

COMBOYNE GROUP – QUOTE TERMS & VALIDITY

Quote Validity

This quotation is valid for acceptance for a period of 30 days from the date of issue.

Pricing Basis

All pricing is based on current labour, freight, fuel, and supplier costs at the time of quoting. All prices quoted are exclusive of GST and any other applicable taxes, levies, duties, or surcharges imposed at the time of supply, which shall be payable by the customer in addition to the quoted amount.

Scheduling & Price Adjustments

Where delivery, installation, or placement is scheduled more than 30 days from acceptance, we reserve the right to adjust pricing to reflect any increases in costs outside of our control, including (but not limited to) freight charges, fuel costs, labour rates, access requirements, or supplier price changes.

Access & Site Conditions

Pricing is based on the site conditions, access, and scope of works as outlined in this quote. Any changes to site access (e.g. stairs, lift access, distance to delivery point, waiting time, restricted access, or after-hours requirements) may result in additional charges.

Delays Outside Our Control

We are not liable for delays caused by factors outside our control (including supplier delays, site readiness, or access restrictions). Additional costs incurred due to such delays may be chargeable.

Variations

Any variation to the agreed scope of works, including changes to quantities, delivery timing, or installation requirements, may result in revised pricing.
