## Hunters Creek Pool Party Rules

Pool Party Hosts are responsible for policing their guests' behavior and making sure everyone follows the pool rules and listens to the Life Guards. The pool rules are for the safety of everyone.

Pool Party guests need to be cleaned up, off the deck, and out of the Pool House by closing (9p on Friday and Saturday, 8p for all other evenings). If there is thunder, the pool and deck need to be clear of people as soon as possible.

The policy is that children visitors will have to do a short swim test before being allowed in the deep end. This is standard procedure at many pools and is administrated by the Life Guards. The children who pass will be issued a wristband to swim in the diving well.

Please complete this form and give/drop off with the check (NO CASH) to cover the guests that you will pay for, in an envelope, at the pool during operating hours (11AM-8PM, M-Th; 11AM-9PM, Fri & Sat, 12 noon-8PM, Sun): at least 3 days before the party. (Check made out to Hunters Creek Swim & Racquet Club.) The check needs to cover the amount of people on the deck, not just in the pool, because that is how Life Guards are staffed. The current rate is **\$7 per person** (minus members and usual five guests with passes).

Thank you and have a wonderful party!
