AMERICA'S DEBT for SLAVERY LYNCHING and SEGREGATION

World Conference against Racism, Racial Discrimination,
Xenophobia and Related Intolerance

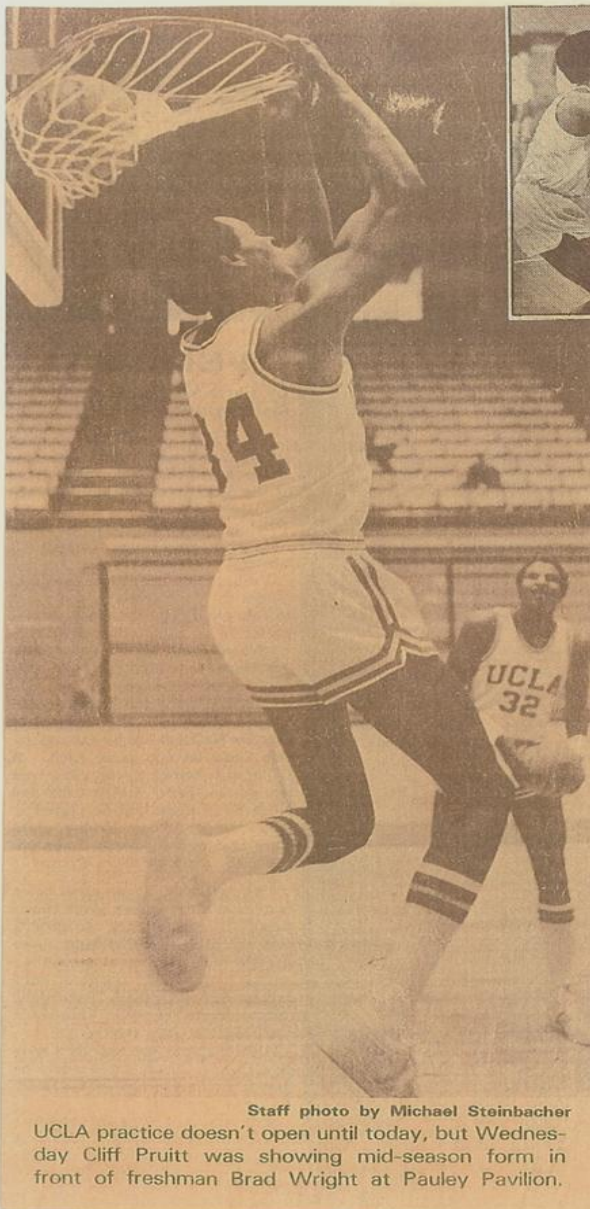

Durban, South Africa -- 31 August - 7 September 2001

Many Demand Reparations for African-Americans, but Damage was Global so Reparations Should Unfold Globally. That is why AARS is a Complete Reparations Plan, because it is the Most Inclusive and Valid, and We Generate Our Own Reparations Wealth from Seed Funds (SF) from (1) those Who Benefitted Tremendously from Colonizing Africa and Enslaving Black People, (2) from Humble Rich Blacks Who Care Deeply About Their People, and (3) from Others with Wealth and Compassion. Now it's Good and Exclusive Business so They Do Get a Very Generous ROI.

Black People Should be Proud, Appreciated, and Respected Globally for Great Achievements, but Instead they were Abused, Enslaved, and Oppressed for More Than 2000 years! That was Engineered by Religious Propaganda from Sorcerers Fabricating Horrible Negro Phobic Language into Scripture, to Prescribe BLACK PEOPLE as SLAVES to the U.S. Government and all the Other Culprits and Guilty Groups, Who Benefitted Tremendously from Colonialism and Slavery!!

They Gained multiples of Trillions of Dollars from Wealth Transfer from Africa, while causing Acute Emotional Trauma, Deep Mental Illness, and Severe Psychological Damage!!! Then the Pope Apologized for letting 7 European Nations Secretly Partition, and Suppress Developing Africa, while Openly Abusing and Using Black People!!!! There were also 17 U.S. Corporations, who Gained Unjust Enrichment like 50 & 100 Trillion Dollars from the Trans-Atlantic Slave Trade. They Committed Despicable Crimes, then Collected on Free and Hard Labor, unfair and Overt Business Practices, and Depleted Insurance Policies.

