

THE AAIU THEIR ALLIES AND OTHERS REPEAT THE (KRP) KWANZAA REPARATIONS PROJECT

Many wanted the Infusion of Kwanzaa, but Dr. Maulana Karenga is Given Credit as the Founder of Kwanzaa in 1966. He is a Black Nationalist, and a Professor of Pan-African Studies, at Cal State University, Long Beach.

People do Question Suspicious Activity during the Turbulent Times of the FBI's Cointelpro. But they should not be quick to judge a person who gave their life to the Struggle of Liberation for Black People, Forgiveness.

When Christmas Ends Kwanzaa Begins on December 26th. It is the Beginning of a Seven-Day Holiday, that was Created to Recognize and Honor the Ancestral Roots of African-Americans. January 1st, is the Last Day of the Kwanzaa Celebration. We Embrace it for Black Independence.

The Seven Principles of Kwanzaa

- 1. Umoja means Unity**
- 2. Kujichaguila means Self-Determination**
- 3. Ujima means Collective Work & Responsibility**
- 4. Ujamaa means Cooperative Economics**
- 5. Nia means Purpose**
- 6. Kuumba means Creativity**
- 7. Imani means Faith**

The African-American Independent Union (AAIU), and their Allies, are repeating their **Black History Month (BHM) - Juneteenth KRP reading cycle**, {for all people 18 and older to read and discuss this KRP doc, and the **African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**, until AARS is ratified by the U.S. Government}. Most blacks have not read AARS, but those who read it agreed it is their best plan by far, because it is a comprehensive plan, yet most notably we generate our own wealth via seed funds (SF) from beneficiaries of slavery, those with wealth and compassion for blacks, and rich blacks and groups.

So, we should give a **global call** to increase and intensify activity demanding AARS, starting on **3-1-23**, to **inspire our reserved government to ratify AARS by 6-1-23**. If AARS is not ratified by **6-19-23 (Juneteenth)**, *everyone 18 and older, should renew their call to demand AARS, {in their **Kwanzaa Reparations Project (KRP)** reading cycle, to circulate, read, and discuss AARS, the last doc on this homepage), from Juneteenth until Kwanzaa, then from Kwanzaa until BHM etc. etc.}*. We host KRP to *win* reparations, and **remember** George Floyd, Breonna Taylor, the Boston Victims, Tyre Nichols, and all other innocent and unarmed black folks, who were unjustly harassed & killed by police terrorist & white supremacists!!

We engage KRP the last week of March, **so everyone 18 and up reads and assess AARS. If it meets their approval, we ask them** to go to section 10, on the bottom of the page, to send a brief note **to endorse AARS**. That will elevate their global call to demand AARS, from BHM-Juneteenth, in the **KRP reading cycle**. {**KRP can inspire more allies and our government, to agree to ratify AARS by 6-1-23, as an apology, atonement, and as a Historical Gift to the Global Black Family**}.

{In order to stop delaying and denying black reparations, we are asking all media outlets; spiritual leaders, politicians, educators, the rich and wealthy, and all college instructors and students (**18 and older**), to engage in **KRP**}. People leaked reports of a reparations group taking funds to produce a report on deep transcending genetics released by the AAIU 20 years ago. That is another divisive tactic used against blacks, and it is criminal, because the AAIU and other groups made it plain.

Requesting more research forces **delinquency**, because all we should be doing now is comparing reparations plans, to find AARS is the best reparations plan by far. More research only causes delays, and gives people a chance to steal; corruption! Honest people can remove corruption from the reparations arena by engaging KRP **AARS guarantees transparency**, and has **provisions for reparations** to benefit all blacks in the U.S. later this year, by ratifying AARS by 6-1-23, with payments on 6-19-23; then all blacks in Africa, around the diaspora, and globally soon thereafter.

All blacks in the U S. 18 and older have an Internal Black Plebiscite Vote (**PV**), during BHM of '23, or during June of '23, **{{to claim an injured and indigenous status, AARS, and 1 of 3 reparations models for residence}}**. Then, we use **AARS Congress Dialogue to Slowly Dissolve and End Racism/Police Terrorism!** Next, we discuss why black people in America never came close to reaching equality, and why they are still abused, mistreated, and oppressed to this day, **(RACISM)!**

All African-Americans and all blacks in the U.S., **18 and older**, please read all 10 sections listed below to prepare for your **PV**. **{Then most blacks will want to leave racism/police terrorism in integration, to build their own new, beautiful, elite, and safe repatriated and sovereign cities, on prime land and ocean front properties, right here in America, and abroad}**. All others please read all 10 sections before submitting your **ideas to help repair the Black Family**, on section 10 on **2-28-23, or in June of '23**. **{It will be clear after reading this info, that blacks have the ability, desire, experience, and AARS, to link their Top Professionals, with the Army Corps of Engineers, and Top Certified Unions, to build their own new, beautiful, elite, and safe repatriated and sovereign cities for group autonomy, progress, and protection}**.

The **Agenda Below is 10 Sections of Documented Research**: The AAIU studied the issue for more than 40 years, then cooperated with other activists and groups to produce **the African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**. Everyone please review all docs on this homepage, to fully understand AARS. People for *improving integration* should focus on this homepage and sections 1 & 2. People interested in *expanding repatriation* should focus on this homepage and sections 5 & 6. People interested in *creating sovereignty* should focus on this homepage & sections 8 & 9. We do *all three models simultaneously* with AARS, to help blacks unite in America and globally, then we promote global racial reconciliation. Therefore, **AARS facilitates blacks uniting to seek justice and satisfaction via reparations, and racial healing among all nations and races.**
