5 God Made Africa the Cradle of Civilization and the Birthplace of all Human Beings

6 He also Created the Original Man Called Black People in Africa - They Submitted to His Will to  
7 Advance Education and Rise as World Leaders

8 But Early Exploration led to Colonizing Africa and Her People  
9 Causing the Downfall of Africa and all Black People - Leaving them Absolutely no Foundation

10 The Colonizing Period Lasted More than 2000 Years  
11 taking African Land Black Lives and their Wealth - A \$150T Debt

12 So all Former Colonial and Slave Governments Should Declare all Black Peoples Taxes  
13 for Reparations (Respectfully AARS) and Exempt from Wars

14 Colonizers Used Willie Lynch Indoctrination and the Middle Passage Transport Route - to Drag  
15 Victims in - on Overcrowded Pre-Historic Slave Ships - to Expand Enslavement

16 The Dreaded Route went From Africa - Throughout the Diaspora - Then to America

17 So **Europe and America** are 2 of 28 Culprits - Who **OWE REPARATIONS** to Africa African-  
18 Americans and all Black People - **For Benefitting from Subjugation**

23 So We Need Dialogue on a Reparations Plan Now - Therefore

24 The African-American Independent Union (AAIU) Requests All-Inclusive Dialogue on their  
25 African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan Synopsis

26 We Read and Discuss both AARS Intro Docs **(1) this Presentation** and **(2) the Resolution**  
27 then **the 4 AARS Summary Docs** - all on Their Homepage at <https://aaiuaarstalk.com>

28 We ask Everyone 18 and Older to Join the Reading Assignment from Kwanzaa to Black History  
29 Month to Juneteenth and back to Kwanzaa for our Annual Kwanzaa Reparations Project (KRP)

30 Until the U.S. Government Ratifies and Signs AARS to Cover their Debt in a Calm Settlement

31 Dialogue on the AARS Intro and Summary Docs will Ease Conflict and Confusion in the  
32 Reparations Arena - to Provide Clarity and Guidance - so Let Us Examine them for a Consensus

1 AARS Covers Over **40 Years** of Research

2 So it is the most **Viable** and **Comprehensive** Reparations Plan

3 Most Blacks and Others were Very Enthusiastic About the Vote - They Should Maintain that  
4 Same Enthusiasm all Year Long in KRP Dialogue to Win AARS in One Year

5 Reparations are Much More Important than Voting - for African-Americans and all Black People  
6 - to Finally Get Mutual Respect - and Freedom Justice and Equality

7 We Should Claim and Demand One Reparations Plan - to Apply Pressure on the U.S.  
8 Government and all the Other Guilty Groups - to Ratify AARS ASAP

9 Please See Photos at <https://www.nairaland.com/2971359/shocking-pictures-slavery-never-seen>  
10 To See **how** Blacks were Traumatized and **why** they need Therapy and Sovereignty

11 ♦ **Note** Others got Reparations Before Africa and Black People - Which was Totally Wrong  
12 Because they were Hurt “Long Before” and “Much More” than Others

13 So Reparations are “Long Overdue” for a Black Family and Culture **Revival** - Because Africans  
14 were Abused Brainwashed Displaced Deculturated and Exploited ♦

15 When Black People Discuss Racism - Colonialism and Middle Passage - Then Slavery Lynching  
16 and Segregation - It is Hard to Remain Diplomatic

17 African-Americans have Debated and Fought for Freedom Since the 1500s but are Always Left  
18 Behind - When Others Get Elected to Office they Uphold Laws and Lift their Race - All Black  
19 Preachers Politicians and Leaders Should Uphold Laws and Demand Reparations (Respectfully  
20 AARS) to Lift our Race - or We Should Review and Recall to Get and Vote Them Out of Office

21 As we Anoint and Uplift Constant Dialogue via the KRP - it will Grow and Become {{A Global  
22 Human and Civil Rights Movement (CRM) - via the News and Social Media}}

