

Who We Are

Mira Consulting is a for-purpose consultancy based in Halls Creek in the East Kimberley region of Western Australia. Mira Consulting is dedicated to driving positive social and economic outcomes for communities, organisations, and regions. We partner with clients to translate complex challenges into clear strategy, compelling policy, and meaningful action.

Mira Consulting brings deep regional experience, executive-level capability, and a genuine commitment to the communities we serve. Through our network of associates, we bring together a diverse range of skills and experience tailored to client needs.

Whether you need a business case, a community engagement process, a grant or tender written, governance support or support for project delivery, Mira Consulting can partner with you to deliver results.

Mira Consulting is a preferred supplier for Professional Consultancy Services with the WA Local Government Association and on the Project Manager Services Panel for the WA Department of Housing and Works.
