

## WVDOT: Monthly Updates and Insights

### January 2025

#### WVDOH accepts bids for 13 paving projects and five bridge projects

Thirteen paving projects and five bridge projects are among 26 construction projects included in a bid letting conducted by the West Virginia Division of Highways (WVDOH) on Tuesday, December 17, 2024. The work comes as the WVDOH continues its emphasis on paving and bridge improvements all over the state.

#### Gov. Justice announces \$75M investment to support Nucor Corporation's investing an additional \$800M for its Mason County steelmaking facility

Gov. Jim Justice announced today that the West Virginia Economic Development Authority has approved \$75 million to support Nucor Corporation's additional \$800 million investment in its new Mason County sheet mill. This brings Nucor's total commitment to \$3.5 billion, marking the largest economic development investment in both state and company history.

## Setting the Stage for Growth

Will 2025 be the year that construction can turn the page and transition into a more sustainable path for growth? The Fed's change in stance and the expectation of lower rates over the next year certainly set the stage for that.