23  
24 To Get Justice for African-Americans and all Black People  
25 and Truth and Reconciliation with all Nations and Races

27 **Black History Month (BHM) 2-1-25**

28 **(2) THE AARS REPARATIONS RESTORATIVE RESOLUTION**  
29 **FOR ENDURING SLAVERY and CRIMES AGAINST HUMANITY**

30 Let it be Known by These Statements That;

31  
32 **Whereas** Africa and her Black People of African descent were **encroached** upon and **exploited** for  
33 hundreds and thousands of years, by **the U.S. Government** and many **other guilty groups** for all  
34 capitalist purposes, causing severe mental illness and multiple psychological disorders, while  
35 withholding due and fair compensation, so it is **now resolved** that **they shall** 1) make it known

1 that **they will host dialogue on AARS**, to discuss reparations programs developed after more than  
2 40 years of research, to encourage and justify the U.S. Government to ratify AARS, ASAP; and  
3

4 **Whereas** we **recognize** that it shall 2) be made known that AARS is the only self-funding  
5 comprehensive reparations plan, to guarantee reparations for African-Americans and all Black  
6 People; but we demand \$20B from each guilty group which is great debt relief because they each  
7 owe much more than \$20B, to place in separate secured placement programs to generate wealth  
8 with very little risk, we ask rich blacks and those with wealth and compassion to start the process  
9 from \$100M to \$5B, for a good ROI and to influence those guilty to join the process. We split end  
10 profits for AARS application and U.S. Policies to facilitate **reparations** and **reconciliation**; and  
11

12 **Whereas** it is also **resolved** that the U.S. Government and all the other guilty groups shall 3) agree  
13 to **negotiate** and award prime land grants, so that the victims of past and present - national and  
14 global racism and oppression - {{can build their own new, elite, and safe sovereign and repatriated  
15 cities at home and abroad}}, and they shall 4) **recognize** that the funding placements are refundable  
16 and repeatable programs, to raise funds to deed 40 mi<sup>2</sup> lots to build new high-tech cities, form their  
17 own indigenous governments, and prepare to manage all businesses and emotional therapies; and

18 **Whereas** we understand AARS has three social models which are integration, repatriation, and  
19 sovereignty, blacks will have an **option to choose** which model they prefer for residence, the three  
20 model formula will help us to reunite and repair damage done to the entire black race; first we  
21 improve integration by hosting racism dialogue and case studies to identify problems and develop  
22 solutions to decrease banning and increase opportunities; second we expand repatriation by official  
23 land grants abroad to go help our distant relatives build safe cities; we **recognize** there are sellouts  
24 and others keeping us divided and conquered, so we must expose and overcome that problem by  
25 any means necessary; and third we create sovereignty by getting our own land for autonomy; so

26 **Now Therefore We** shall 5) **recognize** that Black People have been governed and forced to live  
27 under the power and control of others whose ancestors colonized and enslaved them - and that is  
28 the main and on-going problem for African-Americans and all Black People - so we know it is  
29 time for them to have **their own land** for **relief** from captivity, deception, and redlining in order  
30 to govern themselves, and develop a will to eliminate divisions caused by inside and outside forces;  
31 that will lead to a National and Global Black Family Reunion, which will provide the opportunity  
32 for all Black People to use their abilities and skills to build safe cities and promote global peace.  
33 ♦ African-Americans should discuss AARS in a strong project annually, seriously, and constantly.  
34

35 **We Will Discuss the AARS Intro Docs from BHM up to Juneteenth 6-19-25**  
36 Civil Dialogue with Good People will **Create Understanding for Liberation**

37 ♦ That strong project is called the **Kwanzaa Reparations Project (KRP)**. A **STRATEGIC**  
38 **SERIOUS** and **CONSTANT DIALOGUE** on **the AARS Intro Docs** and the **4 AARS Summary**  
39 **Docs**; from Kwanzaa of 2024 until Kwanzaa of 2025, designed to help victims of past and present  
40 vast and vile crimes, win **AARS** in 1 year to give hope and offer full repair. African-Americans all

1 Black People and their Allies {{THE CIVIL RIGHTS GROUP (TCRG)}} should make the KRP a  
2 priority until the U.S. Government ratifies AARS *to finish the Civil Rights Movement (CRM)*.

