1 Dear U.S. Politicians, Reparations Advocates, and All Conscious People,

2 We would like everyone to learn all about the advantages and benefits of AARS. It has processes,
3 programs, and services to repair all the damage victims encountered and endured, and ways and
4 means to identify all the beneficiaries, culprits, and the guilty government group of slavery,
5 lynching, and, segregation. Victims and beneficiaries of those crimes get a refined plan to satisfy
6 both groups. Both groups will quickly agree to accept AARS, because it offers amenities and
7 provisions which provides necessities, desires, and luxuries for both groups.

8 The purpose of the KRP is to use info to give people a good education, and time for preparation
9 for AARS reparations. We offer programs for spiritual guidance, promoting unity, generating
10 wealth, coping with vices keeping people down and away from top mental and physical health,
11 and reading exercises to ease racial tensions intended to improve race relations. We will start the
12 KRP dialogue in the U.S., to discuss all info videos and docs on the home and blog pages, then
13 slowly spread it to Africa and all other places, where Africans and Black People were colonized,
14 enslaved, and/or exploited. As we share and discuss the info via the KRP, it will build momentum,
15 then become the 2nd Civil Rights Movement (CRM) via the news and social-media. That will
16 encourage and put pressure on the U.S. Government to ratify AARS by Kwanza of '27, or ASAP.

17 Go to the area under the pictures on the homepage to find the first of 4 AARS videos to examine
18 for the KRP. The 1st video is 2:20 from World Historians, it shows how education and law lead to
19 sovereignty. The 2nd video is 1:20 from Dr. King, it is on reparations education, land, and farming.
20 The 3rd video is 2:30 from Malcolm X, it is on unity (100M Black People) and collective
21 movement. The 4th video is 23:20, from Biblical Scholars, it reveals 7 Shocking Facts About Black
22 People indicating all Black People have Biblical Roots. That is about 30 minutes.

23 The info on these videos is priceless. Showing Africa's beautiful beginnings, climate, and
24 environment; her many assets; the brilliance and intellect in the African to create civilizations,
25 with contributions, achievements, and inventions; especially in spirituality and astronomy.
26 Additionally, Africans were known for their wisdom required to administrate, educate, and
27 liberate; for their vision and progression in the arts and the sciences; and for their precision to
28 build, compute, organize, and use physics. Then the culprits secretly utilized plans and acts, which
29 led to the degradation and downfall of Africa and Black People. So, Africa, Africans, and all Black
30 People should get and need reparations.

31 Go to the bottom of the homepage to find the first of 3 AARS docs to examine for the KRP. The
32 1st AARS Intro Doc is 3 pgs., the 2nd set of 3 AARS orientation docs are 12 pgs., the last set of 4
33 AARS summary docs are 52 pgs. That is 67 pgs. So, it takes people 5-8 min. to read a page, that
34 is 6-9 hrs. So, let's ask people to read the docs in increments, 4 hrs. during the week and 2 hrs.
35 over the weekends, to examine the videos and docs. Then go into deep thought about the info you
36 learn and absorb. It will become obvious that AARS is good for Africa, African-Americans, all
37 Black People, and all Others who endorse AARS.

38 No other plan even comes close to offering all those attributes. So, we ask everyone to examine
39 the info for yourselves, because there is a lot of **corruption in the reparations arena!!** So, it is going
40 to take a monumental move like a mission, like the KRP, to identify and demand the best
41 reparations plan. A plan to take blacks away from living under the power and control of those
42 whose lineage colonized, middle passaged, and enslaved their ancestors; into the long overdue
43 relief, that will only come with improving integration, expanding repatriation, and creating
44 sovereignty, via AARS. Those are good, fair, and just solutions for invasions, subjugation, and

1 crimes against humanity. African-Americans and all Black People should take the AAIU Black
2 Plebiscite Vote (BPV) to choose a plan. That may give them a consensus for AARS.