UCLA practice doesn't open until today, but Wednesday Cliff Pruitt was showing mid-season form in front of freshman Brad Wright at Pauley Pavilion.

Pruitt. "He loves this," said Brown, referring to pressure games. "He lives for games like this."

PRUITT, PROBABLY was the country's tallest point guard a year ago. Hawthorne tabs the 6-8 whiz. "Mr. Everything. Can handle ball like a guard. Shooting range up to 22 feet." He terms classmate Lewis.

I was fortunate to have been blessed with intelligence and athletic ability. I graduated from high school with honors and I graduated from college in a most honorable fashion. Even though I was in the middle of adversity on both levels I was able to excel in basketball and won many championships and most valuable player trophies. The winning kept me blind to the politics that was going on behind my back, which would prove to be the downfall of my career.

The disappointment I had to face would have been overbearing had it not been for my parents. I truly love my parents for this and I will always be grateful to them. The people who used politics to Black Ball me created controversy around me that had no premise. Sports is a dog eat dog business so some coaches and players participate in politics for their own benefit. They do not care if they hurt one or more athletes or their loved ones. The disturbing fact is that this same phenomena occurs in society. Whites and Jews own everything so they can pick and choose who they want to let into their business and at what positions, while Blacks have little if any say. This causes some Blacks to kiss ass, lie and/or snitch to get favors from those in power, which is politics. My roller coaster experience in sports, my leadership skills and my understanding of the history of this country have inspired me to fight for justice, so that Blacks can gain equality in all spheres of society and begin to help as opposed to hurt one another.

I have heard many Pro and Con Debates on Reparations - African-Americans, all Black People and Our Allies Should Claim One Reparations Plan; AARS - To Form a Power Base for the KRP - Then We Use the Power Base to Constantly and Relentlessly Dialogue on and Demand AARS via the KRP - Until the U.S. Government Ratifies AARS for Justice for Africa African-Americans and all Black People - AARS is Spiritual Guidance for Global Black Unity - Generating Wealth to Fund AARS, Land to Build Elite & Safe Cities, and Reconciliation with all Others who Like AARS

Sista Hamer Said America **was** Built on the Backs
of Black **Slaves** So They **Deserve Reparations**

1 No African-American or any black person should have to prove anything to get reparations.
2 They are victims of major crimes. Others got reparations for minor violations. The crimes
3 caused social and emotional damage and the legacy still imposes a dreadful impulse, and
4 negative impact on the entire black race! So, all Black People have earned, deserve, and are
5 entitled to reparations!! AARS has processes, programs, and services to quickly facilitate
6 justice, repairing, and satisfaction for African-Americans and all Black People, and truth and
7 reconciliation with all nations and races.

8
9 Many scholars have studied reparations for decades, then produced their reparations plans. The
10 AAIU studied it for more than 40 years, then produced their AARS reparations plan. So, it will be
11 best to compare all reparations plans to find the best one. You will find 12 Forces and 7 Power
12 Moves as reasons to endorse AARS. More plans will only cause confusion and delays, and will
13 surely be similar. Reparations for Black People are way past long overdue! So, please stop all the
14 obstruction via more ideas, groups, or studies to write more plans, we need AARS ratified ASAP!!

15
16 By knowing corruption is at an all-time high in America and globally, we know there is *corruption*
17 in the reparations arena. (Many agents, sellouts, and groups are set up in that arena, just to get
18 control of the money). Now, there is a rumor spreading around suggesting blacks will finally get
19 reparations, of approximately \$14T. Those sellouts and groups have *secret agendas*, so they will
20 not communicate with other reparations activists honestly, as they should. So, we should take the
21 reparations debate from secret agendas and meetings, into *public discussions* to identify the best
22 reparations plan. We are asking everyone 18 and older to engage in the KRP, to stop all corruption
23 in the reparations arena. We explain the KRP on the AARS Intro and Summary Docs. The KRP is
24 the 2nd Civil Rights Movement (CRM), to make a strong, collective, and constant demand for AARS.

25
26 Everyone 18 and older should engage in the KRP, to learn the advantages and benefits of AARS.
27 Then contact all African-American, Black, and Civil Groups, all Politicians, Leaders, and Pros, all
28 College Instructors and Students, and all News Networks and Social Media Outlets; to ask them
29 to engage in and promote the KRP. When many people and groups join the KRP, we formally start
30 the 2nd CRM to demand AARS via the news and social media. We inspire our government to ratify
31 AARS, as a Kwanzaa Gift for African-Americans and all Black People, and to ease racial tension.

