Re: Law Office of Dennis M. Nolan/Dennis Nolan

To Whom It May Concern:

I am the Manager–Lease Audit and Compliance for Luxottica North America. Luxottica is a market leader in the design, manufacture and distribution of fashion, luxury, sports and performance eyewear.

Luxottica has worked with attorney Dennis Nolan, Law Office of Dennis M. Nolan, since 2005 on a variety of Illinois property tax review and appeal matters. Mr. Nolan’s office is a valuable asset to the company in reviewing and reducing property taxes in a State that has a high property tax rate. His services have provided benefits to the company on a direct budget/line item basis for taxes, as well as we appreciate his careful and meaningful guidance throughout any project or appeal process.

Without Dennis’ assistance on our Illinois property tax matters, the company would have suffered from increased property tax liabilities. We appreciate the Law Office of Dennis M. Nolan. Dennis and his staff are always available and willing to help.

I would recommend any commercial taxpayer to the Law Office of Dennis M. Nolan. Results are excellent and he and his employees are great to work with as well.

Sincerely,

Greg Conway
Manager – Lease Audit and Compliance
