AARS WILL **WORK** TO **MAKE** THE WORLD A MUCH **BETTER PLACE BY**  
ASSURING THAT **ALL PEOPLE** GET MUTUAL **RESPECT** AND **BENEFITS**

People fight back when attacked by bullies or lynch mobs, or become lame losers. Jimmy Kimel showed guts. African-Americans are being bullied so they should fight back by endorsing, **promoting**, and **engaging in the KRP** to win AARS in 1 year. They worked as Chattel Slaves for an extended time, yet this country refuses to give them their **withheld wages** or **reparations**, so ratify AARS now for justice! We will use boycott tactics for years if needed to win AARS!!

This fella has 34 criminal counts, 38 lawsuits, got caught telling over 16,000 lies, and reduced help for HBCU's, causing them to struggle. He wants to get rid of African-American Museums, dismantle the Congressional Black Caucus (CBC), and he totally disrespected a Black- American Sports Hero and Legend in Jackie Robinson. He wants to re-segregate blacks in Mississippi, deny blacks a proper education in Florida, and he caused many blacks to lose their jobs. We should use the KRP to defend ourselves, fight back, and win our just due AARS reparations in 1 year.
