

The world expects safe, reliable and durable infrastructure—owners of such infrastructure specify quality tolerances for the materials used and construction of their assets. Quality assurance inspection of these materials, oversight of fabricators' quality control programs, and management/inspection of construction processes are crucial in meeting these specifications, and meeting global expectations.

Who is HRV?

We are leading experts in materials quality assurance and quality control inspection, construction management and construction inspection focused on delivering cost-effective services for transportation, rail & transit, oil & gas, power, commercial, and water/wastewater markets worldwide.

We are *Quality. Assured.*

Why HRV?

HRV delivers quality assurance—our “product” for nearly 15 years. We excel by maintaining high standards of technical training, leveraging deep industry knowledge and experience, practicing ethical conduct, applying innovative technologies, and communicating openly with our clients. Our certified inspectors are strategically located throughout the United States, providing comprehensive inspection services nationwide.

Practices/Services

- ▲ Quality Assurance/Quality Control for Fabrication and On-Site Inspection of Steel, Concrete and Fiber Reinforced Polymer
- ▲ Coatings Inspection
- ▲ Non-Destructive Testing/Evaluation
- ▲ Construction Management/Construction Inspection
- ▲ Engineering Consulting and Technical Training

FAST FACTS

- 📌 **Nationally-recognized technical expertise in Steel, Concrete, Coatings, CM/CI and Technical Consulting/Training**
- 📌 **150+ certified QA inspectors nationwide, and growing**
- 📌 **International experience includes Japan, Korea, Germany, Belgium, Norway, Trinidad, Saudi Arabia and China**
- 📌 **Key Professional Certifications:**
 - *Professional Engineers*
 - *Welding Engineers*
 - *American Welding Society (AWS)*
 - *American Society for Non-Destructive Testing (ASNT MT, PT, UT, RT)*
 - *American Concrete Institute (ACI)*
 - *Precast/Prestressed Concrete Institute (PCI)*
 - *NACE International (NACE)*
 - *Society for Protective Coatings (SSPC)*
 - *International Code Council (ICC)*
 - *American Petroleum Institute (API)*
- 📌 **Key Markets:**
 - Transportation, Rail & Transit, Oil & Gas, Power, Commercial, and Water/Wastewater*
- 📌 **Key Client Types:**
 - *State Departments of Transportation*
 - *Turnpike/Tollway Authorities*
 - *Rail/Transit Authorities*
 - *Municipal Authorities*
 - *Sports & Entertainment*
 - *Oil & Gas Pipeline Owners*
 - *Energy Companies*
- 📌 **A certified Woman-Owned Business Enterprise with approved DBE status in 20 states**
