## PERFORMANCE SALE

***Leisa and I would like to welcome everyone to the 2024 Addison Brangus Farms and Friends Sixth Annual "Performance" Sale.***

We are very excited to host our sixth annual sale! The Brangus and Ultrablack cattle in this sale represent our commitment, along with our sale partners' commitments, to the breed's most elite EPDs and superior performance cattle. We offer distinguished genetics and first-rate quality throughout the sale order.

First and foremost, we at Addison Brangus Farms wish to thank our Heavenly Father for allowing us to be where we are today. Our God has truly blessed us immeasurably, and we give Him all the glory.  
*Ephesians 5:20.*

Secondly, we want to express our sincerest gratitude to our outstanding sale partners who have labored diligently in preparing their animals for this event. We could not be here without you. The cattle in this sale represent numerous farms and ranches located widely over the Southeast.

Also, we would like to express our genuine appreciation to all of the following for their immense help with our sale: Catalog Coordinator, Lea Weinheimer; Auctioneer, Doak Lambert; Cattle Solutions, Kyle Devoll; Wade and Blaine Fisher and the staff at IDEAL Video Productions; Ringmen, Jimmy Fetner, Michael Sturgess, and Tim Dietrich; and last but not least, Hoagie and Callahan Parish and their crew at the Cullman Stockyard.

In conclusion, the Performance Sale offers a comprehensive variety of Brangus and Ultrablack cattle. These cattle include open and bred heifers, bred cows, cow/calf pairs, 3-N-1's, donor prospects, embryo lots, show animal prospects, and herd sire prospects. Also, following the registered sale, we will have our open and bred commercial heifer sale. Many of these commercial heifers will be sired by, exposed to, or AI'd to an Addison Brangus Farms bull.

The Addison Brangus Farms and Friends Performance Sale offers something for everyone. Please allow us to assist you in your cattle program.

Sincerely,

*Wayne & Leisa*

Csonka of Brinks 30R4 ~ Sire of Lots 12, 23, 26

## ABF Customer Testimonial

"I started looking at ABF Bulls in 2020 on the recommendation of a friend. Wayne spent a lot of time showing me his bulls and taking into consideration my needs for my herd. All the bulls were gentle. I bought two bulls from Wayne. Still using them on my herd. Good on heifers and young cows. My calves have improved over the last few years. The open commercial heifers that I have in the sale this year are from my brood cows and ABF bulls."

DALE SPITZER, REMLAP, ALABAMA

A Cash Flow daughter out of the great 23Z13 Nuff Said donor from Addison Brangus Farms. Power and Swagger describes this female perfectly! She posts an outstanding 12 EPDs in the top 35% led by top 2% WW, YW, 3% Terminal, top 10% TM, IMF, Heifer Pregnancy, 20% Stay, and top 30% Fertility. We are retaining her outstanding Justified bull calf at side for a potential herd sire. We AI'd her to the now deceased Dynamic bull and cleaned her up with Eldorado. Either way should produce a potential donor or herd sire!

**Breeding:** AI'd to DMR JRT Dynamic 30G36, 10434661 on 5/13/24. Pasture exposed to DMR Eldorado 30B15, 10284830 from 5/25/24 to 8/30/24.

This coming 4-year-old cow is out of our 406Z Real Deal donor who produced 85 embryos on her first flush and has held a 385-day calving interval over 10 calves. She is taking after her dam and currently has a 366-day calving interval on her first two calves. She carries 13 Traits in the breed's top 35% and is the easy-keeping kind with most of her production days still ahead of her. This is one that will be productive in your herd for years to come and we've already done the hard work for you. She sells confirmed bred with a spring calf out by of our impressive Kingdom son.

**Breeding:** Pasture exposed to ACE Kingdom 209K2, 10495537 from 6/10/24 to 8/17/24.

ELC Ms Beacon 406H15

OUTCROSS GENETICS ALERT! This heifer sired by BWCC Rail Car 430E5 is a great example of breeding by design and with a purpose. Her impressive set of EPDs records 11 traits in the top 20% of the Brangus Breed population. Equally of note is her yearling ultrasound data which tracks well alongside what one can expect this heifer to contribute to her future progeny.

