

Edgelea Woods Community Association Meeting Minutes

Date: June 24, 2026

Attendees: Frank Sheriden, Jonathan Welly, Matt Pang, Dave Young

Call to Order

The meeting was called to order at 9:07 p.m.

Old and New Business

Eagle Scout Invasive Species Removal Project. The Board reviewed the upcoming Eagle Scout project to remove invasive species from the wooded common area. The project is scheduled for August 1, 2026. The Eagle Scout plans to map the specific area where work will be performed and provide that information to the HOA Board in advance.

Edgelea Woods Fall Picnic. The Board discussed preparations for the Edgelea Woods Fall Picnic. Frank reported that he has acquired the ABC license and rented both the bounce castle and the shaved ice machine.

Outstanding 2026 HOA Dues. The Board reviewed the status of unpaid 2026 HOA dues. Five homeowners have not yet paid their dues. Final notices were sent by registered mail, but the notices were returned as undeliverable by the Post Office. The Board will follow up with each homeowner by phone or email.

Neighborhood Engagement and Communications. The Board discussed options for improving communication among neighbors. Current communication channels include Facebook and email, but the Board would like to identify an approach that encourages broader participation. Options discussed included WhatsApp, Band, and X. The Board recognized that, regardless of platform, it can be difficult to encourage busy residents to join another group or install another application. The Board will continue exploring options to improve neighborhood engagement.

Common Area and Maintenance Items

Neighborhood Trail Maintenance. Jonathan plans to trim branches that are obstructing portions of the neighborhood trail, as they may present a hazard to residents walking or running on the trail.

Replacement Picnic Table. The Board purchased a replacement picnic table for the meadow, the common ground adjacent to Williamsburg Commons. The Board will look to install the picnic table shortly.

Adjournment

The meeting was adjourned at 9:30 p.m.

Reminders, Announcements, and Miscellaneous Information

Fairfax Senior Centers

Fairfax Senior Centers are recreation centers for adults 50 and older. You can register for a fee at the Jim Scott Center on Vaden Drive near the Fairfax side of the Metro. Senior programs are from 9am-3pm weekdays. They offer fitness programs, special interest activities (art, music and technology). Once you are registered for a fee you can use any of the Adult Centers throughout the county. Check out information on Neighborhood and Community Services at:

<https://www.fairfaxcounty.gov/neighborhood-community-services/senior-centers>

Peggy Kelly has kindly offered her assistance as well to answer questions. She can be reached at mmik418@verizon.net or 703-400-9523.

Parking

Please keep in mind that EWCA rules prohibit long-term parking of commercial vehicles in the neighborhood.

Street Lights

To report an outdoor lighting concern, submit a concern to Dominion Energy at: <https://www.dominionenergy.com/virginia/report-outage-or-emergency/streetlight-outages>

Street Sign Issues

To report any issues with street signs, contact Fairfax County Department of Public Works and Environment Services. Call M-F 8-4:30 at 703-877-2800 or submit a maintenance form at:

<https://www.fairfaxcounty.gov/publicworks/street-name-sign-maintenance-form>

Stop Sign Visibility Issues

To report a problematic visual obstruction of a stop sign, call V-DOT at 703-259-0243 or go to <https://virginiadot.org>. You can place a maintenance request online. Click the associated tab at the top of the main page labeled, "to report a road problem."

Potholes

To report potholes in roads or any other issues related to roads contact the Virginia Department of Transportation (VDOT) here: <https://my.vdot.virginia.gov> or call 1-800-FOR-ROAD. Once reported, VDOT typically repairs the pothole within 72 hours.

Oakton High School Facility Issues

To report any facility concerns regarding Oakton High School, such as dangerous trees or vine growth, contact the FCPS Facilities Leadership team at:

<https://www.fcps.edu/contact-us>

Feeding Wildlife in Our Community

Please do not feed the foxes. They are a vector for rabies. Fairfax County Animal Control has said that they will not trap or remove them as they are a natural occurring species. If you see an aggressive fox, it could be a sign of illness. You can call (703) 691-2131 to report aggressive behavior.

Seller's Packets

The seller's packet is homeowner's association documentation provided to the buyer by the seller. It includes information such as proof of HOA insurance, annual dues, Architectural Review Committee (ARC) compliance, confirmation that the HOA does not have a lien on the property, etc. The Virginia Code requires that a property seller supply this information to the buyer through the HOA.

The packet requires some work on the part of the Board and is impossible to deliver overnight. If you are thinking about putting your house on the market, please reach out to the Board immediately. You'll drop off a check for \$100 which will start the process. If you would like the seller's packet expedited, there is an additional \$70 fee associated with a rush job. The EWCA Vice President will gather the documents, the ARC will do a walk past the exterior of the house to affirm compliance with ARC guidelines, and then the packet will be assembled and sent out.

Starting early allows you and the ARC Board to resolve any issues that might remain unsettled before the crush of a closing date makes everything hectic. Doing so also allows the volunteers who do the work time to do it well.

Home Sale and Homeowner Association Document Acquisition

Here are the steps involving the acquisition of ARC documents,

1. Pay a \$100 fee c/o EWCA to acquire an EWCA Seller Packet.
 - Checks with a written request to receive an EWCA seller packet can be mailed or hand delivered to:

9916 Oleander Avenue
c/o Frank Sheridan
Vienna, VA 22181

0. The Board needs three weeks for the completion of HOA documents in order to
 - Complete an ARC walk-through of the outside of the home.

- Gather homeowner policy insurance information, EWCA budget information, lien info, and fill out the State of Virginia HOA Disclosure Packet.

Contact info for the EWCA Board Members:

Frank Sheridan, President: fsheridan@verizon.net
Jonathan Welly, Vice President: ewcahoa@gmail.com
Matt Pang, Treasurer: edgeleawoodstreasures@gmail.com
David Young, Secretary: ewcahoa@gmail.com

Be sure to check our website for docs, old minutes, info on getting ARC approval for your home projects, etc.: <http://edgeleawoods.com/>

Architectural Review By-Laws Regarding Exterior Changes To Your Home

Please be aware that before you do any kind of work or improvement to the outside of your house, it needs to be reviewed first by our Architectural Review Committee (ARC). These are by-laws as they pertain to advance approval for changes to the exterior of the home. If you have any questions, you can drop an e-mail to our ARC Chair.

"No building, fence, wall or other structure shall be commenced, erected, or maintained upon the properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an Architectural Committee composed of three (3) or more representatives appointed by the Board."

ANY CHANGE to the exterior appearance of a property lot within the Edgelea Woods neighborhood requires the approval of the Association's Architectural Review committee (ARC). Requests for changes/modifications to lots within the community must be presented to the ARC in writing using the prescribed form from the homeowner's manual. The ARC will review requests within 30 days of the receipt of the request. Reply to the applicant will be in writing. Whenever possible, the ARC will try to provide initial notification by telephone/in person prior to the delivery of written reply to allow for the expeditious scheduling of work.

Chris Le, ARC Chair: edgeleawoodsarc@gmail.com
