the African-American
Reparations/Sovereignty (AARS)
Global Black Reparations Plan i.e. AARS
Sista Hamer Said America was Built on the Backs
of Black Slaves So They Deserve Reparations

We Use AARS as a Source to Share Reparations Info and Unite all Reparations Advocates
African-Americans all Black People and Our Allies are The Civil Rights Group (TCRG)

No African-American or any black person should have to prove anything to get reparations. They are victims of major crimes. Others got reparations for minor violations. The crimes caused social and emotional damage and the legacy still imposes a dreadful impulse, and negative impact on the entire black race! So, all Black People have earned, deserve, and are entitled to reparations!! AARS has processes, programs, and services to quickly facilitate justice, repairing, and satisfaction for African-Americans and all Black People, and truth and reconciliation with all nations and races.

Many scholars have studied reparations for decades, then produced their reparations plans. The AAIU studied it for more than 40 years, then produced their AARS reparations plan. So, it will be best to compare all reparations plans to find the best one. You will find 12 Forces and 7 Power Moves as reasons to endorse AARS. More plans will only cause confusion and delays, and will surely be similar. Reparations for Black People are way past long overdue! So, please stop all the obstruction via more ideas, groups, or studies to write more plans, we need AARS ratified ASAP!!

By knowing corruption is at an all-time high in America and globally, we know there is **corruption** in the reparations arena. (Many agents, sellouts, and groups are set up in that arena, just to get control of the money). Now, there is a rumor spreading around suggesting blacks will finally get reparations, of approximately \$14T. Those sellouts and groups have **secret agendas**, so they will not communicate with other reparations activists honestly, as they should. So, we should take the reparations debate from secret agendas and meetings, into **public discussions** to identify the best reparations plan. We are asking everyone 18 and older to engage in the KRP, to stop all corruption in the reparations arena. We explain the KRP on the AARS Intro and Summary Docs. The KRP is the 2nd Civil Rights Movement (CRM), to make a strong, collective, and constant demand for AARS.

Everyone 18 and older should engage in the KRP, to learn the advantages and benefits of AARS. Then contact all African-American, Black, and Civil Groups, all Politicians, Leaders, and Pros, all College Instructors and Students, and all News Networks and Social Media Outlets; to ask them to engage in and promote the KRP. When many people and groups join the KRP, we formally start the 2nd CRM to demand AARS via the news and social media. We inspire our government to ratify AARS, as a Kwanzaa Gift for African-Americans and all Black People, and to ease racial tension.

We propose the 2nd CRM, because it is going to take collective movement, to offset the sellouts and their sponsors. We should not be forced to accept another trick like H.R. 40 or integration! Now, with AARS we finally do what no one else has done, and that is we stop racist police and white supremacists, from killing innocent and unarmed Black People! Black People need a mental transformation and certain amenities for freedom, justice and equality. Their own prime land, form their own government, write their own laws, and control all entities and businesses, in their cities. They finally become their own educators, employers, housing, health care, and police providers. Many people say rich blacks should use their resources to help take care of their people internally.

They could use AARS with government agencies other guilty groups and the caring to generate wealth - We gain momentum in the KRP to intensify the 2nd CRM to demand AARS, ASAP!

Please Assess the 3 Videos and 7 Docs on this Homepage to Compare
AARS with its Clarity Guidance and Solutions to All Other Reparations Plans

1. Spiritual Guidance; to give African-Americans and all Black People the option to engage in AAIU education and preparation to receive AARS reparations programs. We teach everyone to submit to the will of God, and to learn the blessings and benefits, for using good clean and clear language. They learn to absorb African cultural, traditional, and social values for a strong spiritual and moral foundation. They learn and keep good spending and saving habits, to embed financial stability and gain family enrichment. They learn to resolve bad stimulants and vices, to reduce and soon eliminate all bad thoughts and behaviors, to self-actualize. They will strive for a National and Global Black Family Reunion by studying and embracing Black Nationalism and Pan-Africanism.
2. Generating Wealth; we support the AARS Hedge Fund to apply AARS remedies, to repair all damage, solve all problems, and facilitate genuine reconciliation with all others via economics.
3. Government Prime Land Grants; to recover and rebuild historical all-black towns and settlements, and build new beautiful elite and safe, repatriated and sovereign cities at home and abroad.
4. The 12 Forces; to show Africa's eminence and her genius to lead in world progress, with her **contributions** and **inventions** to **benefit all people**, then her unenviable **demise** and **downfall**. We should list and discuss all the damage and problems, to provide reasoning to implement all the AARS comprehensive, universal, and viable reparations models with its processes, programs and services. That is how Black People recuperate from ages, centuries, and evil extensive eras of invasions and subjugation, for a revival and reconnection back to their glorious past.
5. The 7 Power Moves; for African-Americans and all blacks in the U.S. to proceed to move in a united, national, and simultaneous process to reject injustice, and to command swift, direct, and everlasting money, power, and respect. Social fabric they lack but will soon gain with these moves.

AAIU NOTES

It is **wrong** for the U.S. Government to form more reparations state task forces or city committees to do more studies to write more reparations plans. That is corruption in the reparations arena to ask or pay people to do more studies on slavery and its legacy, because we've done similar studies since slavery! So, we do not need any more studies!! That utterly wastes time and deposes justice!!!

People with a strong belief in God and personal principles; a thorough knowledge of Black History, Racism, Reparations, and the Civil Rights Movement; and had done the required reading, "Black Theology" by Dr. James Cone, "How Europe Underdeveloped Africa" by Dr. Walter Rodney, "The Destruction of Black Civilization" by Dr. Chancellor Williams, "The Pale White Horse" by White Scholars, "The Secret Relationship Between Blacks and Jews" by Jewish Scholars, "Blueprint for Black Power" by Dr. Amos Wilson, and "The Isis Papers" by Dr. Frances Cress Welsing; to write reparations plans. The government should **only form groups** to compare plans.

Agitators and unbelievers **secretly** placed agents, sellouts, and groups in the reparations arena, who are not allowed to help all blacks. Those people are paid to keep blacks controlled, confused, divided, conquered, down, and away from **autonomy**. African-Americans have made great progress under hostile conditions, so they need land for relief and self-rule. {{After all the **pain** and **suffering**, all Black People should **claim AARS** for **sovereignty** and all forms of **reparative aid**}}.
