragons, fire attacks, magical spells like good *STARWizards ex. Harry Potter & Marvel's Scarlet Witch/Dr. Strange, pink-flame powerful Womwen SuperHeroes, & they all resemble kid versions of x100's of *GlowBall* adult SuperHeroes.

[Lv2 POWER-theme inspired in elementary by my POWER-goal to be #1BUSINESS & 1981 John BlackStar's Power-Sword, Transformers TF POWER-MASTERS, Marvel Power Man Luke Cage (1972), & DC Power Girl 1976 (my Birth-year!) & BUT I refer to ALL teens as PowerGirls & *PowerBoys as WE are not stardust BUT we are StarPOWERS! I hope to replace powerless term TEENAGERS with my empowering term *PowerKids! My book is not just fake SUPER-POWERS BUT ARE x11 REAL-LIFE sciences & StarPOWERS! Lv2 Purple color & *limitless imagination-theme was inspired by 1979 DC Wonder Twins alien kids/siblings bro & sis who transform into *limitless animals & water forms. They 1st inspired my POWER-theme with their POWER-POSE AURA fist bump & said POWERINGUP-PHRASE "Wonder Twin POWERS activate" & had brown skin like me.]

The *PowerKids declare "WE are the most POWERFUL *REAL-LIFE* UltraHeroes of ALL time in the YOUUniverse, (not DBZ Sun-Goku, Superman, Hulk, Saitama, etc) but we will train you to unlock, harness, & MaStar your true StarPowers to become the most *powerful #1* UltraHero in the YOUUniverse!!

POWER 101 - TRUE PATH 2 POWER: YOUUniversity MaStarClass Xam #2: To help conquer your YOUUniverse ALL childhood fear of ALLMonStars, have fun using your POWER OF IMAGINATION to draw yourself as the #1 most powerful *REAL-LIFE #1* UltraHero (not space ALIENS like DBZ Sun-Goku, Superman, Skywalker, etc) destroying MonStars like in SuperHeroes Universe\$ (ex. DC, TF, SW, DBZ, Marvel Universes)! [Draw on tablet or sketchbook. Start with stick figures then draw body forms. I have always found it convenient to sketch for fun, & distress on my old palm pilot devices & modern Samsung Fold/Note *SmartPhones with built-in hi-tech stylus pens. In time I leveled up from stick person drawings -LOL-] Note since this is a VideoGames YOUUniverse unlike most major TOYUniverse, so you will be travelling to all sorts of FUN, AWESOME UNIVERSES, for ex. some universes are made of water, or goo rather than empty space like in our black universe. SO you too can unlock & increase your *LIMITLESS IMAGINATIONS here to make your own fun universe with fun worlds with rainbow skies or colorful aurora lights all over the globe (not just in the northern lights), red dirt (like Mars), stick persons, fun aliens & their talking alien-animal pets, white water oceans, pink suns, orange clouds with candy rain, candy houses with starfish people, fruit people, candy people (similar to Adventure Time books & fun *cartoons) fighting candy monsters with fruit/banana guns. (See my 1980's (early) elementary years art below to see my *LIMITLESS IMAGINATION used to make my 1st *ComicBooks & this book! I practiced making 1980's *GlowBall* SuperHeroes then I started to create my own characters & TOYUniverse. My character names were inspired by creative wordplay. My IMAGINATION was mostly unlocked by John BlackStar cartoon who flew into a blackhole into an "ancient alien universe" & he was friends with a purple alien magician called Mara & clone a silver skinned alien self shapeshifter. I was mainly inspired by x100's of toys ex. DC Starfire, Green Lantern, Hulk, combining robot toys ex. Transformers, Voltes & VOLTROM Force SuperForce (& other TOYForces like x4 element forces: fire, earth, wind & water)).

#1 MaStarPiece ART & *JayMundi* #1 ARTIST OF ALL TIME!!! - MY BOOK IS MY ART MaStarPiece! It is the #1 ART OF ALL time as my art connects YOU to the POWER of my YOUUniverse! Duh Vinci's code & Pricelless Moana Lisa so called #1 art doesn't compare to me, my *JayMundi* *ColorsCode: Multiculturalism, Anti-Racism, AntiColorism - I am on a COMPLETELY DIFFERENT POWER LEVEL!!! Don't grow up to be a DORK & just believe what your lame, sucky school books tell you to believe. You also can't compare me to other kids author's like JKR's \$30BILLION Harry Potter plain-BIGBOOK novels franchise which has no art!

StarPowerKids unlock new, upgraded PowerTechs PowerBoost 2.0 *PowerSwords & PowerSuits (made of advanced nanotech) with *limitless transformations powered by users *limitless IMAGINATIONS (like newer modern rebooted [updated] versions of DC Cyborg, Blue Beetle, Green Lanterns & Jenny Xj-9), which overpower the SuperVillains.

PowerLevels!
StarPowers
11 BILLION

You use your power training to start PoweringUp like in anime DBZ Goku & Naruto, etc! The evil SuperVillains state, "Their PowerLevel keeps rizing. I am reading a StarPowers level readout of over 11 thousand... no wait its 11 MILLION... NO its wrong... its still RISING ... my DarkLord its now 11 BILLION!!!" Another villain says its not wrong, all these StarPowerKids have unbelievable StarPowers PowerLevels! They are no ordinary kids - they are POWERMASTAR STARWARRIORS! The kids RAGE out & transform into all sorts of GOODMonStars & beat up the bad guys & the night sky lights up like *colorful! *FireWorks & a laser light show dance floor. Your team saved the day! All large *PowerSwords in this YOUUniverse (are similar to all-powerful Marvel's Silver Surfer's Infinity Sword in Superhero Squad kids show) & they have A.I.'s that say positive praises like "WOW! You are awesome, that was 999 bad guys slayed, way to go young MaStarBlaStar!"

Lv2 is 99.9% VERY DARK-POWER origin from *JayMundi* age 3-5 NEED to gain real-life POWER to STOP my DRUNK FATHER from beating up my lil BroStar, MomStar, & me!! I still have x2 dada bite marks on my leg (ages) & arm (teen/YA years). This led to my LIFE-LONG-LOVE of *GlowBall* SuperHeroes, GOODMonStars vs BADMonStars, & VideoGames. My POWERSide tattoos rep my YOUUniverse, LOVE of REALL ART & some mistake my neck choker tattoo BUT it is my BlackHole MunStar's Sun POWER & reps my father -my 1st MunStar! My leg bite led to my next Lv3 MonStar term as monsters legends of 1.) vampires (ex. Mayan 8,000 yr old Bat God Camazotz), & 2.) skinwalker werewolves (1st nations tribal 11,000yr old legends) BITES turn victims into MONSTERS - 3.) BUT I became a GOODMonStar (like Marvel's Hulk, Naruto & Goku & kid Gohan - ALL powered by GOODMonStar POWER! 4.) My-TOY POWER doesn't include demons/devils powers in my YOUUniverse! BUT just TOY MonStar POWER!

