1 Dear U.S. Politicians, Reparations Advocates, and All Conscious People,

2 We would like everyone to learn all the advantages and benefits of AARS. It has
3 processes, programs, and services to repair all the damage victims encountered and
4 endured, and ways and means to identify all the beneficiaries and culprits of slavery,
5 lynching, and, segregation. Victims and culprits of those crimes get a refined plan to
6 satisfy both parties. They both will quickly agree to accept AARS, because it offers
7 amenities and provisions which provides necessities and luxuries for both parties.

8 The purpose of the KRP is to use info to give people a good education on reparations,
9 and time for preparation for AARS reparations. We offer programs for spiritual
10 guidance, promoting unity, generating wealth, coping with vices and barriers
11 keeping people down and away from top mental and physical health, and reading
12 exercises to ease racial tensions intended to improve race relations. We will start the
13 KRP dialogue in the U.S., then slowly spread to Africa and all other places, where
14 Africans and/or Black People were colonized, enslaved, and/or exploited. As
15 momentum grows by sharing and discussing the info via the KRP, it will become
16 the 2nd Civil Rights Movement (CRM) via the news and social-media. That will
17 encourage the U.S. Government to ratify AARS ASAP, or by Kwanza of '26.

18 The 1st video reveals 7 Shocking Facts About Black People from Biblical Scholars,
19 it is 23:30; the 2nd video on reparations education, land, and farming from Dr. King,
20 is 1:20; the 3rd video on unity (100M Black People), and collective movement from
21 Malcolm X is 2:30; and the 4th video on racism, deception, and spiritual and
22 psychological warfare from Sociologist, Psychiatrist, and Clinical Psychologist is
23 25:40; that is 52:20 or 52 minutes and 20 seconds. The info on these videos is
24 priceless. Showing Africa's beautiful climate and environment; its numerous and
25 invaluable assets and resources; the brilliance and intellect in the African for their
26 civilization creating and moving ideas, inventions, and contributions, especially in
27 spirituality and astronomy; for their wisdom to administrate, educate, and provide
28 leadership and direction; for their vision and progression in the arts and the sciences;
29 for their precision to build, compute, organize, and use physics; then the inevitable
30 sequential consequential degradation, downfall, and demise of Africa and her People.

31 The 1st set of 3 AARS orientation docs are 2, 4, and 5 pgs., they are below this
32 explanation doc. The 2nd set of 4 AARS summary docs are 6, 5, 11, and 27 pgs., they
33 are below the 1st set of docs. That is 60 pages. It takes about 5 minutes to read a page.
34 So, let's say we ask folks to take 8 minutes to read a page, that is about 5 hrs. So,
35 let's say we ask people to give us (1 hr. 4 times) and (30 min. 2 times) in increments,
36 over the weekend, to examine the videos and docs.

37 Then go into deep thought about the info you learn and absorb. It will become
38 obvious that AARS is good for African-Americans, all Black People, and all other

1 nations and races. No other plan can come close claiming those attributes. So, we
2 ask everyone to examine the info for yourselves. There is a lot of corruption in the
3 reparations arena. So, it is going to take a monumental move like a mission, like the
4 KRP, to identify and demand the best reparations plan. A plan that will take blacks
5 out from under the power and control of those whose ancestors colonized, middle
6 passaged, and enslaved them, into long overdue relief, that will only come with
7 improving integration, expanding repatriation, and creating sovereignty. Those are
8 good, fair and just solutions for invasions, subjugation, and crimes against humanity.
9 African-Americans and all Black People in the U.S. should take the AAIU Black
10 Plebiscite Vote (BPV) to choose a plan. That may give them a consensus for AARS.
