1 Dear U.S. Politicians, Reparations Advocates, and All Conscious People,

2 We would like everyone to learn about the advantages and benefits of AARS. It has
3 processes, programs, and services to repair all the damage victims encountered and
4 endured, and ways and means to identify all the beneficiaries and culprits of slavery,
5 lynching, and, segregation. Victims and culprits of those crimes get a refined plan to
6 satisfy both groups. Both groups will quickly agree to honor AARS, because it offers
7 amenities and provisions which provides necessities and luxuries for both groups.

8 The purpose of the KRP is to use info to give people a good education, and time for
9 preparation for AARS relief and reparations. We offer programs for spiritual
10 guidance, promoting unity, generating wealth, coping with vices and barriers
11 keeping people down and away from top mental and physical health, and reading
12 exercises to ease racial tensions intended to improve race relations. We will start the
13 KRP dialogue in the U.S., then slowly spread it to Africa and all other places, where
14 Africans and/or Black People were colonized, enslaved, and/or exploited. As we
15 share and discuss the info via the KRP, it will build momentum, then become the 2nd
16 Civil Rights Movement (CRM) via the news and social-media. That will encourage
17 the U.S. Government to ratify AARS by Kwanza of '26, or ASAP.

18 The 1st video is 2:20, it shows how education and law lead to sovereignty. The 2nd
19 video is 1:20 from Dr. King, it is on reparations education, land, and farming. The
20 3rd video is 2:30 from Malcolm X, it is on unity (100M Black People) and collective
21 movement. The 4th video is 23:20, it reveals 7 Shocking Facts About Black People
22 from Biblical Scholars indicating all Black People have Biblical Roots. The 5th video
23 is 25:40 on racism, deception, and spiritual and psychological warfare, from elders,
24 researchers, and investigators. That is less than 1 hour. The info on these videos is
25 priceless. Showing Africa's beautiful beginnings, climate, and environment; her
26 many assets; the brilliance and intellect in the African to create civilizations, with
27 contributions, achievements, and inventions; especially in spirituality and
28 astronomy. Africans were known for their wisdom required to administrate, educate,
29 and liberate; for their vision and progression in the arts and the sciences; and for
30 their precision to build, compute, organize, and use physics. Then the culprits elusive
31 plans and acts that led to the degradation and downfall of Africa and Black People.

32 The 1st set of 3 AARS orientation docs are 2, 4, and 5 pgs., they are below this intro
33 service doc. The 2nd set of 4 AARS summary docs are 6, 5, 11, and 27 pgs., they are
34 below the 1st set of docs. The last set of 4 docs on the blog page are 10 pgs., about
35 70 pages. So, let's ask people to take 5-8 min. to read a page, that is 7-10 hrs. So,
36 let's ask people to give us (1 hr. 7 times) and (30 min. 6 times) in increments, over
37 the weekends, to examine the videos and docs. Then go into deep thought about the
38 info you learn and absorb. It will become obvious that AARS is good for African-

Americans, all Black People, and all other nations and races who endorse AARS. No other plan even comes close to offering all those attributes. So, we ask everyone to examine the info for yourselves, because there is a lot of **corruption in the reparations arena!!** So, it is going to take a monumental move like a mission, like the KRP, to identify and demand the best reparations plan. A plan to take blacks away from under the power and control of those whose lineage colonized, middle passaged, and enslaved their ancestors; into the long overdue relief, that will only come with improving integration, expanding repatriation, and creating sovereignty. Those are good, fair, and just solutions for invasions, subjugation, and crimes against humanity. African-Americans and all Black People should take the AAIU Black Plebiscite Vote (BPV) to choose a plan. That may give them a consensus for AARS.