**Breeding:** Pasture exposed to BWCC Johnny B 10H11, 10472287 and to MC Powerball 188J, 10485007 from 2/9/24 to 4/16/24.

She's a Big Hoss, the good Big Town son from the Mound Creek Program and now owned by Tajo Ranch. Her dam traces back to the dam of Passport, 803T6, which made an impact on the breed at 101 and Lake Majestik. Her set of genomic predictors are near impeccable with 8 traits including SC, REA, IMF, HP, STAY, CW, TERM and NC in the upper 20% of the population. She should be a pair by sale day with a Big Town AI calf.

**Breeding:** AI'd BWCC Big Town 192B16, 10266676 on 12/7/23. Pasture exposed to BWCC Top Shelf 468H82, 10457860 from 12/15/23 to 3/1/24. Safe to AI date.

Ms Brinks Lambert 803T6...Maternal Grandam of Lot 42

Donor Prospect Alert! 23L6 is a 1st gen Dynamic daughter out of a Cash Flow dam. She is a moderate-framed, deep-sided bred heifer. Well-balanced with a pedigree to succeed. She posts 9 EPD traits in the top 35% led by top 2% WW, 4% YW, REA, 10% Term, Hfr Preg, 15% TM, and top 25% Stay. Dynamic daughters are flat-out good and are making donor across the country and she is no different.

She checks all the boxes to become one of the great ones! Take her home and reap the benefits. AI'd her to Growth Fund and cleaned up with Payback. **Breeding:** AI'd to CB Growth Fund 2051G11, 10418754 on 5/13/24. Pasture exposed to TTT JRT Payback 541J34, 10497456 from 5/25/24 to 8/30/24.

This coming 2-year-old parent-verified female is coming from our daughter's SAV Renown sired cow that she purchased from Whitley Cattle Company in 2022. This heifer puts together an impressive pedigree with names including Three D, Beacon, Rito, Renown and Blackcap May 4136. She also carries 10 EPD traits breed average or better, and with the mating we have put on her, we think the resulting calf will be one to watch! She is easygoing in the pasture and the working pens and she is ready to go to work in your operation.

**Breeding:** AI'd to MC Blue Blood 129H18, UB10480215 on 5/31/24. Pasture exposed to ACE Kingdom 209K2, 10495537 from 6/10/24 to 8/17/24.

She is a Cash Flow 535F30 daughter out of WAT Ms Final Cut 924X-392D21. She has plenty of capacity and a really cool look. She boasts 7 traits in the top 30% with 4 of these in the top 5% including weaning weight, yearling weight, REA and Term. If this isn't impressive, I don't know what is! She is easy to handle and an easy keeper. She'll make a great addition to any herd and is set to produce a calf that will do the same.

**Breeding:** AI'd to TTT GKB Monument 415J50, R10481752 on 5/18/24.

When we decided to get into the seedstock business in 2020, we dreamed of raising females like this. 30L4 is an embryo transfer calf sired by Blueprint, making her a paternal sister to the \$23,000 high-selling open heifer at the 2023 Sale at Chimney Rock and out of our \$18,000 30H51. This maternal powerhouse combines three generations of donor cows from the Suhm herd in 30H51, 30D3 and 30Z3 and ties in Beacon, 2A and 30Z5 on the paternal side of her pedigree. 30L4 combines her royal lineage with an EPD profile boasting a top 3% WW, top 2% YW, top 2% SC, and top 10% REA, Heifer Preg and Terminal Indexes. She presents in a moderate, easy-doing package with a friendly disposition and will be ready for the bull of your choice in December.

Diamond J Farm is proud to offer 392L as our first registered consignment in this year's sale. She is a second-generation show heifer who just like her dam has had great success in the show ring. More importantly, we expect her to be successful in the pasture as a brood cow. Being sired by T3 Broadway and out of our Suhn's Foundation cow she offers a balanced set of EPDs with pleasing phenotype and a gentle disposition. 392L was intentionally held open for this sale and will be ready for the bull of your choice in December.

HH Ms Chiseled 541L36 writes an impressive genomic suite of traits and indexes in the upper 30% of the breed, paced by 2% SC, 10% STAY and FI. 15% YW, IMF, TI, and TERM. Backed by the time tested 541 cow family.