★LifeLevel 3: MonStarBuStar Force

You travel to Planet MonStarUs where they celebrate a festive month like our Halloween, called the **YOUuniversALL NewMonStarsMonth** (of October). ALIENS kids are dressed in fun costumes; some as FAN FAV (favorite) **SuperHeroes** & **SuperVillains** or **MonStars** (monsters)! After 1980's BILLIONS now **LOVE ALL MonStars**, but some adults never conquer their **YOUuniversALL childhood fear of darkness, shadows, imaginary MonStars**, & still can't watch scary movies! Many kids play with **SuperHeroes** toys to help conquer their fear of **ALL MonStars**. You travel the world & **YOUiverse** to meet x100's of **PoliceForces** & their top-secret **MonStarBuStar (MB) Forces** - similar to FAN FAV **Ghostbusters**, **Monster Hunter VideoGames**. In the NEWAGE of PLAYING AS **SuperVillains** - in *JayMundi's **VideoGames YOUiverse** YOU can also play as **SuperVillains** like in FAV PVP (Player vs Player) **Streetfighter/Mortal Kombat!** On ALL x11 LifeLevels you play PVP 3on3 team mixes like **Marvel vs Capcom 1-3!**

***ALLStars* MaStars vs MonStars History 101; GOODMonStars vs BADMonStars**

You meet Commander **MonStarRa**, she informs you of the ancient WAR history of ***ALLStars* MaStars vs MonStars (Masters vs Monsters)**. The **MaStars** fight the **evil (evil) MonStars EvilEmpire**. Both **MaStars** & **MonStars** are powered by **StarEnergy of *ALL Stars*** - as ALL have the same **StarPowers** to be a **FORCE for GOOD** as **GOODMonStars** (ex. **Hulk**) or **EVILL** as **BADMonStars!** **MaStars** focus on sun's natural day light, warmth & **food plant growth photosynthesis**. **MonStars** however worship the destructive power of stars as their **StarPowers STARSciences** (ex you get blind eyes if stare at sun or light, or we ***StarBurn*** if close to Sun, & stars eat stars & worlds) & some stars become **BlackHoles** the most ***powerful*** & destructive force in **YOUiverse** (the greatest metaphoric MonStars) that easily destroy puny stars, thus their name **MonStars!** Both **MaStars** & **MonStars** are wrong as stars are just giant gas fire balls! **MonStars** are also powered by their **MonStarBooks of MonStarVerses (MonStar-Verses)** of **EVILLenergies** like: **HATE, bullying, racism, colorism, sexism, deception (lies), & destruction**. The **MonStars** also **FORCE** others to convert to their **MonStarReligion** but ALL have **FREEDOM** to choose! [My red vs blue logos were inspired by 80's **Transformers TF Autobots logo vs Decepticons**].

GOODMonStarSIDE 101: THE INNER WAR WITHIN. Like **Star Wars, Jedi vs Sith SPACEReligions (TOYreligions)**, the **MaStars** are part of a space alien ***STARReligion vs MonStarReligion** - who worship **ALL MonStars** & practice life sacrifices (like virgin sacrifices to space **MonStars** in **X-Star** stances like **13,000 yrs of Hoomun dark history ex Clash of Titans & King Kong movie trailers with torture X-shape boards**. They also do baby sacrifices like in FAN FAV **Ghostbusters** & **Marvel Thanos sacrifices his daughter Gamora for Soul Stone in Avengers Infinity Wars #1 BlockBuStar movies**. The **StarForces** is a continuum, & we ALL as ***ALL Stars*** have the **POWER ... StarPowers** to become **MaStars** or **MonStars** in **LIFE** at any time (in this ***STARTheory***). The study of how persons become successful & **MaStarLife** is called **MaStarology STARevolution vs MonStarology EVILLution** - the study of how persons become metaphoric (symbolic) **MonStars (monsters)** in life & get psychologically diagnosed as mentally **ILL (Ev-ILL = Evil)** Psychopaths, Sociopaths, ex. **Hanibal Cannibal, Gacy, etc** (*this is not demon-possession). **Star Wars - The Force - master Yoda said there is no return once you go down dark side (of Star Wars - The Force)**, BUT in this **YOUiverse** it is a continuum, meaning all are tainted by some degree by **DARKNESS** (ex lil elementary kids being mean to siblings, parents, or classmates) & **DARK THOUGHTS** like **DEPRESSION**, but rather then forever being lost to the **DarkSide** (& get evil yellow Sith eyes) they can instead learn to recognize & **CONTROL** these dark thoughts, & work to **MaStar themselves**, **MaStarLife**, & use your **GOODMonStarSIDE** (like **HULK & GOKU, NARUTO**) to protect ***ALL Stars*** **TOYstories** have their own dark side sciences, ex **Bleach anime** has white skeleton monsters called **hollows**, **Streetfighter Ryu** has **INNER Dark Hado (Satsui no Hado)** that **Thanos uses vs Lady Death** & says it has conquered gods & demons (in **Capcom vs Marvel Infinite crossover**), **Silver Surfer** becomes ultimate **DARK Surfer** with **Infinity gems** to destroy & rule all universe (in **SuperHero Squad kids cartoons (games)** & **Star Wars** has **INNER Light vs Dark Side of the Force** BUT we have **INNER *LightSide MaStarSide (aka BrightSide) vs MonStarSide DarkSide (on level3) aka DorkSide (ignorance - no/mis-education) of the StarForces**. [The **MonStarSide MonStars** are not religious demons but are instead **SPACE Mon-STARs**, lil like **Star Wars Sith & DBZ Goku's Saiyans**. More explained in **FUTURE** levels & books, just like **Star Wars books/movies**.] **MonStars** worship the blue light as most powerful force in universe like **DC GL Green Lanterns** believe green light is strongest force (in **BlockBuStar movie intro!**) in my **VideoGames** you can play as 100's of heroes or **MonStars**.

