

Package for Travellers

THIS OPPURTUNITY

Experience Zimbabwe Through Meaningful Tourism with Zion City Foundation

Are you seeking a travel experience that goes beyond the ordinary? Join Zion City Foundation on an inspiring journey where adventure meets purpose. This is your opportunity to immerse yourself in the heart of Victoria Falls, Zimbabwe, where you can connect with local communities, learn about the culture, and gain insights into the challenges faced by the people—and the impactful solutions underway to create positive change.

Through a range of community-led projects, Zion City Foundation is addressing critical areas such as education, youth empowerment, environmental sustainability, and gender equity. As a traveller, you're invited not only to witness this work first-hand but to actively participate—whether through volunteering or offering support that can make a lasting impact. Every step of your experience is designed to deepen your understanding of Zimbabwe while empowering the local community to thrive.

This isn't just a visit; it's a partnership in creating a better future.

Whether you want to engage with youth education, sustainable farming, or initiatives supporting girls, boys and young women, Zion City Foundation can customize an itinerary to match your interests.

Join us in making a difference. For more information, please feel free to send us an email.

Girls Time Club

The Girls Time club continues to be a beacon of empowerment for adolescent girls and young women in our community. Our focus on mentorship and leadership development has yielded a remarkable progress. We have tackled critical topics such as gender stereotypes, norms and harmful practices, fostering a deeper understanding and awareness among members for positive change also explored social media, equipping the girls with the knowledge to navigate the digital world.

Trailblazers Boys Club

The Trailblazers boys club has been actively promoting gender equality and positive masculinity among its members. Our discussions and activities have been designed to challenge the traditional gender roles and encourage a more inclusive perspective. By fostering an environment of respect and understanding ,we aim to shape a generation of young men who will advocate for equality and positively influence their communities. We are grateful for individual donors who have supported this cause and we call for more support as we look forward to engaging more in trips, activities and bring speakers on Drug and Substance abuse and other issues of concern for boys in our community.

Ithuba Lami Girls Club

Ithuba lami girls club is a new club that was pioneered this year but has had significant impact on its 15 young members. Our activities have centred around confidence building ,goalsetting and team building exercises. These sessions have not only boosted the girls self esteem but also equipped them with essential life skills for their future endeavours. The transformation in these girls has been truly inspiring ,and we look forward to seeing their continued growth and achievements. We are grateful to families and individual donors who have supported us!

What you, the traveller will gain!

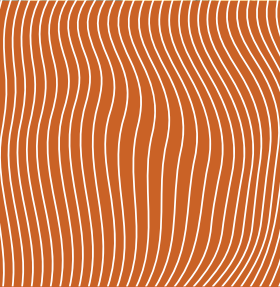

Immerse yourself in the vibrant heart of Victoria Falls, Zimbabwe, where travellers can connect with welcoming local communities, explore rich cultural traditions, and gain a deeper understanding of the unique challenges faced by the region. Discover inspiring initiatives that the Zion City Foundation run, as they actively work to uplift the community by focusing on education, youth empowerment, environmental sustainability, and gender equity—helping to shape a brighter, more resilient future for this remarkable destination.