# Flush Lot from Addison Brangus Farms

Addison Brangus is offering an IVF flush from our Resource daughter, **468G**. Lots of donor cows and AI sires have been produced from Resource females. Last year, Addison Brangus sold two embryo transfer females in this sale out of **468G**. ABF Ms Empire 468K sold to Steve Whitley for \$11,000 and ABF Ms Never Surrender 468K3 sold to Nic Cornelison for \$9500. Ms Resource has 13 EPD traits in the breeds top 40% or better, including top 2% REA and top 10% WW, YW and IMF. Her personal performance is also impressive. Starting out at 68# **Ms Resource** then had a 593# WW (108 Ratio) 1023# YW (102 Ratio) 12.48 REA (112 Ratio) 7.02 IMF (114 Ratio). **Guaranteeing six viable embryos.**

Vytelle's available 2024 aspiration dates for the Hanceville, AL site.

10/22 • 11/25 • 12/19

If you need a later aspiration date, you can discuss it with Wayne. Buyer is to pay all fees including semen on the bull of your choice.

# Embryo Packages from Crooked Creek Cattle Company

Rare opportunity here!! A daughter of the late Never Surrender paired with a bull that his units of semen are not available on the open market. **Sho Me The Money** ranks in the breed's top 1% for WW, YW and REA and **26L5** has 8 traits that rank in the top 10% of the breed. This is a no-hole mating. **Selling six (6) IVF embryos in groups of three (3).**

## Consigned by Crooked Creek Cattle Company

Guaranteeing 1 pregnancy per 3 embryos if put in within one year by a certified technician. Stored at Trans Ova - Lawrenceville, Georgia.

Unique power mating here! **Sho Me The Money** and **107K**, both of these animals boast WW, YW and REA in the top 3% of the breed. The resulting calves from this mating should be standouts! **Selling 12 IVF embryos in groups of three (3).**

## Consigned by Crooked Creek Cattle Company

Guaranteeing 1 pregnancy per 3 embryos if put in within one year by a certified technician. Stored at Trans Ova - Lawrenceville, Georgia.

This mating combines maternal power and function in the sire and dam of these embryos. **Kingdom** is known for making exceptional daughters and sons, who are only becoming more popular with time. This daughter of Empower brings a powerful touch with a weaning EPD in the top 3% and yearling in the top 2% of the breed. **Selling 12 IVF embryos in groups of three (3).**

## Consigned by Crooked Creek Cattle Company

Guaranteeing 1 pregnancy per 3 embryos if put in within one year by a certified technician. Stored at Trans Ova - Lawrenceville, Georgia.

After my cattle buddy, Johnny Vines left us, I bought some semen units that he had left over from his wife Donna. Out of all that semen, was 1 straw of MC Something Special 129W14. I AI'd the best-matched cow that I had at the time, with that straw. From that mating came 23F9 and she has not disappointed. Her offspring have been flashy and good. She has 17 EPD traits in the breeds top 45% or better, including top 4% Milk, 10% CED and IMF, 20% YW and top 25% WW and REA. Mated with DMR Empire, you should not be disappointed with the results of these embryos.

ABF Ms Something Special 23F9

**Consigned by Addison Brangus Farms**

Selling nine (9) conventional embryos in groups of 5 and 4.

When I purchased 468C7, I went to Draggin' M Ranch, where John Milam drove me around for a couple of hours. We looked at a lot of heifers in several pastures that day before settling in on 468C7. At Addison Brangus, when we think about flushing to a very good bull or a bull whose semen is expensive or hard to get, we throw Ms Guardian in the mix. She is a good all-around cow and is an outstanding embryo producer. With her good fertility, she also has 14 EPD traits in the breeds top 40% or better, including top 1% CEM, 4% Heifer Preg, 20% REA and top 25% Milk and SC. Her personal performance is also impressive with her 76-pound BW, 658-pound WW, 928-pound YW, 12.19 REA and a 4.61 IMF. Mating her to Growth Fund, McQueen, Cross Fit, Monument and Empire are sure ways to get outstanding calves.

