WE PRESENT THE BPV as a NATIONAL BLACK REPARATIONS AWARENESS PROJECT - and a GLOBAL BLACK REPARATIONS REUNIFICATION PROJECT

All people have an inalienable right to govern themselves. That will guarantee all people the benefits, rights, and privileges that all the people with power enjoy. People who have the power will not allow others to be equal to them, nor have peace or prosperity, nor live by their own cultural standards.

So, we are calling on African-Americans and all Black People to examine all videos and docs on the home and blog page, to make a fair assessment of AARS for yourselves. We know all Black People should be a free and independent people, because they are descendants of victims of crimes against humanity known as colonialism, middle passage, displacement, slavery, lynching, and segregation.

Now, there is a lot of **corruption in the reparations arena** because (1) blacks are used as puppets for others to have control of our destiny, and to maintain dominance over blacks, and (2) greedy sell-outs heard a rumor that the culprits set up a \$14 Trillion Reparations Fund. So, they are lying and deceiving people, **jus like massa**, to get control of the fund, but the fund should go to the group who produces the best reparations plan.

Now, the best reparations plan will lead African-Americans and all Black People to become a truly free, safe, and independent people. Puppets and Sell-outs are not allowed to seek those amenities via autonomy or sovereignty like AARS does. Now those in power want to keep blacks under their control for entertainment, labor, and war purposes without any major benefits. That should not come as a surprise to anyone because blacks are used for those purposes, but are not allowed to own any cities, states, or major international corporations. Now, blacks need those major benefits via AARS, because they are still excluded from real and fair economic stability, safety, and growth.

So African-Americans and All Black People Should Claim an Injured and Indigenous Status - for Freedom Justice and Sovereignty - In their AAIU Black Plebiscite Vote (BPV)