The **x11 *StarMaStars (HeadMaStars)** fight evil **x11 STARMonStars (HeadMonStars)** who gain **BLUE SKIN** & wear costumes with **DUAL M/W-shaped**: fangs/body-spikes/ears/but not demon head-horns (note: **Star Wars Sith evil aliens gain EVILL YELLOW EYES**). [Writer's note my **LOGOS & HeadMaStars** term was inspired by robot transformers 1980's logos & **HeadMaStars**. Blue color is a metaphor for 99.9% **COLD Universe Power** & being **COLD HEARTED**, ex. no laughing, no fun, lifeless vs being **WARM HEARTED, LOVING, & caring - HAVING A HEART!** In history classes you learn of 13,000 yrs of **GOOD VS EVILL** codes & all the horrible things some of our bad **Ancestors** did even up to just a 100years ago in **WW1&2**, & the unjust, primitive laws they had till our **NEW International LAWS** after **World War WW1&2!**

CRIMINAL JUSTICE & NEWAGE LAWS 101: **MonStarRa** teaches a **MonStarBuStar 101 YOUiversity MaStarClass** in new modern **LAWS** (ex. e-laws as **NewAge** of cybercrime has rapidly grown due to our modern **Tech Age** ex ***SmartPhones/emails-text frauds**). **MonStarRa** mocks, "Do you ***PowerKids** even **KNOW THE LAWS OR YOUR RIGHTS** you lil dumbasses? Then what do you learn in school? HA HA HA! Did you know in the **NewAge of GANG-STAR\$ & Gang War\$ CRIME** business has exploded into **BILLIONS** of **DOLLAR\$** & many teens get lured into the **GANGSTARs** lifestyles ***GlowBally** but also die young in **GANGWARS TURFWARS** - just like in those famous ***GlowBall**, **BlockBuStar GANGSTAR** movies! So stay away from drugs. [In BC, Canada we have legalized **Marijuana** drug use. SO author *JayMundi's **REAL-LIFE GangStars & lil MonStars** metaphor are warnings vs **REAL-LIFE POLICEFORCES!**"] She teaches **StarPowerKids** not to go down the **MonStarSide (darkside)** of the **StarForces**, & turn into **lil MonStars** through **EVILLenergies**, that could make them into **TEEN/ADULT CRIMINALS** & end up in **Prison (prison)**. Internet ***SuperFans** say **Star Wars - Force binds universe through x4Forces: Physical, Cosmic, etc**, BUT **StarForces** has **x11FORCES** connecting us to **YOUiverse**, ex. 1. **TechMaStar**, 2. **PowerMaStar**, 3. **MonStarBuStar**, etc.

NEWAGE of GOODMonStars!!!: WE NOW LOVE MONSTARS & PLAYING AS SuperVillains & BADMonStars!!!:

MonStarRa informs, we respectfully call both our family & friends simply as **FAM!** **MonStarRa's MonStarBuStars FAM** transform into **GOODMonStars** of ***ALL Colors***, similar to **Hulk, DBZ Goku Azaru & Naruto Jinchuriki TITAN monstars, Steven Universe & Connie Maheswaran many arms forms, Ben10 Kevin11 forms, Bleach's Ichigo forms, Blade, & Mystique (with skulls outfit)**. You meet **GOODMonStars**, ex **MonStarForce, MonStarHuntStar, MonStarMan, MonStarWowman, etc**. You meet a funny group called **MonStarFAM**, lil like top **GOODMonStars** comedies **FAN FAV Munsters** [which also led to my term **MonStars**] & **Hotel Transylvania (BlockBuStar movies & cartoons)**. Lv3 reps IN **NEWAGE WE LOVE GOODMonStars** & cosplaying & playing as **SuperVillains & BADMonStars** ex. **PVP VideoGames**, & ***GlowBall* Comicons***.

Lv3 reps ***JayMundi's LOVE OF SPACE Mon-Stars**, overcoming ALL fears (ex. kids fear **ALL MonStars**), & respect for good cops **POLICEFORCES** who risk lives to keep us safe. It also reps **COMEDY** as **LAUGHTER** is the best **MEDICINE**, so ***LIGHTENUP & LAUGH*** - so don't be **COLD-AS ICE** or **COLD HEARTED**, for ex. my **DorkSide** title LOL. [I loved to watch comedies for fun laughter energy, ex. #1 comedies past decade **Big Bang Theory, Office, (L.G.b.Q.t)** Modern Family & Ellen. I also love FAN FAV rated M toons: **Simpsons, Southpark, Rick & Morty**. Some may label me a **MonStarSun (son)** of an immigrant, uneducated, abusive, alcoholic father, & some racists/HATE groups will call writer ***JayMundi*** a **MONSTAR** for brown skin (East Indian parents origins), **THUS** my book theme is **ANTI-HATE, Anti-Racism, & Ant Colorism**. Lv3 also reps writer ***JayMundi's** learning of **NEW COPYRIGHT LAWS 1976 (is Birthdate year - prophesy power lol)** in mid-elementary years as I was creating my **SuperHero\$ Toy\$tori\$** I learned the **NEW LAWS** ex. **Copyright, I.P., Intellectual Property, Counterfeits, Knock-offs, Logo\$, etc** meant I couldn't COPY either **TOY SuperHero\$/Logos/books\$** - this anger/stressed me out (my **MonStarSide**) for decades making sure my **SuperHeroes** were legally different products, **SO I VOWED TO BE #1 SUPERHEROES/LOGOS/BU\$ine\$\$ OF ALLLLL TIME! I HATED LEARNING OF 80 yrs of SuperHero\$ LEGAL WARS** ex. **Superman vs Shazam** that lasted over a decade! My **BS** competition can't COPY ME or my **Logo\$/book\$/SuperHero\$/ or my *ColorsCode** NOW either! SO I made my **SuperHeroes** superior to ALL by making them **MY NewAge UltraHeroes** - x11 heroes based on MY x11 ***REAL-LIFE* Forces/sciences**. I also got much ***Brighter*** as a kid because of it! SO MY WARNING TO ALL TOYS COMPETITION DUMB ENOUGH to go TOE to TOE in **LEGAL WARS** with me - I do zero **Stre\$\$ - YOU ARE NO COMPETITION TO ME, I AM ON A COMPLETELY DIFFERENT POWER LEVEL THAN YOU WILL EVER BE, I WILL DESTROY YOU - I AM THE #1 *TOY\$STORY OF ALL TIME!**!!! YOU ARE MADE-UP **SuperHero\$ Superpower\$ & FICTIONAL FORCES** BUT I AM **X11 REAL-LIFE SCIENCES & POWERS ... MY X11 STARPOWERS & I AM THE NewAge UltraHeroes & *REAL-LIFE* #1 ULTRAHERO = *JayMundi**!!! Please note I pay **RESPECT** to ALL **TOY\$stories** on tv11 that inspired me for mainly 96% the 1980's.