468L1 is a grandson of the well-known Louisiana Purchase bull and out of a nice heifer that we purchased at the 2022 Addison Brangus Sale. He has 13 EPD traits breed average or better, including top 15% Heifer Preg, 30% REA and 40% WW, TM and IMF. His personal performance is also impressive. Starting out at 70 pounds at birth, he then grew to have a 647-pound WW and a 1065-pound YW.

# COMMERCIAL FEMALE OFFERING

We are very proud to offer this fine set of commercial females. Many are sired by or bred by an Addison Brangus Farms bull either by natural service or AI. We think this is the best commercial offering that we have had thus far. We strive to increase the quality of our commercial female offering each year, so our customers can continue to improve their cattle programs as well.

## **Lots 124-126 Bred Heifers Consigned by Addison Brangus Farms**

3 Head - Fancy set of Brangus heifers. These are Wayne's top 3 picks of the ABF commercial bred heifers. Two of them are AI'd to Empire and one is AI'd to Eldorado. P.E. to some very good cleanup bulls. AI'd to DMR Empire 795D12, 10323531 and DMR Eldorado 30B15, 10284830 on 5/11/24. Pasture exposed to ABF Stonewall 134L, 10534186 from 5/20/2024 to 6/16/2024 and to QVF Big Town 19L, 10524186 from 6/16/2024 to 7/27/2024.

## **Lots 127-138 Bred Heifers Consigned by Addison Brangus Farms**

12 Head - Nice set of commercial bred heifers! We thought long and hard before entering these heifers in our sale. Notice the quality as you look at these heifers. AI'd to top notch heifer bulls and P.E. to very good cleanup bulls. AI'd to DMR Empire 795D12, 10323531, DMR Eldorado 30B15, 10284830 and to DMR Kingdom 535G45, 10434685 on 5/11/24. Pasture exposed to ABF Stonewall 134L, 10534186 from 5/20/2024 to 6/16/2024 and to QVF Big Town 19L, 10524186 from 6/16/2024 to 7/27/2024.

## **Lots 139-140 Bred Heifers Holt Farms**

2 Head - Spring Bred Brangus heifers bred to an Addison Brangus Farms' bull.

## **Lots 141-143 Bred Heifers Consigned by Cedar Junction Brangus**

3 Head - This is really nice set of baldy heifers AI bred to Addison genetics. Take these girls home, calve them out and either do it again or put them in your ET program. These heifers are the kind you put up by the road! They will work for you for years to come and should produce some offspring to put back in the herd as well. AI'd to ABF Black Granite 23D5, R10333005 on 4/26/24, 5/28/24 and 8/21/24.

## **Lots 144-150 Bred Heifers Consigned by Stinson Brangus Farms, LLC**

7 Head - Spring Bred Commercial Heifers

## **Lots 151-159 Open Heifers Consigned by K&K Farms**

9 Head - Black and Black/White Face open heifers sired by Addison Brangus Farms' bulls. These heifers are 18 months old and ready for a bull. They were held open for this sale. They have not been exposed to a bull.

## **Lots 160-166 Open Heifers Consigned by Spitzer Farm**

7 Head - Black and Black/ Motley face open heifers. Sired by Addison Brangus Farms' bulls.

## **Lot 167 Open Heifer Consigned by Addison Brangus Farms**

1 Head - This fancy yearling commercial heifer is sired by DMR Empire 795D12.

## **Lots 168-171 Open Heifers Consigned by Quinn Cattle Company**

4 Head - 2 Baldy open heifers, 1 black Brangus open heifer and 1 tiger striped Brahman open heifer. ... all 7-9 months of age, 60 days weaned at time of sale, double vaccinated.

## **Lots 172-173 Open Heifers Holt Farms**

2 Head - Open Brangus heifers.

## **Lots 174-213 Open Heifers Consigned by Stinson Brangus Farms, LLC**

40 Head - Black Brangus and Ultrablack Open Heifers.

# Notes

Watch & bid online for **FREE** at

**DVAuction**  
Broadcasting Real-Time Auctions

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction-a DV representative will notify you once you have been approved
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. **High speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy Bidding**-if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?** During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

# TERMS AND CONDITIONS

## BIDDING

Each animal will be sold to the highest bidder without reserve. The auctioneer will settle any disputes as to bids and his decision on such matters shall be final.

