

THE AARS OUTLINE

BLACK PEOPLE NEED **IMMEDIATE ACTION** for REPARATIONS! FOR DAMAGES, LABOR, CONTRIBUTIONS, SUFFERING & **SACRIFICING 600 MILLION PEOPLE**!!

DEAR GLOBAL BLACK FAMILY
GIVING AN OUTLINE FOR UNITY

Since Racism, Colonialism, Middle Passage, Slavery & Segregation;
Severed Blacks from our Homeland, Families & Culture

THE AARS EXECUTIVE SUMMARY: Circulate this Page in Black & White

Presenting a black reparations plan includes, (1) knowing the **amazing history** of Africa and Black people; (2) noting the government and guilty groups caused **major problems**, and **vast damage** by invading and capturing Africa, stealing her resources, and enslaving Black people. The damage stems from racism, invasions, colonialism, slavery, and segregation, and caused **acute emotional trauma**; then (3) all Blacks in the U.S. get **emergency reparations payments** starting 12-1-22.

Black people should be **proud, appreciated, and respected globally** for **great achievements**, but **instead** they have been abused, enslaved, and oppressed for over 2000 years! That was caused by **religious propaganda**, which was others writing negro phobic language into scripture, which prescribed Blacks as slaves to the U.S. Government, and the guilty groups! The Pope apologized for having 7 European Nations, and the government to covertly suppress developing Africa, while overtly dominating, and subjugating Black people! There were also 17 U.S. Corporations who gained **unjust enrichment**, like hundreds of trillions, from the slave trade, transport, and policies!

AARS is for Blacks at home and abroad, with **PROGRAMS** to learn about and **reconnect** with their motherland, culture, family, and customs; **regain** control of Africa; and **build** safe cities in America, Africa, and globally. Blacks are victims of the world's worst and longest intrusions ever, from plotted assaults, bondage, and **crimes against humanity**. They caused **spiteful divisions**, then a **spiritual decline**; so, Blacks need AARS to **repair, reunite, and transform mentally**, back to their spiritual mind set, prior to slavery, then seek racial healing with all others. Please read the AARS summary & plan. This doc & the next 2 are the summary, the plan (I-IV) is on section 9.

AARS is a **complete plan**, with SEEG programs to **generate wealth** from seed funds (SF). A plan with **both elements** makes it the best reparations plan by far, so everyone should endorse AARS. The **government** and the **guilty groups** get **great relief** via **loaning** \$5B in SF, instead of **paying** \$20T, or \$50T, they each owe! **Blacks get great relief** via **emergency cash, building** safe cities, and **repairing** vast damage! {Generating their own wealth will **restore Black pride** and **unity**, getting **inner peace, abolish begging**, and is the **key to liberation**. There is nothing anyone can say or do that is better for Blacks than generating wealth}. **10 strong reasons to endorse AARS.**

If a basic 1-yr. long term program offers a pre-short-term program, to **raise SF value**, prior to entering the basic 1-yr. program, **clients move fast. Fortunately**, (1) 25B, (5) \$20B & (10) \$5B programs are available now, with both terms; so, we need (16) clients **ASAP. First**, clients send SFs \$5B, or \$20B, evenly to the operating U.S. Black Banks. That will give us a **money trail**, and the banks real **banking power**. They also let rich Blacks engage from \$100M-\$5B. **Second**, one person becomes a client by completing a long 20-30-page form, for **compliance. Note**: nobody around foul activity can engage. **Third**, clients get contracts for diligence. {The SEEG programs require clients to **block** their contract amount in their accounts for program duration, timing, and operations. Thus, clients cannot lose their SF with SEEG programs}. System banks and their banking officers manage the programs, so they are safe & produce exponential returns. **Incentives to move fast**: (1) programs open and close quick! (2) victims need emergency relief ASAP! (3) clients get 100% weekly payouts at \$100M and above! and (4) SF **unblocked** after programs profit!

AARS EXECUTIVE ORDER: \$50B from U.S. Government & \$5B from Guilty Groups for Emergency Funding for 12-1-22, **and Securing Reparations Resources**

The U.S. Government, the Pope and the Church, 7 European nations, (Britain, Denmark, France, Italy, the Netherlands, Portugal, and Spain), the Willie Lynch Letter and the Jews, and the 17 corporations listed below, are all guilty of land theft, ruining family and culture, and mass murders; in Africa, throughout the Diaspora, then in America. So, Blacks need a reparations plan now to get emergency relief, land, and programs to repair, rebuild, and recover all tragic losses and damages!

The African-American Reparations/Sovereignty (AARS) Plan services all these areas, and much more, so we are calling on **President Joe Biden** to issue an **Executive Order** for AARS for Juneteenth of 22. As an apology, and gift to all Blacks for Juneteenth; from America and guilty groups!

The **Executive Order** should be \$50B from the U.S. Government, and \$5B from each of the 26 guilty groups, ASAP, evenly to the operating U.S. Black Banks. The **Executive Order** notifies the 27 groups to engage with AARS, since they get great debt relief, so Blacks can get emergency reparations relief, their own land, and police accountability. When America accepts AARS, they agree to emergency relief; 40 mi² land grants to build safe cities; and ensuring safety for all Blacks!

CORPORATE RESTITUTION FOR SLAVERY
(Plaintiff and Defendant Information)

This compilation comprises materials on landmark class action lawsuits brought on behalf of 3.5 million descendants of enslaved Africans for slavery reparations. Plaintiffs in six different states (New York, New Jersey, Illinois, California, Louisiana, and Texas), filed the actions against a total of seventeen (17) defendant corporations who are known to have profited, for hundreds of years from slavery, and the transatlantic slave trade. The cases have been consolidated in the U.S. District Court, Northern District of Illinois, Eastern Division before Judge Charles R. Norgle.

