BUILDING SOLUTIONS

A Minority and Women Owned Small Business

Capabilities Statement

Headquartered in McKees Rocks Pennsylvania, Low Country Building Solutions is a rapidly expanding small diverse business engaged in the wholesale distribution of construction supplies and construction management services. The key element of our capability is excellent customer service and competitive pricing and total management of inventories up to the point of delivery.

Low Country Building Solutions, formed in August 2008, offer cost effective prices through volume purchase agreements and strategic partnerships with some of the top manufactures of building supplies throughout the United States.

We provide best value and logistical support in the transportation of supplies to the job site, bringing an immediate competitive advantage as well as relevant expertise to every project at a competitive price.
