**In Florida:** The hosting church covers the traveling expenses (gasoline, tolls, meals and hotel, if needed). The honorarium is separate from the traveling expenses.

**Outside of Florida:** The hosting church covers the flights, baggage fees, meals and hotel.

- Prophet Nino prefers to travel with his wife or one of his sons. Leaving the day before the event and returning the day after the event ends.
- We do ask that prior to making flight arrangements, please contact Yvette to review the itinerary. An aisle seat is necessary and consider flights leaving anytime after 10:00 AM due us living 60 miles from the airport, being there two hours prior to departure and airport parking.

In regards to the honorarium, we do not ask for a specific amount but please keep in mind that he is in full time ministry and this is his means of income to provide for his family.

What you consider to be a love offering, is a salary to Prophet Nino and his family.

We are always willing to work with a church, please contact us if you have any questions or concerns.

In His service for your service.
