Rely+On™

Broad-Spectrum Disinfectant and Cleaner

No other disinfectant has a more extensive portfolio of performance and testing data. Rely+On has been proven to be highly effective against over 100 strains of virus in 22 viral families, 400 strains of bacteria and over 100 strains of fungi.

Powerful and Safe Disinfection **CDC / EPA Approved to Kill SARS-CoV-2 / Coronavirus**

Now Only One Product is Needed to Clean and Disinfect.

Disinfecting KILLS ALL label listed pathogens (bacteria, viruses, and fungi) by 99.999%. RelyOn™ takes disinfection further via a multifaceted mode of antimicrobial disinfectant action.
