## The Full Armor of God

Although invisible, we have the armor of God to protect us every day! While exploring Ephesians 6:10-18, we will put on God’s armor every day by praying, worshiping, and reading the bible! The armor of God makes us strong so we can face anything that comes our way. Join us as we walk through each armor and the traits they carry!

June 5<sup>th</sup> – June 16<sup>th</sup>

## Building Great Minds with Lego

The fun is endless in the land of Lego! Learning with Lego enables our campers to collaborate and engage with one another while building our minds brick by brick! We will explore the gifts God gave us through our imaginations to design, build and pretend; while developing fine motor skills, gross motor skills, problem-solving, counting, sorting, color differentiation and so much more!

June 19<sup>th</sup> – June 30<sup>th</sup>

## My BIG World of Dinosaurs

Allow My BIG World of Dinosaurs to pave the way for learning! We will use fun, hands-on activities and science experiments to allow campers to develop their science/math acumen without even knowing they are learning. New adventure awaits as we begin to grow and understand that God’s creation is all around us, both BIG and small. **(No School July 3<sup>rd</sup> – July 7<sup>th</sup>)**

July 10<sup>th</sup> – July 21<sup>st</sup>

## Superhero Science and Numbers Camp

Did you know that God made all of us to be superheroes? Superheroes have a heart, courage, wisdom, and power through Christ who gives them strength (Philippians 4:13). Fun themed lessons, crafts and science experiments offer SUPER fun and engaging activities to keep our minds STRONG! We can’t wait to share this experience with your little ones!
