

# THE AAIU THEIR ALLIES AND OTHERS INITIATE THE (KRP) KWANZAA REPARATIONS PROJECT

Many wanted the Infusion of Kwanzaa, but Dr. Maulana Karenga is Given Credit as the Founder of Kwanzaa in 1966. He is a Black Nationalist, and a Professor of Pan-African Studies, at Cal State University, Long Beach.

He is often asked about suspicious activity during the turbulent times of the FBI's Cointelpro. People should not be quick to judge a person who dedicated their life to the liberation of Black people. Practice Forgiveness.

When Christmas Ends Kwanzaa Begins on December 26<sup>th</sup>. It is the Beginning of a Seven-Day Holiday, that was Created to Recognize and Honor the Ancestral Roots of African-Americans. January 1<sup>st</sup>, is the Last Day of the Kwanzaa Celebration. We embrace it for Black Independence.

## The Seven Principles of Kwanzaa

1. Umoja means Unity
2. Kujichagula means Self-Determination
3. Ujima means Collective Work & Responsibility
4. Ujamaa means Cooperative Economics
5. Nia means Purpose
6. Kuumba means Creativity
7. Imani means Faith

The African-American Independent Union (AAIU), and their **Allies**, are at the end of their **Black History Month (BMH) - Juneteenth Reparations Project**, {which was reading and discussing their **African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**, from February until May}. Some blacks have not even read AARS yet, but those who took the time to read AARS, during that time, agreed AARS is by far their best reparations plan, because it is a comprehensive plan & most importantly we generate our own wealth from seed funds (SF).

So, we should give a **global call** to increase and intensify activity demanding AARS, starting on 6-1-22, to **inspire our reserved government to ratify AARS by 6-19-22, Juneteenth**. If AARS is not ratified by 6-19-22, *all blacks and others, 18 and older, should renew their call to demand AARS, {in their new sincere informative, **Kwanzaa Reparations Project (KRP)**, to circulate, read, and discuss all articles on this homepage), from Juneteenth until Kwanzaa, and now from Kwanzaa until BHM etc. etc.}*. We host KRP to *win* reparations, and **remember** George Floyd, Breonna Taylor, Boston Victims, and all the other innocent and unarmed black folk, who were unjustly harassed and killed by police terrorist, and white supremacists!!

**KRP** will give **everyone 18 and older time to read and endorse AARS, if it meets their approval**. {**We ask everyone** to go to section 10, on the bottom of the page, to send your brief statement **to endorse AARS**}. That will elevate their global call to demand AARS, from December until BHM, in the **KRP cycle**. {**KRP can motivate more allies and our reserved government, to agree to ratify AARS by 3-1-23, as an apology, atonement, and as a Historical Gift, for the Global Black Family**}.

{{In order to **stop delaying and denying black reparations**, we are asking **all** local, national, and global media outlets; spiritual leaders, politicians, educators, the rich and wealthy, people from **all** races and ethnicities, including college instructors and students (**18 and older**), to **engage in the KRP**}}. People leaked reports of a reparations group taking funds to produce a report on genetics revealed by the AAIU 20 years ago. That is another divisive tactic used against blacks, and is outright and brash embezzlement, because we already have AARS, the most comprehensive plan.

Requesting more research forges **delinquency**, because all we should be doing now is comparing reparations plans, to find AARS is by far the best reparations plan. More research only causes delays, and gives people a chance to steal; corruption. **Honest people can take corruption out of the reparations arena by engaging KRP**. **AARS guarantees transparency**, and has **provisions for reparations** to benefit all blacks in the U.S. next year, by ratifying AARS by 3-1-23, then payments on 6-1-23, then all Blacks in Africa, throughout the Diaspora, and Globally soon thereafter.

All Blacks in the U.S. 18 & older have an Internal Black Plebiscite Vote (**PV**), during Black History Month of '23, or during June of '23 {to claim an injured & indigenous status, AARS, and 1 of 3 reparations models to reside}. Then, we use **AARS Congress Dialogue to Slowly Dissolve and End Racism/Police Terrorism!** Next, we discuss why black people in America never came close to reaching equality, and why they are still abused, mistreated and oppressed to this day, **(RACISM)!**

All African-Americans and all blacks in the U.S., **18 and older**, please read all 10 sections listed below to prepare for your **PV**. {Then **most** blacks will want to leave racism/police terrorism in integration, **to build their own new, beautiful, elite, and safe repatriated and sovereign cities, near ocean front & prime land via AARS, right here in America, and abroad**}. {All others please read all 10 sections before submitting your **ideas to help repair the Black Family**, on section 10 on **2-28-23, or 6-19-23**}. It will be clear after reading this info, that blacks have the ability, desire, experience, knowledge, and AARS, to link their top Professionals, with the Army Corps of Engineers, and Certified Unions, to build their own new beautiful, elite & **safe repatriated & sovereign cities, for group autonomy, progress, and protection.**

The **Agenda Below is 10 Sections of Documented Research:** The AAIU studied the issue for more than 40 years, then cooperated with other activists and groups to produce **the African-American Reparations/Sovereignty (AARS) Global Black Reparations Plan**. Everyone please review all docs on this homepage, to fully understand AARS. People for *improving integration* should focus on this homepage and sections 1 & 2. People interested in *expanding repatriation* should focus on this homepage and sections 5 & 6. People interested in *creating sovereignty* should focus on this homepage & sections 8 & 9. We do **all three models simultaneously** with AARS, to help blacks unite in America and globally, then to promote global racial reconciliation. Therefore, **AARS facilitates blacks uniting to seek justice and satisfaction via reparations, and racial healing among all nations and races.**
