

MERCEDES V-CLASS

Wheelchair Accessible Vehicle

VIENNA

LUXURY REDEFINED

Heralding a new chapter in luxury travel for wheelchair passengers, the Mercedes V-Class VIENNA is the last word in style, comfort and engineering refinement.

The VIENNA features a full-length lowered floor which provides a generous 56" of headroom for the wheelchair passenger.

The VIENNA comes with two OEM Mercedes seats in the rear as standard to provide seating for 4 plus the wheelchair passenger who sits in the second row creating a more inclusive passenger experience. Two tip and fold seats are available as an optional extra.