The Pope Apologizes: to Africa and all Black People for their Role in Slavery
Apologies should Ordain \$50B, \$20B & \$5B Cash for **Seed Fund Settlements**

We sincerely thank the Pope for having the courage to admit that the Church should apologize to Africans/Black people all over the world for their role in Slavery. Hopefully other perpetrators will have leaders with the same guts, to admit their transgressions, because they are liable. AARS offers top processes, programs, and services to provide refined relief for perpetrators and victims.

We also thank the World Council of Churches (WCC) for telling Europeans, Americans, Arabs, Jews, and all culprits to pay Reparations to African nations, parts of the Diaspora where Blacks were abused, enslaved, and exploited, and Black people globally, for their role in the Slave Trade. **We honor Mr. Peoples, a late Compton Community Activist** who brought attention to the Black American Slavery Holocaust by driving his model of a slave ship around LA County for nearly 40 years! He filed a lawsuit against the Church for their role in the Slave Trade, that was, but should not have been dismissed, without the proper judicial process, in a sworn court of jurisprudence!!

The Pope Asks Africans to Forgive Christians
Involved in the **Trans-Atlantic Slave Trade**

Pope John Paul II recently journeyed along the same route that hundreds of thousands of Africans passed through on a voyage to the New World as slaves, and the Pontiff begged forgiveness for Christians involved in the Slave Trade.” How can one forget the enormous suffering inflicted, ignoring the most elementary rights of man, on the people deported from the African continent?” he asked.” From this African Sanctuary of Black Pain, we begged the Pardon from Above.” The Pope made the comments during a visit to Goree Island, which is a 20-minute boat ride from a French naval base in the capital of Dakar in West African Senegal.

Calling the Passage, a “Door of No Return,” the Pontiff toured cells of the “House of Slaves” where at least 600,000 Africans passed through, during an extended period ending in the early 19th century. He likened the house where people were held in chains, awaiting slave ships, to this century’s concentration camps, the “Maison des Enclaves,” which has been restored as a museum to document the horrors. In a meeting with Muslim leaders, he appealed for an end to modern-day slavery, citing organized prostitution, and stressed the need for cooperation and equality for Christian minorities, who he said are discriminated against in many Muslim countries. The Pope’s week-long pilgrimage was aimed at strengthening the role of the Catholic Church in the heavily populated Muslim countries of Senegal, Gambia, and Guinea.

Emergency: Individual and Family **Monetary Payments for all Blacks Globally**

The SEEG has three groups generating wealth for emergency individual and family relief payments (PM). Many Blacks have problems with or lost bank accounts. AARS provides them a new bank account as a **reparations award**, with fiscal services for 1 year, to form good spending and saving habits. All 50M U.S. Blacks need a red, black, and green, Reparations ID; from RID/1-RID/50M; by last name A-Z; state; DOB; age; SSN; income; photo, fingerprints & birth certificate; for accurate PM. All Blacks will be appointed one of the twenty-one operating U.S. Black Banks by last name for PM. All Blacks get a bank card from their appointed Black Bank via their RID. All reparations PM go to their bank cards. Black settlement for PM is birth by 12-1-21.

We will take these funds and give every Black person in America 100k on 12-1-22, as an initial payment. We will give all U.S. Blacks 20 straight 100k payments every 30-60 days, pending how long it takes for all Blacks to receive payments. Then we resume payments until we reach the \$2M goal for all Blacks in America. This path encourages Blacks to use reparations most effectively, and not to squander them selfishly, or with others. And it also gives Blacks time to utilize programs to seek top mental and physical health, by engaging in preparation to receive reparations programs; and learning to produce and sell all products, for daily use in America, and in great demand abroad.

AARS delegates the same ID process for all Black Families in Africa, the Diaspora, and Globally, to provide \$2M per family, since the cost of living is much lower, and the number of Blacks are much higher. Blacks must be 18 to get these payments. We put these funds for Blacks who are not 18 in personal trust funds at their appointed Black Bank. Blacks do not pay taxes on any reparations payments. It should also be stipulated that no government, company, or group should harass Blacks for debt, because AARS requires all Blacks to be released from all debt, as a **reparations award**.

Blacks should take the next 20-month period to fortify a racial hierarchy, their AARS Congress, and studying all pertinent parts of AARS to produce healing, repairing, recovering, and transforming programs. We are blessed and fortunate to have found a funding source. We should move fast to **Apply Stern Pressure via Planning for National Action**. {National action includes planning for the 2nd National Black Political Convention, then the 2nd Million Man March, to propel the 2nd Civil Rights Movement, to demand AARS-ASAP}! At least by and for Kwanzaa!!

Blacks should claim their Injured Indigenous Status, their AARS Plan, and a model for residence, with their Plebiscite Vote (PV), during Black History Month of 2023. We will keep you informed. The PV indicates Blacks are indigenous to this land, as distinct relatives of the ancient Black African Olmecs, who were here first, building and raising civilizations, not American Indians, or Early Mexicans. The PV guarantees Blacks land, and other reparative measures. AARS provides emergency relief for all Blacks, and initiates dialogue to improve integration, expand repatriation, create sovereignty, and improve police and race relations. That signals a spiritual awakening, and a brand-new beginning for Blacks globally. **That is exactly what Blacks need for reparations.**
