pregnant. We confirm pregnancy via ultra sound around 28 days.

Please indicate by circling your top 3 choices

breedings, times are approximate, and being

bred is not a guarantee they will become

***We have the right to change these

- Security deposit is non refundable but can be switched to future litters.
- Once a female is bred they are pregnant for 63 days (9 weeks) and then we raise the puppies for the 1st 8 weeks. So from breeding to going home it is 17 weeks. All females bred will have a ultrasound 24 28 days after breeding
