Hunters Creek Swim & Racquet Club
Policies & Procedures
Operating Under COVID-19 Restrictions

Scope/Purpose: The purpose of this document is to supply overarching guidance for operating Hunters Creek Swim and Racquet Club pool in the era of COVID19.

Section 1: Phase 2 Opening and Pool Use

Phased Approach: The main pool will be used for lap swimming/exercise only per state guidelines. The Club Board will continue to enforce the one swimmer per lane rule AND allow up to three swimmers per lane if from the same household. The wading pool will remain closed until further state guidance is provided. No congregating inside the facility will be allowed under any circumstances in Phase 2 and Members should observe social distancing at all times. No lounging or tanning will be permitted inside the pool during Phase 2. Members are welcome to bring their own seating to use in the grassy areas around the facility while waiting for their timeslot.

Each time a Member enters the pool area they will be required to attest the following:

1. Do you have a cough and/or sore throat? Yes_____ No _____
2. Have you had a fever in the last 72 hours (3 days)? Yes_____ No_____
3. Do you have any shortness of breath or is it hard for you to breathe? Yes_____ No____
4. Is anyone in your house ill with a fever or a cough? Yes____ No_____
5. Have you had any contact with someone known to have or is being tested for Coronavirus in the last 14 days (2 weeks)? Yes____ No_____

*** If the answer is **YES** to any of the five questions, you will **NOT** be permitted to enter the building. ***

Section 2: Infection Control

1. **Cleaning & Disinfecting Process**

   To reduce the risk of infection during Phase 2 shared surfaces will be cleaned and disinfected every two hours. Shared surface areas include door handles, hand rails, pool ladders, bathroom sinks and toilets, light switches, telephones, chairs utilized by staff, lifesaving equipment, and check-in equipment.

2. **Face Coverings**

   Everyone on pool property must wear a cloth face mask when they are not in the water. When in the lifeguard chair a lifeguard on duty may remove their mask.

   a. Staff - Face coverings will be made available to pool staff. Mask use by lifeguards on chairs is optional.
   b. Members – While within the pool facility, Members must wear a mask unless in the water.

3. **Illness Screening/ Temperature Checks**

   Staff/Board: All lifeguards and visiting Board members will self-measure their temperature and assess any symptoms prior to the start of their workday/visit.

   Members: Members will be required to complete a health survey before making an online

reservation for a lane or entering the facility to use one of the “walk-up” lanes. See Section 1 above.

4. Member responsibility / Liability

Pool Members will be alerted that, while we are taking extreme measures to ensure their safety, they assume an inherent risk while visiting the Club during a pandemic. Open air, chlorine, disinfecting, and social distancing are all helpful to reduce risk, but the virus remains among us.

A liability waiver signed by each Member family prior to each visit to the pool will be required until further notice.

Signage will be plentiful and will highlight behavioral expectations for Members and their families as a COVID code of conduct. The Code of Conduct will also be included in the online reservation system.

5. Check in/ Check Out Procedures

We will provide a no-touch check in/check out.

Only a staff member be the one to touching computer used to track member attendance. These devices be wiped down during the regular cleaning schedule.

- Check in staff and member will both be wearing masks and observing 6ft distance.
- 6 ft intervals will be marked outside the main entrance
- Members will exit separate from the main entrance by using the emergency gate located next to the wading pool.
- A sneeze guard will be utilized at the check in desk.

6. Reserved times/ time limits

During each Phase we will use an online reservation tool to reserve a lane for a certain time with limits. We will instruct Members on when to arrive and what to do upon arrival. A window of five minutes will allow for shift changes amongst lane reservationists. Members waiting for their pool time should be instructed to wait in the parking lot or to sit outside the fence – at proper social distances.

7. Guests

Guests are not allowed during any Phase.

8. Equipment

All pool furniture will be made unavailable to Member use during Phase 2. Lifeguards will have chairs available to them in the guard shack, as well as for pool guarding. A table will be available for lifeguard use as well. All furniture used by lifeguards will be cleaned during the regular scheduled cleaning process. No equipment will be provided to Members, to include kick boards, pool noodles, goggles.

9. Deck / Fence/Wall Marking

We will mark walkways and any other high traffic areas to indicate social distancing and direction conducive to social distancing practices.

10. Club/Bathhouse

During Phase 2 bathrooms will be open to members for emergencies only. Changing areas and showers are off limits during Phase 2. NOTE: Members should shower at home before coming to the pool and be ready to enter the water immediately already wearing their swimsuit and with all

necessary equipment.

11. Pool Rentals/Parties

Pool parties and pool rentals are not allowed during Phase 2.

12. Pool Amenities

It is the requirement of Phase 2 that seating areas be closed, therefore all seating available on deck has been removed. Other items that will be prohibited during Phase 2 include:

- Concessions, Vending Machines, Grills, Food Delivery
- Water basketball
- Baby /Wading Pool

13. Signage:

COVID Code of Conduct: See attached.

14. Designated COVID-19 rep

A pool Board member will be designated as the COVID-19 point of contact and this information will be shared with Members.

15. Hand Sanitizing Stations

No-touch hand sanitizing stations will be positioned at both entrances, bathroom exits and the gate exit.