3 Now, the U.S. Government is up to their tricks once again with a follow-up to H.R. 40. H.R. 40 is  
4 an old hustler tactic bill that only leads to forming a reparations commission, to study and develop  
5 reparation proposals for African-Americans. That is corruption in the reparations arena because  
6 no one should pay anyone for any more studies to write any more plans, because they will surely  
7 be similar, delay justice, and there are already a few good reparations plans for us to choose from.  
8 H.R. 40 is an insult and setback to most reparations groups, all reparations experts, and our Global  
9 Black Family because we already have AARS. A national and global plan written after more than  
10 40 years of research and focused studies, **to avail we profess spiritual revival and renewal, as**  
11 **we vow** to repair all damage and solve all problems for African-Americans and all Black People.

12  
13 H.R. 40 and all other acts the government issues for black reparations will be limited and divisive  
14 for African-Americans and all Black People, like the CA Reparations Task Force *asking for proof*,  
15 the *ill reparations payouts* in Evanston IL, and seeking reparations for *victims* of the Black Wall  
16 Street Massacre in OK. {{It is wrong for anyone to seek or for blacks to want reparations in one  
17 area or for one tragedy, because that is divisive not redress. A good reparations plan has amenities  
18 to repay and renew all blacks at home and abroad, like AARS}}. That should move TCRG to  
19 engage in and uplift the KRP. The KRP is for one year from Kwanzaa '24 until Kwanzaa '25, and  
20 longer if needed, to litigate national and global dialogue to expedite the inception of AARS, ASAP.

21  
22 We are asking everyone 18 and older {{Mainly Blacks, Whites, and Jews}}; (THOSE INVOLVED  
23 in past EUROPEAN INVASIONS, COLONIALISM, and MIDDLE PASSAGE; then SLAVERY  
24 LYNCHING, and SEGREGATION), to participate in the KRP. The KRP should occur on most if  
25 not all news, social media, national and global TV and internet shows, for one year in a motion to  
26 win AARS and reject wiping out DEI. DEI enables equality. It is time for the masses of blacks and  
27 their allies to become proactive in reparations talks to demand AARS, instead of being in the same  
28 reactive mode as subservient, to accept any *limited acts like stated above* which are not reparations.

29 We get proactive by circulating, reading, and discussing both AARS Intro Docs (1) and (2) from  
30 Black History Month up to Juneteenth. That will create a desire for the KRP on many fronts with  
31 many different yet distinct churches, government agencies, and civil groups. We show a sign of  
32 unity in our demands for AARS, to attain our global human and civil rights. We expose **sellouts**  
33 working secretly to **keep blacks down** and **divided**, to stop an evil systemic pattern others created.

34 The U.S. Government has given billions **of our tax dollars** to help Jews in Israel and Whites in the  
35 Ukraine, so they are obligated to give billions **of our tax dollars** to help Blacks in **America, Africa,**  
36 **and into the Diaspora**. The State of the Black Union is *they vowed to re-segregate blacks* in MS,  
37 *deny blacks a proper education* in FL, and *they changed laws to remove a black elected official* in  
38 GA. Those *three acts of racism* should stimulate TCRG to endorse and promote one reparations  
39 plan (which should be AARS), to help African-Americans and all Black People recover from  
40 generations of injustice, and to learn all about and embrace programs for self-determination.

41  
42 Brotha Pruitt 310-528-1674 TCRG **should examine** all reparations plans to vote for one - **to cut all**  
43 **corruption** in the reparations arena - so people can learn the **advantages** and **benefits** of AARS
