Dear Sir or Madam:

Re: **Brolite Reference for Dennis Nolan/Law Office of Dennis M. Nolan, P.C.**

Brolite, founded over 85 years ago, is a leading manufacturer of high quality baking ingredients and has a state-of-the art facility in Streamwood, IL (Cook County). We have had the opportunity to partner with the Law Office of Dennis M. Nolan, P.C. regarding our on-going property tax assessments. We have worked with Dennis Nolan since 1996, relative to Cook County property tax matters/appeals.

Also, Mr. Nolan has also assisted us from the beginning with our Class 6B property tax incentive classification. Dennis was instrumental in working with our company and coordination with Village officials and Cook County government relative to our Class 6B property tax classification for our industrial building construction.

We continue to work closely with the Law Office of Dennis M. Nolan, P.C. on property tax issues, including property tax assessment review, appeals and management. Mr. Nolan also keeps us updated on recent Illinois property tax developments and deadlines that may impact our business.

Mr. Nolan is a trusted legal advisor and his work is detailed, result-oriented and based on an unparalleled level of legal service. We recommend Mr. Nolan's office as the number one choice for property tax management and appeal services.

Sincerely

David Del Ghingaro
President & CEO of Brolite Products, Inc.