MonStarRa trains you to **MaStar** the **WaterForce** & **MonStarBuStarForce**. **MonStarRa** the **MonStarPrincess** has a color-changing ***lightope** (lil like **Wonder Woman's lasso**) informs, "I quit my parents **MonStarKing & Queen's KingDumb** & now am a **force for good**, so don't judge a book by its cover - as a **METAPHOR** for not judging **ALL persons** on appearances, ex. now many ***GlowBall*** celebrities stars, TV/Sports/Music Stars, & writer **JM** have tattoos & piercings (that **ShineBright** like stars) of ears, nose, eyebrows, tongues, bellybuttons, or colored hairs, etc. [MonStarRa has colored hair, piercings, tattoos of stars/superheroes/MonStars & Star-terms]. This is **NEW AGE** of real-life shiniest persons as we truly **ShineBright** our **SHINY PIERCINGS FASHION** ex writer ***JayMundi*** (#1ToyStory writer of all time) & his ***StarShine** ***Diamonds** (diamonds) piercings, WE pierced ones - were negatively called **outcasts, freaks, punks, goths, emos, etc**. ***JayMundi's** tattoos rep his life story & his **ToyStory**, his tattoos ART rep his **MonStarSide** life trauma & lost ear (resulting in trapped in ultra foods & gym forever). Also, remember elementary school warnings of ***Stranger Danger*** meaning some persons may look & act nice but really have bad intentions! You should judge others based on their **HEART** - it's what's on the inside that counts! Shift focus from selfish me, me, **me2WE** - thinking about others! **ShineBright** De-light joys into others lives!!! **MonStarRa** switches topics & notifies:

***Warriors* CODE: Be *Warriors*, not WORRIERS - TRUE StarWarriors FEAR NOTHING!!!**

MonStar'sSun (Son)

[*JayMundi*] MonStar'sSun (Son) Writer's note: even I was labeled a dumb, big muscular jock/airhead/pretty boy, & some FAM thought I would never amount to much & would grow up to be an uneducated, VERY violent alcoholic MonStar like my fat father (so I call myself [*JayMundi*] the MonStar'sSun - Son) BUT instead I [*LeveledUp*] in life to be a teacher & future #1BUSINESS & #1Toy\$tory of ALL time?! I also had to grow MUSCULAR to protect my lil bro/mom/myself from being beaten up by my drunk father - so when others labeled me as a dumb jock I found it OFFENSIVE! So don't judge others. I have SCARS on my leg at age 5 when my lil fat F*** father bit me for SMASHING my fist in his face for hitting my mom & a 2nd bite as a late teen/YA I was bit again on my shoulder while protecting my mom again but at this point I was SO MUSCULAR I didn't feel any pain. SO I HATE KID & WOWMEN VIOLENCE! For ALL ETERNITY I LOCK in my HATE for my PSYCHO fat F#\$%* father (who almost killed me many times) with my CURSE WORDS - KARMA is a B**** father! My *Warriors* CODE reps overcoming my fear of my father. Be *Warriors* not (wussy) WORRIERS - as TRUE StarWarriors FEAR NOTHING."

A thief robs your friends & a police car chase turns into a battle as the criminal robbers have guns. They turn out to be SuperVillains who transform into evil MonStars forms who use their StarPowers to be a FORCE OF EVILL, but you are a FORCE FOR GOOD! You realize the world is complex. To beat the evil MonStars SuperVillains you need to overcome your elementary childhood fear of ALL MonStars!!!

YOUiversity MaStarClass me2WE Xam #3.A.: Be a MonStarBuStar & LevelUp into a legendary form by first conquering your YOUiversALL INNER childhood wussy fear of ALL MonStars. Don't worry this fear of ALL MonStars is normal & part of your LifeJourney. We have ancient stories vs ALL MonStars 13,000 yrs ago as with our 1st glowball civilizations came a fear of MonStars. For NEW Halloween called NewMonStarsMonth of October take annual x31day challenge to conquer MonStar fears by decorating homes (ex. Google homes), school spirit week, telling slumber party scary stories & watching scarier movies with FAM. Start with fun *cartoons* & animation movies (Monsters Inc/High, Munsters/Hotel Transylvania comedy shows, to SuperHeroes vs MonStars movies, to killing scarier MonStars in VideoGames as you LevelUp in life. You should have conquered your fear of ALL MonStars before highschool to not be a wussy teen & especially still traumatized adult. I have several traumatized fearful friends who still can't watch scary movies. This is a book of MonStars remember - its in the book name & writer [*JayMundi*] conquered his elementary fear of MonStars under bed, ghoulies in toilets, shadow MonStars, to instead LOVE ALL MonStars! To MaStar your life you must overcome this PRIMITIVE fear of ALL MonStars & instead enjoy kicking their butts in VideoGames. NewMonStarsMonth is led by Mr. Jack'O PumpKing head & his wife Mrs. Pumpkins, with their Pupkin, their Pup-kin & MonStarDolls. They also judge the school costume dance called the MonStarBall competition where they name 1st prize costumes MonStarKing & MonStarQueen (old Halloween MonStarMonth theme dance).

MODERN NewAge OF GOOD MonStars!!!

- UNLOCKED ULTIMATE MONSTARBUSTAR FORM: You & your MonStarBuStars team can transform into many types of *colorful* GOOD MonStars (similar to: ex. Hulk, Goku Azaru & Naruto Jinchuriki both TITANIC monstars forms with LIGHT RAY BLAST breaths, Blade, Ben10 Kevin11 forms, Steven Universe many fusions with many arms, Witcher, Gon Freeces, & Bleach's Ichigo hollow bone skeleton forms to final black aura form vs aizen) but you are not a religious demon/devil but a modern good MonStar inside. You bust all the baddies. MonStar & her GOOD MonStars are very strong like Hulk, Goku, Naruto (TITAN MonStars with big light ray breath blasts), & similarly beat ancient obsolete gods, like Marvel's Loki in #1 Avengers BlockBuStar movies! Similar to Hulk vs Loki - where Hulk EASILY defeats Loki obsolete trickster god) & grunts "puny god", MonStar vs a different ancient, obsolete magical TriXStar god, says, "I am greatest MonStarBuStar of ALL time, you lil", obsolete, TriXStar god, with your old baby & life sacrifices evil ways." She grows to x3 times his size. Her speech reminds you of 1980's BlockBuStar Ghostbusters kids PG movies & toons, who bust ghosts of ancient deities from obsolete religions that practiced dark rituals like baby, & life sacrifices! You beat them up, & grunt "JayMundi" is #1 "DESTROYER" - I destroy (universe) & "JayMundi" is #1 "UltraHero of ALL time", similar to Hulk's "SMASH", & "Hulk is strongest there is"). You arrest them with special MonStarBuStar handcuffs & take them to SuperVillains SuperMax PriSun (prison).

YOUiversity MaStarClass me2WE Xam #3.B.: Be a real MonStarBuStar & LevelUp into a DarknessDestroyer (DD) ULTIMATE form by helping spread POSITIVE energies to DESTROY EVILLenergies, ex. HATE, bullying, racism, colorism & lies. We can also ShineBright delight joy warmth into others lives by complimenting, saying thanks, apologizing, listening, donate to charities, volunteering, or sharing funny viral video/meme/jokes with FAM!

