

# MANUAL HANDLING CROSSWORD 3

Solve the clues — answers run across and down · letter counts in brackets

NAME \_\_\_\_\_

DATE \_\_\_\_\_

## ACROSS

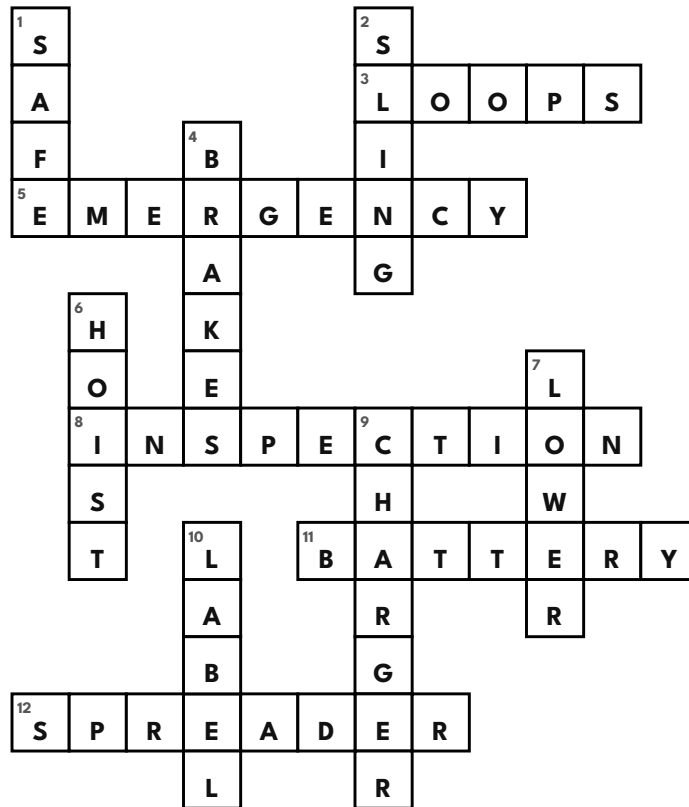

3. Colour-coded attachments that set the sling's fit (5)
5. Every hoist has an \_\_\_\_\_ lowering function — know it before you lift (9)
8. LOLER requires a thorough one every six months for people-lifting kit (10)
11. Charge this overnight before every training session (7)
12. The \_\_\_\_\_ bar is the part of the hoist the sling attaches to (8)

## DOWN

1. The S in SWL — the maximum \_\_\_\_\_ working load (4)
2. Person-specific fabric support — never share sizes between people (5)
4. Apply these on the bed — but usually NOT on a moving hoist (6)
6. Mechanical lifter — mobile, ceiling track or standing type (5)
7. Always \_\_\_\_\_ the person over a safe surface, never open floor (5)
9. The battery goes here — routed away from the walkway (7)
10. If this is illegible, the sling is out of service (5)