## TERMS

Each animal becomes the risk of the purchaser as soon as sold, but it shall be the obligation of the seller to see that animals are fed and cared for until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner. After 48 hours a maintenance fee of \$5 per day will be assessed until pickup, unless ABF arranges shipment.

## SIGHT UNSEEN PURCHASES

Buyers may purchase through Wayne Addison at auction without viewing the cattle. For sight unseen purchases, the buyer has the right of inspection at the time of delivery. If the animal is deemed unsatisfactory, it may be reloaded on the delivery truck and returned to the farm of the seller at no obligation to the buyer. All transportation expenses will be the responsibility of the seller. If the animal is deemed unsatisfactory within one week of the purchase, the buyer may at their expense, return the animal to the farm of the seller for a full refund of the purchase price.

## CERTIFICATE OF REGISTRY

A transferred certificate of registry will be furnished to the purchaser for each registered animal once proper settlement has been made.

## HEALTH

Health papers suitable for interstate shipment will be furnished on all animals.

## GENETIC CONDITIONS

Unless otherwise noted, all cattle selling are DDF either through testing or pedigree. Any DDC or DDPC cattle are so noted.

## ANNOUNCEMENTS

Any changes from the information of any kind in this catalog will be provided in a sale day supplement sheet or announced from the auction block and such information shall take precedence over cataloged information.

## BREEDING GUARANTEE

1. All animals are guaranteed to be breeders with the exception of: a) calves under 12 months of age; b) animals shown by purchaser after sale in which the guarantee (if any) shall be between the seller and the buyer; c) injury or disease occurring after the sale; d) gross negligence or willful misconduct on the part of the purchaser; e) death by any reason.  
2. Any bull which settles cows by natural service and passes a fertility test made by competent veterinarians, mutually agreed upon by the buyer and seller, during any six month period of trial (provided for in paragraph 2 of the section of these sales terms and conditions entitled "Options and Privileges of Return or Adjustment") shall be considered a breeder. All partial interest bulls are guaranteed to produce freezable quality semen.

3. Safe in calf females have been examined by competent personnel and are so guaranteed.  
4. Exposed females have been exposed but are not guaranteed to be safe in calf.  
5. Open females have not been served and are so guaranteed.  
6. Donor Females. a) A female is not guaranteed to be a breeder after the date of the sale when that female is to be used or attempted to be used, in an embryo transfer program, unless by separate agreement between the buyer and seller. b) Embryo transfer guarantee. Even though it is possible some of the female lots have worked successfully in our embryo transfer program in the past, and should in the future, there is no guarantee or warranty on future embryo production of any lot. Flush records are available upon request.

## PREGNANCY DETERMINATION

The registered females in this sale noted safe in calf have been determined pregnant by physical palpation or ultrasound technology. Our best estimate of service sire will be given in the case of the females with both an A.I. sire and a natural breeding sire. Keep in mind this is our best estimate.

## OPTIONS AND PRIVILEGES OF RETURN OR ADJUSTMENT

1. All claims for adjustment or refund must be made in writing within six months of the sale date.  
2. In the event an animal is claimed to be a non-breeder, the animal may be returned to the farm of the breeder if in good condition and complying with the health requirements of their state. The seller shall be entitled to a six month trial following the return of the animal in which to prove that the animal is a breeder. If at the end of six months the seller is unable to prove the animal is a breeder, the seller shall at the option of the buyer replace the animal with another of equal value or issue a credit for the initial selling price. If the seller proves the animal to be a breeder, it shall be the obligation of the purchaser to take delivery of the animal and pay all expenses incurred for transportation.  
3. If an animal is sold and at a later date proves not to be eligible for registration under association rules, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.  
4. If an animal is sold and through DNA is proven to have incorrect parentage as represented by the certificate of registration, and for which the parentage can be determined, the seller shall be obligated to make a satisfactory adjustment on the purchase price to the buyer, refund the purchase price or issue a credit for the initial selling price upon the return of the animal to the farm of the seller.

## RIGHTS AND OBLIGATIONS

1. The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding on both. Other than the guarantees and warranties stated above, no other warranties or guarantees are expressed or implied. Each sale or resale of an animal constitutes a separate transaction.  
2. Addison Brangus Farms or any other person connected with the management of the sale assumes no liability, legal or otherwise.