SuperHero\$ LEGAL WAR\$: MY REAL-LIFE 99.9% DARKSIDE DARKNE\$S USED TO MAKE MY BOOK\$!! - I hated criminology (legal system) as I had to study it as an mid-elementary/teen kid & got a Crim Degree (BUT it didn't include SuperHeroes Legal WAR\$ of BAD LEGAL DEALS like Superman kid creators made \$130, while corporations made MILLIONS, SO I HATE INJUSTICE laws/courts & became a Bu\$ine\$\$ Tech teacher as a result. LEGALLY speaking ...

My Mon-STAR\$ DEFINITION: 1. Is a VERB - to MaStar or MonStar your life so lil kids don't be Lil MonStars in life & end up in Prison (you can't Jedi or Sith your life). 2. origins was from my DRUNK FATHER as a METAPHORIC MONSTAR (monster) ex. at age 5 my fat F#\$%* clown dork VERY verbally/physically abusive father bit my leg & mid-elementary he bashed my moms jaw & gave her facial reconstruction - I HATE ALL VIOLENCE & KIDS/WOWMEN-VIOLENCE = MY REAL-LIFE DARKSIDE/MONSTAR\$IDE HATE FUELS MY IMMENSE POWER, & my BOOK! This led to my SuperHero\$ vs MONSTERS LOVE!!! 3. I used my last name Mundi to make my Mun-Stars originally, which shortly became MonStars inspired also by 80's Munsters, 4. I used my IMAGINATION & SuperHero\$ studies word-play, to make my creative NewAge StarTERMS ex. YOUiverse of MaStars vs MonStars, 5. My MonStars includes ALL MonStars-TYPES/SCIENCE like Monsters Inc/High toys 6. BUT DOESN'T INCLUDE RELIGIOUS DEVILS/DEMONS & POSSESSIONS, 7. but are just fun toy MonSTAR\$ from SPACE like Star Wars Sith, thus name Mon-STAR\$! 8. MONSTAR\$ (monsters) ARE NOT REAL so don't be wussies! BUT may be in our FUTURE *Evolution (ex. *StarShips Age) 9. It includes NewAge of BlockBuStar GOOD MonStars SuperHero\$ ex. Hulk, She-Hulk, Goku, Naruto, etc. 9. My MonStarologist MonStarology is metaphor for *Real-Life* GangStars-Science Forces vs Police Forces & metaphorical MonStar types. [ex. serial killers & cannibals.] 9. Our LOVE of NewAge BlockBuStar *GlowBall* GangStars Movie\$! 11. It also reps Anti Colorism & Anti Racism HATE-CODES MIS-education vs women/minorities/tattoo/pierced/colored people label as "MONSTAR\$," for ex. mis-label writer [*JayMundi*] as a MonStar'sSun (Son) for his violent, drunk father & Brown skin #BLM & my tattoos/piercings (& ex. SuckerPunch film's Babydoll dancer), BUT it was [*JayMundi*] a MonStar'sSun (Son) who wrote this #1 Toy\$tory & #1 BUSINESS\$ of ALL time & destroyed the lame OLDS\$cience Universe with his YOUiverse!!!

LevelingUp REWARDS: PoliceForce vehicles & special elite (red&blue) light up MonStarBuStar weapons like a red & blue pair of pistol laser light rapid-fire BlaStar guns, tech-suits with light up red & blue chest logo, & special red & blue super-handcuffs for containing ALL sorts of MonStars. You get a MonStarBuStar Star Badge! BUT MOST IMPORTANTLY YOU ALSO GAINED A FAM (FAMILY: of friends & family)!!! My Tattoos Art & *StarShine *DiaMunds* piercings! SUMMARY 101's: Laws 101, Criminal Justice 101, SuperHeroes vs SuperVillains 101, Good vs Evil 101, MonStarSide (DarkSide) 101, Blackholes vs *ALL Stars* 101, Ancient religions Dark Practices (ex. Baby & Life Sacrifices) 101, Conquering YOUiversALL fears of darkness & ALL MonStars 101! CHAPTER REVIEW TO StarForces BrightSide POWER: Read x11 books on this *LifeLevel to increase StarPowers: x1, x2, x3, x4, x5, x6, x7, x8, x9, x10, x11.

[Pic: above is writer *JayMundi*'s Tattoo ART as he is an ARTIST & drew ALL art in his books & digital logos! My left side eyebrow marking with *StarShine *DiaMunds* piercings & super-shiny ear clip mark my broken lost left ear hearing to my FAM (as they anger me by talking to my broken ear) - I am the opposite of me a decade ago before my lost ear as I now RAGE like HULK too easy & "I'm always angry" daily too like destructive BlackHoleSun - a metaphorical MonStar LOL I meditate to calm down daily my 99.9% DarkSide MonStarSide! Blue light color is sometimes a METAPHOR for feeling sad & BLUE as my TOY\$orie\$ TOY\$ciences originate from grumpy Carebear blue & like Star Wars evil Sith yellow eyes as space monsters but are not earth's demons, & DC Yellow Lanterns rep evil FEAR of yellow star light color spectrum (ex. BlockBuStar 2011 movie's Parallax). I use blue color to rep evil light. MonStar's blue MonStar form is NOT Hindu-Buddhist Goddess Durga's Kali blue demonlayer monster form ex. Smite Gods VideoGames' intro, or Rama Kushna from DC JLU (Justice League Unlimited) or 80-90s Mytique with skulls, instead MonStar is a GOOD MonStar Hero like Hulk, Goku, Naruto, Steven Universe forms, but MonStar is blue, & NOT a plagiarized (copy) so NO legal WAR\$! My MB's like MonStar transform into *imitess MonStarBuStar forms [see art below.] Some characters wear 5-sided Starfish shape bindi's (marks) on forehead. Many TOY characters wear bindi's ex. Infinity Gems in *cartoons* ComicBooks (ex. Marvel's Vision, Di Gata Defenders, Dr. Manhattan, Shoshumaru), so no offense to Hindu/Buddhist Indo-Asian BINDI using religions. Lv3 is not Jew 6-sided blue star hollow logo as this is not JEW\$e\$ book but fun TOY YOUiverse. [Writer JM's Criminology Degree is study of real-life criminals (metaphoric MonStars) & he has an Education Degree -studying school success, & 3rd a Masters studying both these opposite spectrums giving him a unique PRO (professional) expert background. I still do field studies of persons others label as MonStars - but you shouldn't & instead read PRO's books. I also still have some friends who I tried to help but they became alcoholics, druggies, women haters, & died in GangStar WAR\$ - so you won't be able to help everyone.

★LifeLevel 4: WorldStar's x4 ElementsForce WorldForce!

