JULY Community Update

2026

REMOVING BARRIERS TO FOOD ACCESS

Not every family can make it to a Pantry Pop-Up or pantry location. This month, we've seen a growing need for mobile home deliveries to seniors, individuals with disabilities, and families experiencing transportation challenges. By bringing food directly to those who need it most, we're ensuring that access barriers don't prevent anyone from receiving nutritious food. Sometimes, delivering hope means delivering groceries right to someone's doorstep.

Because of You...

Our pantry shelves received a much needed boost this month thanks to generous donations from individuals, businesses, and community supporters. Every canned good, every box of pasta, every donation, and every act of kindness helps ensure we're ready to serve the next family who reaches out for help. To everyone who donated food, hosted a drive, or made a financial contribution, **THANK YOU**. Your generosity keeps our mission moving forward.

Building Stronger Community Connections

July was also filled with opportunities to connect with organizations and leaders who share our passion for strengthening Central Florida. We attended several networking events, meeting with local businesses, nonprofit partners, and community leaders to explore new collaborations that will help us expand food access and reach even more families. These relationships are helping lay the foundation for an even greater impact in the months ahead.

SPREAD THE WORD

Follow us, share our posts, and help us reach more people who may need support

As summer comes to a close and families prepare for a new school year, we're reminded that the need for food assistance doesn't take a break. In fact, it's growing.

Thanks to the incredible support of our volunteers, donors, community partners, and supporters, Pantry of Purpose continues to expand our reach across Central Florida. Every month, we're seeing more families turn to us for help, and together, we're making sure they don't face those challenges alone.