32
33 We propose the 2nd CRM, because it is going to take collective movement, to offset the sellouts
34 and their sponsors. We should not be forced to accept another trick like H.R. 40 or integration!
35 Now, with AARS we finally do what no one else has done, and that is we stop racist police and
36 white supremacists, from killing innocent and unarmed Black People! Black People need a mental
37 transformation and certain amenities for freedom, justice and equality. Their own prime land, form
38 their own government, write their own laws, and control all entities and businesses, in their cities.
39 They finally become their own educators, employers, housing, health care, and police providers.
40 Many people say rich blacks should use their resources to help take care of their people internally.

41 They could use AARS with government agencies other guilty groups and the caring to
42 generate wealth - We gain momentum in the KRP to intensify the 2nd CRM to demand
43 AARS, ASAP!

Please Read all Docs on this Homepage To Learn About the 3 Models of AARS to
Compare AARS to All Other Reparations Plans

1. Spiritual Guidance; to give African-Americans and all Black People the option to engage in AAIU education and preparation to receive AARS reparations programs. We teach everyone to submit to the will of God, and to learn the blessings and benefits, for using good clean and clear language. They learn to absorb African cultural, traditional, and social values for a strong spiritual and moral foundation. They learn and keep good spending and saving habits, to embed financial stability and gain family enrichment. They learn to resolve bad stimulants and vices, to reduce and soon eliminate all bad thoughts and behaviors, to self-actualize. They will strive for a National and Global Black Family Reunion by studying and embracing Black Nationalism and Pan-Africanism.
2. Generating Wealth; we support the AARS Hedge Fund to apply AARS remedies, to repair all damage, solve all problems, and facilitate genuine reconciliation with all others via economics.
3. Government Prime Land Grants; to recover and rebuild historical all-black towns and settlements, and build new beautiful elite and safe, repatriated and sovereign cities at home and abroad.
4. The 12 Forces; to show Africa's eminence and her genius to lead in world progress, with her **contributions** and **inventions** to **benefit all people**, then her unenviable **demise** and **downfall**. We should list and discuss all the damage and problems, to provide reasoning to implement all the AARS comprehensive, universal, and viable reparations models with its processes, programs and services. That is how Black People recuperate from ages, centuries, and evil extensive eras of invasions and subjugation, for a revival and reconnection back to their glorious past.
5. The 7 Power Moves; for African-Americans and all blacks in the U.S. to proceed to move in a united, national, and simultaneous process to reject injustice, and to command swift, direct, and everlasting money, power, and respect. Social fabric they lack but will soon gain with these moves.

AAIU NOTES

It is **wrong** for the U.S. Government to form more reparations state task forces or city committees to do more studies to write more reparations plans. That is corruption in the reparations arena to ask or pay people to do more studies on slavery and its legacy, because we've done similar studies since slavery! So, we do not need any more studies!! That utterly wastes time and deposes justice!!!

People with a strong belief in God and personal principles; a thorough knowledge of Black History, Racism, Reparations, and the Civil Rights Movement; and had done the required reading, "Black Theology" by Dr. James Cone, "How Europe Underdeveloped Africa" by Dr. Walter Rodney, "The Destruction of Black Civilization" by Dr. Chancellor Williams, "The Pale White Horse" by White Scholars, "The Secret Relationship Between Blacks and Jews" by Jewish Scholars, "Blueprint for Black Power" by Dr. Amos Wilson, and "The Isis Papers" by Dr. Frances Cress Welsing; to write reparations plans. The government should **only form groups** to compare plans.

Agitators and unbelievers **secretly** placed agents, sellouts, and groups in the reparations arena, who are not allowed to help all blacks. Those people are paid to keep blacks controlled, confused, divided, conquered, down, and away from **autonomy**. African-Americans have made great

1 progress under hostile conditions, so they need land for relief and self-rule. {{After all the **pain** and
2 **suffering**, all Black People should **claim AARS** for **sovereignty** and all forms of **reparative aid**}}

4 **TCRG** Should **Promote AARS** and Prepare to **Stop all Corruption** in the Reparations Arena