You travel to Planit TitanUs, Earth, & throughout YOUiverse to meet x100's of *GlowBall* Guardians (GG's), environment power SuperHeroes similar to FAN FAV Ninjago, Avatar Airbender & Korra, Captain Planet, Adventure Time, 1980's Battle Beasts etc. They have x4 (Earth) ElementAll Force powers such as 1. EarthForce, 2. WindForce, 3. FireForce & 4. WaterForce (some count a #5 Rock, #6 Wood, #7 Electricity), that make up the ONE WorldForce in *GlowBall* ancient Ancestors' 1st science basic elements charts. They teach to MaStar all WorldForce powers. [Writer's note: my x11 InnerLights *ShockRas StarPowers are like 20yrs of Naruto & American-made Avatar Airbender Ang/Korra *cartoons/movies Fire/Earth/Air/Water chakra benders so no offense to Chakra Hindu/Buddhist religions.] Some of the Green StarWarriors are called Elementalls & are composed of x4races: plant/wood persuns (similar to Marvel's alien Groot & my character Woody), FirePersuns vs IcePersuns who fight each other with snowballs vs fireballs (similar to Adventure Time *cartoons* Fire Princess vs Ice Wizard), WaterPersuns, SkyPersuns, & RockPersuns called *RockStars*. The *RockStars* are made of all sorts of StarStones (especially *DiaMunds*) & are billions of years old, similar to *GlowBall* TOY\$torie\$ like FAN FAV Steven Universe Crystal Gems, Star Butterfly's Rhombulus, & *GlowBall* Legends of Rock creatures, typically statues coming to life in ancient stories. *RockStars* wear StarStones accessories ex *DiaMunds* (Diamonds) necklaces. [*DiaMunds* is spelled with writer's last name Mundi]. *RockStars* value *DiaMunds* as the shiniest & most precious of all StarStones because used in NEW ERA wedding love symbol rings, & they reveal SOME of the secret LightShine *ColorsCode* found in LIMITED x7colors of rainbow RoyGhiv STARSpectrum of *StarLight*. The *DiaMunds* *RockStars* have shiny bodies & their transparent (see-through, clear) bodies break light into many tiny, *colorfull rainbows*. They remind you of new rock characters in *GlowBall* RPG Role Playing Games, books, & modern VideoGames.

You meet green aliens who remind you of strong green SuperHeroes ex FAN FAV Yoda, DBZ Piccolo, GOTG Drax the destroyer, DC Martian Manhunter strong as Superman, She-Hulk & Hulk who goes green to SMASH trickster god Loki in Avengers #1 BlockBu\$tar movie of all time & grunts, "Puny God". DC StarFire orange skin alien has UV Ultra VIOLET sunlight odd GREEN power blasts not violet or yellow-orange-red fire. DBZ Broly & Kefla both PowerUp to green hair & green light glow AuRa of Legendary *Warriors* with the power to destroy worlds! [Writer *JayMundi* loved to wear purple & green contacts lenses to Broly & Hulk out]. In DC Universe the GREEN LIGHT is strongest Force in Universe in BlockBu\$tar Green Lantern (GL) movie intro, similarly you meet alien races worshiping different colors of the StarLights STARSpectrum as the most powerful light colors in the universe. Some aliens have GREEN SUNS made of GREEN FIRE, & worship GREEN SUN GAMMA LIGHT RADIATION. As you travel the YOUiverse you also see similar planits with some green color like Earth, but some of them are mostly or entirely covered in green plant life or other plant colors.

ENVIRONMENT 101:

In your WorldStar 101 YOUiversity MaStarClass, *StarMaStar WorldStar teaches you about world GEOGRAPHY, maps, & *GlowBall* TRADE 101. MAPS are important because they helped us travel our world for x4000 years, to trade valuable foods, medicines, resources, INVENTIONS, INNOVATIONS, & IDEAS with others countries & STARTED our early civilizations process of becoming *GLOWBALL*! For 4,000 yrs maps marked destinations with X's on ancient 1st maps. You travel the YOUiverse & World (world) & see many awesome, *colorfull* parades & festivals from ALLcultures, typically celebrated in modern Multiculturalism (Anti-Racism) week festivals celebrating ALL fellow *ALLStars* ALLpersuns of ALLcultures, especially in modern 21st Century *STARSchools Multiculturalism *Education* & FUTURE (YOUiversePEACE) curriculums!

You also learn that our planet (planet) is our home & we should PLAN to take care of it for future generations, thus we call it a PLAN-IT! We can help by GOING GREEN by using the 5R's: Reduce, Recycle, Reuse, Replant, & Rechargeable batteries use!

Level6 reps GOING GREEN, to PLAN to take care of our PLANIT, thus we call it Earth a PLAN-IT (vs "planet" - the lame, sucky-OLDSscience term)!

HEALTHY NUTRITION 101: GROWceries

WorldStar teaches you healthy eating called NUTRITION aka GROWceries. She illuminates, "Some foods are called GROWceries as they help our bodies GROW healthier & are good for our eyes, skin, muscles & bones. Some healthy foods include *colorfull* fruits & vegetables, etc. Some plants have more powers than others & are called PowerPlants such as kale salad are called SuperFoods, & others are protein power packed UltraFoods [writer's self-created terms], such as beans & littlest lentils. Some foods are not very nutritious & should be eaten less called JunkFoods ex. fast food, pizza, etc. Some SoulFoods like desserts however make yummi treats. Also, try some fun NEW FusionFood from different countries, ex. samosas, fish tacos, sushi, etc. [Writer grew up on both Eastern India curry daals, curries, & star-shaped roti, & Western Canadian foods such as cakes, donuts, sandwiches, & 2D star-shaped cookies! As a kid athlete, I researched sports SuperStar diets & made me a 230lbs to 266lbs REAL-LIFE ROCK-Hard SuperHero Protect-Her to stop my drunk father from beating my Mom/Bro/Me! I ate chicken breasts, eggs, protein shakes, super supplements, & almost no bread. Some students call me, "Guns out. SUNS out Mundi"! My abusive drunk father was a teen alcoholic, so w/outout for addictions & false idols like Old Gods (OG's) Thor & Herc guzzling beer poor role models!]

Hooman FOOD *Evolution was Hunter Gatherer. LAMEFoods 400,000yrs till Fire was MaStared which allowed for yummi cooked HOTfoods, till last 6,666yrs of farming agriculture revolution which allowed Ancestors* to start 1st cities/civilizations, to modern 66yrs NewAge *GlowBall* FusionFood FUNFoods!

