## Stingray Swim Team

The Swim Team Board for one of the largest and winningest teams in the Herndon Swim League has been meeting and is gearing up for another exciting year of summer swim competition! Yes, in just a few weeks, we will have forgotten about watching weather forecasts for snow and we'll be watching for thunderstorms!

**INFO:** The Swim Team will NOT be mailing an information sheet with registration forms. **Look for an email in early April from the Hunters Creek Swim and Racquet Club with an announcement about swim team and the registration forms.** Last year's team members will also receive an announcement via TeamSnap. After this initial announcement to all the members, only those who sign up for swim team will receive swim team announcements. Be sure to follow the directions so you don't miss anything!

**WHO:** All dues-paid members' children 18 and under are invited to join the swim team. The only criterion is that your **child must be able to swim across the pool without assistance.** The coaches are willing to let a child try a few practices before committing to the team.

**NOT "MEET READY"?:** This is for 5 year olds and up, new team members, and returning members that are not "meet ready." We are bringing back a Stroke and Development Program to work with swimmers to get them ready for the season. The coaches will work to build the confidence to get across the pool and ready to participate in meets. They will also spend extra time in the water with anyone who needs a little extra help to get those strokes/dives and flip turns ready for competition. This group will practice when the other swimmers practice. Specific times TBD, based on number. The only criterion is **your child must be able to separate from parent(s) and follow directions in a group setting.** More details at the Open House.

**WHAT:** The Stingrays are part of the Herndon Swim League, which is a developmental swim league. That means all swimmers who are meet ready will swim at all meets and get a ribbon for every race they swim. It's fun and everyone improves.

**REGISTRATION:** You may mail your forms to Leanne Caldwell. Her address will be on the registration form. Or, you can stop by the pool on May 4 to drop off forms and to try on new team suits.

**Volunteers** - It takes a lot of Parent Power to pull off the swim season!! We are continuing to improve our volunteer sign up every year. Details at the **Open House on May 4.** If you are unable to come to the Open House, refer to the swim team information email and contact a swim team board member to write you in.