AARS Covers Over **40 Years** of Research

So it is the most **Viable** and **Comprehensive** Reparations Plan

Most Blacks and Others were Very Enthusiastic About the Vote - They Should Maintain that Same Enthusiasm all Year Long in KRP Dialogue to Win AARS in One Year
Reparations are Much More Important than Voting - for African-Americans and all Black People - to Finally Get Mutual Respect - and Freedom Justice and Equality

We Should Claim and Demand One Reparations Plan - to Apply Pressure on the U.S. Government and all the Other Guilty Groups - to Ratify AARS ASAP

To See **how** Blacks were Traumatized and **why** they need Therapy and Sovereignty

♦ **Note** Others got Reparations Before Africa and Black People - Which was Totally Wrong Because they were Hurt “Long Before” and “Much More” than Others

So Reparations are “Long Overdue” for a Black Family and Culture **Revival** - Because Africans were Abused Brainwashed Displaced Deculturated and Exploited ♦

When Black People Discuss Racism - Colonialism and Middle Passage - Then Slavery Lynching and Segregation - It is Hard to Remain Diplomatic

African-Americans have Debated and Fought for Freedom Since the 1500s but are Always Left Behind - When Others Get Elected to Office they Uphold Laws and Lift their Race - All Black Preachers Politicians and Leaders Should Uphold Laws and Demand Reparations (Respectfully AARS) to Lift our Race - or We Should Review and Recall to Get and Vote Them Out of Office

As we Anoint and Uplift Constant Dialogue via the KRP - it will Grow and Become {{A Global Human and Civil Rights Movement (CRM) - via the News and Social Media}}

(2) THE AARS REPARATIONS RESTORATIVE RESOLUTION FOR ENDURING SLAVERY and CRIMES AGAINST HUMANITY

Let it be Known by These Statements That;

Whereas Africa and her Black People of African descent were **encroached** upon and **exploited** for hundreds and thousands of years, by **the U.S. Government** and many **other guilty groups** for all capitalist purposes, causing severe mental illness and multiple psychological disorders, while withholding due and fair compensation, so it is **now resolved** that **they shall** 1) make it known

that **they will host dialogue on AARS**, to discuss reparations programs developed after more than 40 years of research, to encourage and justify the U.S. Government to ratify AARS, ASAP; and

Whereas we **recognize** that it shall 2) be made known that AARS is the only self-funding comprehensive reparations plan, to guarantee reparations for African-Americans and all Black People; but we demand \$20B from each guilty group which is great debt relief because they each owe much more than \$20B, to place in separate secured placement programs to generate wealth with very little risk, we ask rich blacks and those with wealth and compassion to start the process from \$100M to \$5B, for a good ROI and to influence those guilty to join the process. We split end profits for AARS application and U.S. Policies to facilitate **reparations** and **reconciliation**; and

Whereas it is also **resolved** that the U.S. Government and all the other guilty groups shall 3) agree to **negotiate** and award prime land grants, so that the victims of past and present - national and global racism and oppression - {{can build their own new, elite, and safe sovereign and repatriated cities at home and abroad}}, and they shall 4) **recognize** that the funding placements are refundable and repeatable programs, to raise funds to deed 40 mi² lots to build new high-tech cities, form their own indigenous governments, and prepare to manage all businesses and emotional therapies; and

Whereas we understand AARS has three social models which are integration, repatriation, and sovereignty, blacks will have an **option to choose** which model they prefer for residence, the three model formula will help us to reunite and repair damage done to the entire black race; first we improve integration by hosting racism dialogue and case studies to identify problems and develop solutions to decrease banning and increase opportunities; second we expand repatriation by official land grants abroad to go help our distant relatives build safe cities; we **recognize** there are sellouts and others keeping us divided and conquered, so we must expose and overcome that problem by any means necessary; and third we create sovereignty by getting our own land for autonomy; so

Now Therefore We shall 5) **recognize** that Black People have been governed and forced to live under the power and control of others whose ancestors colonized and enslaved them - and that is the main and on-going problem for African-Americans and all Black People - so we know it is time for them to have **their own land** for **relief** from captivity, deception, and redlining in order to govern themselves, and develop a will to eliminate divisions caused by inside and outside forces; that will lead to a National and Global Black Family Reunion, which will provide the opportunity for all Black People to use their abilities and skills to build safe cities and promote global peace.

♦ African-Americans should discuss AARS in a strong project annually, seriously, and constantly.