You travel the world & meet x100's of WARLD-Army-Force members, they are a new army that has elite members from all *GlowBall* countries. They are mostly in green earth colors camouflage, similar to classic green army men plastic toys & FAN FAV G.I.Joes vs Cobra Terrorists BlockBu\$tar TOY\$torie\$ movies. Your TOY\$torie\$ are also vs Terroarists (terrorists) similar to FAN FAV Captain America vs Red Skull & evil racist Nazi's (similar to Transformers Bumble Bee vs Nazi's). Hitler is considered the worst war criminal #1 of all time. They give you own camouflage Army tech *PowerSuit* to blend with the environment. Kids ComicBooks also have issues based on real *GlowBall* terrorist events, such as the Sept.11 attacks of the World Trade Towers, are included in many major ComicBooks ToyLines, and they show SuperHeroes & SuperVillains showing respect for the lost life & the need to build a better, *Brighter* World, without any WARS. As you study wars, you realize there are many *GlowBall* terrorists groups all over the World, from so many different groups. THROUGHOUT X1000'S OF YEARS OF RECORDED *GlowBall* Ancestors* ANCIENT ARTIFACT RECORDS HISTORY that spread HATE & WARS, BUT MOST OF THE WORLD HAS ALWAYS BEEN FULL OF MOSTLY PEACE-LOVING PERSUNS for 6,000yrs of recorded *GlowBall* histories!!! TWO OF THE MOST TERRIBLE WARS WERE THE WORLD WARS (WORLD WARS) WW#1 & WW#2. Thus we spell World Wars with the word WAR - Lest We Forget the sacrifices of our *GlowBall* Ancestors! In social studies classes you will learn & be TESTED on WARS & learn they are very complicated issues & there are many reasons for war, including for limited resources, limited food, excessive inflation prices for food, & different ideologies. These issues can spread overseas to the other side of our World, so it is important to learn *GlowBall* CURRENT EVENTS for about x11years of schooling *Education*.

TRAVEL TOURISM 101 & *GlowBall* TRADE 101:

You learn the *GlowBall* TRAVEL & TOURISM market & jobs sector is now approx. \$9 TRILLION dollar industry that employs almost a BILLION persuns (almost 1 in 10 persuns on the Planit)!!! [Writer's note: readers should grow up into model citizens as they represent their cities, provinces/states, & countries on a modern *GlowBall* scale as we are ALL connected through technology & *GlowBall* trade & tourism for 14,000yrs. Our local jobs economies (hotels, air b&b's, taxi's, buses, restaurants, trade) depend on International TOURISM & TRADE that brings in millions of dollars (city-level) to BILLIONS on a national level -which is jobs for your families & friends, so it part of your duty to destroy hate, racism, etc!!!] Similar to Earth's trade system is the YOUiverse trade system (a lil like Star Wars Trade Federation wars in the 2000's Star Wars Clone Wars & other sci-fi toons. Since we started trading products (aka goods). [Writer JM was born in B.C., Canada & my parents are from India! He has traveled to India x4 (once to see Taj Mahal symbol of love), Las Vegas x4 (teacher con & stag), Miami, Maui, Mexico, Palm Springs, Deca Cons, LA AnimeExpo'19, etc.]

Earth *Evolution: You also learn the 4.6 billion yrs color changing Earth *Evolution as a Planit ball from its initial formation with gravity along with our entire solar system at the same time 4.6 billion years ago. XAM#1: research online YouTube *EducationALL science timelapse videos of the formation of Planit Earth & our solar system & see how it has changed colors over eons

EARTH *Evolution & Extinctions chart:

EarthForces many Planit COLORS EARTH *Evolution & Extinctions chart: Planit forms, Dark Molten lava, Supercontinent#1, Ice Age Extinction Snowball #1, Flood WaterWorld, Extinction Asteroid#3, Ice Age extinction #3, Flood #3, now, FUTURE robots rule or MonStarGod awakens in core (ex. TFP Unicorn & Marvel's Tiamat)?

One day as everyone is enjoying a relaxing weekend getaway trip at local tourism hotspots, a group of troublemakers starts to make a scene and they start to throw their garbage along the beach & even into the water. WorldStar gets very angry & asks them to stop, but they transform into SuperVillains costumes & start fighting families relaxing at the beach. Your WorldForce SuperHeroes team tries to stop them, but they transform into MEGAMonStars – the size of skyscrapers, like TITAN class MonStars, ex. Godzilla, Gamera, King Kong, & Kaiju MonStars (Power Rangers, Sentai, Asian Ultraman, God Eater, Pacific Rim BlockBusters & toons). MegaMonStars include MegaSauras are over 1 BILLION years old (much older than dinosaurs & x6-66 times larger), and we just discovered their fossils bones just recently. WorldStar & her team transform into their TITAN forms BUT some transform into GOOD MegaMonStar forms too, like Steven Universe BIG fusion forms, Naruto energy fusion forms with Jinjuriki's, DBZ Azaroo, Ben10 Kevin11 WayBig/Humungosaur, DC Giganta, Long Shadow, Apache Indian, Mount Lady, Ultraman & Marvel's Ant-man, etc. Your RAGE to protect our planet & other worlds unlocks your TitanKilla form as you grow larger than skyscrapers & can battle ALIEN SPACE TITAN monsters & Earth titan monsters! This TitanKilla form is named as tribute to BlockBuster MegaMonsters movies & videogames (ex. GOD-Zilla, & 1990s King of Monsters/Monster Hunters games, BigBossBattles vs titanic sized bosses, etc) & toys. The battle is insane & causes Richter-scale level 6 science earthquakes. As earthquake sirens go off, local schools & businesses all do as they practiced in earthquake drills, before being evacuated.

GOING GREEN PLAN-IT PLANIT (planet) POWER 101:

YOUiversity MaStarClass Xam #2: For this WorldStar Xam research some ways to PLAN-IT GO GREEN! What are some things you can do to help our Planit & environment? For ex., don't leave the tap off when you are brushing your teeth, or try using a reusable water bottle (drinking bottle for school or work), etc. Research Glowball Writer's tips:

REAL-LIFE WorldForce!!! WRITER'S NOTE: WorldForce is real as we can all take steps to live a greener lifestyle & save our planet for future generations to come!!!

ALL-POWERFULL COSMIC TOYROCK SCIENCE 101:

For helping protect our planet by going green, you unlock more Earth Powers. WorldStar rewards you with a *colorful SolarSystem Planits marbles bead WorldStars necklace & marble wrist beads, a lil like x1000's of *GlowBall* colorful tribal religions beads & are similar to ToyStory power stones like all-powerfull wish granting DBZ Dragon Balls (with Shenron inside them), & Marvel's Infinity stones/gems that are also all-powerfull & give the user ultimate power over the universe (with all-powerfull Nemesis cosmic being/space goddess inside the infinity gems) but your WorldStar necklace only has powers to connect you to your WorldForce powers & SolarSystem's powers. DC Superman's most famous weakness is his own planet's rocks called green kryptonite, which is a new element not found on earth element charts.

YOU-niverse WITHIN:

WorldStar illuminates, "The healthy foods good nutrition you eat helps fuel the YOU-niverse WITHIN YOU, thus it's name YOU-niverse! You have all sorts of good microorganisms ex. good bacteria to fight the bad. Powerful foods can help in your future life battles, especially to combat some illnesses!" [WARNING: Some foods can be addicting – Writer JM *JayMundi*'s father was a teen alcoholic which turned into decades of alcoholism. Even JM is a social drinker but became an alcoholic a few times in his life & thus is no saint/guru, but a few times it was related to my left ear hearing losses DarkSide & forever fear of going totally deaf SO try & stay healthy in mind & body!]

