The Zane Stock Tank

TANK WARRANTY

STOCK TANK SETUP

- A. 2-Year Warranty against Workmanship & Materials.
- B. Repair Kits (with Instructions) will be sent to users.
- C. Or tanks may be brought to plant & repaired for free.
- D. Warranty is void unless barrier is installed.
- E. Faulty handling procedures will void warranty.

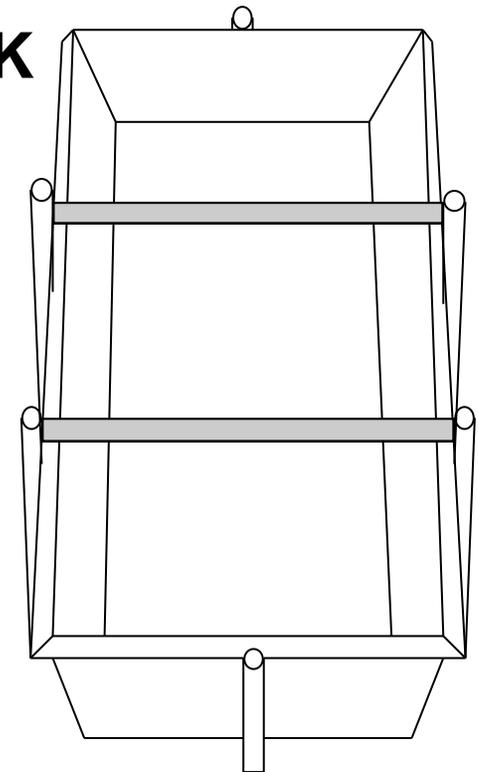

In order to maintain the warranty, the tank must be secured with posts and cross bracing to prevent movement.

Posts must be equal distance & evenly spaced across the tank.

6 Posts are recommended but 4 will be accepted.

Government specs may differ

For water storage only
