

# Sensory Sensation Day 2020

## Sponsorship Opportunity

The annual Sensory Sensation field day/water event for students with significant special needs who attend Pike County Schools is a day full of activities that are tailored to the interests, needs, and abilities of the students, allowing them to be successful...and have a blast! These students deserve a day created just for them and we at PEAK, Inc. need your help in order to make it the best year yet! You can partner with PEAK to help our friends with disabilities by sponsoring the event by donating using the form attached. Please understand that every dime of your donation will go toward making Sensory Day an unforgettable day of making memories for the students and their families who attend.

### Gold Sponsor - \$1,000

This level of sponsorship will provide lunch for students, staff, and volunteers. Multiple gold sponsorships will ensure that our students are able to participate in water slide and/or bounce activities.

### Silver Sponsor - \$500

This level of sponsorship will provide things such as goody bags for all participating students and treats such as the rental of a snow cone or cotton candy machine.

### Bronze Sponsor - \$100

This level of sponsorship will sponsor a station at the event. This will help offset costs of the activities and ensure that each child can participate in the activity. Each \$100 = 1 station sponsored.

### Friend of Sensory Day – \$50+

This level of sponsorship will help offset costs of hydration and snacks throughout the day for our participating students.
