Supportive Services for Veteran Families

New Beginnings Counseling Center's Supportive Services for Veteran Families program operates from a housing first model to help end veteran homelessness within Santa Barbara County. The program's goal is to help veterans attain housing stability through short-term case management and financial assistance. We serve those in danger of losing their housing, and those who are homeless and need assistance in obtaining permanent, traditional housing.

Services Include:

- Short-term case management
- Housing counseling and placement assistance
- Temporary financial assistance for rental debts, security and utility deposits, and short term rental assistance.

Basic Eligibility Requirements:

- A member of a veteran family, which can be a single veteran or family in which the head of household or the spouse of the head of household is a veteran.
- Gross household income must be at or below 50% of the area median income for household size.
- A person who served in the active military, naval, or air service, and who was discharged or released there from under conditions other than dishonorable.