SolarSystem STARSciences PlanitSciences (Universe)Sciences 101: BALLS BALLS BALLS *Glow-Balls* Sciences, not STARS!!!

WorldStar illuminates, "All aliens STARSspecies mistakenly believe their planets are the centre-of-the-universe (like Transformers Lockdown speech in Age of Extinction movie), also like earthlings used-to-believe-incorrectly-for-6,666yrs-the-Earth-was-a FLAT-EARTH & Earth-was-the-center-of-the-Universe-& that the universe revolves around their planets, BUT they all learn after 6,666 yrs later typically science truths that their world's are not #1. Flat, #2. The Planits in our SolarSystem are actually orbiting (revolving) around the immense gravity of the closest star (see lv4), for earthlings it is their sun. Many also learn most-of-the-stars in-the-sky ARE NOT ACTUALLY STARS but are *COLORFULL PLANITS aka *Glow-Balls* LOL (& moons) which do-not-actually shine light, & the closest ones make up their SolarSystem! Saturn & Jupiter alone have about x100 moons each! We can guess every star must have about x100 planets & moons that make up their SolarSystems too. WorldStar, aka the GalacticGreenGoddess (not-Earth-Gaia, Terra, etc) breaks into laughter, "HA HA HA, what some incorrectly-call STARSscience are actually MOSTLY PlanitSciences"!!! So many aliens & earthlings incorrectly wish upon stars at night that are actually *GlowBalls* Planits! Not much of the universe makes sense when we just observe it with our limited eye vision. Use your SolarSystem beads to remember the TRUTHS." You can now create micro planets that resemble marble bowling ball like attacks & defenses. The x11 PlanitBalls circle your back & orbit your body like a real-life micro SolarSystem! Your more nutritious diet also helps you build a healthier strong body, combined along with your level5 strength & level4 cardio trainings, & helps you to overpower the huge TitanicVillains & your team is victorious!

NEED 2 GROW, POWER!!!

[Level4 reps *Inventor* *JayMundi*'s NEED TO GROW SUPER BIG MUSCULAR BODY to stop my drunk father from beating me & my FAM (which led to my kid & teen years blues depression DarkSide trauma)! I learned puny human body doesn't GROW-BIG overnight & takes years of BODY BUILDING very hard weight training (like on Lv6) & eating LOTS OF SUPER POWERFUL HEALTHY FOODS! By mid high school I grew BIGGER, STRONGER, MUSCULAR, so I was able to easily stop my lil' Fat F*** Father from beating up my mom who was beaten so badly in mid-elementary years she required jaw reconstruction. I repeat these points so you feel my DARK POWER!

Hey *ALLStars* writer *JayMundi*'s BrightSide of his StarForces is REAL, as the more you LEARN – the *BRIGHTER* person YOU BECOME!!! Use the following BrightSide StarPowers chart to checkoff a Star for every *EducationALL* book or movie you read/watch as you become *Brighter* & *BRIGHTER*! This is different than other empty star charts, as my already full StarPowers chart illuminates YOU ALLREADY have ALL the StarPowers in you – but YOU just need to UNLOCK them by LEARNING MORE to get even *BRIGHTER*! Every school year kids read more books & the textbooks get much BIGGER, especially from elementary to highschool & to highest learning levels of University. As an Gr3-5 elementary kid I wanted to be the *BRIGHTEST*, fastest, tallest, strongest, handsomest, etc as my EGO was as ULTRAMASSIVE as the MY TOY YOUiverse! Some teachers had reading star posters & gave a star sticker for every book you read. I read through tons of books in rapid speed so I could get more stars to achieve my dream goal to be the #1 smartest & *Brightest* elementary kid in the world of ALL time! I grew *Brighter* rapidly in these few years, as I read books on ALL sorts of topics which I use as part of my unique *Education* system I now share with you to help you ALL unlock your true STARPOWERS! As an adult I still use this LifeHabit UltraSkill to read through vast amounts of websites BU\$INE\$\$ TECH info over past decades!

Use this book's ColorCoded guide to make it FUN to research my x11 REAL-LIFE FORCES & SCIENCES: #1 WorkForce \$cience: business, technology, robots, INVENTIONS, INNOVATIONS, #2 PowerForce: Power of entertaining Toy\$torie\$ SuperHero\$ Univer\$e\$, VideoGame\$, & BlockBu\$tar Movie\$, #3 Justice legal system laws vs criminals, #4 Going green (environment), healthy nutrition, tourism, trade, #5 Science, time, time MaStary, #6 Body health, animals, sports, #7 Wars history, religions wars, #8 BookPower, Education industry, & fun Majiq (magic), #9 POWERofLOVE, music, dance, fashion, #10 FUTURE ACTION x11,000yrs, x11million, x11billion yrs ex *StarShips, #11. Use the StarPowers x99% chart to Rize&Shine in time & MaStar your YOUiverse!!! Here YOU TRULY MASTAR THE YOUiverse! This book wasn't made by luck, it was made from HARD WORKFORCE HOURS (96% during my elementary/teen years) spent studying x100's SuperHero\$ Univer\$e\$ & real-life sciences to make my own NEWSciences aka STARSciences, ALL part of my *ALLStars* YOUiverse! I didn't just read lots, but I ALSO critically questioned what I was reading & destroyed the lame sucky DORK OLDSciences terms "universe" & "stardust" to make my own better YOUiverse, World, & StarPowers definitions like my STARterm *ALLStars* - the fact WE are ALL *ALLStars* with the StarPowers that YOU use to save the YOUiverse!!! Despite having an India immigrant, uneducated, very violent alcoholic father (& being labeled as a MonStar's Sun – who many said I won't amount to anything much & end up an uneducated, alcoholic like my father) instead I worked hard for countless hours in elementary years to LevelUp to become the #1BU\$INE\$\$ /Inventor/THEORIST/TOE/#1Toy\$to rie\$ of ALL time?! You will remember ME, for ALL ETERNITY, not as a saint/guru/avatar/etc but as the greatest *Destroyer* of ALL time of the 66yr-olds gen-lame DORKY OLDSciences "Universe, University, world, stardust, etc" with my hotter YOUiverse YOUiversity, World, StarPowers, BrightSide vs DorkkSide!!! So don't grow up into a DORK, & instead question Everything you learn like I did to make my NEW, HOTTER NEWSciences YOUiverse – where YOU awaken to learn YOU can save the YOUiverse! YOU have the same STARPOWERS as me - to harness & unlock in YOU through MY YOUiversity Universe *Destroyer* *Education*!!! When giving a 5STAR review, please remember 96% of this book is a RECREATION of my ComicBooks I created as an elementary/teen kid in 1980-90's! Remember to give my books 5Star reviews.
