About 2LMN, Inc.

2LMN has been providing high-quality Civil Engineering and Land Surveying services for forty-two years. Over the past two decades, 2LMN has primarily focused on transportation improvement projects, namely for the Ohio Department of Transportation. Throughout this period we have successfully completed over seventy-five ODOT projects without missing a filing deadline. Our experience ranges from single culvert replacements to \$25-million interstate projects.

Differentiators

- Multidisciplined civil engineering firm.
- 35 employees with 11 PE's and 2 PS's.
- Hundreds of years of combined knowledge and experience.
- Primed nearly 80 projects for the Ohio DOT.
- Never missed a filing deadline on any project to date.
- Worked with 50+ other firms as a subconsultant.
