Kwanzaa was Created in 1966 by Dr. Maulana Karenga, who is a Black Nationalist and Professor of Pan-African Studies at Cal State University, Long Beach.

## **The Seven Principles of Kwanzaa**

- 1. Umoja means Unity**
- 2. Kujichagula means Self-Determination**
- 3. Ujima means Collective Work & Responsibility**
- 4. Ujamaa means Cooperative Economics**
- 5. Nia means Purpose**
- 6. Kuumba means Creativity**
- 7. Imani means Faith**

The African-American Independent Union (AAIU), and their **Allies**, are at the end of their **Black History Month (BMH) - Juneteenth Reparations Project**, {which was reading and discussing their **African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**, from February until May}. Some Blacks have not even read AARS yet, but those who took the time to read AARS, during that time, agreed AARS is by far their best reparations plan, because it is a comprehensive plan & most importantly we generate our own wealth from seed funds (SF).

So, we should give a **global decree** to increase and intensify activity demanding AARS, starting on 6-1-22, to **inspire our U.S. Government to ratify AARS by 6-19-22, Juneteenth. If AARS is not ratified by 6-19-22, all Blacks and others should renew their call to endorse AARS from Juneteenth, {in their new sincere informative *Kwanzaa Reparations Project (KRP)*, to circulate, read, and discuss the AARS Summary, (the last 3 articles on this home page, and the blog page), from Juneteenth until Kwanzaa}**. We host KRP to win reparations, & remember George Floyd, Breonna Taylor, Boston & all the innocent & unarmed Black people!!

**KRP will give everyone a chance to read and endorse AARS, if it meets their approval. {We ask everyone to go to section 10, on the bottom of the page, to send your brief statement to endorse AARS}. That will elevate their global decree to demand AARS, from June until December, in the KRP. {KRP can motivate more allies and our reserved government, to agree to ratify AARS by 12-1-22, as an apology, atonement, and as a Kwanzaa Gift, for the Global Black Family}.**

**{{In order to stop corruption in the reparations arena, we are asking all spiritual leaders, politicians, educators, the rich and wealthy, and people from all races and ethnicities, including college instructors and students (18 and older), to engage in the KRP}}. People leaked reports of some swayed instigators depositing reparations funds for some reason, which is a waste of time and money, because we already have AARS, and other reparations plans. That forges corruption, because there is no need for another report, study, or relevant testimony, for any reason whatsoever, because it delays reparations. **Honest people can take corruption out of the reparations arena by engaging KRP. AARS guarantees transparency, and has provisions to provide reparations for all Blacks in the U.S. this year, on 12-1-22, then all Blacks in Africa, throughout the Diaspora, and Globally soon thereafter.****

All Blacks in the U.S., 18 and older, have their Internal Black Plebiscite Vote (**PV**), on **6-27-22** or **2-28-23**, {to claim an injured and indigenous status, AARS, and 1 of 3 reparations models to reside}. Then, we use **AARS Congress Dialogue to Slowly Dissolve and End Racism/Police Terrorism!** Next, we should also discuss why Blacks never came close to reaching equality in integration, and why they are still abused, mistreated, and oppressed to this day, **(RACISM)!**

African-Americans and all Blacks in the U.S., **18 and older**, please read all 10 sections listed below to prepare for your **PV**. {Then **most** Blacks will want to leave racism/police terrorism in integration, **to build their own new, beautiful, elite, and safe repatriated and sovereign cities, near ocean & clean, fertile land** via AARS, right here **in America, and abroad**}. {All others please read all 10 sections before submitting your **ideas to help repair the Black Family**, on section 10 on **2-28-23**}. It should be clear after reading this website, that Blacks have the ability, desire, experience, knowledge, and AARS, to link their top Professionals, with the Army Corps of Engineers, and Certified Unions, **to build their own new beautiful, elite & safe repatriated & sovereign cities, for group autonomy, progress & eternal peace.**

The **Agenda Below** is **10 Sections of Documented Research**: The AAIU studied the issue for more than 40 years, then cooperated with others to produce **the African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**. **Everyone** also please read **{The Complete AARS Plan}**, which is all of section 9. People interested in **improving integration** should focus on this homepage and sections 1 & 2. People interested in **expanding repatriation** should focus on this homepage and sections 5 & 6. People interested in **creating sovereignty** should focus on this homepage & sections 8 & 9. We do **all three models simultaneously** with AARS, to help Blacks unite in America and globally, then to promote global racial reconciliation. Therefore, **AARS facilitates Blacks uniting to seek justice and satisfaction via reparations, and racial healing among all nations and races.**