We Will Discuss all Docs as Requested all Year Around Until AARS is Ratified
Civil Dialogue Among Good People will **Create Understanding for Liberation**

♦ That strong project is called the **Kwanzaa Reparations Project (KRP)**. A **STRATEGIC SERIOUS** and **CONSTANT DIALOGUE** on **all Docs on the Homepage**; from Kwanzaa of 2025 until Kwanzaa of 2026, that is a motional process designed to help victims of past and present vast and vile crimes, win **AARS** in 1 year, to give hope and offer full repair. African-Americans all Black People and their Allies {{THE CIVIL RIGHTS GROUP (TCRG)}} should make the KRP a priority until the U.S. Government ratifies AARS **to finish the Civil Rights Movement (CRM)**.

1 Now, the U.S. Government is up to their tricks once again with a follow-up to H.R. 40. H.R. 40 is
2 an old hustler tactic bill that only leads to forming a reparations commission, to study and develop
3 reparation proposals for African-Americans. That is corruption in the reparations arena because
4 no one should pay anyone for any more studies to write any more plans, because they will surely
5 be similar, delay justice, and there are already a few good reparations plans for us to choose from.
6 H.R. 40 is an insult and setback to most reparations groups, all reparations experts, and our Global
7 Black Family because we already have AARS. A national and global plan written after more than
8 40 years of research and focused studies, **to avail we profess spiritual revival and renewal, as**
9 **we vow** to repair all damage and solve all problems for African-Americans and all Black People.

11 H.R. 40 and all other acts the government issues for black reparations will be limited and divisive
12 for African-Americans and all Black People, like the CA Reparations Task Force *asking for proof*,
13 the *ill reparations payouts* in Evanston IL, and seeking reparations for *victims* of the Black Wall
14 Street Massacre in OK. {{It is wrong for anyone to seek or for blacks to want reparations in one
15 area or for one tragedy, because that is divisive not redress. A good reparations plan has amenities
16 to repay and renew all blacks at home and abroad, like AARS}}. That should move TCRG to
17 engage in and uplift the KRP. The KRP is for one year from Kwanzaa '25 until Kwanzaa '26, and
18 longer if needed, to litigate national and global dialogue to expedite the inception of AARS, ASAP.

20 We are asking everyone 18 and older {{Mainly Blacks, Whites, and Jews}}; (THOSE INVOLVED
21 in past EUROPEAN INVASIONS, COLONIALSIM, and MIDDLE PASSAGE; then SLAVERY
22 LYNCHING, and SEGREGATION), to participate in the KRP. The KRP should occur on most if
23 not all news, social media, national and global TV and internet shows, for one year in a motion to
24 win AARS and reject wiping out DEI. DEI enables equality. It is time for the masses of blacks and
25 their allies to become proactive in reparations talks to demand AARS, instead of being in the same
26 reactive mode as subservient, to accept any *limited acts like stated above* which are not reparations.

28 We get proactive by circulating, reading, and discussing all docs on the homepage all year around,
29 until the U.S. Government ratifies AARS for Africa, African-Americans and all Black People.
30 That will lead to global reconciling with all those who harmed us in many ways, including socially,
31 emotionally, and economically, and made great but illegal land gains and wealth from hundreds
32 and thousands of years of tax-free profits. We will create a desire for the KRP on many fronts with
33 many different yet distinct churches, government agencies, and civil groups. We show a sign of
34 unity in our demands for AARS, to attain our global human and civil rights. We expose **sellouts**
working secretly to **keep blacks down** and **divided**, to stop an evil systemic pattern others created.

36 The U.S. Government has given billions **of our tax dollars** to help Jews in Israel and Whites in the
37 Ukraine, so they are obligated to give billions **of our tax dollars** to help Blacks in **America, Africa,**
38 and **throughout the Diaspora**. The State of the Black Union is *they vowed to re-segregate blacks*
39 in MS, *deny blacks a proper education* in FL, and *they changed laws to remove a black elected*
40 *official* in GA. Those *three acts of racism* should stimulate TCRG to endorse and promote one
41 reparations plan (which should be AARS), to help African-Americans and all Black People recover
42 from generations of injustice, and to learn all about and embrace programs for self-determination.

43 Brotha Pruitt 310-528-1674 TCRG **Should Examine** all Reparations Plans to Claim One - **to Cut all**
44 **Corruption** in the Reparations Arena - so People can Learn the **Advantages** and **Benefits** of AARS
