

The **Membership surrender window runs from August 30 until November 30** each year. The HCSRC uses an automatic renewal of membership. No surrenders are accepted outside of the surrender window. Per our Bylaws, your current options are to find a buyer for your Membership or to submit a written request for "Inactive Status" to the Board before the dues deadline of May 1. Note: This request will not guarantee you are approved for Inactive Status. Per the Bylaws, the Board is limited to the number of Inactive Status cases we are allowed each season. Should you be approved, you would owe half the annual dues (\$237.50) and would not have access to the pool for the season. During the surrender window (starting Aug 30) you could then surrender your Membership. Additionally, in the surrender window, you must be a member in good standing and provide all passes and tennis key (if issued one) to the Membership Manager. All missing passes are \$5 each and missing tennis keys are \$25. Additional questions can be sent to the Membership Manager at membership.hcsrc@gmail.com.
