ACTIVE RFID Membership Cards & Guest Pass Policies

1. Regular ACTIVE RFID Membership Cards:

- **Each Household Adult Member** is required to use/swipe their ACTIVE RFID Membership Card upon entering the pool area.
- Each membership in good standing entitles all persons permanently residing at the household to full HCSRC access via an ACTIVE RFID Membership Card.
- The HCSRC issues RFID Membership Cards free of charge for each permanent adult resident of the Member household. Each Household Member card is reactivated each year upon full payment of annual dues and updated HCSRC Household Membership Information Form.
- Replacement RFID Cards (for those lost, destroyed or stolen) cost \$5 each and are available through the Membership Manager.
- Each Membership must inform the Membership Manager of changes to household members and contact information using the *Household Membership Information Form*, which is emailed each season upon receipt of payment. This required information lists the names of all permanent residents living in the Membership household.
 - Persons no longer residing at the Household address must be removed from the *Household Membership Information Form* during the next renewal period when paying annual dues.
 - College students and household members on extended travel or deployment, that maintain the Membership Household as their permanent residence (i.e., mailing address, drivers license address, tax purposes) are considered part of the Member Household.
- Temporary residents, including out of town family, guests, daycare children, or friends are not eligible for RFID Membership Cards. These individuals are considered Guests and must enter with a Guest Pass associated with the ACTIVE RFID Membership Card.
- The HCSRC reserves the right to audit and verify the residency status of all persons listed on the *Household Membership Information Form*.

2. Guardian Passes:

- Members may request a “Guardian Pass” from the Membership Manager for any person who regularly provides supervision to Member household children.

- Guardian Pass holders may not use their Guardian Passes without accompanying their Member children.
