Guadalupe Montessori School does not discriminate on the basis of race, religion, color, socio-economic, national or ethnic origin in educational policies, hiring practices, or any school-administered programs. Our Toddler Program accepts children 18 months to 3 years old. Our Primary Program accepts children 3 through 6 years old. Children must be fully potty trained in order to enter the Primary Program. Our Elementary Program accepts children 6 through 12 years old. Admission is on a space available basis. Students who have not had previous Montessori experience may enter the Elementary Program by agreement with the teaching staff and School Director.

As an opening becomes available we will contact you to set up an observation in the classroom. An Enrollment Meeting with the Director and an Orientation with your child and his/her teacher will then be set. An optional home visit may be available for Toddler families to ensure a smooth and successful transition into the classroom. Your child's start date will be determined after meeting with the teaching staff and School Director.
