

THE AAIU THEIR ALLIES AND OTHERS INITIATE THE KRP KWANZAA REPARATIONS PROJECT

Many Mused the Infusion of Kwanzaa, but Dr. Maulana Karenga is Given Credit as the Founder of Kwanzaa in 1966. He is a Black Nationalist, and a Professor of Pan-African Studies, at Cal State University, Long Beach.

Some question Suspicious Activity during the Turbulent Times of the FBI's Cointelpro. People should not Judge a Person who has Dedicated their Life to the Liberation of Black People. We can Practice Forgiveness.

When Christmas Ends Kwanzaa Begins on December 26th. It is the Beginning of a Seven-Day Holiday, that was Created to Recognize and Honor the Ancestral Roots of African-Americans. January 1st, is the Last Day of the Kwanzaa Celebration. We should adhere for Black Liberation.

The Seven Principles of Kwanzaa

1. Umoja means Unity
2. Kujichaguila means Self-Determination
3. Ujima means Collective Work & Responsibility
4. Ujamaa means Cooperative Economics
5. Nia means Purpose
6. Kuumba means Creativity
7. Imani means Faith

The African-American Independent Union (AAIU), and their **Allies**, are at the end of their **Black History Month (BMH) - Juneteenth Reparations Project**, {which was reading and discussing their **African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**, from February until May}. Some Blacks have not even read AARS yet, but those who took the time to read AARS, during that time, agreed AARS is by far their best reparations plan, because it is a comprehensive plan & most importantly we generate our own wealth from seed funds (SF).

So, we should give a **global decree** to increase and intensify activity demanding AARS, starting on 6-1-22, to **inspire our U.S. Government to ratify AARS by 6-19-22, Juneteenth**. If AARS is not ratified by 6-19-22, *all Blacks and others, (18 and older), should renew their call to endorse AARS from Juneteenth, {in their new sincere informative, **Kwanzaa Reparations Project (KRP)**, to circulate, read, and discuss all articles on this homepage}, from Juneteenth until Kwanzaa*. We host KRP to *win* reparations, and **remember** George Floyd, Breonna Taylor, the Boston Victims, and all the other innocent and unarmed Black people, who were unjustly terrorized and killed by the police, and white supremacists!!

KRP gives everyone (18 & older), a chance to read & endorse AARS, if it meets their approval. {**We ask everyone** to go to section 10, on the bottom of the page, to send your brief statement **to endorse AARS**}. That will elevate their global decree to demand AARS, from June until December, in the **KRP**. {**KRP can motivate more allies and our reserved government, to agree to ratify AARS by 12-1-22, as an apology, atonement, and as a Kwanzaa Gift, for the Global Black Family**}.

{{In order to **stop corruption in the reparations arena**, we are asking **all** local, national, and global media outlets; spiritual leaders, politicians, educators, the rich and wealthy, people from **all** races and ethnicities, including college instructors and students **(18 and older), to engage in the KRP}}**. People leaked reports of some swayed instigators depositing reparations funds, for irrational conclusions to limit or eliminate reparations. That is another divisive tactic used against Blacks, and a waste of time and money, because we already have AARS, and other reparations plans.

Requesting more research forges **corruption**, because all we should be doing now is comparing reparations plans, to find AARS is by far the best reparations plan, and more research only delays reparations, and gives people a chance to steal; corruption. **Honest people can take corruption out of the reparations arena by engaging KRP.** AARS guarantees transparency, and has **provisions to provide reparations** for all Blacks (18 & older), in the U.S. this year, on 12-1-22, then all Blacks in Africa, throughout the Diaspora, and Globally soon thereafter.

All Blacks in the U.S. 18 & older have an Internal Black Plebiscite Vote (**PV**), during Black History Month of '23, {to claim an injured & indigenous status, AARS, and 1 of 3 reparations models to reside}. Then, our **AARS Congress Dialogue will Slowly Dissolve and End Racism/Police Terrorism!** Next, we discuss why African-Americans and Black people never came close to reaching equality in integration, and why they are still abused, mistreated and oppressed to this day, **(RACISM)!**

African-Americans and all Blacks in the U.S., **18 and older**, please read all 10 sections listed below to prepare for your **PV**. {Then **most** Blacks will want to leave racism/police terrorism in integration, **to build their own new, beautiful, elite, and safe repatriated and sovereign cities, near ocean & prime fertile land** via AARS, right here **in America, and abroad**}. {All others please read all 10 sections before submitting your **ideas to help repair the Black Family**, on section 10 on **2-28-23**}. It should be clear after reading this website, that Blacks have the ability, desire, experience, knowledge, and AARS, to link their top Professionals, with the Army Corps of Engineers, and Certified Unions, to build their own new beautiful, elite & **safe repatriated & sovereign cities, for group autonomy, progress, and protection.**

The **Agenda Below is 10 Sections of Documented Research:** The AAIU studied the issue for more than 40 years, then cooperated with others to produce **the African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**. **Everyone** please **review** all docs on this homepage, to fully understand AARS. People interested in **improving integration** should focus on this homepage and sections 1 & 2. People interested in **expanding repatriation** should focus on this homepage and sections 5 & 6. People interested in **creating sovereignty** should focus on this homepage & sections 8 & 9. We do **all three models simultaneously** with AARS, to help Blacks unite in America and globally, then to promote global racial reconciliation. Therefore, **AARS facilitates Blacks uniting to seek justice and satisfaction via reparations, and racial healing among all nations and races.**
