Investing in our club – Invest in future successes..

Corsham RFC is a Government registered Community Amateur Sports Club, open to all, for all. The club's aim is that each and every player, coach and supporter embodies the RFU Core Values of Teamwork, Respect, Enjoyment, Discipline & Sportsmanship whilst ensuring all have fun.

We encourage players of every age to be the best version of themselves that they can be both on and off the rugby pitch.

Our club is an open-club and we encourage new players of all ages and experience to join our rugby family. Understanding that players mature at different ages, we offer a playing pathway from our under 6s to our senior sides.

Some of our past mini and youth players have gone on to play at the highest level, including those to our right!

We're also proud to have former London Irish, Bath, Gloucester and Worcester Warriors player Matt Garvey as a Seniors coach.

Matt Garvey ended a 13-year playing career that took him from London Irish, to Bath Rugby, then on to Gloucester and finally finishing at Worcester Warriors. He also won representative honours with England Saxons and captained Bath Rugby between 2017 and 2019 during his seven-year stint at The Rec. We are extremely proud and fortunate to have his experience within our coaching set up.

Second row **Rhys Jones** emerged through the club's junior ranks and in 2008 broke onto the international scene. After three warm-up games against Scotland's Under 18 Six Nations side, and Worcester and Nottingham's under 20s, the former Corsham School pupil went on to gain three international caps against Ireland, Georgia and Italy in the Association of Europe tournament in Treviso.

Rugby started as a hobby at Corsham RFC for **Adam Jamieson**, but after being picked up by Bath aged 15 he thought a rugby career could be on the cards. He went on to represent England U19's, U20's & Students and play for Cornish Pirates.

At the heart of our local community – Join the Corsham RFC family..

As a community sports club, giving back to the local community is very important to the club. We have supported many good causes over the years including donations to the Corsham Churches Food Bank & Dorothy House via our annual CorFest.

We are inclusive, diverse and maintain the highest safeguarding and anti-bullying standards. We are very proud of our record on these issues.

CRFC is at the heart of the local community, but we could not provide the facilities and sporting opportunities without the help and support of our corporate sponsors, and we thank each and every one of them for their continued support.

Youth and Mini sponsorship – Sponsor the future of the game..

As with any club, our mini and youth sections are the foundations and bedrock of Corsham RFC. We boast one of the largest youth and mini setups in the area, with teams ranging from under 6s right through to under 16s.

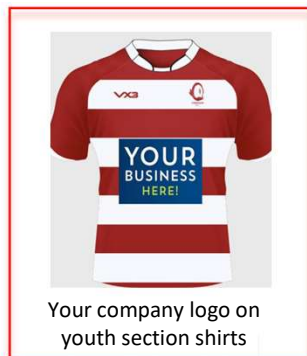

The sponsorship opportunities laid out on the previous pages are geared towards the senior squads and the club as a whole, however, we also offer specific sponsorship opportunities for our mini and youth sections. These offerings are directed more at youth age group level and the mini section as a whole.

Sundays, when these sections are in full sway, are a-wash with red and white shirts playing rugby across both our fields and then enjoying after training/game refreshments within our club house. It really is an amazing sight to see so many young faces enjoying the game of rugby. We would love it if you or your company would like to be part of their journey towards the senior sides and maybe even beyond...
