

Pantry of Purpose

APRIL COMMUNITY UPDATE

Growing, Connecting &
What's Ahead

2026

www.pantryofpurpose.org

OUT IN THE COMMUNITY 🍓

We've had the opportunity to be out in the community connecting with so many incredible individuals, organizations, and local leaders. Between attending the Lake Helen Strawberry Festival and Taste of Oviedo, we were able to share our mission, meet amazing people, and build meaningful connections with others who are passionate about supporting our communities.

These moments are so important to us because they allow us to grow our network, form new partnerships, and continue expanding the impact of Pantry of Purpose.

A BIG STEP FORWARD

We're excited to share that Pantry of Purpose has officially secured office space! This is a big step forward as we continue to grow and expand our reach. We'll be sharing more details soon, but this space will help us better organize, prepare, and support the work we're doing in the community.

Access Matters

Helping reduce food insecurity by bringing food directly to the communities we serve, removing barriers and making support easier to access for families who need it most.

Pantry of Purpose

Growing, Connecting & What's Ahead - April 2026

“Meeting communities where they are, one pantry pop-up at a time.”

- Michele Thornton Bullinger
Founder, Pantry of Purpose

BUILDING STRONG PARTNERSHIPS

We've been creating meaningful partnerships that will allow us to bring more resources directly to the communities we serve. These collaborations are helping us strengthen our mission and expand our impact in meaningful ways.

WHERE CAN YOU FIND US?

We'll be attending the Melbourne Blueberry Festival on April 18th and 19th, and we would love to see you there! It's a great opportunity to connect, share our mission, and continue growing our community.

MOBILE PANTRY POP-UPS ARE LAUNCHING

We're excited to begin scheduling our first Mobile Pantry Pop-Ups throughout the month of April. These pop-ups are at the heart of what we do, bringing essential food directly into communities in a simple, welcoming way.

Keep an eye on our website and social media for upcoming dates, locations, and details.

Thank you for being part of this journey with us. Your support and belief in this mission mean more than we can say.

- The Pantry of Purpose Team

GET INVOLVED

DONATE

Your support helps us bring food directly into communities and serve more families

VOLUNTEER

Join us at a pantry pop-up and be part of a welcoming, community-driven experience

PARTNER WITH US

Businesses and organizations can sponsor or host a pantry pop-up

SPREAD THE WORD

Follow us, share our posts, and help us reach more people who may need support
