Ruth's Harvest- Fairfield

Food insecurity doesn't disappear when school ends for the summer. In fact, it actually may become a more severe problem because there are no school breakfasts or lunches.

When we initially provided backpacks of food to food insecure students in the Fairfield Area School District, we talked to school personnel about the possibility of also providing a summer food program through the school. That didn't work out because there wasn't a solution for getting the weekly backpacks of food to the individual students.

A few years later, however, Wesley Chapel began a summer food program for students who received backpacks from Ruth's Harvest-Fairfield (RH-F) during the school year. Their program also includes each student's family members. Through the school counsellors letters from Wesley Chapel were sent to the families inquiring if they would benefit from a food assistance program during the months of June, July and August. Those who responded agreed to provide the number of people in their family and their names and addresses. This summer numerous families responded to the letter, and Wesley Chapel volunteers now deliver monthly food supplies to those families during the three-month summer break. 51 students and family members are currently benefiting from this program.

The RH-F Board of Directors has voted each year to support the efforts of Wesley Chapel because it is a program that serves the students who had received RH-F backpacks during the school year as well as their families. This year we donated \$750.00 to Wesley Chapel to support this food program.

So, while we are taking a break from packing the weekly bags that are distributed through the school, we continue to support the food insecure students in the Fairfield area through the Wesley Chapel program.

May the Lord continue to bless us with the ability to support food insecure students through the kindness and generosity of the Fairfield community.

Respectfully submitted with gratitude,
Linn Wichowski

Making Melodies!

Thank you to everyone who shared their music talents during worship services in July. There are still opportunities for solos, duets etc. Contact Carol Garman if you are interested or you know someone who might be.

WOV and Bells will begin their regular season with food & fellowship Wednesday, September 2nd. Regular rehearsals will resume Wednesday, September 9th. New members welcome!

Blessing of the backpacks

Join us Sunday, August 16th during worship to bless the backpacks, children, and teachers in our congregation and community as they prepare to return to school for another year. There are invitations at the usher's stand for you to take and invite friends and family that are preparing for a new school year.

Above are some pictures from our VBF Week Potluck dinner! It was a joy to spend the week with these amazing kids. It was fun to be able to share what they learned with their parents, friends and members from our congregation. Thank you to all who participated and attended!

Pastor's Message

“Be still and know that I am God.” (And you're not!) Psalm 46:10 NRSV

When I was in seminary I was invited to be included in a weekly spiritual care group. Professor Emeritus Rev. Dr. Bill Smith invited us into his office where the lights were dimmed and comfortable chairs were arranged in a circle in his round office. He invited us to sit, close our eyes and relax. He went so far as to say that it was OK to doze off, which is a special treat for a seminary student wrestling with a heavy load of difficult theological reading and deadlines for assignments. Dr. Smith would speak softly as he walked around the room inviting us to let go of the many things cluttering our minds. He quoted Psalm 46:10 as he invited us to relax, let go, and give the stress, the confusion, the anxiety and fear to God.

“Be still, and know that I am God! I added the parenthetical “And you're not!” And what a relief that is!

A classmate translated the verse from Hebrew to English as, “Stop striving, and know that I am God.” I like that translation a lot. Psalm 46 reminds me that God is there, ever-present and ever-loving. You are loved without condition as you live with the joys and concerns of life. While you wrestle with the realities and challenges of stretched budgets, health, relationships etc. there is one thing you do not need to wrestle with. God's love for you is unshakable. It is trustworthy at all times. Nobody, and nothing can take God's love away from you. Therefore you do not need to worry about it and you do not need to work to keep it! Stop striving and let God be God. Let God do what God always does, God loves you! Believe what Paul says in Romans 8:1, “There is therefore now no condemnation for those who are in Christ Jesus.” Wow! In your baptisms you were made God's child, God's beloved. Later in chapter 8 Paul tells us that because we are God's adopted children, we are joint heirs with Christ! Romans 8 ends with the promise that nothing can separate us from the Love of God in Christ Jesus our Lord.

Sisters and brothers in Christ, as you wrestle with the many challenges in life, I invite you to take time to be still, to relax and close your eyes and meditate on those wonderful words from Psalm 46:10, “Be still, and know that I am God.” Rest in those words. Make the sign of the cross on your forehead to remind yourself that you are a baptized and beloved child of God. As you do, may the grace of our Lord and Savior Jesus Christ wash over you and bring you peace.

Peace,

Pastor Wayne

Call Committee Update

In July, the Call Committee completed a final draft of the Ministry Site Profile. The next step will be to meet with Pastor Beth Martini, Assistant to the Bishop of the ELCA Lower Susquehanna Synod and the Council at St. John to review the Ministry Site Profile. The purpose of the review is to bring together the leaders who know the congregation well in order to point out weaknesses or inaccuracies in the profile, as well as to suggest ways to strengthen the profile. This meeting is in the process of being scheduled.

Once the Ministry Site Profile has been approved, it will be uploaded to the ELCA websi. Once it has been uploaded to the site, ELCA Pastors from across the country will have the opportunity to view our Ministry Site Profile and decide if they would be interested in a call to our congregation. I will continue to keep the congregation informed throughout the call process as we let the Holy Spirit guide us in finding our next Pastor at St. John.

Please feel free to ask either myself, or any of the members of the Call Committee any questions you might have. I would once again like to thank the Call Committee members - Lisa Simmons, Linn Wichowski, Julie Falk, Larry Hull and Cory Runk for all of their hard work and dedication.

Peace,

Mike Gamer

Council Corner- July Meeting

Council Corner- July 2026 Meeting

The last council meeting was held on July 13, 2026. Council members present were Josh Haynes, Frances Bassett, Barb Booz, Sandy Kump, Tammy Deardorff, Sue Hull, Mike Gamer, and Chris Cool. Pastor Wayne was on vacation.

At the beginning of each meeting, we share where we have seen God. Members shared that they saw Him in the beautiful weather we were having, in the magnificent power of Niagara Falls, being blessed by having a meal paid for, and in His protection during a car accident that was so close to being terrible, but wasn't.

The Treasurer's report included explanations for some of the funds that we have. Money that is not designated for a specific purpose when memorials are given is transferred into the general fund after 5 years. The interest earned in the American Fund account is re-invested into the same account. For the first six months of this year, our income has been less than our expenses in five of the six months, ranging from **-\$1,133** to **-\$7,810**. We were in the black in March due to Cash Day. Our sexton, Mary Jo "MJ" Graham has submitted her resignation. MJ will be finished on July 19, 2026. We will need to hire a new person. There will be a change to the job description by adding PA clearance.

A resignation letter from Susie Kump as Treasurer was presented. Susie will continue in her position until December 31.

The Call Committee has finished the Ministry Site Profile.

The Women of St. John generously paid for the new directories.

If you have any questions or concerns about Church matters, please contact any council member. You are welcome to attend meetings which are held on the second Monday of the month at 6:30 p.m.
