

*Let us not grow weary in doing
good..." – Galatians 6:9*

Team Projects That Transformed Lives

We were blessed to host a missionary team from Grace Collective, a team we love and look forward to receiving every year, that helped accomplish incredible community projects:

- Nearly completed a full home for a family—walls and foundation are done, with just the roof and flooring left!
- Built a septic system for a family in need.
- Waterproofed two roofs and painted an entire home (inside and out)
- Poured a sidewalk in front of our church

Each act of service was a living testimony of God's love made visible.

Dear friends, family, and partners in the gospel,
What an incredible and full month it has been here on Stone Island! As we reflect on all that God has done, we are amazed at His faithfulness and the doors He continues to open—both in our community and in our hearts.

Conferences & Training

This month, we had the opportunity to attend and participate in several impactful conferences. Each one served as confirmation and equipping for what God is birthing here:

- A conference on Christian education affirmed our vision and gave us tools for launching a school that honors God. (More details on next page!).
- Our Misphat Comedor (Kids Kitchen) team received training on how to better work with high-risk children—vital for the precious ones we serve each week.

Efraín and I were honored to speak at a couples' conference, sharing God's redemptive power in relationships and encouraging families to walk in unity and purpose.

Kids Drama & Field Day Celebration

One of our most beautiful highlights this month was our first official “Choro Calvary” and “Flag Team” Drama, performed for Mother’s Day. The kids acted out the story of Daniel in the Lions’ Den, and it was breathtaking! Parents were moved to tears as they saw their children remember their lines, worship boldly, and share the gospel through drama.

Many expressed disbelief and joy at what their kids are learning—it was a powerful witness to the community!

We also hosted a Kids Field Day event with over 60 children! The kids enjoyed fun relays, games, and shared a joyful lunch together. It was a wonderful day of laughter, bonding, and celebration.

Kids Kitchen & Couples Group Updates

Our Kids Kitchen is thriving with 45–48 children attending three times a week! They continue to receive hot meals, tutoring, and lots of love.

Our couples group is also flourishing—God is doing something beautiful in the hearts of the families. We’re seeing transformation, reconciliation, and a hunger for God’s ways in marriage.

ACADEMIA ANCLA
COMUNIDAD EDUCATIVA

**¡Inscripciones abiertas para
el ciclo escolar 2025-2026!**

Les presentamos Academia Ancla: abrimos nuestras puertas este ciclo escolar en La Isla. Somos un lugar donde educamos con amor, basados en principios bíblicos y ofreciendo un ambiente seguro. Ofrecemos colegiaturas accesibles y becas disponibles para quienes califiquen.

**ACADEMIA
ANCLA**
COMUNIDAD EDUCATIVA

How You Can Help

As we prepare for this new school, we are stepping out in faith, and we need your prayers and partnership.

Here are ways you can support:

- Pray for wisdom, strength, and continued unity in our team
- Sponsor a child or teacher at Academia Ancla.
- Help cover our building rent. \$300.00 a month
- Share our mission with others who may want to get involved by serving, praying, or partnering with us financially.

This vision is bigger than us—but not bigger than God. And through faithful friends like you, we know it will come to life.

Thank you for standing with us. For your prayers, encouragement, and support. We are so blessed by each of you.

Big News: Academia Ancla Is Coming!

We are beyond excited to share that Academia Ancla (Anchor Academy) will officially open this fall!

Announced during our recent Sunday service, the response was incredible—46 students have already expressed interest!

We will host an information night on June 10th, and our cap for this year will be 45 students. We still need:

- A donor to help cover the rent of our school building
- Teachers and aides
- Sponsors to help cover staff stipends and student scholarships

We are thrilled to be going under the Proyecto Alas (Wings on Eagles) covering.

They will assist us in the following ways:

- Ongoing teacher training
- A major discount on books
- Government validation (SEP) for two years
- Budgeting tools and administrative support

This covering is an answer to prayer, and everything is falling into place with divine timing.

We truly believe this is God's dream, and we are honored to walk it out.
